**Features stories by P.D. James, Agatha Christie, Ruth Rendell, Elizabeth Goudge, Melba Marlett, Christianna Brand, and Henry T. Parry**

**A superb novel of possessive love. Laura Franklin bitterly resented the arrival of her younger sister Shirley, an enchanting baby loved by all the family. But Laura's emotions towards her sister changed dramatically one night, when she vowed to protect her with all her strength and love. While Shirley longs for freedom and romance, Laura has to learn that loving can never be a one-sided affair, and the burden of her love for her sister has a dramatic effect on both their lives. A story of consequences when love turns to obsession... Famous for her ingenious crime books and plays, Agatha Christie also wrote about crimes of the heart, six bittersweet and very personal novels, as compelling and memorable as the best of her work.**

**The last three of six psychological romance novels, love stories with a jagged edge, by the Queen of Crime, writing under the pseudonym Mary Westmacott. Agatha Christie is known throughout the world as the Queen of Crime. It was her sharp observations of the ambitions that drive people, their relationships and the conflicts that erupt between them, that added life and sparkle to her ingenious detective novels. When she turned this understanding of human nature away from the crime genre, writing anonymously as Mary Westmacott to prove that her writing could sell on its merit rather than her fame alone, she created bittersweet novels, love stories with a jagged edge, as compelling and memorable as the best of her work. The Rose and the Yew Tree: A working-class man's attempts to elevate himself in life lead to unforeseen circumstances... A Daughter's A Daughter: A mother rejects personal happiness to look after her daughter, but later regrets the decision... The Burden: A girl precipitates a disastrous marriage by controlling the life of her younger sibling...**

A stunning novel of death and destiny. Bereft of the three people she has held most dear - her mother, her husband and her daughter - Celia is on the verge of suicide. Then one night on an exotic island she meets Larraby, a successful portrait painter, and through a long night of talk reveals how she is afraid to commit herself to a second chance of happiness with another person, yet is not brave enough to face life alone. Can Larraby help Celia come to terms with the past or will they part, her outcome still uncertain? Famous for her ingenious crime books and plays, Agatha Christie also wrote about crimes of the heart, six bittersweet and very personal novels, as compelling and memorable as the best of her work.

A spellbinding novel of romantic obsession. Vernon Deyre is a sensitive and brilliant musician, even a genius. But there is a high price to be paid for his talent, especially by his family and the two women in his life. His sheltered childhood in the home he loves has not prepared Vernon for the harsh reality of his adult years, and in

order to write the great masterpiece of his life, he has to make a crucial decision with no time left to count the cost... Famous for her ingenious crime books and plays, Agatha Christie also wrote about crimes of the heart, six bittersweet and very personal novels, as compelling and memorable as the best of her work.

Returning from a visit to her daughter in Iraq, Joan Scudamore finds herself unexpectedly stranded in an isolated rest house, thanks to the railway line flooding. As she waits for the next train out, the days of enforced solitude weigh stifflingly upon her, with nowhere to escape to but the recesses of her own mind. The stories are then analyzed by Ex-Superintendent Cornish, C.I.D., a real-life retired police detective, to see if they would indeed stump Scotland Yard. Previously published in the print anthology *The Witness for the Prosecution and Other Stories*. Retired Scotland Yard detective Sir Edward Palliser is called upon by Magdalen Vaughan to help solve the murder of her wealthy, eccentric aunt, Miss Lily Crabtree. The authorities believe only members of the household could have committed the crime, and this suspicion is tearing the family apart. Who really killed Lily's aunt?

The author of the New York Times bestselling *The Six* now turns her formidable biographical skills to the greatest crime writer in the world, Agatha Christie. It has been one hundred years since Agatha Christie wrote her first novel and created the formidable Hercule Poirot. A brilliant and award winning biographer, Laura Thompson now turns her sharp eye to Agatha Christie. Arguably the greatest crime writer in the world, Christie's books still sell over four million copies each year—more than thirty years after her death—and it shows no signs of slowing. But who was the woman behind these mystifying, yet eternally pleasing, puzzlers? Thompson reveals the Edwardian world in which Christie grew up, explores her relationships, including those with her two husbands and daughter, and investigates the many mysteries still surrounding Christie's life, most notably, her eleven-day disappearance in 1926. Agatha Christie is as mysterious as the stories she penned, and writing about her is a detection job in itself. With unprecedented access to all of Christie's letters, papers, and notebooks, as well as fresh and insightful interviews with her grandson, daughter, son-in-law and their living relations, Thompson is able to unravel not only the detailed workings of Christie's detective fiction, but the truth behind this mysterious woman.

An evocative murder mystery set in the Norwegian countryside, this story, like all good murder mysteries, is a stew of passion, buried past crimes, revelations, and sharply defined characters who remain ambiguous to the very end. Norwegian author Stein Riverton's 1908 novel *The Iron Wagon* has never been translated into English. Now, using a striking two-color drawing style and re-casting the story with his iconic animal characters from his previous graphic novel *Sshhhh!*, the acclaimed cartoonist Jason has adapted *The Iron Wagon* into an original graphic novel that will appeal not only to fans of his work but also to mystery fans who will finally have a chance to experience Riverton's clever story.

Brings together three of Miss Jane Marple's most celebrated cases: *A Murder is Announced*, *The Body in the Library*, and *Murder with Mirrors*
