

Advanced Photoshop Elements 6 For Digital Photographers

ARE YOU READY FOR AN ELEMENTS BOOK THAT BREAKS ALL THE RULES? This book breaks new ground by doing something for digital photographers that's never been done before—it cuts through the bull and shows you exactly “how to do it.” It's not a bunch of theory; it doesn't challenge you to come up with your own settings or figure things out on your own. Instead, it does something

File Type PDF Advanced Photoshop Elements 6 For Digital Photographers

that virtually no other Elements book has ever done—it tells you flat-out which settings to use, when to use them, and why. If you're looking for one of those "tell-me-everything-about-the-Unsharp-Mask-filter" books, this isn't it. You can grab any other Elements book on the shelf, because they all do that. Instead, this book gives you the inside tips and tricks of the trade for organizing, correcting, editing, sharpening, retouching, and printing your photos like a pro. You'll be absolutely amazed at how easy and effective these techniques are—once you know the secrets. LEARN HOW THE PROS DO IT Each year

File Type PDF Advanced Photoshop Elements 6 For Digital Photographers

Scott trains thousands of digital photographers and, almost without exception, they have the same questions and face the same problems—that's exactly what he covers in this book. You'll learn: How to unlock the power of layers (you'll be amazed at how easy it is!) How to use Camera Raw for processing not only RAW photos, but JPEGs, TIFFs, and PSDs too! (And you'll learn why so many pros like it best—because it's faster and easier) The sharpening techniques the pros really use (there's an entire chapter just on this!) How to deal with common digital camera image problems, including

File Type PDF Advanced Photoshop Elements 6 For Digital Photographers

brightening people in dark shadows and getting the best color possible The most requested photographic special effects, and much more! THE BOOK'S SECRET WEAPON Although Elements 2020 offers some digital photography features that Photoshop doesn't offer, there are plenty of features that Photoshop has that Elements 2020 doesn't (like channels, HDR, etc.). But in this book, you'll learn some slick workarounds, cheats, and fairly ingenious ways to replicate many of those Photoshop features right within Elements. Plus, you can download many of the images used in the book, so you can follow

File Type PDF Advanced Photoshop Elements 6 For Digital Photographers

right along with the techniques. Since this book is designed for photographers, it doesn't waste your time talking about what a pixel is, how to frame a shot or set your exposure, etc., and there's no talk about which camera or printer to buy. It's all Elements, step by step, cover to cover, in the only book of its kind, and you're gonna love it!

In just 24 sessions of one hour or less, you will be editing and organizing your photos with Adobe Photoshop Elements 6. Using a straightforward, step-by-step approach, each lesson builds upon a real-world foundation in both the creative process and

File Type PDF Advanced Photoshop Elements 6 For Digital Photographers

techniques, allowing you to learn the essentials of Adobe Photoshop Elements 6 from the ground up. Step-by-step instructions carefully walk you through the most common Photoshop Elements tasks. Quizzes and Exercises at the end of each chapter help you test your knowledge. By the Way notes present interesting information related to the discussion. Did You Know? tips offer advice or show you easier ways to do something. Watch Out! cautions alert you to possible problems and give you advice on how to avoid them. Color section includes a full-color collection of images found throughout the

File Type PDF Advanced Photoshop Elements 6 For Digital Photographers

book. Learn how to... Import photos from your digital camera and cell phone Get the best scans of your old prints Post your pictures on the Web in galleries and slideshows Order prints directly within Photoshop Elements Create printable scrapbook pages on your computer Improve and repair your old photos Remove unwanted objects (or people) from photos Get the perfect group shot using the PhotoMerge features Fix red eye, lighten dark pictures, smooth wrinkles, and sharpen blurry images Create stunning artistic effects with the more than 100 filters available in Photoshop Elements In
