

## After Eli

This book is a study of post-Holocaust Jewish survival in the Greek provinces. Biography of a Jewish doctor who survived and triumphed over the horrors of the Holocaust.

Oskar doesn't have many friends. So when Eli moves in next door, things seem to be improving. She's a little strange, and her 'father' is frankly sinister, but at least she likes Oskar. Then a child's body is found hanging from a tree, and all hell breaks loose. Is it a serial killer? Or something a bit...different?

Abomination

Rising Out of Hatred

Eli Remembers

THE BOOK OF ELI

With the pressure on after his success in Gaol, Eli Monpress, professional thief and degenerate, decides it's time to lie low for a bit. Taking up residence in a tiny seaside village, Eli and his companions seize the chance for some fun and relaxation. Nico, however, is finding it a bit hard. Plagued by a demon's voice in her head and feeling powerless, she only sees herself as a burden. Everyone's holiday comes to an untimely close, though, when Pele arrives to beg Eli's help for finding her missing father. But there are larger plans afoot than even Eli can see, and the real danger, and the solution, may lie with one of his own and her forgotten past. If only Nico could remember whose side she's on.

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

S.A. Bodeen's The Compound is a 2009 Bank Street - Best Children's Book of the Year. Eli and his family have lived in the Compound for six years. The world they knew is gone. Eli's father built the Compound to keep them safe. Now, they can't get out. He won't let them.

In 1939, a sweet-talking, blackhearted Irishman works an isolated Georgia town into a ferment with his visions and wild schemes in quest of a legendary cache of money.

A Novel

After the death of his older brother, Daniel Anderson became engrossed in recording details about dead people, how they died, and whether their deaths mattered but he is eventually drawn back into interaction with the

living.

A BILLIONAIRE BAD BOYS NOVEL Beauty and the Beastly Billionaire . . . Eli Crane is one tough bastard. After an explosion left him injured and honorably discharged from the Marines, all he wants is to be left alone. Yet his brothers insist he take a greater role in the family business. They've hired him ten personal assistants-and Eli sent each one packing as fast as possible. But when beautiful number eleven walks through the door, Eli will do anything to make her stay. Isabella Sawyer's employment agency can't afford to lose Eli Crane's business. Her plan: to personally take on the role of his PA, and secure her reputation with the wealthy elite in Chicago. But this beauty and her hot billionaire bad boy soon find themselves mixing business with pleasure in the most delicious ways. And passionate, stubborn Isabella won't rest until she tames this wicked beast . . .

A memorable, atmospheric novel of love, friendship, and bonds that surpass all reason. --Kristina McMorris, New York Times best-selling author of SOLD ON A MONDAY. First cousins Eli Winfield and Delia Green grow up across the street from one another in Green Branch, South Carolina, in the 1960s and 70s. After Eli's tragic childhood accident the trajectory of their lives and of those connected to them changes. Shunned by his peers for his disfigurement, Eli struggles for acceptance as Delia devotes herself to defending him. Delia's vivid narrative voice presents Eli as a confident young man in adolescence, the visible damage to his body gone, but underneath hides indelible wounds that rule his impulses. And while Eli cherishes Delia more than anyone and attempts to protect her from her own troubles, he cares not for protecting himself. In this compelling coming of age story, two young people unite to guard each other in a world where love, hope, and connectedness ultimately triumph.

Looks at the life and accomplishments of the star quarterback for the New York Giants.

A Father's Journey from Fear to Faith

The Bastard Billionaire

**Eli Monpress is talented. He's charming. And he's a thief. But not just any thief. He's the greatest thief of the age - and he's also a wizard. And with the help of his partners - a swordsman with the most powerful magic sword in the world but no magical ability of his own, and a demonseed who can step through shadows and punch through walls - he's going to put his plan into effect. The first step is to increase the size of the bounty on his head, so he'll need to steal some big things. But he'll start small for now. He'll just steal something that no one will miss - at least for a while. Like a king. The Legend of Eli Monpress includes the novels: The Spirit Thief, The Sprit Rebellion, and The Spirit Eater.**

**"Rebecca Rupp's magical tale . . . radiates a glow as golden as the dragon's scales."**

– Boston Globe Hannah, Zachary, and Sarah Emily are spending the summer at their great-aunt Mehitabel's house on faraway Lonely Island. There, in a cave hidden high above the ocean, they discover a fabulous creature: a glittering three-headed golden dragon with a kind heart, an unpredictable temper, and a memory that spans 20,000 years. Transported by the magic of the dragon's stories, the children meet Mei-lan, a young girl in ancient China; nineteenth-century cabin boy Jamie Pritchett; and, in more recent times, Hitty and her brother, Will, who survive a frightening plane crash on a desert island. In this fluidly written novel, Rebecca Rupp explores what three children from the present learn from the past - and from an unlikely but wise and generous friend.

*"What would you do if you knew your unborn child would be born with a serious*

*birth defect? That's the question that was facing Chad and Ashley Judice of Lafayette, Louisiana, when their unborn son was diagnosed with spina bifida in a 16-weeks ultrasound. If brought to term, the child could be paralyzed from the waist on down. He would probably have little or no control of his bowels or bladder. And he could have any number of learning disabilities associated with a related birth defect called hydrocephalus, commonly referred to as "water on the brain". When the doctor gave the Judices the diagnosis, she expressed her sincere sympathy, then proceeded to ask Ashley if she wanted to terminate the pregnancy. The medical literature on this birth defect indicates 80 percent of parents who are given this diagnosis do close abortion. Ashley and Chad did not want to be in that number. Instead, they would pray for a miracle" --Cover, p. 2.*

*An updated and expanded edition of The Eli's Cheesecake Cookbook, released in celebration of the 40th anniversary of Eli's Cheesecake. The story of Eli's Cheesecake began more than forty years ago. It rose to prominence originally as the featured dessert at one of Chicago's most popular restaurants: Eli's The Place for Steak, a classic steakhouse, pillar of the city's culinary community, and noted celebrity watering hole. This book details the storied history of one of the nation's most famous desserts, all the way from Eli Schulman's first cheesecake to President Obama's 50th birthday cake to the creation of four towering, 2,000 lb. cheesecakes served at inaugural festivities in Washington, DC. The second edition of the Eli's Cheesecake Cookbook has been fully expanded and updated in honor of the 40th anniversary of Eli's Cheesecake. In addition to the classics featured in the first edition, the new edition features even more cheesecake recipes, including Basque, Cherry Vanilla, Hawaiian, Carrot Cake Cheesecake, and Holiday Cheesecake Dippers—one of Oprah's Favorite Things. You'll also find many more signature dishes from Eli's The Place for Steak, including Chicken Vesuvio, Pepper Steak, Corned Beef Hash, Potato Pancakes, and French Onion Soup, and an all-new chapter showcasing Eli's bakers from around the world sharing their favorite family recipes. Because of his unique baking process, Eli Schulman is often credited with putting "Chicago-style" cheesecake, richer and creamier than its New York counterpart, on the map. This collection will allow home cooks to make the same cheesecakes that helped celebrate five Chicago Mayoral inaugurations, Abraham Lincoln's bicentennial, the City of Chicago's 150th birthday, Illinois' Bicentennial, Hamilton the Musical, the NBA All Star Game, the White Sox World Series, and more. As Eli Schulman might say, it's a helluva book.*

*Eli Canaan is a believer. And, like many, he believes himself to be a principled and moral man. Well, for the most part anyway. But, after a series of missteps, sins, some would say, Eli's life is suddenly and unexpectedly altered forever. A spurned wife, a gypsy, a hex and spiritual intervention may all be at the root of Eli's unexpected, deep and earnest introspection, which is like nothing he has ever experienced before - in this world. God and Jesus, as well as a host of zany characters, help show Eli the pathway to redemption (among other things). During his journey Eli is entertained by atheists, a renowned psychoanalyst, and one of the greatest jokesters in history, Groucho Marx. Eli takes nothing for granted as he is guided through a series of events and opportunities for learning what ought to be everyone's purpose in life - living the commandments as they were meant to be lived by. An uplifting story of hope and meaning and belief in the goodness that can come by opening one's eyes to the Heavens... Sam Moffie once again creates a story which every reader will identify with, feel empathy for, and be entertained by. The protagonist's adventures and concomitant soul-searching take us to a*

*heightened level, whereby we ourselves begin to seek and ultimately find the road to salvation, if we choose to follow it. And, as any reader of Moffie knows, a good laugh is never more than a page away, if that... Like Vonnegut... no holds barred Like Rand... the consummate pragmatist Like Aesop... a moral message disguised by humor Moffie... master of all domains*

*Faith and Frontiers is a story about how trusting in God leads a man and his wife into unchartered territories and allows them to soar to new heights. In his inspirational memoirs, Eli Miller shares how even as a young Amish boy in Ohio he knew his path lay outside the community. Leaving his home at the tender age of seventeen, and with very little real-life experience, Eli soon finds his life is off track – so much so that even meeting and marrying the love of his life is not enough to settle him down. But then in a moment of despair, an encounter with the Holy Spirit turns his life around and sets him on a path to share the Word of God with others. As Eli continues his spiritual journey and becomes an ordained minister, he and his wife take a leap of faith and become founding members of a Christian community that embraces a frontier lifestyle in the wilderness of Northern British Columbia. After a multitude of adventures, and several years and children later, Eli then leans into his next calling and moves back to “civilization” where he becomes influential in the development and growth of several congregations and begins to lecture and minister across five continents. Told with humour and sincerity, Eli recounts the trials and tribulations of a lifetime of living on faith and shares the message of hope that he has spent his whole life proclaiming.*

*Billy and the Beast*

The first book in the action-packed trilogy from New York Times bestselling author Gordon Korman is perfect for fans of *Stranger Things* and James Patterson. Eli Frieden has never left Serenity, New Mexico...why would he ever want to? Then one day, he bikes to the edge of the city limits and something so crazy and unexpected happens, it changes everything. Eli convinces his friends to help him investigate further, and soon it becomes clear that nothing is as it seems in Serenity. The clues mount to reveal a shocking discovery, connecting their ideal crime-free community to some of the greatest criminal masterminds ever known. The kids realize they can trust no one—least of all their own parents.

"National Jewish Book Award winner Ron Balson returns triumphantly with *Eli's Promise*, a captivating saga of the Holocaust and its aftermath spanning decades and continents. Readers will not be able to put this book down, but will turn the pages compulsively with heart in throat, eager to learn the fate of the Rosen family. Balson's meticulous historical detail, vivid prose and unforgettable characters further solidify his place among the most esteemed writers of historical fiction today." —Pam Jenoff, New York Times Bestselling Author of *The Lost Girls of Paris* A "fixer" in a Polish town during World War II, his betrayal of a Jewish family, and a search for justice 25 years later—by the winner of the National Jewish Book Award. *Eli's Promise* is a masterful work of historical fiction spanning three eras—Nazi-occupied Poland, the American Zone of post-war Germany, and Chicago at the height of the Vietnam War. Award-winning author Ronald H. Balson explores the human cost of war, the mixed blessings of survival, and the enduring strength

of family bonds. 1939: Eli Rosen lives with his wife Esther and their young son in the Polish town of Lublin, where his family owns a construction company. As a consequence of the Nazi occupation, Eli's company is Aryanized, appropriated and transferred to Maximilian Poleski—an unprincipled profiteer who peddles favors to Lublin's subjugated residents. An uneasy alliance is formed; Poleski will keep the Rosen family safe if Eli will manage the business. Will Poleski honor his promise or will their relationship end in betrayal and tragedy? 1946: Eli resides with his son in a displaced persons camp in Allied-occupied Germany hoping for a visa to America. His wife has been missing since the war. One man is sneaking around the camps selling illegal visas; might he know what has happened to her? 1965: Eli rents a room in Albany Park, Chicago. He is on a mission. With patience, cunning, and relentless focus, he navigates unfamiliar streets and dangerous political backrooms, searching for the truth. Powerful and emotional, Ronald H. Balson's *Eli's Promise* is a rich, rewarding novel of World War II and a husband's quest for justice.

An eye-opening account of how the hidden rise of personalization on the Internet is controlling-and limiting-the information we consume. In December 2009, Google began customizing its search results for each user. Instead of giving you the most broadly popular result, Google now tries to predict what you are most likely to click on. According to MoveOn.org board president Eli Pariser, Google's change in policy is symptomatic of the most significant shift to take place on the Web in recent years-the rise of personalization. In this groundbreaking investigation of the new hidden Web, Pariser uncovers how this growing trend threatens to control how we consume and share information as a society-and reveals what we can do about it. Though the phenomenon has gone largely undetected until now, personalized filters are sweeping the Web, creating individual universes of information for each of us. Facebook-the primary news source for an increasing number of Americans-prioritizes the links it believes will appeal to you so that if you are a liberal, you can expect to see only progressive links. Even an old-media bastion like The Washington Post devotes the top of its home page to a news feed with the links your Facebook friends are sharing. Behind the scenes a burgeoning industry of data companies is tracking your personal information to sell to advertisers, from your political leanings to the color you painted your living room to the hiking boots you just browsed on Zappos. In a personalized world, we will increasingly be typed and fed only news that is pleasant, familiar, and confirms our beliefs-and because these filters are invisible, we won't know what is being hidden from us. Our past interests will determine what we are exposed to in the future, leaving less room for the unexpected encounters that spark creativity, innovation, and the democratic exchange of ideas. While we all worry that the Internet is eroding privacy or shrinking our attention spans, Pariser uncovers a more pernicious and far-reaching trend on the Internet and shows how we can- and must-change course. With vivid detail and remarkable scope, *The Filter Bubble* reveals how personalization undermines the Internet's original purpose as an open platform for the spread of ideas and could leave us all in an isolated, echoing world.

Super Bowl XLII was one of the most amazing moments in New York Giants history. From the final drive, to "the catch," to beating the then undefeated New England Patriots and giving them an 18-1 record; it was an incredible day for all Giants players and fans-especially Eli Manning. That was only the beginning. With the rematch in Super Bowl XLVI, the New York Giants stormed into Indianapolis, facing the New England Patriots again in the Super Bowl, and just like the first meeting,

they once again came out victorious. Eli Manning once again came out as the Super Bowl MVP, which he highlighted with the incredible pass to Mario Manningham in the final minutes of the game. *Eli Manning: The Making of a Quarterback* is written by longtime Daily News writer, Ralph Vacchiano, and tells the story of the "Elite" quarterback, with amazing details of his first Super Bowl victory and updated through his most recent win in 2012. You will follow Eli from the bold draft-day trade that brought him to New York, through his dramatic ups and downs on and off the field, his first training camp, and his last minute heroics in Super Bowl XLII, to his courageous come-from-behind victory in Super Bowl XLVI. Complete with exclusive interviews with NFL stars, coaches, and executives and a foreword by former Giants General Manager Ernie Accorsi, Vacchiano uses his unfettered access to the World Champion Giants to present a true behind-the-scenes look at the quarterback and team that defied the odds twice and proved themselves to be the best of the best. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports: books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you root for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Eli's Tears

Jacob's Ladder: Eli

A 2021 Sydney Taylor Notable Book "The new manifesto for how we as queer people could and should navigate the world. It's the holding hand I never had--but wish I did."--Troye Sivan, Golden Globe nominated-singer, songwriter, and actor "With the persistence of queerphobia all around the world, this book is absolutely necessary, even vital."--Édouard Louis, internationally bestselling author of *History of Violence* "To Eli's credit, all of the rules are rooted in considerations of conscience and kindness and, if observed, will make a better world--as will this book."--Booklist, starred review "A must-read that highlights the importance of radical empathy, community building, and solidarity."--School Library Journal, starred review In *The New Queer Conscience*, LGBTQIA+ activist Adam Eli argues the urgent need for queer responsibility -- that queers anywhere are responsible for queers everywhere. *Pocket Change Collective* is a series of small books with big ideas from today's leading activists and artists. In this installment, *The New Queer Conscience*, *Voices 4* Founder and LGBTQIA+ activist Adam Eli offers a candid and compassionate introduction to queer responsibility. Eli calls on his Jewish faith to underline how kindness and support within the queer community can lead to a stronger global consciousness. More importantly, he reassures us that we're not alone. In fact, we never were. Because if you mess with one queer, you mess with us all.

After many years of watching the solemn lighting of seven candles at Rosh Hashanah, Eli finally learns how those candles represent his family's connection to the Holocaust in

Lithuania.

From a Pulitzer Prize-winning reporter, the powerful story of how a prominent white supremacist changed his heart and mind. This is a book to help us understand the American moment and to help us better understand one another. Derek Black grew up at the epicenter of white nationalism. His father founded Stormfront, the largest racist community on the Internet. His godfather, David Duke, was a KKK Grand Wizard. By the time Derek turned nineteen, he had become an elected politician with his own daily radio show—already regarded as the "the leading light" of the burgeoning white nationalist movement. "We can infiltrate," Derek once told a crowd of white nationalists. "We can take the country back." Then he went to college. At New College of Florida, he continued to broadcast his radio show in secret each morning, living a double life until a classmate uncovered his identity and sent an email to the entire school. "Derek Black ... white supremacist, radio host ... New College student???" The ensuing uproar overtook one of the most liberal colleges in the country. Some students protested Derek's presence on campus, forcing him to reconcile for the first time with the ugliness of his beliefs. Other students found the courage to reach out to him, including an Orthodox Jew who invited Derek to attend weekly Shabbat dinners. It was because of those dinners—and the wide-ranging relationships formed at that table—that Derek started to question the science, history, and prejudices behind his worldview. As white nationalism infiltrated the political mainstream, Derek decided to confront the damage he had done. *Rising Out of Hatred* tells the story of how white-supremacist ideas migrated from the far-right fringe to the White House through the intensely personal saga of one man who eventually disavowed everything he was taught to believe, at tremendous personal cost. With great empathy and narrative verve, Eli Saslow asks what Derek Black's story can tell us about America's increasingly divided nature.

When Eli Manning joined the National Football League (NFL) after being chosen with the first pick in the 2004 draft, many people compared him to his older brother Peyton. After Eli led his New York Giants to victory in the 2007-2008 Super Bowl, people stopped wondering if he was as good as his brother. When Eli was named Super Bowl MVP and the Giants won the big game again in 2011-2012, people began comparing him to football's all-time great quarterbacks. Learn more about Eli's journey to the top of the football world.

The David Story: A Translation with Commentary of 1 and 2 Samuel

Eli's Story

**About the author The Reverend Doctor Mark Germiné was born December 18, 1954. He has a daughter, Laura, and a grandson, Raphael. He is a scientist and physician, who has studied all of the world's major religions and religious traditions. He has published scores of professional papers in the diverse areas of medicine, psychology, psychiatry, geology, materials science, mineralogy, philosophy, and theology. In theology he has written and published on the merging of all major religions and science. He earned his Master's degree in geology at Rutgers University in 1981, and his Doctor of Medicine degree in 1988 at the University of Medicine and**

Dentistry of New Jersey in 1988, after a career in geology. He completed his residency in psychiatry at Yale University School of Medicine in 1992. In 1995 he received the Annual Master Award of the American Psychological Foundation for the understanding of the human mind, and is the only physician to ever have won this award. Since his completion of his residency at Yale University School of Medicine he has practiced clinical psychiatry. He entered the ministry in 1997 in the Unitarian Church, and began preaching the Book of Eli in 1999. He is now living in Pennsylvania, and about to open the first Church of Eli as pastor.

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In *Vicious*, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!"

—Jonathan Maberry, New York Times bestselling author of *Marvel Universe vs The Avengers* and *Patient Zero* One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now..."—Carol Dweck, author of *Mindset: The New Psychology of Success* Eli

J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. The All-or-Nothing Marriage reverse engineers fulfilling marriages—from the “traditional” to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discovery, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try “lovehacks.” This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

One of The Observer's Best Children's Books of 2018! 'It's a great story for everyone, especially those not used to seeing themselves centre-stage'— The Guardian From the author of *Bumblebear*, comes a new heroine for our times. Introducing: Billy! Whilst on a lovely walk in the woods, Billy and her trusty sidekick Fatcat hear a terrible rumble... a terrible rumble coming from a Terrible Beast... He's making a Terrible Soup out of all of Billy and Fatcat's friends! Luckily, our brave heroine Billy has a trick or two up her sleeve (or in her hair)... Join Billy on her mission to defeat the Terrible Beast (and save those adorable little bunny rabbits too). 'A refreshing picture book star' — The Observer

Bells for Eli

The Legend of Eli Monpress

The Spirit Eater

The Dragon of Lonely Island

Aequanimitas

A Twentieth-Century Jewish Life

One wouldn't expect a sexy-as-sin rocker like Eli Renard to spend time with a woman just as a friend, but that's exactly

what Emersyn Wallace is to him. Just a friend. Even though she's matured into a beauty, Eli still doesn't remotely see his childhood pal as a sex-object. When tragedy brings her back into his world, Eli moves mountains to help Emersyn get back onto her feet by finding her a job as a backup singer for Jacob's Ladder. At first, Eli is thrilled that Emersyn is along on tour, and he sets out to do his best to help her forget her sorrow through a range of crazy friend dates. But after spending so much time with her in such close quarters, Eli finds his feelings beginning to shift. He no longer sees Emersyn as the once awkward young girl he played some of his first songs with. Soon it's not only his body that reacts to her, but it's also his heart. He's about to learn what a dangerous game it is to dry a widow's tears. After losing her husband and singing partner in a tragic accident, Emersyn Wallace spent the last eight months drowning in a sea of grief. With the bills piling up and her family and friends concerned about her emotional welfare, she reluctantly agrees to join the Jacob's Ladder's tour. While recapturing her lost love of singing and performing, she finds both comfort and healing in Eli's gregarious personality and outrageous sense of humor. But as the anniversary of her husband's death approaches, she finds herself in turmoil over her new amorous feelings for Eli. Can Eli and Emersyn find the perfect melody to transition from friends to lovers, or will their relationship end out of tune?

We do not know the day or how the end will come. *Eli's Tears* is the first of three in an adventure playing out what the world might look like after the end arrives. Such characters from very different walks of life, find themselves walking together to survive. Kris-crossing themes of love, friendship, companionship and family weave throughout their adventure. Even with loss and separation, Miller reminds us through sometimes hilarious dialogue that we are never alone. We can always find someone to share our disasters and our victories. Just like we never know when or how our own end will come, we also don't know how or who our friends will turn out to be.

*Friday Night Lights* gone dark with *Southern Gothic*; *Eli Cranor* delivers a powerful noir that will appeal to fans of Wiley Cash and Megan Abbott. In Denton, Arkansas, the fate of the high school football team rests on the shoulders of Billy Lowe, a volatile but talented running back. Billy comes from an extremely troubled home: a trailer park where he is terrorized by his unstable mother's abusive boyfriend. Billy takes out his anger on the field, but when his savagery crosses a line, he faces suspension. Without Billy Lowe, the Denton Pirates can kiss their playoff bid goodbye. But the head coach, Trent

Powers, who just moved from California with his wife and two children for this job, has more than just his paycheck riding on Billy's bad behavior. As a born-again Christian, Trent feels a divine calling to save Billy—save him from his circumstances, and save his soul. Then Billy's abuser is found murdered in the Lowe family trailer, and all evidence points toward Billy. Now nothing can stop an explosive chain of violence that could tear the whole town apart on the eve of the playoffs. WINNER OF THE PETER LOVESEY FIRST CRIME NOVEL CONTEST

Finally, homeschoolers have a comprehensive guide to designing a homeschool curriculum, from one of the country's foremost homeschooling experts. , Rebecca Rupp presents a structured plan to ensure that your children will learn what they need to know when they need to know it, from preschool through high school. Based on the traditional pre-K through 12th-grade structure, Home Learning Year by Year features: The integral subjects to be covered within each grade Standards for knowledge that should be acquired by your child at each level Recommended books to use as texts for every subject Guidelines for the importance of each topic: which knowledge is essential and which is best for more expansive study based on your child's personal interests Suggestions for how to sensitively approach less academic subjects, such as sex education and physical fitness How to Design a Homeschool Curriculum from Preschool Through High School

Waiting for Eli

The Book of Eli

***"The Book of Eli - Solara: The Verse of Shadow," is the story of Solara and her mission to save her blind mother from Carnegie. This story is a fan-told expansion of the original 2010 movie The Book of Eli starring Denzel Washington (Eli) and Mila Kunis (Solara). Throughout this book, the reader follows Solara as the main character and receives closure to the original story. This book will appeal to those who enjoy fan fiction.***

***Abomination is a combination of historical fiction and fantasy, set during the reign of King Alfred the Great. As Alfred struggles to defend England from hordes of Viking invaders, the Archbishop of Canterbury stumbles upon an ancient secret—a dark and mysterious magic that could turn the tide of the war in England's favor. But when exposure to the magic corrupts the Archbishop, Alfred commands his greatest knight, Sir Wulfric, to hunt the mad priest down.***
