dangerous group of masterminds, she must commit a crime to save her kidnapped daughter—or risk losing her forever—in this "propulsive and original" award-winning thriller (Stephen King). It's something parents do every morning: Rachel

Klein drops her daughter at the bus stop and heads into her day. But a cell phone call from an unknown number changes everything: it's a woman on the line, informing her that she has Kylie bound and gagged in her back seat, and the only way Rachel will see

her again is to follow her instructions exactly: pay a ransom, and find another child to abduct. This is no ordinary kidnapping: the caller is a mother herself, whose son has been taken, and if Rachel doesn't do as she's told, the boy will die. "You are

not the first. And you will certainly not be the last." Rachel is now part of The Chain, an unending and ingenious scheme that turns victims into criminals—and is making someone else very rich in the process. The rules are simple, the moral

challenges impossible; find the money fast, find your victim, and then commit a horrible act you'd have thought yourself incapable of just twenty-four hours ago. But what the masterminds behind The Chain know is that parents will do anything for

their children. It turns out that kidnapping is only the beginning.

"McKinty is one of the most striking and most memorable crime voices to emerge on the scene in years. His plots tempt you to read at top speed, but don't give in: this writing—sharply

Sherlock Holmes: Classic Stories

**Giuseppe Garibaldi, the Italian
revolutionary leader and
popular hero, was among the
best-known figures of the
nineteenth century. This book**

Page 41/175

seeks to examine his life and the making of his cult, to assess its impact, and understand its surprising success. For thirty years Garibaldi was involved in every combative event in Italy.

His greatest moment came in 1860, when he defended a revolution in Sicily and provoked the collapse of the Bourbon monarchy, the overthrow of papal power in central Italy, and the creation

Read PDF Agenda Settimanale

Carbone 2018 17x24 Cm

**of the Italian nation state. It
made him a global icon,
representing strength,
bravery, manliness,
saintliness, and a spirit of
adventure. Handsome,
flamboyant, and sexually**

**attractive, he was worshiped
in life and became a cult
figure after his death in 1882.
Lucy Riall shows that the
emerging cult of Garibaldi was
initially conceived by
revolutionaries intent on**

**overthrowing the status quo,
that it was also the result of a
collaborative effort involving
writers, artists, actors, and
publishers, and that it became
genuinely and enduringly
popular among a broad public.**

The book demonstrates that Garibaldi played an integral part in fashioning and promoting himself as a new kind of “charismatic” political hero. It analyzes the way the Garibaldi myth has been

**harnessed both to legitimize
and to challenge national
political structures. And it
identifies elements of
Garibaldi's political style
appropriated by political
leaders around the world,**

most popular areas of research in contemporary social psychology, driven in part by recent political-economic crises and the behavioral patterns they exposed. In the past, work on morality tended to highlight individual

concerns and moral principles, but more recently researchers have started to address the group context of moral behavior. In *Morality and the Regulation of Social Behavior: Groups as Moral Anchors*, Naomi Ellemers builds

Read PDF Agenda Settimanale
Da Ufficio Sidney Extra Large
Carbone 2018 17x24 Cm

on her extensive research experience to draw together a wide range of insights and findings on morality. She offers an essential integrative summary of the social functions of moral phenomena, examines how social

groups contribute to moral values, and explains how groups act as 'moral anchors'. Her analysis suggests that intragroup dynamics and the desire to establish a distinct group identity are highly relevant to understanding the

implications of morality for the regulation of individual behavior. Yet, this group-level context has not been systematically taken into account in research on morality, nor is it used as a matter of course to inform attempts to influence

moral behavior. Building on social identity and self-categorization principles, this unique book explicitly considers social groups as an important source of moral values, and examines how this impacts on individual decision

Read PDF Agenda Settimanale
Da Ufficio Sidney Extra Large
Carbone 2018 17x24 Cm

making as well as collective behaviors and relations between groups in society. Throughout the book, Ellemers presents results from her own research to elucidate how social behavior is affected by moral concerns. In

doing this, she highlights how such insights advance our understanding of moral behavior and moral judgments for of people who live together in communities and work together in organizations. Morality and the

Regulation of Social Behavior is essential reading for academics and students in social psychology and related disciplines, and is an invaluable resource for practitioners interested in understanding moral behavior.

SELLER • John Grisham

takes you to a different
kind of court in his first
basketball novel. Samuel
"Sooley" Sooleymon is a
raw, young talent with big
hoop dreams—and even

bigger challenges off the court. "Hard to put down ... the pages turn quickly ... building to a climax that won't leave readers doubting whether this is a John Grisham novel."

to play in a showcase
basketball tournament. He
has never been away from
home, nor has he ever been
on an airplane. The
opportunity to be scouted
by dozens of college

coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and

the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel

troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants

to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins

the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a

fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and

soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend

begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham's unparalleled storytelling

confined to economically
prosperous parts of the
world; now Internet users
make up a majority of the
world's population. In
this book, contributors
from a range of

disciplines and locations
investigate the impact of
increased digital
connectivity on people and
places at the world's
economic margins. Does the
advent of a digitalized

economy mean that those in
economic peripheries can
transcend spatial,
organizational, social,
and political
constraints—or do digital
tools and techniques tend

to reinforce existing
inequalities? The
contributors present a

studies, reporting on
digitalization in
countries ranging from

Chile to Kenya to the
Philippines, and develop a
broad range of theoretical
positions. They consider,
among other things, data-
driven disintermediation,
women's economic
