Boost your weekly activity the 2022 Weekly Planner Pink Floral design by RM Designs. This dated agenda features a place to take notes, organize your priorities, appointments, important dates and goals. Monday through Friday 12 month calendar 8.5x11

Monet's famous painting "Impression: Sunrise, Le Havre" represented the most innovative - and later most popular - art movement the world had ever seen, and its appeal endures today. Monet's experiments with light and colour are described in depth in this latest addition to our best-selling series, "The World's Greatest Art". Organized into five sections on life, society, places, influences and techniques, the book enables the reader to consider Monet from different angles and contexts, providing a broader understanding of this great artist.

#Street Art Heroes

From the brilliant imagination of bestselling artist Paolo Barbieri comes a must-have book filled with exquisite and formidable stardragons. They are creative renditions of famous constellations, including Andromeda, Pegasus, Orion, Ursa Major, and many more. Barbieri's stardragons capture the essence of these cosmic forces and inspire you to shoot for the stars in everything you do.

Monet

Originating in England in the mid 1950s, Pop Art developed its full potential in the USA in the 1960s. It substitutes the everyday for the splendid; mass-produced articles are assigned the same importance as one-offs; the difference between high culture and popular culture is swept away. Media and advertising are among the preferred contents of Pop Art, which celebrates the consumer society in its own witty fashion. The enthusiasm generated by Pop Art since the first works were exhibited has never died down -- it is greater today than ever before. Book jacket.

Stardragons Book

Readers join Sherlock Holmes and Dr. Watson in trying to solve the murder of Colonel Philip Sylvester in London's most exclusive men's club.

STARDRAGONS.
