"Bebuquin o i dilettanti del miracolo" e il romanzo cubista di Carl Einstein, una delle piu stupefacenti manifestazioni delle avanguardie artistiche del Novecento.

This groundbreaking book dispels the myths perpetuated by some bestselling diet books that may help people lose weight, but will put them on the fast track to disease. Based on sound research and the success of thousands of people, The Schwarzbein Principle proves that excess weight, degenerative disease and accelerated aging can be controlled — and reversed — in a healthful way. The Schwarzbein Principle is a holistic guide to achieving lasting weight loss, normalizing metabolism and maintaining ideal body composition through lifestyle and nutrition. By bringing the internal systems into balance, the Schwarzbein program has been proven to: reverse type II diabetes; free people from food cravings for chocolate, caffeine and sugar; cure depression and mood swings; and reduce body fat while building lean tissue. The nutritional program consists of two phases —Healing and Maintenance — which are easy to adopt into any lifestyle. Instead of shunning fat, the program advocates eating all of the good fats and proteins your body needs as well as an unlimited portion of non-starchy carbohydrates. By incorporating the lifestyle components of stress management, exercise and eliminating harmful stimulants, program participants experience renewed energy and vitality. Just Don't Fall

British Pharmacopoeia 2016

A remarkable odyssey that John le Carre calls 'inspiring, courageous, sometimes heartbreaking' Josh Sundquist was an energetic and inquisitive nine-year-old when he was diagnosed with Ewing's sarcoma, a virulent cancer that eventually claimed his left leg. His extraordinary journey takes him from his small southern town-with his father, an aspiring pastor questioning his faith, and his mother, a rigidly conservative homeschool teacher- through a dizzying array of hospitals, on to high school, and then to the mountains, where Josh learns to ski. On the slopes, Josh's world bursts wide open and he finds within him the drive to become a champion skier, despite his disability. While he navigates the dramas of high school and an unstable home life, Josh keeps his eyes on the prize-the 2006 Paralympics in Turin, Italy. Just Don't Fall isn't just the story of a boy becoming a man, but of a champion realizing his greatest aspiration.

In this portfolio of unstaged photographs taken since the day they met, Petter Hegre pays tribute to his wife's beauty & eroticism -- an eroticism that is intensified by its presence in everyday situations.

Once upon a time in a little town in Oregon lived four Lindas - all in the same first-grade classroom. So they decided to go by their middle names. And form a club. And be friends forever. But that was 47 years ago. Now a class reunion has brought them all together in their old hometown - at a crossroads in their lives...

The British Pharmacopoeia (BP) 2016 will see the introduction of a new, integrated website pharmacopoeia.com that will provide a single place to access the BP online and to order British Pharmacopoeia Chemical Reference Substances. The site will replace pharmacopoeia.co.uk and will feature more information and a new look with improved functionality and accessibility. This edition also sees the introduction of a download format for use offline. This replaces the USB, and has the benefit of being updated three times per year to harmonise with the European Pharmacopoeia. Updated annually, the BP is the only comprehensive collection of authoritative official standards for UK pharmaceutical substances and medicinal products. The BP 2016 includes almost 4,000 monographs which are legally enforced by the Human Medicines Regulations 2012, and becomes legally effective on 1 January 2016. Where a pharmacopoeial monograph exists, medicinal products sold or supplied in the UK must comply with the relevant monograph. All monographs and requirements of the European Pharmacopoeia are also reproduced in the BP.

Gerard Percy, the new Earl of Wanstead, dreads returning home to Thornwood, where the widow of his predecessor lives with her two children. He has unhappy memories of Christina, the widowed countess. But it is Christmas, and he decides to take a houseful of guests with him to make his return easier. For her part, Christina feels an equal dread of seeing Gerard again, ten years after she renounced him in order to marry his strict, puritanical—but seemingly safe—cousin. She is horrified when she learns about the guests and the fact that Christmas this year is to be a bright and merry occasion, for her late husband would allow no frivolity of any kind in their life. And so they meet again, these two former lovers who have bitterly resented each other for ten years—but never forgotten each other.

Stark is a secret consortium with more money than God, and the social conscience of a dog on a croquet lawn. What's more, it knows the Earth is dying. Deep in Western Australia where the Aboriginals used to milk the trees, a planet-sized plot is taking shape. Some green freaks pick up the scent: a pommie poseur; a brain-fried Vietnam vet; Aboriginals who have lost their land...not much against a conspiracy that controls society. But EcoAction isn't in society: it just lives in the same place, along with the cockroaches. If you're facing the richest and most disreputable of the world, up two fingers and say 'peace'.

In November 2007, Romain Lannuzel Erasmus, student at the Autonomous University of Barcelona. ??mysteriously disappeared without a trace. This case remains unsolved, when the novel begins with another mysterious disappearance of Costantinu Iliescu, a Romanian student. His girlfriend and two of his Erasmus colleagues sound the alarm and move heaven and earth to find him, but both police and university officials believe that Iliescu has left voluntarily and refuse to get involved. However, they will soon have to change their minds as the events that occur reveal that something terrible, dark and macabre is happening at the college.

Discover the secrets to drawing, painting, and illustrating the undead in How to Draw Zombies. From the pages of great literature to Hollywood movies, zombies are appearing everywhere. Now aspiring artists can bring them to life, so to speak, by learning to render them with pencil, paint, and digital image-editing software. How to Draw Zombies gets into all the gory details, such as creating bloodshot eyes, forming robust brows, and imitating the look of pale, dead flesh. The book also features 15 step-by-step projects that guide artists from initial sketches to finished works of art, including a Voodoo Queen, a zombie climbing out of a grave, a zombie out for a midnight snack, a gothic zombie, and even a zombie romance.

Vampires, werewolves, witches, shapeshifters -- they live among us without our knowledge. Night World is their secret society, a secret society with very strict rules. And falling in love breaks all the laws of the Night World. Sarah Strange's life was what you might call ordinary. Then her mother died. Now Sarah has visions -- visions of a place where dragons darken the sky and a young girl is fighting to survive. When Sarah confides in her best friends, Mal and Kierlan, about the devastation in her dreams, she discovers that her friends are not what they seem. They are part of the Night World -- and they believe Sarah has a special role in their world. And if Sarah's visions are any indication of the impending danger and destruction, there is no time to lose...
