

Akash Series Books

This book gives you the blueprint for transforming your body and your life, by guiding you through the RNT Transformation Journey. This five-phase process will arm you with the tools to finally get into the shape of your life, for life, and experience incredible benefits that transcend the physical.

"Set in contemporary India, *The Other Guy* is a tale of forbidden love. Amidst laws which declare them criminals, emotional repression and societal suppression, Nikhil and Anuj are two talented young men, deeply in love with each other. Though polar opposites, they effortlessly complement each other. Anuj had lived a constricted life, always in his fear of the consequences of the truth; Nikhil, a carefree soul, is ready to take on the world. The truth is known only to a few select friends, and to Anuj's sister. The novel is about making the hard, heartbreaking choices to allow such a relationship to breathe and survive in a traditional land of rigid taboos. Anuj experiences separation from his family as he surrenders to the questions in their eyes and decides to choose candour over coy; to listen to his desires; to be open and free about it. But it is not the same with his partner, Nikhil. When his mother initiates talk of his marriage, Anuj coaxes Nikhil to take a decision that can scar their lives forever. Do societal diktats run the lives of these gifted young men or does love prevail? Do Anuj and Nikhil have the last laugh, using society against itself, so they can breathe and live as they wish? Nikhil and Anuj's story is just one of many, most of them buried in the misery of silence. It deserves to be read by everyone who wishes to see a more inclusive world where acceptance and humanity grace our lives. A bold and beautiful book that touches the heart and mind forever "

This is the third book in the series *World Of Sudoku*. The book contains 120 handcrafted sudokus covering classic sudokus and eight fun and exciting variants which are all different from the ones that were covered in Vol. #1. This book includes: Classic Sudoku Quadruple Sudoku Palindrome Sudoku Extra Regions Sudoku Consecutive Sudoku Pencil Marks Sudoku Inequality Sudoku Clone Sudoku Kropki PAIRS Sudoku All the sudokus have a logical solve path and are aesthetically pleasing. The book has a good mix of difficulty ranging from easy to hard.. Each variant is explained in details with the help of illustrations and various tricks that are needed to solve them are also explained. Happy Solving !

Sometimes when you're desperate to leave the past behind, the past is eager to catch up! Anuradha leaves Gurgaon when Dhruv chooses his family over her. She thinks that chapter of her life has ended, and starts afresh in Mumbai. But strangely, it seems her past is trying to catch up. Dhruv suddenly comes back into her life. Even as they try to figure out their relationship, horrible things start happening to people they know. Together, Anuradha and Dhruv need to find out who it is that cannot bear to see them together. Who is carrying out these shocking crimes? Are they really soulmates cursed to stay apart, or is there some karmic debt they have to repay? Taut and thrilling, *Only the Good Die Young* is unputdownable.

"I tried to write a non-fiction book once. It didn't sell. Within 15 minutes of reading this book I realized why."~ Phil Barth "As an author writing as from experience, Akash's steps are proven and easy to follow."~ Donna Hook "I love this book! Akash shows you a step by step [approach] to write a great Kindle book."~ Jonathan Li, bestselling author of Secrets of the Confident Speaker "I immediately made some changes [to my book] based on Akash's book."~ Hazel Wagner HAVE YOU ALWAYS SECRETLY WANTED TO WRITE A BEST-SELLING BOOK? Do you feel a rush of excitement when you think about making money from your words on the page? If so, you're just 15 days away from being able to make this dream into a reality. 80+ PROVEN TIPS & TOOLS TO HELP YOU WRITE A NON-FICTION KINDLE EBOOK THAT SELLS The prospect of creating and publishing your own book may seem a bit overwhelming. But by following the simple steps outlined below, you will bite off one piece of your project at a time – until you are a published author! In this step-by-step, day-by-day guide, you will discover how to: – Pick the best niche to maximize your sales – Quickly assess the demand and profitability of your book – Write your first draft – fast! – Craft powerful book titles that generate sales – Outsource your way to an irresistible cover that readers love – Triple your writing speed using simple techniques – Use ninja techniques to find people to review your books on Amazon – Take advantage of Amazon's promotional tools to catapult your book to bestseller status – and lots, lots more... "The book is well structured and offers excellent tips on not only how to write your book, but also how to promote it (which is the tough part!). It's a lot of work, but it's clear that Akash takes the experience seriously and has success to show for it."~Margaret La "Great book. This book is helping me immensely."~ John Harry Thomas "I am using this book to write my second ebook (my first one sold, but not as well as I'd like)...this is going to be just what I needed. I'm already learning techniques I never knew about. Excellent resource..."~ Paul Cola ABOUT THE AUTHOR Akash Karia is an internationally bestselling author who has twice been ranked the #1 Most Popular Business & Money author on Amazon. He earns a healthy passive income through his book sales, selling 100+ Kindle books per day. In this book, Akash reveals the exact process he uses to create, publish and promote his books so that you too can share your message with the world. When he is not writing or lazing on the beach with a good book in his hands, Akash travels the world speaking to businesses and governments on the topics of success psychology and peak performance.

Thanking almighty for blessing me with my first book. Heartily obliged to my schoolmates and teachers of I. E. M. School, Raurkela. Indebted to Mr. Dilip Narasimhan and my family. Shake hands with Alok Swain. Kudos to all the colleague poets who companioned this pilgrimage and encouraged my ability to express through words. Grateful to online platforms, print media editorial team for accommodating my poems. Last but not the least, regards to all my Readers.

Akash Verma is a management graduate and currently works with a media company. In his fourteen-year-old professional career, he has worked in the FMCG and entertainment sector. His work has taken him to many parts across the country and he finds this experience very relevant while giving shape to his stories. This is his first attempt at writing a full-fledged fiction novel. Akash is currently based out of Gurgaon, India. You can catch him watching movies or reading anything under the sun when he is not working.

"Every speaker can put these ideas into practice immediately -- and they should!"~ Dr. Richard C. Harris, Certified World Class Speaking

Coach "An insightful read"~Dennis Waller, Top 500 Reviewer "Superb communication advice" ~ Larry Nocella MASTER THE ONE THING ALL GREAT TED TALKS HAVE IN COMMON What is the secret to delivering a great TED talk? What is the magic ingredient that makes a TED talk captivating? And more importantly, how can you use those secrets to make your presentations more powerful, dynamic and engaging? To try to answer these questions, I studied over 200 of the best TED talks. I broke each TED talk down in terms of structure, message and delivery. Here's what I discovered. After studying over 200 TED talks, the one commonality among all the great TED talks is that they contain stories. UTILIZE ADVANCED STORYTELLING TECHNIQUES TO INJECT LIFE INTO YOUR PRESENTATIONS

Essentially, the best speakers on the TED stage were the ones who had mastered the art of storytelling. They had mastered how to craft and present their stories in a way that allowed them to share their message with the world without seeming like they were lecturing their audience. DISCOVER THE 23 STORYTELLING SECRETS OF THE BEST TED TALKS In this short but powerful guide, you're going to learn how to use stories to make your presentations engaging and entertaining. Using case studies drawn from TED talks by Sir Ken Robinson, Dr. Jill Bolte Taylor, Susan Cain, Leslie Morgan Steiner, Mike Rowe and Malcom Gladwell, you'll learn how to craft stories that keep your audience mesmerized. By the time you've finished reading this storytelling manifesto, you will have picked up twenty-three principles on how to create stories that keep your audiences mesmerized. Whether you are giving a TED talk or a corporate presentation, you will be able to apply the principles you pick up in this guide to make your next talk a roaring success! RAVE REVIEWS FROM READERS "No more boring speeches and presentations"~ Douglas L. Coppock "A crisp and no fluff book" ~ Kam Syed "A great book on storytelling" ~ David Bishop "Excellent book for any speaker" ~ Dean Krosecz

How to Write a Non-Fiction Kindle EBook in 15 Days

In this book there is a collection of my reflections. I have captured my life journey in bits since the age of twelve, from a child reaching out to my parents to now as a parent reaching out to the kids. My journey, one of irony, poignant and mouldingness of living. Building and tearing down of the soul, the heart and the mind; shattering, altering of life's course, steering the journey idlelessly through the forest of the modern and the urban life. One's life carrying the burden of culture, values and experience of change of "no choice intergration" of the society we live in that rolls the wheels of revolution of kaleidoscopic social fusion of that identity, position and values as one grows. "Father to Child captures some aspect of this."

An excellent book with action, drama, suspense, tragedies and cliffhangers! All of this in one book: The Seven Gems... SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of Amnesty and Selection Day that critics have likened to Richard Wright 's Native Son, The White Tiger follows a darkly comic Bangalore

driver through the poverty and corruption of modern India ' s caste society. “ This is the authentic voice of the Third World, like you've never heard it before ” (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China ' s impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Named a Best Book of the Year by *The New York Times*, *Wall Street Journal*, *CNN*, *New Statesman*, *Air Mail*, and more A “ haunting and elegant ” (*The Wall Street Journal*) story about love, faith, the search for utopia—and the often devastating cost of idealism. It ' s the late 1960s, and two lovers converge on an arid patch of earth in South India. John Walker is the handsome scion of a powerful East Coast American family. Diane Maes is a beautiful hippie from Belgium. They have come to build a new world—Auroville, an international utopian community for thousands of people. Their faith is strong, the future bright. So how do John and Diane end up dying two decades later, on the same day, on a cracked concrete floor in a thatch hut by a remote canyon? This is the mystery Akash Kapur sets out to solve in *Better to Have Gone*, and it carries deep personal resonance: Diane and John were the parents of Akash ' s wife, Auralice. Akash and Auralice grew up in Auroville; like the rest of their community, they never really understood those deaths. In 2004, Akash and Auralice return to Auroville from New York, where they have been living with John ' s family. As they reestablish themselves in the community, along with their two sons, they must confront the ghosts of those distant deaths. Slowly, they come to understand how the tragic individual fates of John and Diane intersected with the collective history of their town. “ A riveting account of human aspiration and folly taken to extremes ” (*The Boston Globe*), *Better to Have Gone* probes the underexplored yet universal idea of utopia and portrays in vivid detail the daily life of one such community. Richly atmospheric and filled with remarkable characters, spread across time and continents, this is narrative writing of the highest order—a “ gripping...compelling...[and] heartbreaking story, deeply researched and lucidly told ” (*The New York Times Book Review*).

The 7 Things Resilient People Do Differently (and How They Can Help You Succeed in Business and Life)

Better to Have Gone

A Novel

A Broken Man

*** INAUGURAL LILLY'S LIBRARY BOOK CLUB PICK FROM LILLY SINGH * “A beautiful book about a mother and son...I really loved this book.”—Rumaan Alam on The TODAY Show “My first great read of 2022...[Will] make you cringe with recognition and melt with longing.” —Jennifer Weiner “This debut novel about an Indian-American family has all the right ingredients: family secrets, love, sexuality, loss, identity questions and remorse.” —Good Morning America** Renu Amin always seemed perfect. But as the one-year anniversary of her husband’s death approaches, she is binge-watching soap operas and simmering with old resentments. She can’t stop wondering if, thirty-five years ago, she chose the wrong life. In Los Angeles, her son, Akash, has everything he ever wanted, but he is haunted by the painful memories he fled a decade ago. When his mother tells him she is selling the family home, Akash returns to Illinois, hoping to finally say goodbye and move on. Together, Renu and Akash pack up the house, retreating further into the secrets that stand between them. Renu sends an innocent Facebook message to the man she almost married, sparking an emotional affair that calls into question everything she thought she knew about herself. Akash slips back into bad habits as he confronts his darkest secrets—including what really happened between him and the first boy who broke his heart. When their pasts catch up to them, Renu and Akash must decide between the lives they left behind and the ones they’ve since created, between making each other happy and setting themselves free. By turns irreverent and tender, filled with the beats of ’90s R&B, *Tell Me How to Be* is about our earliest betrayals and the cost of reconciliation. But most of all, it is the love story of a mother and son each trying to figure out how to be in the world.

A compelling, heart-touching story of a drug addict. Aakash has so much emotional pain inside him that he can breathe only because of the escape that comes from the hits of smack. He looks for succor in his school sweetheart Aarti but she opts for the fast lane to come out of her impecunious situation in life. She manipulates the top industrialist Basant Somani into a relationship entirely on her terms. The industrialist’s wife Rajeshwari Devi is a kind-hearted woman of religious mindset who makes several attempts at cleaning up the mess from Aakash’s life, but he fails her every time. The turn of events takes Aakash and Aarti to Haridwar where they rediscover their emotional connection but Aakash has already gone too far down the road of addiction. Can Aarti bring him back?

If you are interested in learning how to test web applications and the web part of mobile applications using Burp, then this is the book for you. It is specifically designed to meet your needs if you have basic experience in using Burp and are now aiming to become a professional Burp user.

New York Times Best Seller Named a Best Book of 2019 by Vogue and NPR's Maureen Corrigan "Freudenberger's brilliant

and compassionate novel takes on the big questions of the universe and proves, again, that she is one of America's greatest writers." --Andrew Sean Greer, Pulitzer Prize-winning author of *Less* An emotionally engaging, suspenseful new novel from the best-selling author, told in the voice of a renowned physicist: an exploration of female friendship, romantic love, and parenthood--bonds that show their power in surprising ways. Helen Clapp's breakthrough work on five-dimensional spacetime landed her a tenured professorship at MIT; her popular books explain physics in plain terms. Helen disdains notions of the supernatural in favor of rational thought and proven ideas. So it's perhaps especially vexing for her when, on an otherwise unremarkable Wednesday in June, she gets a phone call from a friend who has just died. That friend was Charlotte Boyce, Helen's roommate at Harvard. The two women had once confided in each other about everything--in college, the unwanted advances Charlie received from a star literature professor; after graduation, Helen's struggles as a young woman in science, Charlie's as a black screenwriter in Hollywood, their shared challenges as parents. But as the years passed, Charlie became more elusive, and her calls came less and less often. And now she's permanently, tragically gone. As Helen is drawn back into Charlie's orbit, and also into the web of feelings she once had for Neel Jonnal--a former college classmate now an acclaimed physicist on the verge of a Nobel Prize-winning discovery--she is forced to question the laws of the universe that had always steadied her mind and heart. Suspenseful, perceptive, deeply affecting, *Lost and Wanted* is a story of friends and lovers, lost and found, at the most defining moments of their lives.

Your Step-By-Step Guide to Writing a Non-Fiction EBook That Sells!

Only The Good Die Young

A Portrait of Life in Modern India

WORLD OF SUDOKU VOL # 3

The Human Akash A Discovery of the Blueprint Within

It Happened That Night

This problem book gathers together 15 problem sets on analytic number theory that can be profitably approached by anyone from advanced high school students to those pursuing graduate studies. It emerged from a 5-week course taught by the first author as part of the 2019 Ross/Asia Mathematics Program held from July 7 to August 9 in Zhenjiang, China. While it is recommended that the reader has a solid background in mathematical problem solving (as from training for mathematical contests), no possession of advanced subject-matter knowledge is assumed. Most of the solutions require nothing more than elementary number theory and a good grasp of calculus. Problems touch at key topics like the value-distribution of arithmetic functions, the distribution of prime numbers, the distribution of squares and nonsquares modulo a prime number, Dirichlet's theorem on primes in arithmetic progressions, and more. This book is suitable for any student with a special interest in developing problem-solving skills in analytic number theory. It will be an invaluable aid to lecturers

and students as a supplementary text for introductory Analytic Number Theory courses at both the undergraduate and graduate level.

"This book is packed with really wonderful mind sets, reframes, and psychology tips, all backed with references and real science. This is like the "best of the best" self help tips."~ Tim Brennan, Author of '1001 Chess Tactics' "...incredibly useful book filled with scientifically backed advice on how to successfully reach your goals."~ Ryan Berd **HOW SUCCESSFUL PEOPLE THINK DIFFERENTLY** *Why is it that some people are able to achieve so much success - in their personal, professional, social lives - whereas so many others are struggling? What are successful people doing differently from the failures? Are successful people wired differently from the rest of us? Is success simply encoded in their DNA? Or is it something else? And the more important question is: How can we get access to the magic ingredient that successful people have and add it to our own lives so that we too may experience more success in our lives? LEARN HOW SUCCESSFUL PEOPLE THINK DIFFERENTLY - AND HOW YOU CAN TOO* *This short and practical guide will inspire you to rethink how you set and achieve your goals. In How Successful People Think Differently you will learn:*

- Why successful people say "I don't" instead of "I can't"
- Why successful people never suppress their desires - and what they do instead
- How successful people think smart
- The "if-then" strategy that triples your chances of achieving success
- The type of thinking that makes successful people successful in the first place
- The wrong (and the right) way to visualize your goals (this alone will be worth the price of the book!)
- The right (and the wrong) type of thinking that either sets up you up for success or failure
- Simple, and sometimes surprising, success principles to help you achieve your goals
- And a lot more...

BASED ON INTENSIVE SCIENTIFIC RESEARCH: LEARN THE SCIENCE OF SUCCESS *In the last 100 years, science has made remarkable progress in unlocking the secrets behind successful people. Unfortunately, a lot of this great, life-changing research is hidden inside dense, boring, hard-to read academic literature. Fortunately, I've gone through that research for you - and in this success guide, you're going to be getting access to life-changing tools and strategies that are scientifically-proven to help you achieve your personal and career goals, whatever they may be. JUST ONE IDEA... Just one idea in this book might be the inspiration and the spark of change you are looking for...just one idea can change your life. RAVE REVIEWS FROM READERS: "How Successful People Think Differently is a quick, easy read packed with practical tips and easy-to-follow advice...This book is for anyone who wants to aim higher."~ Gillian Findlay "Illustrated by many examples from real life and generously filled with scientific references and suggestions for further reading, this book is a 'must have' for anyone who wishes to better themselves in life."John Joyce, Author of "Masterpiece" "I was pleasantly surprised that I learned new tips from this book. It gave me great ideas on how to think differently and put tips into place to change habits and create a more successful life."~ Stacy Nichols "This is a good book for many people who are still clinging to the fence, procrastinating and not achieving their goals. I highly recommend it!"~ Allan Kaufman, DTM, MBA "Just when I thought I knew about everything, along comes this book. It is a great non fiction book filled with many useful tips..."~ William Leland* *The stories of Unaccustomed Earth focus on second-generation immigrants making and remaking lives, loves and identities in England and America. We follow brothers and sisters, mothers and fathers, friends and lovers, in stories that take us from Boston and London to Bombay and Calcutta. Blending the individual and the generational, the exotic and the strikingly*

mundane, these haunting, exquisitely detailed and emotionally complex stories are intensely compelling elegies of life, death, love and fate. This is a dazzling work from a masterful writer.

Take a deep breath before you are born here, my child! You take birth in a land where I struggled; gave it my sweat and blood. A land that I thought belonged to me.....unbridled, uncompromising. Krishna is a Dalit boy from Bihar who struggles too verthrow the chains that hold him back. Chhavi is a high caste Brahman girl fighting for the rights of others, propagating equality in a politically charged Lucknow University campus. After Krishna saves Chhavi from getting torched during a protest against reservation, love slowly blossoms, only to be ruthlessly crushed by a society that thrives on divisions of caste and religion. From student politics in Lucknow to the interiors of Bihar, from the corridors of power to the glitz of media and the film industry in Mumbai. A Broken Man is the quest of a deprived Krishna to redeem hope from despair, love from separation and success out of repeated failures. From the bestselling author of It Happened That Night and Three Times Loser, this is a story that reinforces our faith in what love can accomplish as it pushes us to achieve the impossible, making us tap our true inner potential.

The Unheards

The White Tiger

And I'm Not A Saint

A Problem-Based Introduction

Emotional Habits

Yesterday 9 is a tale of a one-sided love story, followed by separation and re-alignment. It talks about the difference between true love and a non-introspecting baseless love. A story of disruption of love between a couple and the ghostly way it comes back as an empowered black spirit. As love time-travels to attain back what is lost, the black spirit's horrryfyng effect slows down every action taken in the past to secure the future. With mighty twists and turns, the book is packed with various emotions to set the stage for adventure. Will the couple reunite in love or will time-travelling tear them apart?

"...boils complex issues and ideas down to concise actionable material."~ Thomas Lindey "...a quick read that can have immediate and long term benefits. The exercises in chapter two are really good. The advice in chapters 3 and 4 is spot on. I'm going to share it with my three sons." ~ Phil Barth "Compared to the other self-help books, this one of the easiest books to follow and implement, from start to finish." ~ Alnoor Talwar MASTER THE ONE SKILL ALL PEAK PERFORMERS HAVE IN COMMON What is the one skill that the world's most successful leaders, athletes and business people have in common? And more importantly, how can you harness this skill to achieve greater success, fulfillment and well-being in your business and personal life? New research reveals that resilience - more than IQ - is a key factor in determining your success and well-being, at work as well as in your

relationships. In fact, studies show that people with higher levels of resilience have higher productivity, better health, greater morale, higher job satisfaction and lower stress. DISCOVER 7 SCIENCE-BACKED TOOLS THAT MAKE THE DIFFERENCE WHEN IT COUNTS In this book, you will discover the 7 things resilient people do differently...and how to apply them in your own life so that you can: * Persevere through adversity. * Quickly bounce back from disappointments. * Break negative emotional patterns by taking control of your self-talk and inner movies. * Instantly shift your emotional state using the power of physiology. * Create greater drive and ambition by mastering the use of self-directed questions. * Supercharge your energy levels at a moment's notice. * Experience even greater excitement, passion, happiness and fulfillment in every area of your life. Using the 7 habits of resilient people discussed in this book, you will be able to handle the vulnerabilities of intimate relationships, the risks and failures of business and the ups and downs of life. **RAVE REVIEWS FROM READERS** "...a great book if you're looking to master your emotions, become more resilient, flexible, and ultimately successful..." ~ M. Sean Marshall "I'll definitely be reading this book again, because I spent the whole time analyzing my own thoughts and reactions and found a great deal to work on." ~ Rebecca Vickers "[Akash] has knocked it out of the park... A great read full of examples...Highly recommended." ~ Jamie Hill Just one idea in this book might be the what you need. Ready to get started? The Newlyweds

23 Storytelling Techniques from the Best Ted Talks

What is the nation? What is the idea of India? Whose India is it, anyway? This inaugural volume in the series titled *Rethinking India* aims to kickstart a national dialogue on the key questions of our times. It brings together India's foremost intellectuals, academics, activists, technocrats, professionals and policymakers to offer an in-depth exploration of these issues, deriving from their long-standing work, experience and unflinching commitment to the collective idea of India, of who we can and ought to be. *Vision for a Nation: Paths and Perspectives* champions a plural, inclusive, just, equitable and prosperous India, committed to individual dignity as the foundation of the unity and vibrancy of the nation. In order to further disseminate these ideas—the vision for the nation as aspirationally reflected in the Constitution—this book provides a positive counter-narrative to reclaim the centrality of a progressive, deeply plural and forward-looking and inclusive India. It serves as a fresh reminder of our shared and shareable overlapping values and principles, and collective heritage and resources. The essays in the book are meaningful to anyone with an interest in contemporary Indian politics, South Asian studies, modern Indian history, law, sociology, media and journalism. Look for Nell Freudenberger's new novel, *Lost and Wanted*, coming April 2019. Amina Mazid is twenty-four when she moves from Bangladesh to Rochester, New York, for love. A hundred years ago, Amina would have been called a mail-order bride. But this is the twenty-first century: she is wooed by—and woos—George Stillman online. For Amina, George offers a chance for a new life for her and her parents, as well as a different kind of happiness than she might find back home. For George, Amina is a woman who doesn't play games. But each of them is hiding something: someone from the past they thought they could leave behind. It is only when Amina returns to Bangladesh that she and George find out if their secrets will tear them apart, or if they can build a future together.

About the book: It was about last night when I was dreaming, I saw him in my dream, I have never had any dream about him or about us since he died, seeing him after these many years literally gives a shiver on my spine and still I am wondering how come I had a dream about him, about my Ex husband, about ArjanRaheja. The man of my life, the man whom I have loved deeply, the man whom I was true-blue to. He was my everything and not just me but he too loved me

like anything. We were soulmates. He was perfect for me the way I was perfect for him. It was the time of our college when I first saw him and couldn't stop liking him. While my desire of having him was too much, that much that I just wanted to be his and I wanted him to be mine right away. Arjan was not an easy guy to get. About the author: Akash Rana is an aspiring writer and is currently studying. He was born in Saharanpur, Uttar Pradesh. And aspire to fulfill his family's dreams and aspirations. He is an explorer and wants to complete his travel bucket list one day. He is a cheerful person and believes in helping others in any way and is an active member of an NGO that helps the needy. His sociable personality makes everyone around him happy. He is an avid lover of literature and loves to read and write. Motivational, crime and thriller are his favorite genres. He has written everything from short stories to poems and has emerged to write his first crime thriller novel. His first inspirational book "Spark of Success" is now in the top 500. He has traveled to many places like Manali, Rajasthan, Himachal Pradesh and Mussoorie to bring original originality to his work.

A New Republic Editors' and Writers' Pick 2012 A New Yorker Contributors' Pick 2012 A Newsweek "Must Read on Modern India" "For people who savored Katherine Boo's Behind the Beautiful Forevers."—Evan Osnos, newyorker.com From the author of Better To Have Gone, a portrait of the incredible change and economic development of modern India, and of social and national transformation there told through individual lives Raised in India, and educated in the U.S., Akash Kapur returned to India in 2003 to raise a family. What he found was an ancient country in transition. In search of the life that he and his wife want to lead, he meets an array of Indians who teach him much about the realities of this changed country: an old landowner sees his rural village destroyed by real estate developments, and crime and corruption breaking down the feudal authority; a 21-year-old single woman and a 35-year-old divorcee exploring the new cultural allowances for women; and a young gay man coming to terms with his sexual identity – something never allowed him a generation ago. As Akash and his wife struggle to find the right balance between growth and modernity and the simplicity and purity they had known from the Indian countryside a decade ago, they ultimately find a country that "has begun to dream." But also one that may be moving away too quickly from the valuable ways in which it is different.

This book has been prepared primarily as a text for raising of quality planting material of guava through

vegetative propagation. Practices followed in the propagation of guava are presented in detail which clearly showed the effect of different propagation methods i.e. cutting, layering, patch budding and wedge grafting on different parameters of vegetative growth is also discussed in the book. It is hoped that scientific and technical information available in this book will be useful for orchardists, field functionaries and researchers for accomplishing the goal of enhanced quality fruit production and productivity.

There will be times when you feel you have the best relationship, ever . . . There will be times when it will be the worst that has happened to you There will be times when you know you are getting into something horrible, something that will not stop till it destroys you, And yet . . . You are pulled so inextricably, unstoppably . . . She was my true love, I knew that. So despite being married and having children, I still went ahead with our affair. I hid it from my wife and colleagues. I told lies so I could be with her-it was that amazing! But I couldn't hide from the dark truth she was keeping. It pulled me into a vortex of danger so deep that I lost all I had. It happened to me and if you think it won't happen to you-think again.

When the world changed once and for all... In 2043, aliens arrived in huge numbers and attacked Earth. A war was waged and millions died but not in vain. The armies from all nations joined hands and finally succeeded in defeating the aliens after a fateful battle which came to be known as the Great War! The old nemesis returns... Thirty years later, the aliens enter the solar system to invade Earth again. There's only one way to defeat them once and for all. A space organization named Space Patrol has a plan but who'll embark on this life-threatening mission? Desperate situation calls for Desperate measures..... There's only one person on the planet who can hope to pull this off. His name is Drake Stryver and he's a retired pilot who'd fought in the Great War. Space Patrol recruits him to lead this mission. Will he be able to defeat the aliens again and protect Earth? Read on to find out...

Awaken the elusive information within your Akash Have you ever wondered where your personality comes from? What about your fears and phobias? What creates a child prodigy? Is it possible that you have lived before? The answer to these questions and more is the purpose of this book. Australian author, Monika Muranyi, has compiled everything that Kryon has ever channelled about the Akash! For over twenty-four years the loving messages of Kryon, as given by Lee Carroll (the original Kryon channel) have become known world-wide. This book, second in the Kryon trilogy series, represents an amazing job of research that covers in detail the elusive information within your Akash and includes material never before been published by Kryon. In addition, she has posed over thirty new questions answered by Kryon. Thanks to her work we now have a greater understanding

about the Human Akash, where it is, what it contains and how it can be mined. What is it you wish you could do? What are your blocks? What are the things that you think are you that can't be changed? In the Akash, there is also you, many of them. Why don't you go there and replace the current you with the former you? That is mining the Akash. That's a quantum Human Being, and it goes way beyond what you were told past life energies were for. You were told they were for karmic exchange. It's the old idea that past life experience builds up in your DNA so that you will be disturbed by it, so that it will become the sand in your oyster and then you have to accomplish something to get around it. It is very old information, and now you can go way beyond that. What if the whole reason for the Akash is just the opposite? What if it is a gold mine with your name on it? You lived all those lives. Think about that. It's life experience; it's wisdom, shaman. Now, go mine it. That's what the quantum Human Being does. It creates mastery. Think about that. – Kryon.

Lost and Wanted

Beyond Milestones: The Journey through Life is a heartwarming dialogue between grandfather, Surinder Rametra and grandson, Akash Wasil, aiming to impart a few of his life experiences, that turned out to be a joint effort, covering deep-rooted philosophy of life, guided by the inner core. Profound in its feeling, Surinder shares his spiritual and interpersonal life-learnings, through time and place that has long changed beyond recognition by what the world call progress. Movingly written the book evokes nostalgia. The author takes him through his childhood, family experiences and affections. He creates in microcosm the essence of Indian village life: its traditions, ceremonies, passage of time, cycle of change and the struggle as his circumstances changed. Knowing well that today's generation is exceptionally intellectual, progressive and logical, Rametra successfully motivated Akash to co-author the book. Akash professes that there are fundamental differences between the values of today's youth and those of the older generations. He hopes to explore these differences, analyze the opposing viewpoints, and thus develop a deeper understanding of these ethical ideas and issues. Akash, in turn, helped his grandfather provide a different outlook in an attempt to bridge the current

ongoing drift of social and cultural gap. The essential message that Rametra wants to share with Akash and others of his age is, 'Life itself is a journey. At each cross-section, new people join the journey and a few may drop out; but the journey continues.'

Desires and Destiny. It is a college love story which will change your perspective towards life problems. The book has a lot of humour, love, bromance and it also touches on the issues we face in our daily life. If you want a fun, easy read that engages you - you will enjoy 'Desires and Destiny.' ----- Hii, I'm Ritvik, a regular 22-year-old boy with an irregular life. My life has never been easy since I lost my mother in a road accident. I joined a management college in my city. I only have my father in my family, who lived out in another city because of his work. And like everybody else, my love story began. I started falling for a girl named Tanvi. I became her dance partner at college fest and certainly wanted to be her life partner too. However, life had planned something else for me. If you think your life is the most troublesome, go ahead, take a look at mine.

Sylheti Heritage Collection brings you the heart of Sylhet and the heart of its people which, is the Mazaar Sharif of the revered Sufi Saint of Bangladesh Hazrat Shahjalal. Hazrat Shahjalal was the Sufi practitioner who travelled from Turkey to Sylhet to find the land that matched the hand full of soil his uncle gave in his hand and sent him off to search of his quest. Shahjalal arrived in Sylhet 1303 with 360 companions he met during his journey. He came over to seek justice and came with him Sufism, where it flourished in the region. He never returned to Turkey and lived his adult life in Sylhet and that's where he remains at the Mazaar Sharif, aka the Dorga in Sylhet town In this book we cover Hazrat Shahjalal and his life and world, for those who have never been or plan to visit, and for those that visited but didn't get round to taking part.
