A mysterious murder at the Qutub Minar triggers a call to ace journalist Chandrasekhar from his cop acquaintance, Inspector Syed Ali Hassan. The victim is unlike anyone Chandra has ever seen: a white Caucasian male who has all the looks of a throwback to Greek antiquity. Soon after, Hassan calls in to report the case has been taken away from him - in all likelihood by RAW - the Research & Analysis Wing, the uber-agency of Indian intelligence. What began as a murder enquiry soon morphs into a deadly game of hide-and-seek within the shadowy world of Pakistan's ISI and India's RAW; and Chandra, his friend history professor Meenakshi Pirzada and Hassan find themselves in a race against time to avert a sub-continental nuclear holocaust. As the action moves to its hair-raising climax in the Hindu Kush mountains of Afghanistan, Chandra must face up to the fact that Inspector Hassan is not all that he seems... The Shadow Throne by Aroon Raman displays taut writing and nail-biting suspense in a debut that is chillingly believable. Will this unlikely trio succeed in navigating the treacherous politics of India and Pakistan?

Twenty-five-year-old Jinni lives in Mumbai, works in a hip animation studio and is perfectly happy with her carefree life. Until her bossy grandmother shows up and announces that it is Jinni's 'duty' to drop everything and come and contest the upcoming Lok Sabha elections from their sleepy hometown, Bittora. Jinni swears she won't but she soon ends up swathed in cotton saris and frumpy blouses, battling prickly heat, corruption and accusations of nymphomania as candidate Sarojini Pande, a daughter of the illustrious Pande dynasty of Pavit Pradesh. And if life isn't fun enough already, her main opposition turns out to be Bittora ex-royal, Zain Altaf Khan - an irritatingly idealistic though undeniably lustworthy individual with whom Jinni shares a complicated history. Enlivened by Chauhan's characteristic brand of wicked humour and sexy romanticism, this is a rollicking new tale of young India.

Can the dead tell their stories? In the hands of a good forensic surgeon, they certainly can. First published in 2010 in Malayalam as Oru Police Surgeonte Ormakkurippukal, this is the bestselling memoir of Kerala's most famous forensic surgeon, Dr B. Umadathan. Popularly known as the 'Sherlock Holmes of Kerala', Dr Umadathan revisits some of his strangest and most interesting cases, like the Chacko murder masterminded by Sukumara Kurup; the sensational Polakkulam case; and the baffling Panoor Soman case. Chilling, shocking and, at times, downright bizarre, Dead Men Tell Tales is unputdownable. What is it that we fear? An evil presence around us, watching and waiting for a small slip, or the realisation that the malevolence is within us and has already made its move? Wreath and Other Stories will take you into a world that is slightly off its hinges- a bizarre, eerie realm. In short, a world much like our own, if only we would notice it. A dangerous obsession of an artist, a broken childhood promise, a birthday gift gone horribly wrong, a soldier trapped in a nightmare, a warning from beyond the grave, a writer's new lease of life in a 'suicide central', a patient's struggle with insanity, a terrible crime in an idyllic artists' town, a man's record of his last moments, a bride haunted by her past... With grey characters, a creeping sense of dread, and a twist at the end, it will ensure that you go to bed satisfied, having had your fill of a world of wickedness and terror until that world engulfs you in your dreams. This book will enthral lovers of horror and suspense.

Starting a new school year after the events of Confessions of an Angry Girl, Rose resolves to stand up for herself, employ prudence before speaking and free her self-esteem from the opinions of a boy who does not return her affections. Original.

Maestro management consultant and strategy guru Robin 'Einstein' Varghese has been dispatched to London to the Lederman account. Things in the mother country are not all tally-ho as Einstein must make do with convoluted remuneration, temperamental digestion and a bizarre conspiracy by museums all over the city to frustrate his every attempt to imbibe in high culture. Just when things look like they can't get any worse, Lederman threatens to shut down the project. Once again Dufresne Partners turns to their most resourceful, inventive, original, strategic, out-of-the-box-thinking employee.

Best known as a young revolutionary who took up arms against the British establishment, Bina Das numbers among the heroes of Indian history - alongside Bhagat Singh, Rajguru, Preetilata Wadedar - who took up arms against the colonisers. This short memoir movingly recounts the story of her involvement in the shooting of the British Governor of Bengal, Stanley Jackson, at the Annual Convocation Meeting of Calcutta University in 1932, her subsequent incarceration, and her growing involvement in politics. Despite her importance in Indian history, Beina Das disappeared from public view in later life and is rumoured to have passed away in Rishikesh in early 1997. This account captures the early years of her life and gives insights into the context and history of the times that inspired Bina to take the path that she chose.

"Touches and dazzles and entertains. An enchanting novel." --The New York Times In this moving, poignant novel by the bestselling author of *Birds of America* we share a grown woman's bittersweet nostalgia for the wildness of her youth. The summer Berie was fifteen, she and her best friend Sils had jobs at Storyland in upstate New York where Berie sold tickets to see the beautiful Sils portray Cinderella in a strapless evening gown. They spent their breaks smoking, joking, and gossiping. After work they followed their own reckless rules, teasing the fun out of small town life, sleeping in the family station wagon, and drinking borrowed liquor from old mayonnaise jars. But no matter how wild, they always managed to escape any real danger—until the adoring Berie sees that Sils really does need her help—and then everything changes.

When Aryan Roy stepped into college life to fulfill his childhood dream of becoming a successful engineer, little did he know that he was in for a journey of a lifetime. Anushka and Kaira turn his sojourn into a memorable one - in both good and not-so-good senses. The Storm in my Mind... is a collective narrative of events, habits, stereotypes and idiosyncrasies revolving around the contemporary society of Kolkata. It is a story of love as much as it is of hatred, passion, friendship, trust, misunderstandings, nostalgia and love for his city. It is the story of Aryan, his Kolkata and his mellowing heart that makes confessions of the times he has seen.

Frank and funny, these stories written originally for the Bengali children's magazine Sandesh, are an essential read for all Ray enthusiasts as well as those who want to know Ray, the writer and film-maker, better. In this volume, Ray also shares some of his experiences while shooting Pather Panchali—his epic debut, and subsequent films, particularly for children. He describes how an entire field of kaash flowers was eaten up by cows before he could shoot his famous scene with the train in Pather Panchali; and how a circus tiger let loose in a bamboo grove chased away a group of curious onlookers in the blink of an eye.

Keenly observed autobiographical fiction and journal entries from acclaimed writer Denton Welch, featuring an introduction by William S. Burroughs "In Youth Is Pleasure" recounts the summer vacation of Orvil Pym—a sensitive, withdrawn, and deeply unhappy boy of fifteen. Following a trying year at public school, Orvil spends the summer with his father and two older brothers. The quotidian events of a seemingly ordinary summer are rendered dazzling by the intensity of adolescence and Welch's gift for human observation. First published in 1945, "In Youth Is Pleasure" is based closely on Welch's own adolescent experiences of

solitude and introspection. This volume also includes "I Left My Grandfather's House," an unforgettable account of a walking tour through the British countryside. These two works feature Welch at his autobiographical best.

An article in the Harvard Business Review once said that the most valuable skill for the 21st century manager is the ability to work across cultures. Around the world, it is increasingly recognized that an understanding of a country's work culture plays a significant part in success at one's job. Every group of people has subtle drivers of behaviour, values and beliefs, an understanding of which could help you navigate your way around the workplace. Indians are no exception. We have some innate strengths that we seldom take credit for. Like the uncommon capacity to deal with ambiguity and to think on the fly; the emphasis we place on forming and sustaining relationships at work; and the willingness to go beyond the call of duty as we see our jobs as an extension of our personal lives. And then there are traits that may confuse the uninitiated at first and need some getting used to - such as saying 'yes' to an assigned task when we actually mean 'no', our flexible attitude to time, and the famous Indian head wag. Based on extensive interviews with corporate leaders - Indians as well as expatriates and repatriates, who offer insider and outsider perspectives on the psyche of the Indian in the workplace - How India Works is a guide to the cultural nuances and complexities of working in India. It will make your life in office a little easier.

Arzee the dwarf had a dream, and now that dream has come true. Arzee has just been crowned as head projectionist at the Noor, the Bombay cinema where he has been working since his teens. The Noor's vast, encircling darkness, the projection room's invisible perch above the vault of the cinema on one side and the bustle of south Bombay on the other, the grand illusion-making of the great beam: these riches are what give Arzee the power and the heft that his own body does not possess. Arzee is sure that the worst of his troubles are behind him, and that he can now marry and settle down -- even if his wife is someone his fond mother has had to scout for him. But not for the first time, Arzee has it all wrong! The Noor is about to be closed down, taking away to its grave all his hopes of this world and his walls against it. A new darkness threatens, more sinister than the comforting womb-night of the Noor. Arzee knows he will be crushed by that new cycle of rage and impotence, all these added to the perpetual indignity of walking face-to-face with "the crotches and asses of this world". Arzee the Dwarf follows Arzee over two weeks, setting off Arzee's frenzied plotting and pleading against the beating and pulsing of the great city around him. The narration vividly brings to life not just the protagonist, but also a host of characters to whom Arzee turns in his hour of need: the departing head projectionist Phiroz, the sneering faux-gangster Deepak, the poetical taxi-driver Dashrath Tiwari, the enigmatic hairdresser Monique, and the garrulous and homely Shireen. Can Arzee fight off all the forces that menace his world, or will the vast city that he loves succeed in crushing him? Chandrahas Choudhury's bittersweet comedy, selected by World Literature Today as one of 60 essential works of modern Indian literature in English, is a novel about the strange beauty of human dreaming.

For most of his childhood, Rahul Bhatt did not know a father's unconditional love, a vacuum that David Coleman Headley filled for a while. David Headley -- the dashing, intriguing Pakistani with one brown eye and a green one, a man who could pass himself off as American quite easily, a charmer of men and women alike -- lured his way into Rahul's world and, in no time, swept him off his feet.
