Our Practice and Revision Kit is the only P6 Kit reviewed by the examiner. To achieve success in P6, you need to develop your application skills. The best way to do this is to practise as many exam standard questions as possible and this Kit allows you to do just that. Questions are grouped into topic areas so that you can easily identify those that cover particular areas. Our detailed solutions often provide top tips, advice on how to approach the question or advice on gaining easy marks. There is also a reference so that you know where the topics concerned are covered in the Study Text. We also provide the examiner's comments on past exam questions so that you can see what he is looking for in student answers.

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. Paper P6, Advanced Taxation, requires you to extend the core tax knowledge that you learnt for Paper F6. As well as widening your knowledge of the core taxes, you will need to study inheritance tax, stamp taxes and trusts for the first time. In this paper you will also be expected to comment on ethical issues. In Paper P6 all of the questions set will be scenario type questions as opposed to the purely computational questions that you met at Paper F6. The emphasis of the questions will be on the interpretation of a given situation. You may need to propose alternative strategies and

compare and contrast the results. Marks will be specifically awarded in the examination for the demonstration of effective communication skills. You will also need to demonstrate that you are aware that there may be non-tax matters that should be taken into account. The important point about this paper is that you need to develop your application skills. The best way to do this is to practise as many exam standard questions as possible. BPP Learning Media's P6 FA2008 Practice and Revision kit allows you to do just this. The Practice and Revision kit is new and has been specifically written for this paper. Most of our questions are exam standard, although some are preparation questions which ease you into the topic you are studying. Questions are grouped into topic areas so that you can easily identify those that cover particular areas. Our detailed solutions often provide top tips, advice on how to approach the question or advice on gaining easy marks. There is also a reference so that you know where the topics concerned are covered in the study text. Our F6 Study Text is the only text reviewed by the examiner. It covers the entire syllabus at just the right level. There is no more or less information than you need to know. As computations are the most important aspect of this paper, there are plenty of worked examples and questions throughout the text. The question and answer bank in the text consists of numerous exam standard questions.

The BPP Study Text provides a comprehensive treatment of the updated ACCA syllabus for P4. It addresses all learning outcomes and the higher skills required in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam
