

## ***Adolf Hitler My Part In His Downfall Milligan Memoirs Book 1***

A Washington Post Notable Book With a new chapter on eugenicist Madison Grant's *The Passing of the Great Race* In this brilliant and original exploration of some of the formative influences in Adolf Hitler's life, Timothy Ryback examines the books that shaped the man and his thinking. Hitler was better known for burning books than collecting them but, as Ryback vividly shows us, books were Hitler's constant companions throughout his life. They accompanied him from his years as a frontline corporal during the First World War to his final days before his suicide in Berlin. With remarkable attention to detail, Ryback examines the surviving volumes from Hitler's private book collection, revealing the ideas and obsessions that occupied Hitler in his most private hours and the consequences they had for our world. A feat of scholarly detective work, and a captivating biographical portrait, *Hitler's Private Library* is one of the most intimate and chilling works on Hitler yet written.

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

The unpublished followup to Hitler's autobiography never published during the dictator's lifetime includes details of his vision for a foreign policy based on continual aggression that would inevitably result in a confrontation with the United States, which he saw as a major stumbling block to his plans.

VOLUME TWO OF SPIKE MILLIGAN'S LEGENDARY MEMOIRS IS A HILARIOUS, SUBVERSIVE FIRST-HAND ACCOUNT OF WW2 'Brilliant verbal pyrotechnics, throwaway lines and marvelous anecdotes' Daily Mail 'Desperately funny, vivid, vulgar' Sunday Times \_\_\_\_\_ 'Keep talking, Milligan. I think I can get you out on Mental Grounds.' 'That's how I got in, sir.' 'Didn't we all.' The second volume of Spike Milligan's legendary recollections of life as a gunner in World War Two sees our hero into battle in North Africa - eventually. First, there is important preparation to be done: extensive periods of loitering ('We had been standing by vehicles for an hour and nothing had happened, but it happened frequently'), psychological toughening ('If a man dies when you hang him, keep hanging him until he gets used to it') and living dangerously ('no underwear!'). At last the battle for Tunis is upon them . . . \_\_\_\_\_ 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Milligan is the Great God to all of us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'A totally original comedy writer' Michael Palin 'Close in stature to Lewis Carroll and Edward Lear in his command of the profound art of nonsense' Guardian

The Life and Death of Adolf Hitler

The Artist Formerly Known as Adolf Hitler

Milligan's War

When Hitler Stole Pink Rabbit

A gripping memoir written by a 96-year-old Jewish Holocaust survivor about his escape from Nazi-occupied Poland in the 1930's and his adventures with the French Resistance during World War II

A comprehensive portrait of Hitler's long-time mistress discusses the bourgeois existence she shared with him out of public eye, her role as his trusted confidante, and their double suicide two days after their marriage.

Anna is not sure who Hitler is, but she sees his face on posters all over Berlin. Then one morning, Anna and her brother wake up to find her father gone! Her mother explains that their father has had to leave and soon they will secretly join him.

Anna just doesn't understand. Why do their parents keep insisting that Germany is no longer safe for Jews like them? Because of Hitler, Anna must leave everything behind. Based on the gripping real-life story of the author, this poignant

backlist staple gets a brandnew look for a new generation of readers just in time for Holocaust Remembrance Month. Originally published: Germany: S. Fischer Verlag.

The Hitler I Knew

*'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.*

*A book examining the strange terrain of Nazi sympathizers, nonintervention campaigners and other voices in America who advocated on behalf of Nazi Germany in the years before World War II. Americans who remember World War II reminisce about how it brought the country together. The less popular truth behind this warm nostalgia: until the attack on Pearl Harbor, America was deeply, dangerously divided. Bradley W. Hart's Hitler's American Friends exposes the homegrown antagonists who sought to protect and promote Hitler, leave Europeans (and especially European Jews) to fend for themselves, and elevate the Nazi regime. Some of these friends were Americans of German heritage who joined the Bund, whose leadership dreamed of installing a stateside Führer. Some were as bizarre and hair-raising as the Silver Shirt Legion, run by an eccentric who claimed that Hitler fulfilled a religious prophesy. Some were Midwestern Catholics like Father Charles Coughlin, an early right-wing radio star who broadcast anti-Semitic tirades. They were even members of Congress who used their franking privilege—sending mail at cost to American taxpayers—to distribute German propaganda. And celebrity pilot Charles Lindbergh ended up speaking for them all at the America First Committee. We try to tell ourselves it couldn't happen here, but Americans are not immune to the lure of fascism. Hitler's American Friends is a powerful look at how the forces of evil manipulate ordinary people, how we stepped back from the ledge, and the disturbing ease with which we could return to it.*

*"Here's Adolf Hitler in a series of bizarre photographs which he kept hidden from the world . . . They have now been published in this memoir."—Daily Express Heinrich Hoffman was a key part in the making of the Hitler legend, the photographer who carefully crafted the image of the Fuhrer as a godlike figure. Hoffmann published his first book of photographs in 1919, following his work as an official photographer for the German army. In 1920 he joined the Nazi Party, and his association with Hitler began. He became Hitler's official photographer and traveled with him extensively. He took over two million photographs of Hitler, and they were distributed widely, including on postage stamps, an enterprise that proved very profitable for both men. Hoffmann published several books on Hitler in the 1930s, including The Hitler Nobody Knows (1933). Hoffmann and Hitler were very close, and he acted not only as a personal confidante—his memoirs include rare details of the Fuhrer—but also as a matchmaker; it is Hoffmann who introduced Eva Braun, his studio assistant, to Hitler. At the end of the war, Hoffmann was arrested by the US military, who also seized his photographic archive, and was sentenced to imprisonment for Nazi profiteering. This edition of a classic book includes photographs by Hoffmann and a new introduction by Roger Moorhouse. "An extraordinary new book of photographs of Adolf Hitler includes one that so embarrassed him he banned it from being published. It shows the Führer in his lederhosen, striking an absurdly camp pose as he leans against a tree."—The Times*

*"Up to the last moment, his overwhelming, despotic authority aroused false hopes and deceived his people and his entourage. Only at the end, when I watched the inglorious collapse and the obstinacy of his final downfall, was I able suddenly to fit together the bits of mosaic I had been amassing for twelve years into a complete picture of his opaque and sphinx like personality. If my contemporaries fail to understand me, those who came after will surely profit from this account."—Otto Dietrich When Otto Dietrich was invited in 1933 to become Adolf Hitler's press chief, he accepted with the simple uncritical conviction that Adolf Hitler was a great man, dedicated to promoting peace and welfare for the German people. At the end of the war, imprisoned and disillusioned, Otto Dietrich sat down to write what he had seen and heard in twelve years of the closest association with Hitler, requesting that it be published after his death. Dietrich's role placed him in a privileged position. He was hired by Hitler in 1933, was his confidant until 1945, and he worked—and clashed—with Joseph Goebbels. His direct, personal experience of life at the heat of the Reich makes for compelling reading.*

## Memories of a Jewish Childhood, 1929-1939

Hitler, My Neighbor

Goodbye Soldier

### 1939-1945

#### A Novel of World War Two, Hitler's Unknown Lover, and Son

Milligan's War is the one-volume selected edition of Spike Milligan's war memoirs, published to celebrate the seventieth birthday of Britain's funniest old soldier on 16 April 1988. Adolf Hitler, Monty, Mussolini, Rommel (who?) - all played their modest parts in the Second World War and the shaping of human destiny, but we all know where the real action was... Milligan's war documents in words and pictures. The most scurrilous, bizarre and certainly the most hilarious military career embarked upon by any bombardier of the 56th heavy regiment, royal artillery, ever. 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Desperately funny, vivid, vulgar' Sunday Times 'Milligan is the Great God to all of us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'That absolutely glorious way of looking at things differently. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories.

Adolf Hitler My Part in his Downfall Penguin UK

Traces Hitler's life from his childhood in Austria to his final days in Berlin, exploring how his promises of prosperity and power along with anti-Semitic rhetoric allowed him to lead the nation of Germany into World War II.

A riveting account of the dictator's final years, when he got the war he wanted but led his nation, the world, and himself to catastrophe—from the author of Hitler: Ascent “Skillfully conceived and utterly engrossing.” —The New York Times Book Review In the summer of 1939, Hitler was at the zenith of his power. Having consolidated political control in Germany, he was at the helm of a newly restored major world power, and now perfectly positioned to realize his lifelong ambition: to help the German people flourish and to exterminate those who stood in the way. Beginning a war allowed Hitler to take his ideological obsessions to unthinkable extremes, including the mass genocide of millions, which was conducted not only with the aid of the SS, but with the full knowledge of German leadership. Yet despite a series of stunning initial triumphs, Hitler's fateful decision to invade the Soviet Union in 1941 turned the tide of the war in favor of the Allies. Now, Volker Ullrich, author of Hitler: Ascent 1889–1939, offers fascinating new insight into Hitler's character and personality. He vividly portrays the insecurity, obsession with minutiae, and narcissistic penchant for gambling that led Hitler to overrule his subordinates and then blame them for his failures. When he ultimately realized the war was not winnable, Hitler embarked on the annihilation of Germany itself in order to punish the people who he believed had failed to hand him victory. A masterful and riveting account of a spectacular downfall, Ullrich's rendering of Hitler's final years is an essential addition to our understanding of the dictator and the course of the Second World War.

Drugs in Nazi Germany

Ascent, 1889-1939

**Say “Hitler” and people would automatically think of evil and Jews. Adolf Hitler was responsible for the Holocaust, wherein thousands of Jews were killed. But what made Hitler craft anti-Jew legislation? Maybe his life held the answers. Reading about the lives of historical figures will never undo what they did but it can help to make sure history does not repeat itself. Start reading today!**

**The sensational German bestseller on the overwhelming role of drug-taking in the Third Reich, from Hitler to housewives. 'Bursting with interesting facts' Vice 'Extremely interesting ... a serious piece of scholarship, very well researched' Ian Kershaw The Nazis presented themselves as warriors against moral degeneracy. Yet, as Norman Ohler's gripping bestseller reveals, the entire Third Reich was permeated with drugs: cocaine, heroin, morphine and, most of all, methamphetamines, or crystal meth, used by everyone from factory workers to housewives, and crucial to troops' resilience - even partly explaining German victory in 1940. The promiscuous use of drugs at the very highest levels also impaired and confused decision-making, with Hitler**

and his entourage taking refuge in potentially lethal cocktails of stimulants administered by the physician Dr Morell as the war turned against Germany. While drugs cannot on their own explain the events of the Second World War or its outcome, Ohler shows, they change our understanding of it. Blitized forms a crucial missing piece of the story.

**Puckoon is Spike Milligan's classic slapstick novel, reissued for the first time since it was published in 1963. 'Pops with the erratic brilliance of a careless match in a box of fireworks' Daily Mail In 1924 the Boundary Commission is tasked with creating the new official division between Northern Ireland and the Irish Republic. Through incompetence, dereliction of duty and sheer perversity, the border ends up running through the middle of the small town of Puckoon. Houses are divided from outhouses, husbands separated from wives, bars are cut off from their patrons, churches sundered from graveyards. And in the middle of it all is poor Dan Milligan, our feckless protagonist, who is taunted and manipulated by everyone (including the sadistic author) to try and make some sense of this mess . . . 'Bursts at the seams with superb comic characters involved in unbelievably likely troubles on the Irish border' Observer 'Our first comic philosopher' Eddie Izzard Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch-show writer and performer, before joining forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories.**

**Heinz Linge worked with Adolf Hitler for a ten-year period from 1935 until the Führer's death in the Berlin bunker in May 1945. He was one of the last to leave the bunker and was responsible for guarding the door while Hitler killed himself. During his years of service, Linge was responsible for all aspects of Hitler's household and was constantly by his side. He claims that only Eva Braun stood closer to Hitler over these years. Here, Linge recounts the daily routine in Hitler's household: his eating habits, his foibles, his preferences, his sense of humor, and his private life with Eva Braun. In fact, Linge believed Hitler's closest companion was his dog Blondi. After the war Linge said in an interview, "It was easier for him to sign a death warrant for an officer on the front than to swallow bad news about the health of his dog." Linge also charts the changes in Hitler's character during their time together and his fading health during the last years of the war. During his last days, Hitler's right eye began to hurt intensely and Linge was responsible for administering cocaine drops to kill the pain. In a number of instances—such as with the Stauffenberg bomb plot of July 1944—Linge gives an excellent eyewitness account of events. He also gives thumbnail profiles of the prominent members of Hitler's "court": Hess, Speer, Bormann and Ribbentrop amongst them. Though Linge held an SS rank, he claims not to have been a Nazi Party member. His profile of one of history's worst demons is not blindly uncritical, but it is nonetheless affectionate. The Hitler that emerges is a multi-faceted individual: unpredictable and demanding, but not of an otherwise unpleasant nature.**

*An eminent historian recounts the Nazi rise to power from his unique perspective as a Jewish boy growing up in Munich with Adolf Hitler as his neighbor. Edgar Feuchtwanger came from a prominent German Jewish family: the only son of a respected editor, and the nephew of best-selling writer Lion Feuchtwanger. He was a carefree five-year-old, pampered by his parents and his nanny, when Adolf Hitler, the leader of the Nazi Party, moved into the building across the street in Munich. In 1933 his happy young life was shattered. Hitler had been named Chancellor. Edgar's parents, stripped of their rights as citizens, tried to protect him from increasingly degrading realities. In class, his teacher had him draw swastikas, and his schoolmates joined the Hitler Youth. From his window, Edgar bore witness to the turmoil surrounding the Night of the Long Knives, the Anschluss, and Kristallnacht. Jews were arrested; his father was imprisoned at Dachau. In 1939 Edgar was sent on his own to England, where he would make a new life, start a career and a family, and try to forget the nightmare of his past—a past that came rushing back when he decided, at the age of eighty-eight, to tell the story of his buried childhood and his infamous neighbor.*

*Seven years after the death of his mother, Malka, Stanley A. Goldman traveled to Israel to visit her best friend during the Holocaust. The best friend's daughter showed Goldman a pamphlet she had acquired from the Israeli Holocaust Museum that documented activities of one man's negotiations with the Nazi's interior minister and SS head, Heinrich Himmler, for the release of the Jewish women from the concentration camp at Ravensbrück. While looking through the pamphlet, the two discovered a picture that could have been their mothers being released from the camp. Wanting to know the details of how they were saved, Goldman set out on a long and difficult path to unravel the mystery. After years of researching the pamphlet, Goldman learned that a German Jew named Norbert Masur made a treacherous journey from the safety of Sweden back into the war zone in order to secure the release of the Jewish women imprisoned at the Ravensbrück concentration camp. Masur not only succeeded in his mission against all odds but he contributed to the downfall of the Nazi hierarchy itself. This amazing, little-known story uncovers a piece of history about the undermining of the Nazi regime, the women of the Holocaust, and the strained but loving relationship between a survivor and her son.*

*"A rare and fascinating insight into Hitler's inner circle." —Roger Moorhouse, author of Killing*

Hitler As secretary to the Führer throughout the time of the Third Reich, Christa Schroeder was perfectly placed to observe the actions and behavior of Hitler, along with the most important figures surrounding him. Schroeder's memoir delivers fascinating insights: she notes his bourgeois manners, his vehement abstemiousness, and his mood swings. Indeed, she was ostracized by Hitler for a number of months after she made the mistake of publicly contradicting him once too often. In addition to her portrayal of Hitler, there are illuminating anecdotes about Hitler's closest colleagues. She recalls, for instance, that the relationship between Martin Bormann and his brother Albert, who was on Hitler's personal staff, was so bad that the two would only communicate with one another via their respective adjutants, even if they were in the same room. There is also light shed on the peculiar personal life and insanity of Reichsminister Walther Darré. Schroeder claims to have known nothing of the horrors of the Nazi regime. There is nothing of the sense of perspective or the mea culpa that one finds in the memoirs of Hitler's other secretary, Traudl Junge, who concluded "we should have known." Rather, the tone that pervades Schroeder's memoir is one of bitterness. This is, without any doubt, one of the most important primary sources from the prewar and wartime period.

An exposé of Hitler's relationship with film and his influence on the film industry A presence in Third Reich cinema, Adolf Hitler also personally financed, ordered, and censored films and newsreels and engaged in complex relationships with their stars and directors. Here, Bill Niven offers a powerful argument for reconsidering Hitler's fascination with film as a means to further the Nazi agenda. In this first English-language work to fully explore Hitler's influence on and relationship with film in Nazi Germany, the author calls on a broad array of archival sources. Arguing that Hitler was as central to the Nazi film industry as Goebbels, Niven also explores Hitler's representation in Third Reich cinema, personally and through films focusing on historical figures with whom he was associated, and how Hitler's vision for the medium went far beyond "straight propaganda." He aimed to raise documentary film to a powerful art form rivaling architecture in its ability to reach the masses.

**"What would happen if Adolf Hitler woke up in modern-day Berlin? In a bestselling satirical novel, he'd end up a TV comedy star . . . [Look Who's Back] has unsurprisingly sparked debate in a country that has grappled for decades with Hitler's unconscionable legacy."-Time** **Timur Vermes' record-breaking bestseller, Look Who's Back, is a satirical novel that imagines what would happen if Hitler reawakened in present-day Germany. The book was a massive success in Germany, selling more than 1.5 million copies. Janet Maslin of The New York Times called Look Who's Back "desperately funny . . . an ingenious comedy of errors." In the novel, Adolf Hitler wakes up in 2011 from a 66-year sleep in his subterranean Berlin bunker to find the Germany he knew entirely changed: Internet-driven media spreads ideas in minutes and fumes celebrity obsession; immigration has produced multicultural neighborhoods bringing together people of varying race, ethnicity, and religion; and the most powerful person in government is a woman. Hitler is immediately recognized . . . as an impersonator of uncommon skill. The public assumes the fulminating leader of the Nazi party is a performer who is always in character, and soon his inevitable viral appeal begets YouTube stardom, begets television celebrity on a Turkish-born comedian's show. His bigoted rants are mistaken for a theatrical satire-exposing prejudice and misrepresentation- and his media success emboldens Hitler to start his own political party, and set the country he finds a shambles back to rights. With daring and dark humor, Look Who's Back skewers the absurdity and depravity of the cult of personality in modern media culture.**

**An adoring young woman encounters Adolph Hitler when her youth group sings for him. He demands her company in private, and she becomes pregnant, bearing his child but never being contacted by Hitler again. The plot follows her life as an outcast believed to be lying about the child's parentage, and the life of her son told through her correspondence, diary entries, and from the point of view of a researcher who writes a generation later. Based on facts and documented history, author Ron Merten tells this tale with just enough creativity to make the story fascinating.**

**Spike Milligan's legendary war memoirs are a hilarious and subversive first-hand account of the Second World War, as well as a fascinating portrait of the formative years of this towering comic genius, most famous as writer and star of The Goon Show. They have sold over 4.5 million copies since they first appeared. 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Brilliant verbal pyrotechnics, throwaway lines and marvelous anecdotes' Daily Mail 'Desperately funny, vivid, vulgar' Sunday Times 'At Victoria station the R.T.O. gave me a travel warrant, a white feather and a picture of Hitler marked "This is your enemy". I searched every compartment, but he wasn't on the train...' In this, the first of Spike Milligan's uproarious recollections of life in the army, our hero takes us from the outbreak of war in 1939 ('it must have been something we said'), through his attempts to avoid**

enlistment ('time for my appendicitis, I thought') and his gunner training in Bexhill ('There was one drawback. No ammunition') to the landing at Algiers in 1943 ('I closed my eyes and faced the sun. I fell down a hatchway'). Filled with bathos, pathos and gales of ribald laughter, this is a barely sane helping of military goonery and superlative Milliganese. 'That absolutely glorious way of looking at things differently. A great man' Stephen Fry 'Milligan is the Great God to all of us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'Manifestly a genius, a comic surrealist genius and had no equal' Terry Wogan 'A totally original comedy writer' Michael Palin 'Close in stature to Lewis Carroll and Edward Lear in his command of the profound art of nonsense' Guardian Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch-show writer and performer, before joining forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories. Both Jesse Owens and Adolf Hitler grew up in poverty, and each of the two men struggled to find their footing later in life. Owens represented the United States in the 1936 Olympics, after which he found it difficult to sustain a well-paying job. In turn, Adolf Hitler moved to Vienna as a teenager, following his parents' death, but he never found the financial success he so desperately craved as an artist. He spent most of his time in the city a penniless, unemployed young man. The similarities between the two men end there. While Adolf Hitler became angered and enraged by his circumstances, and by the fate of Germany following the First World War, Jesse Owens went out of his way to help people. Even when he faced the cruelty of racism in the United States, Owens saw the best in others. He spent most of his days working with children and teenagers, making a conscious effort to give them the guidance and support they needed to enact positive change in the world. In contrast, Hitler turned to hatred, divisiveness, and conflict in his attempts to change the world in his image. Owens was an open-minded man who spent his life bettering the lives of his family and the community at large. Even when others asked him to denounce the racist tendencies of Adolf Hitler, he chose to grudgingly respect the German leader. Meanwhile, Hitler's experiences only fuelled his hatred of anyone who was not Aryan and German. In this book, we will explore the lives of both men leading up to the 1936 Berlin Olympics. Then, we will take a closer look at the effects of that summer on the rest of their years. 30 Minute Book Series Welcome to the ninth book in the 30-Minute Book Series. Each book in the series is fast-paced, well-written and accurate, covering the story in as much detail as a short book allows. In less than an hour, you can read or listen to the full book. The text is a perfect companion for your lunch hour, or perhaps a nice distraction on your train ride home from work. About the Author Doug West is a retired engineer, small business owner, and an experienced non-fiction writer with several books to his credit. His writing interests are general, with special expertise in science, biographies, and "How-To" topics. Doug has a Ph.D. in General Engineering from Oklahoma State University.

A riveting account of the five most crucial days in twentieth-century diplomatic history: from Pearl Harbor to Hitler's declaration of war on the United States By early December 1941, war had changed much of the world beyond recognition. Nazi Germany occupied most of the European continent, while in Asia, the Second Sino-Japanese War had turned China into a battleground. But these conflicts were not yet inextricably linked—and the United States remained at peace. Hitler's American Gamble recounts the five days that upended everything: December 7 to 11. Tracing developments in real time and backed by deep archival research, historians Brendan Simms and Charlie Laderman show how Hitler's intervention was not the inexplicable decision of a man so bloodthirsty that he forgot all strategy, but a calculated risk that can only be understood in a truly global context. This book reveals how December 11, not Pearl Harbor, was the real watershed that created a world war and transformed international history.

The dark story of Adolf Hitler's life in 1924--the year that made a monster Before Adolf Hitler's rise to power in Germany, there was 1924. This was the year of Hitler's final transformation into the self-proclaimed savior and infallible leader who would interpret and distort Germany's historical traditions to support his vision for the Third Reich. Everything that would come--the rallies and riots, the single-minded deployment of a catastrophically evil idea--all of it crystallized in one defining year. 1924 was the year that Hitler spent locked away from society, in prison and surrounded by co-conspirators of the failed Beer Hall Putsch. It was a year of deep reading and intensive writing, a year of courtroom speeches and a treason trial, a year of slowly walking gravel paths and spouting ideology while working feverishly on the book that became his manifesto: Mein Kampf. Until now, no one has fully examined this single and pivotal period of Hitler's life. In 1924, Peter Ross Range richly depicts the stories and scenes of a year vital to understanding the man and the brutality he wrought in a war that changed the world forever.

Library Book of the Week In this “stunning literary achievement,” Donner chronicles the extraordinary life and brutal death of her great-great-aunt Mildred Harnack, the American leader of one of the largest underground resistance groups in Germany during WWII—“a page-turner story of espionage, love and betrayal” (Kai Bird, winner of the Pulitzer Prize for Biography) Born and raised in Milwaukee, Mildred Harnack was twenty-six when she enrolled in a PhD program in Germany and witnessed the meteoric rise of the Nazi party. In 1932, she began holding secret meetings in her apartment—a small band of political activists that by 1940 had grown into the largest underground resistance group in Berlin. She recruited working-class Germans into the resistance, helped Jews escape, plotted acts of sabotage, and collaborated in writing leaflets that denounced Hitler and called for revolution. Her coconspirators circulated through Berlin under the cover of night, slipping the leaflets into mailboxes, public restrooms, phone booths. When the first shots of the Second World War were fired, she became a spy, couriering top-secret intelligence to the Allies. On the eve of her escape to Sweden, she was ambushed by the Gestapo. At a Nazi military court, a panel of five judges sentenced her to six years at a prison camp, but Hitler overruled the decision and ordered her execution. On February 16, 1943, she was strapped to a guillotine and beheaded. Historians identify Mildred Harnack as the only American in the leadership of the German resistance, yet her remarkable story has remained almost unknown until now. Harnack’s great-great-niece Rebecca Donner draws on her extensive archival research in Germany, Russia, England, and the U.S. as well as newly uncovered documents in her family archive to produce this astonishing work of narrative nonfiction. Fusing elements of biography, real-life political thriller, and scholarly detective story, Donner brilliantly interweaves letters, diary entries, notes smuggled out of a Berlin prison, survivors’ testimony, and a trove of declassified intelligence documents into a powerful, epic story, reconstructing the moral courage of an enigmatic woman nearly erased by history.

In 1907 and again in 1908 Adolf Hitler applied for entry at the Academy of Fine Arts in Vienna. He was rejected on both occasions - a professor citing "unfitness for painting." It seems that this decision has been deemed by many historians as not a significant event. But what if Adolf Hitler had been accepted to the prestigious Academy of Fine Arts? Prior to this rejection, Adolf had sold some of his paintings so it would not have been unthinkable for him to have been accepted. Some have thought that perhaps he had been rejected by Jewish professors and so began his hatred of the Jews. Again, we have to think about what if Adolf Hitler had been accepted in the Academy of Fine Arts? Would that have change his path and therefore changed the course of history? Would someone else have simply taken his place? "The Artist Formerly Known as Adolf Hitler," is a novel that looks at what the world may have looked like had he chose a different course in life. For many people, the name Adolf Hitler is the embodiment and true definition of evil. The purpose of this book is not to venerate Adolf Hitler. This story is meant to have the reader think in a different way about Adolf Hitler. Was Adolf Hitler predestined to be the architect of one of the most horrendous and evil events in modern history, or was it simply a series of bad choices and decisions and eventually choosing the wrong course in life? There is evidence that in Adolf Hitler's youth, he had many interactions with Jewish people and in some cases, quite beneficial ones. What were those events or interactions that shaped his opinions to become drastically different in later life? What if we had to walk a mile in Adolf Hitler's shoes? Many find such a thought preposterous. But what if we had his formative years? What if we had his physiology? What if we had the same path and obstacles to go down or around as he? Would we make the same decisions? While we may judge people like Hitler, Stalin and Mao as ruthless and evil dictators, had we been born to live their lives, would we have made different choices while in their shoes? To this point, are all human beings just subject to their predestined fate, or do we all the unfettered opportunity to make the correct or incorrect choices that lead us down a certain path? Another aspect of this novel looks at how the 20th century would have transpired, had Adolf Hitler chosen another path. Is it likely World War II would have occurred? If it hadn't what would the world look like? The war was directly responsible for the economic upturn for the United States and many countries, lifting them from the malaise of the Great Depression. What would have become of the Soviet Union? Would we have landed a man on the moon? The war brought about economic, political and technological changes to an extent that had never been experienced before in history. What would this have meant for the Jewish race as well as all people all around the world? The book also looks at what might have happened to some notable people affected directly or indirectly by Adolf Hitler had he lived his life differently. What might have happened to the political careers of Rosa Luxemburg and Karl Leibknect? What might have happened to Ann Frank? Who was Ernst Thallman and Marla de los Remedios Alicia Rodriga Varo y Uranga? What is amazing to think in terms of, is that how could the decisions of one man have made such a dramatic impact on the history and culture of the world that we live in today. "The Artist Formerly Known as Adolf Hitler" will make you rethink history and how our behavior can impact not only the lives of our small communities, but the entire world.
