

## Abhijnana Shakuntalam

Translated from the Sanskrit and Prakrit.

Engineering Environment And Society Is The Subject Taught At Section A Of The Amie Curriculum. This Book Is Prepared In Accordance To The Syllabus Prescribed By The Institution Of Engineers, Calcutta. The Students While Clearing This Paper Engineering Environment And Society Could Find Themselves Fully Equipped With The Essential National Policies, The Necessities Of Our Society, The Magnitude Of Our Problems. The Current Concern Of The Work Is To Protect The Environment From Pollutions. A Chapter On Environment Is Included To Give Insight Into The Problem Faced By The Society.

The book "Guide for Intelligence Bureau Assistant Central Intelligence Officer Grade-II/ Executive (Tier - I) Exam book ' covers 4 comprehensive sections on: Quantitative Aptitude, Numerical/Analytical/ Logical Ability & Reasoning, English language and General awareness/ General studies. # The book also covers 4 past papers (2012, 2013, 2015, 2017 & 2021).The book covers detailed theory along with solved examples and short-cuts tricks to solve problems. # The General Awareness/ General Studies section (thoroughly updated) covers questions on Current Affairs, History, Geography, Politics, Economic and General Science etc. # The Numerical/ Analytical/ Logical Ability & Reasoning section includes Verbal and Non-Verbal Reasoning. # The book provides 3000+ questions with solutions to the exercise have been provided at the end of each Chapter. # 100% Errorless solutions provided.

A Social and Cultural History

Kalidasa's Abhijnana Shakuntalam

Coming of Age in Nineteenth-Century India

Guide to DSSSB (Delhi Subordinate Service Selection Board) Tier I (All Posts) Exam 2021

A Bulk Of Short Questions And Answer Series-2

AKASHVANI

*The present volume has compiled excerpts from a range of writings on theatre that give the reader a view of the varied modes of thinking. They are arranged into six sections, apart from a photo essay. It is not intended to be a history book; but a sourcebook that can lead to a more comprehensive account of Kannada theatre history, or complement the existing history books. Most of the writings in this volume are appearing in English for the first time. The book hopes to be of value to experts as well as theatre practitioners to understand the varied and nuanced narratives within what is normally put together as the history of modern Kannada Theatre.*

*Kalidasa is the major poet and dramatist of classical Sanskrit literature – a many-sided talent of extraordinary scope and exquisite language. His great poem, Meghadutam (The Cloud Messenger), tells of a divine being, punished for failing in his sacred duties with a years' separation from his beloved. A work of subtle emotional nuances, it is a haunting depiction of longing and separation. The play Sakuntala describes the troubled love between a Lady of Nature and King Duhsanta. This beautiful blend of romance and comedy, transports its audience into an enchanted world in which mortals mingle with gods. And Kalidasa's poem Rtusamharam (The Gathering of the Seasons) is an exuberant observation of the sheer variety of the natural world, as it teems with the energies of the great god Siva.*

*The play Shakuntala was one of the first examples of Indian literature to be read in translation in Europe. Shakuntala's story is a leitmotiv that recurs in many works of Indian literature and culminates in the master Kali-dasa's drama for the stage. The virtuous heroine is forgotten by her betrothed, the king Dushyanta, only to be refound thanks to a distinguishing signet ring discovered by a fisherman in the belly of one of his catch. The final act distills the essence of human forgiveness, in Shakuntala's gracious release of her husband from his guilt.*

Abhijnanashakuntalam

Act IV, for the Use of Intermediate Students

With the Commentary of R?ghavabha??a, Various Readings, Introduction, Literal Translation, Exhaustive Notes, and Appendices

The Recognition of Shakuntala

Abhigyan Shakuntalam

**REAL-LIFE SUPERHEROES. CHAMPIONS AMONG CHAMPIONS. THE MOST OUTSTANDING RECORDS. India's firsts and foremosts, her stellar victories and accomplishments in human endeavour, structures, education, defence, government, science and technology, adventure, business, cinema, the natural world, literature and the arts - discover them all in this landmark volume that marks 30 completed years of the country's only comprehensive book of records. From the longest, tallest and fastest to the unique and truly extraordinary, this curation of superlatives presents an astonishing range of newly set records as well as those that have stood steadfast over the years. Besides infographics, tables and over 700 colour images, the Super 30 and Record Rewind capsules recall golden moments of the past three decades. In our support of a cleaner and greener planet, a new environment and sustainability section spotlights eco-warriors and their earth-friendly feats. Finally, as a tribute to the fight against the pandemic, the Covid-19 feature traces mighty milestones, compassionate action and innovative ideas that echo the very spirit of the Limca Book of Records - persistence, resilience and triumph in the face of all odds.**

**Edited by Professor Neera Chandhoke, 'Mapping Histories' is a fitting tribute to renowned historian Ravinder Kumar, well known for his pioneering work on the social consequences of colonial rule in India, and for founding the Centre for Contemporary Studies at the Nehru Memorial Museum and Library. Here, Fellows of the centre present a collection of historical and contemporary studies on India, which deal with diverse themes from religion to the environment, cultural studies to feminism. Together, these lively and challenging essays offer readings on how we understand India's history and, conversely, how we can use this comprehension of the past to interpret India's complex present.**

**What is the diversity of perspectives on sex work in India today? This edited volume addresses this question through its sections on feminist discourse, ethnographic studies, socio-economic-legal-health frameworks and cultural reflections. The first section explores the space for women in prostitution within mainstream feminist discourse in India, and the way it has evolved over time. The second section emphasizes on the heterogeneity of sex work practices with their historical vestiges, contemporary manifestations and urban-rural contrasts. The third section examines the interface of society and prostitution, tracing economic and social undercurrents, health concerns and legal regulations. The final section focuses on the bearings of prostitution on the cultural spheres of literature, language, cinema, theatre and media. In addition to rigorous academic research, this volume also pools in case studies, live discussions and interviews, drawing the experience of a wide spectrum of professionals and organizations working with sex workers. This book is a must-read for professionals and academicians in the fields of Gender Studies, Sociology, Anthropology, Public Health and Social Work.**

The Abhijnanasakuntalam is an unparalleled work of the great poet and playwright Kalidasa, the brightest star in the firmament of Indian poetry. No other composition of this poet displays more the richness of poetical genius, the warmth and play of fancy, the pro-found knowledge of human heart than this masterly production. It has found a place in Sir John Lubbock's Hund-red Best Books of the World. It has evoked sentiments of most enthusiastic admiration from western scholars. It furnishes a perpetual appeal to our heart. Its perusal sweetens the home atmosphere. The present edition is unique in several essentials. The editor has adopted the most popular and appropriate version of the text. He has put the variants in the footnotes. He has added a short Sanskrit commentary, copious notes, an exhaustive introduction and several useful appendices. The English translation of the text is literal as well as idio-matic. The present edi-tion is a reprint of the ninth edition with addition of an extract from the Mahabharata Shakuntalo-pakhyana which was omitted in the eighth and ninth editions and an appe-ndix No. VI at the end. It is hoped that this edition will meet the long-felt requirement of university students and the general readers alike.

The series, Awareness Social Sciences for classes VI, VII and VIII is based on the syllabus as specified by NCERT for the latest sessions. The syllabus has tried to link the academic curriculum with real life and, thus, dwelled on connecting the students' understanding with the real world around them. Accordingly, this book has incorporated real life examples , case studies, story lines and narratives which could be immensely helpful in assimilation and to inculcate interests among the students significantly.

The Oxford Handbook of Shakespearean Tragedy is a collection of fifty-four essays by a range of scholars from all parts of the world, bringing together some of the best-known writers in the field with a strong selection of younger Shakespeareans. Together these essays offer readers a fresh and comprehensive understanding of Shakespeare tragedies as both works of literature and as performed texts written by a playwright who was himself an experienced actor. The collection is organised in five sections. The substantial opening section introduces the plays by placing them in a variety of illuminating contexts: as well looking at ways in which later generations of critics have shaped our idea of 'Shakespearean' tragedy, it addresses questions of genre by examining the playwright's inheritance from the classical and medieval past, by considering tragedy's relationship to other genres (including history plays, tragicomedy, and satiric drama), and by showing how Shakespeare's tragedies respond to the pressures of early modern politics, religion, and ideas about humanity and the natural world. The second section is devoted to current textual issues; while the third offers new critical readings of each of the tragedies, from Titus Andronicus to Coriolanus. This is set beside a group of essays that deal with performance history, with screen productions, and with versions devised for the operatic stage, as well as with the extraordinary diversity of twentieth and twenty-first century re-workings of Shakespearean tragedy. The thirteen essays of the book's final section seek to expand readers' awareness of Shakespeare's global reach, tracing histories of criticism and performance across Europe, the Americas, Australasia, the Middle East, Africa, India, and East Asia. Offering the richest and most diverse collection of approaches to Shakespearean tragedy currently available, the Handbook will be an indispensable resource for students both undergraduate and graduate levels, while the lively and provocative character of its essays make will it required reading for teachers of Shakespeare everywhere.

The Making of Indian English Literature brings together seventeen well-researched essays of Subhendu Mund with a long introduction by the author historicising the development of the Indian writing in English while exploring its identity among the many appellations tagged to it. The volume demonstrates, contrary to popular perceptions, that before the official introduction of English education in India, Indians had already tried their hands in nearly all forms of literature: poetry, fiction, drama, essay, biography, autobiography, book review, literary criticism and travel writing. Besides translation activities, Indians had also started editing and publishing periodicals in English before 1835. Through archival research the author brings to discussion a number of unknown and less discussed texts which contributed to the development of the genre. The work includes exclusive essays on such early poets and writers as Kylvas Chunder Dutt, Shoshee Chunder Dutt, Toru Dutt, Mirza Moorad Alee Beg, Krupabai Saththianadhan, Swami Vivekananda, H. Dutt, and Sita Chatterjee; and historiographical studies on the various aspects of the genre. The author also examines the strategies used by the early writers to indianise the western language and the form of the novel. The present volume also demonstrates how from the very beginning Indian writing in English had a subtle nationalist agenda and created a space for protest literature. The Making of Indian English Literature will prove an invaluable addition to the studies in Indian writing in English as a source of reference and motivation for further research. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

This book helps the undergraduate students of English hons in India to modify their insight and increase their intellectuality; only then my labour will prove fruitful.

Are Indian women powerful mother goddesses, or domestic handmaidens trailing behind men in literacy, wages, opportunities, and rights? Have they been agents of their own destinies, or voiceless victims of patriarchy? Behind these colorful over-simplifications lies the reality of many feminine personas belonging to various classes, ethnicities, religions, and castes. This two-volume set looks at Indian history from ancient to modern times, revealing precisely why ideas of gender rights were not static across eras or regions. Raman's work is a reflection on the various ways in which women in a non-Western culture have developed and expressed their own feminist agenda. Are Indian women powerful mother goddesses, or domestic handmaidens trailing behind men in literacy, wages, opportunities, and rights? Have they been agents of their own destinies, or voiceless victims of patriarchy? Behind these colorful over-simplifications lies the reality of many feminine personas belonging to various classes, ethnicities, religions, and castes. This two-volume set looks at Indian history from ancient to modern times, revealing precisely why ideas of gender rights were not static across eras or regions. Raman's work is a reflection on the various ways in which women in a non-western culture have developed and expressed their own feminist agenda. Individual chapters highlight the enduring legacies of important male and female figures, illustrating how each played a key role in modifying the substance of women's lives. Political movements are examined as well, such as the nationalist reform movement of 1947 in which the ideal of Indian womanhood became central to the nation and the push for independence. Also included is a survey of women in contemporary India and the role they played in the resurgence of militant Hindu nationalism. Aside from being an engaging and readable narrative of Indian history, this set integrates women's issues, roles, and achievements into the general study of the times, providing a clear presentation of the social, cultural, religious, political, and economic realities that have helped shape the identity of Indian women.

**Theatres of Independence is the first comprehensive study of drama, theatre, and urban performance in post-independence India. Combining theatre history with theoretical analysis and literary interpretation, Aparna Dharwadker examines the unprecedented conditions for writing and performance that the experience of new nationhood created in a dozen major Indian languages and offers detailed discussions of the major plays, playwrights, directors, dramatic genres, and theories of drama that have made the contemporary Indian stage a vital part of postcolonial and world theatre.The first part of Dharwadker's study deals with the new dramatic canon that emerged after 1950 and the variety of ways in which plays are written, produced, translated, circulated, and received in a multi-lingual national culture. The second part traces the formation of significant postcolonial dramatic genres from their origins in myth, history, folk narrative, sociopolitical experience, and the intertextual connections between Indian, European, British, and American drama. The book's ten appendixes collect extensive documentation of the work of leading playwrights and directors, as well as a record of the contemporary multilingual performance histories of major Indian, Western, and non-Western plays from all periods and genres. Treating drama and theatre as strategically interrelated activities, the study makes post-independence Indian theatre visible as a multifaceted critical subject to scholars of modern drama, comparative theatre, theatre history, and the new national and postcolonial literatures.**

In this engaging and eloquent history, Ruby Lal traces the becoming of nineteenth-century Indian women through a critique of narratives of linear transition from girlhood to womanhood. In the north Indian patriarchal environment, women's lives were dominated by the expectations of the male universal, articulated most clearly in household chores and domestic duties. The author argues that girls and women in the early nineteenth century experienced freedoms, eroticism, adventurousness and playfulness, even within restrictive circumstances. Although women in the colonial world of the later nineteenth century remained agential figures, their activities came to be constrained by more firmly entrenched domestic norms. Lal skillfully marks the subtle and complex alterations in the multifaceted female subject in a variety of nineteenth-century discourses, elaborated in four different sites - forest, school, household, and rooftops.

Pick up this book for a rollercoaster ride through centuries of world history How did the world become what it is today? How and when were the countries formed? Where did people come from? How did art, technology, science, language and literature begin? In The Puffin History of the World- Volume 1, Roshen Dalal traces the origin of human beings and the different aspects of their development and growth, right from the big bang and the origin of the universe, up to CE 1500. Sacred Plants of India

Jaipur, the glorious Pink City of India, sets many a hearts aflutter with visions of grandeur, valour, romance and beauty. This heritage city's inherent historic charm has always been a major source of attraction. Travellers, poets and philosophers have lavished praise on it, and perhaps no other place is imbued with the richness of ritual and ceremony across the country, as Jaipur is. Among its numerous architectural wonders, the city's Jantar Mantar (observatory) and Amber Fort have been included in United Nations Educational, Scientific and Cultural Organization's list of world heritage sites. The book elaborates on the lesser known aspects that have contributed to its coveted status of a heritage city. It also offers a glimpse into the lives of people, who have made a difference to this city through their contributions and have aided in making this wonderful city what it is today. The city is an integral element on the itinerary of any global traveller and a worthy venue for a 'destination wedding' in one of its numerous forts or palaces. Also in focus is Jaipur's everevolving image as a new economic hub and a well-equipped modern metropolis. In this well-researched and meticulously documented book, the author presents a comprehensive picture of the city, bringing to light many hitherto unexplored facts that will interest those with a penchant for urban histories, their origin and their evolution. The book has been abundantly illustrated with more than 500 rare, coloured photographs and paintings, and 154 unseen black and white photographs and illustrations, to capture the imagination of a discerning reader.

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English ) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1,1983. Plausibly the greatest Sanskrit maestro, Mahakavi Kalidas wrote Abhigyan Shakuntalam nearly 2,500 years ago. This immortal love story is also the bedrock foundation of India's rich socio-cultural edifice. The story has been described in the form of a play. The dialogues are full of romance, thrill and zest for life. Two young persons-Dushyant and Shakuntala -fall in love with each other in the lap of nature. Then comes separation. Finally, they unite, thanks to the ring that is found by a fisherman under the most weird circumstances. This ring was given by Dushyant to Shakuntala and lost by the latter. A love tale has never been so finely described by any other Sanskrit scholar. Kalidas was one of the navratnas of emperor Vikramaditya. He has used fine Sanskrit verses to push the story ahead at a fast pace. Dialogues are terse, in context with the story and heart-piercing, especially the romantic ones between Shakuntala and Dushyant. This classical play has been staged in various parts of the world. It has also been translated in many global languages. Centuries after it was created, it still remains an enthralling piece of literary perfection. Abhigyan Shakuntalam is literary perfection! It tells us about our origin which was a fine, pleasant dream woven in the lap of mythology. A must-read for all reader genres!

Ideal for students and young readers, this amazing reference guide helps to bring the world to life as it was before.

Plants personify the divine— The Rig Veda (X.97) Trees and plants have long been held sacred to communities the world over. In India, we have a whole variety of flora that feature in our myths, our epics, our rituals, our worship and our daily life. There is the pipal, under which the Buddha meditated on the path to enlightenment; the banyan, in whose branches hide spirits; the ashoka, in a grove of which Lord Krishna was Ravana's prisoner; the tulsi, without which no Hindu house is considered complete; the bilva, with whose leaves it is possible to inadvertently worship Shiva. Before temples were constructed, trees were open-air shrines sheltering the deity, and many were symbolic of the Buddha himself. Sacred Plants of India systematically lays out the sociocultural roots of the various plants found in the Indian subcontinent, asserting their ecological importance to our survival. Informative, thought-provoking and meticulously researched, this book draws on mythology and botany and the ancient religious traditions of India to assemble a detailed and fascinating account of India's flora.
