I should have felt it coming. I should have been prepared for saying goodbye. But then why would I when I had no reason not to trust him. When I had no reason to doubt his words. But now I was left only doubting my own. For surely Lucius would come for me? Surely, he would realise his mistakes. Because we both knew that mistakes in Hell could be deadly and well, for this Queen of Sins it could mean only one thing. My King was going to War and this time... He was Fighting his Past.

After facing her nightmares head on, Keira soon finds her troubles have only just begun, and if she thought mortals were dangerous, then being hunted by the world's most powerful beings will spin her further into a web of supernatural destruction. Keira can't help seeing the handsome man before her, she can't help the dreams that consume her and neither can she stop him from wanting her. The controlling man that follows her every move isn't the man she's dating, but the man that's hunting her. Now it's down to the only man with enough power to keep her safe, and he doesn't play well with others. Nor does he take kindly to people trying to take what belongs to him, and Keira belongs to only one man... Dominic Draven. Will the fight for their love be enough to survive the new world she is forced to live in? And more importantly, can she survive being with the King of the Afterlife?!

It started the moment I woke up in hospital, I naively believed I would find myself alone. I was wrong. Because the HellBeast King wasn't done with me. Far from it in fact, as he told me he had made a vow. A vow to keep me safe. But as my fate started to unravel, revealing more and more pieces of him at the core, I couldn't help but question... Was his vow to keep me safe or was it simply... A HellBeast's fight... To Keep Me?

It all started that night. The night I made my biggest mistake. The night I entered their world. The day I snuck into the infamous Devil's Ring Fight Club. I had followed my cousin Amelia, who turned out not to be quite as innocent as I first believed. In fact, it turned out she didn't live in the same world as I did... Not at all. I knew this the moment I entered his kingdom. My world changed the moment he found me. He gave me a warning that night. He told me if he ever found me again then next time, he wouldn't be so quick in letting me escape him. His little Red Riding Hood. It was a threat I took seriously as it was only my dreams that took me back to that place. That took me back to him. That was until they came for me. The Hell Hounds that infiltrated my peaceful world and started the hunt. And there was only one man I knew that had the power to stop them. And my price to pay, was the promise he made me. That if he ever found me in his demonic fight club again... He was keeping me. Meaning I only had two choices left, to become the hunted or to make a deal with Hell's greatest Hunter... The HellBeast King... Jared Cerberus.

He wants her...and he doesn't care that she's the enemy. Chase "Zyron" Garrett left a bloody stint with Uncle Sam for the personal security business. His employment agreement forbids hookups with co-workers, which isn't a problem—until Tessa Lawrence, the office secretary and single mom, is harassed by her vengeful ex-boyfriend. Zy is assigned to protect her, but the moment he meets the gorgeous blonde, those contractual restrictions tighten around him like a noose. Tessa Lawrence is alone in the world...except for her newborn baby, and she's determined to survive without a man. Then Zy walks through her door. Fiercely protective yet tender, he's everything she wants in a man, lover, and father for her daughter. But he's totally off-limits. If she falls, she'll be fired. When a teammate is captured and the enemy predicts their every move, it's clear they've got a mole. The bosses task Zy with discovering their traitor, and all clues point to the woman he's fast falling for. With danger lurking, he finds himself caught in a tangle of unquenched need and searing betrayal. Will their love be the greatest casualty of all?

A date...he said, just one date with a Vampire King who had been hunting me down for months... what could go wrong, right? One picnic, one witch, an ex-girlfriend out for my blood, and an army of zombie vampire rogues later, and what I had was an 'Alice in Wonderland' style cocktail for disaster! Because this Alice was about to have the mind trip of her life when peeking through the keyhole of Lucius' memories. All before falling down a rabbit hole to Hell, where the bunnies were more likely to stab you with a carrot before eating your soul! But hey, it's not like I had just been dumped in the middle of a Hellish battle with nothing but my wits to survive it, Oh no, wait... That had happened. And one other thing that was sure to happen when Lucius finally found me in Hell... He was going to kill me!

So, there were many things I could have done differently. I could have gone on a cruise and forgot about stealing a killer box from a Vampire King. I could have shaved my head and become a Tibetan monk. I could have also lost my virginity to some nice Texas cowboy who wanted to introduce me to his mother. But instead, I went to Germany and ended up fighting Mercenaries. I also fell in love with a Vampire King who claimed me as his. And now I'm in the river, and all because I decided not to just stay home and do my laundry. No instead... I shot a pilot.

The plan had sounded simple, step into Hell and save a Tree. That was all I had needed to do. However, that plan was becoming more complicated by the minute and that list was growing eternally bigger. Like, killing demonic Queens. Removing Claiming Hexes. Outrunning hungry beasts. And mainly, trying not to piss off Vampire boyfriends any more than being constantly kidnapped down in Hell is likely to do. And now fate had chosen me to be its blood queen. Only one fuelled by... The Roots of Rage.

After finding out the traumatic truth, Keira tries to move on from the doors of Afterlife and the love lost through a world of pain. But Afterlife's King isn't yet done with her, and Keira once again finds herself stood opposite the man who broke her heart. However, the truth that she thought she knew would soon unravel, as Keira finds herself following the ribbon of lies all the way to the very gates of Hell. And as she knows more than most...the pursuit of truth can be a dangerous game to play when your opponents are Supernatural killers.

A young woman with a secret. A man with a death sentence. And a terrible fate that might destroy them both ... When I was invited to the secretive castle DuMoir, I knew I'd end up dead. The guests might be excited by the exclusive tour around the estate, and the ending ball that concludes it, but I know better. The castle's inhabitants are vampires. And they want our blood. I must find a way to survive their feast, because I'm not here as a clueless visitor. I'm here for a reason. Undercover work can be hard, but I've been through worse. That is until I unwillingly become a blood slave to Drake, a mysterious, brooding vampire prince. Tragedy strikes the castle and chaos arise. Despite the new dangers surrounding us, I soon find out there's more to Drake than he lets on, and feelings I'm not supposed to have stir in my chest. But I can't afford any distractions or everything will be lost. After all, I'm hiding a secret—a dark secret that might save us all ... or doom us forever.

Time. Truth. Life. 'There is weakness in all when lies are told but the strength in each is what we must behold.' Can our Chosen One find her way back from the deception and chaos that surrounds her, or is this the life of a trapped girl, broken and lost forever? A worldwide search might be on the cards but what if the girl they're looking for was never meant to be found? These are the questions both sides face in a race against time, truth, and the life they are all trying to save. The battle against evil continues in the most unlikely of places, and emotions run wild in this next instalment of the Afterlife saga. Will you take the plunge with our characters and delve deeper into the world of Afterlife, further than you've ever gone before?

The plan was simple, step into Hell, find some infected roots, try my hand at fixing them, and then it was well done, Amelia, you saved the day! But I didn't bargain on a few factors set against me, the most obvious being that this... well this was Hell. And in this realm of Hell there were rules, there was a hierarchy, and as for me, I was at the bottom of it. A dangerous place to be, especially when the man at the top was known as a tyrant king. A heartless, cold and ruthless ruler. Oh, and one more thing... he just so happened to be my boyfriend. And he was... furious with me.
