T.D. Jakes takes readers through the book of Ephesians chapter by chapter, teaching what it means for the Christian life overflowing and how to "walk worthy of the calling [they] have received." Beginning with the incredible love God has for His children and the plans he has for believers beyond their wildest dreams, Bishop Jakes goes on to explore true intimacy in the marriage relationship, and spiritual warfare. Here is Bishop Jakes's best teaching on Ephesians, conveniently packed into one volume and now available in trade paper.

Designed to involve the individual in systematic Bible study, these twelve well-organized lessons trace the Christian journey from conversion to maturity. The illustrative drawings, helpful review questions, and suggested Bible memory verses are perfect for personal research -- and for group discussions. The Abundant Life analyzes the basics of the Christian experience and pictures them as physical actions. For example, it compares Bible study to eating, prayer to talking, forgiveness to walking. These simple analogies make the material easy to understand. An effective tool for evangelism or individual study, The Abundant Life points out the how-to of obtaining and enjoying a meaningful relationship with God.

Is the Abundant Living message as presented to many Christians and the world today a reality, or a trick of Satan to cause some to err? Do Christians who do not enjoy Abundant Living somehow suffer from a lack of faith and commitment to obeying God's word? J. O. This book should prove to be quite provocative, and spiritually stimulating for all who are seeking a clearer understanding of God's truths.

In this splendidly crafted work, McFague argues for theology as an ethical imperative for all thinking Christians. It can help Christians assess their own religious story in light of the larger Christian tradition and the felt needs of the planet. She shows readers how articulating their personal religious stories and credos can lead directly into contextual analysis, unfolding of theological concepts, and forms of Christian practice.

Are you still waiting for 'the change'. There are too many people living life totally unaware of the reasons they cannot achieve life goals they have set for themselves. Despite the best efforts, success has been unattainable. Some are continually striving to attain a level of success, doing all the 'right things' we're told are required; Others are going after various business opportunities, one right after another, only to find that's not the one for me. For many, they know there is an obstacle right there in their face yet they aren't been able to succinctly identify it and therefore simply cannot overcome it. In Volume 1 of STRATEGIES FOR ABUNDANT LIVING, the most powerful tool given to mankind is identified along with the concepts, skill and precision required to become a marksman. This book is a presentation of five fundamental and biblical-based principles by which God would have us live our lives. They are not original to me, only discovered by me. They came out of a nine-hour seminar that had been developed in the 1980s. It is organized by each individual principle along with several chapters which illustrate how these principles can be applied to our financial circumstances. To illustrate these principles, they are likened to the building of a house. Each principle represents a step in the process of building a house. At the end of each principle, as well as each chapter, there is a personal application which I hope will help people apply that principle/chapter to their personal lives. The book is organized from start to finish on the concept that we are human beings created by a God who have given us a plan by which to live our lives, a plan that goes beyond the materialistic focus of most people in the world today. It is a book for persons who are willing to discover how God can direct their financial lives to be fulfilled according to His plan, which in turn will provide them with a level of fulfillment that can only be found by following His plan.

Jesus Came That We Might Have Life More Abundantly With this book, I want to share with you the joy, happiness, and knowledge that I have found in Christian living during my last 93 years of joyful, abundant living. Within, I have covered most of the Christian Biblical doctrines as I have experienced them. This book deals with the practical Christianity that I have enjoyed, working with university students as a Campus Minister for 45 years after I had served 4 years in WW II in the Navy. I also served as a pastor and church leader most of my adult life, and I have a real heart for witnessing on the mission fields in Venezuela and India. You, too, can receive the abundant life as you open your heart and mind to the different Christian truths and facts of each chapter of the Christian faith. Then you can serve and live with Jesus in a relationship of joy, peace, love, understanding, power, patience, and service, for the rest of eternity. The Bible is God's word for us to live by so, "Lift up your eyes and look on the fields; for they are white already to harvest; and he that reapeth receiveth wages, and gathereth fruit unto life eternal; that both he that soweth and he that reapeth may rejoice together." (John 4:35-36)

This Leader's Guide was written as a companion to "The Abundant Life" also authored by Dr. Viehman, to assist leaders in effectively working with Christians to inspire them to understand how to live an abundant life in Christ. Everything in here, however, is just a guide. Please feel free to use the study and conduct it as the Lord leads you to. Start praying about how to lead your group now! Dr. Viehman believes that the more you pray and ask for God's help with your group, the more God will bless you both. This guide covers your first meeting, which will be an introduction and orientation session, and then reviews each week's lessons from a leader's point of view. Let's get started studying and living The Abundant Life!

Five Biblical Principles Upon Which to Build Your Financial House

*The Torah, the Bible, the Tree of Life--God's Word is a set of instructions for everyone who wants to live a victorious, joyful, and abundant life. The Seven Laws of Abundant Living explains a parable relating to the Tree of Life that the Lord spoke to Eric Walker--a Messianic Rabbi. The parable opens wide the unique components of the Word and the physical Tree of Life that is introduced in Genesis and again in Revelation. The LORD God made all kinds of trees grow out of the ground--trees that were pleasing to the eye and good for food. In the middle of the garden was the tree of life... (Genesis 2:9). The parable reveals seven aspects of the Tree of Life: The ground, the seed, the roots, the trunk, the branches, the leaves, and the fruit. Each of these components brings seven life-changing conclusions to light that stimulate spiritual growth and maturity. The simple yet profound image is powerful and compels you into self-examination to assure your spiritual health and growth in each of the areas God wanted Eric Walker to share with you. Whoever has ears, let them hear what the Spirit says to the churches. To the one who is victorious, I will give the right to eat from the tree of life, which is in the paradise of God (Revelation 2:7).*

*Focus on what matters most—and intentionally remove the rest. Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. Christian Minimalism attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices these principles daily, this book gives readers a fresh perspective on how to live out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.*

*Are you living an abundant life? Abundant life is experienced by faithfully applying Biblical principles. In his gospel, the Apostle John, under divine inspiration, recorded eight of Jesus' miracles, as well as this powerful statement of Jesus': "I am come that ye might have life and that more abundantly." In this inspiring and thought provoking book, which was derived from a series of eight sermons, Dr. Leonard Gardner examines each recorded miracle in detail to uncover spiritual principles of abundant living. Applying these principles can lead you into a lifestyle of deep satisfaction, joy, fulfillment, and true happiness. This is a great resource for pastors and church leaders, as well as for anyone seeking to experience abundant living!*

How to Purposely Walk into Abundant Living

**Abundant Living: Encouragement for Success is an instrument written as a tool to encourage the reader that life can change for the better because with God, all things are possible. Also true successful abundant life can only be found in God alone. Listen to the heart beat of God as he reveals himself to you through his Word. The acronym for Abundant is All, Bounty, Unfolds, Nevertheless, Destiny, Allows, Newness, and Transitions. One must allow the Holy Spirit to become their teacher, helper, comforter, guide, advocate, counselor, strengthener, standby, and intercessor. Our Father is concerned about every area of our lives. Inside of Abundant Living we will examine God's heart about money-and our own. We will dig into our money personalities, our budgets (or lack thereof), our savings plans, and how we can leave a legacy for the next generation. It will be hard sometimes; we tend to get a little weird about money, don't we? We don't like people digging into our finances, or our heart about them. This book is ideal for you because you've found yourself in a place where you absolutely have to examine your finances. Maybe you're in a crisis, and you don't know how to get out. Or maybe you're not in crisis yet-but you know you're headed for one. Or maybe you're just starting out in life, and you're ready to build a foundation of financial security. Wherever you are, we're on this journey together. Today is the first day of your future! To have order in anything, especially one's life, balance is key; balance in the physical, emotional, social, and spiritual areas of life. While author Bih Johnson was growing up, she**

**found balance to be a struggle to maintain and went on a personal mission to develop a better version of herself. In her new book, Balance is Order, she uses this self-betterment journey to shape an empowering book about living an abundant life through Jesus Christ. Balance, to Bih, is having a strong and thriving relationship with God through Jesus, as she elaborates through examples from the Bible, her life, and general scenarios to show where balance and order are very important in establishing a stable life. Sharing about her life in Cameroon and how God provided for her family's life over the years, letting her know the need we all have is to have a relationship with the heavenly Father. She can attest, from her own life, that God can use anybody as a vessel for furthering His kingdom in the lives of other believers and being a witness of Him to non-believers. Balance is not as elusive as we all think it might be, as when we put Jesus as the leader within us, all the other areas of our lives will fall into their rightful, healthy places. Bih is first and foremost a servant of God, wife, and a mother. She was born and raised in Cameroon, West Africa, has lived in Europe where she met her husband, and they currently reside in the United States of America with their three children. Bih loves spending time with her family/friends, writing, dancing, cooking, and traveling to different parts of the world. Evangelism is her calling and God has graced her to bridge the gap of understanding the word of God amongst different generations.**

**Burn out is real! Life can stress us to the point where we retreat and become paralyzed. Too often, we experience fatigue, stress, or depression but we do not have to live a stressful life. We simply can take the time to practice self care techniques whatever is unique to you, and you will notice that you will be able to handle any obstacle that may be in your way.**

**Invariably, take some time out for yourself and leave the cares of the world behind. It starts by changing the way you think about life. Change your mindset. Remove negative thinking by turning those thoughts into positive beliefs. Watch God step in and accomplish the most amazing things in your life.**

*Abundant life. Who doesn't want to live life to the fullest? Jesus offers us life to the fullest, but few of us feel we have attained it. Jesus calls us to be in the world, but not of it, because we have been made citizens of God's Kingdom. Too often, however, we get too drawn into the world's ways. Often our culture can enslave us. Cultural Enslavement: Breaking Free into Abundant Living takes a look at ways we become captives of our culture as well as ways to break free of them. Abundant living is Christ's desire for all who follow Him. Discover how to throw off the shackles that hold you back and how to experience life more fully.*

*For the past several years the Lord has been revealing His patterns for life, holiness and success. He has been revealing His patterns for receiving His blessings, which have been available to us through His Holy Word. In these last days God is building and furnishing and clothing believers for the final hour for His return. The final "Ark" is being built in human vessels. God himself is preparing these human vessels so that He can have a place on earth for His glory to dwell that the glory of God may dwell upon this earth. The Church will never be the same. God is doing a new thing for those who have allowed change to come. God is shaking and cleaning His Church in preparation for His final hour. It is time for believers to go forth into the "Market Place" and do the work of the Lord without delay with signs and wonders and miracles. Filled with self-evaluations and recommendations for improvement, Your Pathway to Abundant Living can be used as a self-help for group studies or for individual self-improvement."*

*Abundant living is not about fame and fortune, power or prestige. Abundant living is about making solid use of the time we have to anchor our existence around God's blessings. But most importantly, it's about the choices we make. God has made us free agents. We can choose to simply exist, without ever finding or fulfilling our destiny, or we can choose to go through the door of the Good Shepherd and live fully. In Steps Toward Abundant Living, Pastor Carey N. Ingram uses biblical principles and common sense to examine three things that bring trouble into life, to explain three essential components of happiness, and to offer the keys to genuinely abundant living, including: Exercising faith Demonstrating true love Possessing a passion for life Remaining steadfast in prayer Accepting suffering as a redemptive power Changing lifestyles to the glory of God You owe it to yourself to make life a happy experience. With God's help and Pastor Ingram's plan, you can do just that. Let Steps Toward Abundant Living help you grow into a mature Christian, a disciple of Christ, so that your legacy of life-a good, abundant life-continues long after you have gone to be with the Lord.*
