"Republication of portions of Serie 16 (Concerte feur das Pianoforte) of Wolfgang Amadeus Mozart's Werke. Kritisch durchgesehene Gesamtausgabe, originally published by Breitkopf & Hartel, Leipzig, 1877-1879."

Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers: we know this. This is why we've created French Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designer for you, the student. To read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged an interested as well as using vocabulary that you will use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in French, providing you with the chance to prove that you know something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a French speaker, and we'll certainly make that dream come true! We recommend this book for French learners at A2 level and above as it is designed for students with a basic understanding of French. So look no further! Pick up your copy of French Stories for Beginners Vol.2 and start learning French right now!

Enjoyable story-based practice for the Cambridge Young Learners English (YLE) Tests. Storyfun for Movers Student's Book provides full-colour preparation material for the Cambridge Young Learners English Test: Movers. It contains ten stories with accompanying activities. Students can enjoy reading and listening to stories to practise key areas of the syllabus. Enjoyable activities including games, projects and poems are balanced with exam-style questions to make learning fun. Unit-by-unit wordlists provide an easy reference for vocabulary learning.

This elegant, haunting novel takes us deep into the world of bookstore owner Boualem Yekker. He lives in a country being overtaken by the Vigilant Brothers, a radically conservative party that seeks to control every element of life according to the laws of their stringent moral theology; no work of beauty created by human hands should rival the wonders of their god. Once-treasured art and literature are now despised. ø Silently holding his ground, Boualem withstands the new regime, using the shop and his personal history as weapons against puritanical forces. Readers are taken into the lush depths of the bookseller's dreams, the memories of his now-empty family life, his passion for literature, then yanked back into the terror and drudgery of his daily routine by the vandalism, assaults, and death warrants that afflict him. ø From renowned Algerian author Tahar Djaout we inherit a brutal and startling story that reveals how far an ordinary human being will go to maintain hope.

This volume rethinks the work of Jacques Ellul (1912-1994) on the centenary of his birth, by presenting an overview of the current debates based on Ellul's insights. As one of the most significant twentieth-century thinkers about technology, Ellul was among the first thinkers to realize the importance of topics such as globalization, terrorism, communication technologies and ecology, and study them from a technological perspective. The book is divided into three sections. The first discusses Ellul ' s diagnosis of modern society, and addresses the reception of his work on the technological society, the notion of efficiency, the process of symbolization/de-symbolization, and ecology. The second analyzes communicational and cultural problems, as well as threats and trends in early twenty-first century societies. Many of the issues Ellul saw as crucial – such as energy, propaganda, applied life sciences and communication – continue to be so. In fact they have grown exponentially, on a global scale, producing new forms of risk. Essays in the final section examine the duality of reason and revelation. They pursue an understanding of Ellul in terms of the depth of experience and the traditions of human knowledge, which is to say, on the one hand, the experience of the human being as contained in the rationalist, sociological and philosophical traditions. On the other hand there are the transcendent roots of human existence, as well as " revealed knowledge, " in the mystical and religious traditions. The meeting of these two traditions enables us to look at Ellul ' s work as a whole, but above all it opens up a space for examining religious life in the technological society.

Jacques Ellul and the Technological Society in the 21st Century

Pre A1 Starters 3 Student's Book

'A beautifully crafted tale of how small loves can grow into the big ones, often quite unexpectedly.' The Irish Times A prize-winning author's magical realist fable about greed and corruption in Venezuela, Black Sugar gives a fascinating view of the country's social and economic development throughout the twentieth century through the story of a family of sugarcane growers. It tells of buried treasure and the legendary privateer Henry Morgan. On the edge of the Latin American rainforest, the Oteros family farm sugar cane in their remote corner of the earth. Cut off entirely from the modern world, life is peaceful, uneventful. Until, that is, a succession of ships arrive in search of Henry Morgan's legendary lost treasure, said to be buried deep beneath the forest floor. Soon, the isolated villagers are exposed to all the trappings of modernity, while the travellers' search for booty unearths more than anybody could have anticipated. And so it was that the treasure lay buried amid scraps of sail and a pirate's corpse, preserved within the belly of the Caribbean... Reviews 'Gallic Books have a lovely knack for publishing quirky and engaging novels, often compact and always accessible. Miguel Bonnefoy continues that tradition with his intriguing second novel, Black Sugar. With a pitch-perfect translation by Emily Boyce, this is a beautifully crafted tale of how small loves can grow into the big ones, often quite unexpectedly.' The Irish Times 'Its lyricism and vivid descriptions of a tropical landscape make it worth stopping by for.' The Big Issue 'An astonishing novel about the rise and fall of a family over time... Black Sugar is not to be missed.' Portland Review of Books 'Simply written, Miguel Bonnefoy's story almost reads like a fable, weaving themes of greed and corruption into a pirate drama.' World Literature Today 'Bonnefoy's French and South American heritage infuse the novel, it combines the best of the European tradition and magical realism. It's a mix of folklore and exotic storytelling. Rich in description, lyrical, elegant and fantastical.' Nudge Magazine 'Entirely satisfying (...) Black Sugar holds its own in the Latin American magical-realism tradition.' Foreword Reviews 'Black Sugar comes out at a time when Venezuela is in the news for violence and turmoil. But Bonnefoy's prose bursts with pride for the region and its people, particularly the farms and farmers. At the same time, he acknowledges the colonizing forces that fomented unrest, whose influence is felt today as the country destabilizes. It's an important book to read right now, for even though it's fantastical fiction, it gives the reader context for the next headline.' Necessary Fiction 'Black Sugar is a beautiful generational saga akin to One Hundred Years of Solitude or The House of the Spirits ... Bonnefoy never loses his own voice and continues to write with strokes of brilliant colours and sounds.' The Book Bag 'Rich in sensuous imagery and wonderful descriptions.' Trip Fiction 'Black Sugar stands out as one of the beautiful surprises of this autumm ... Here, everything is lived to the full, love passion and desire for power, fidelity and ambition.' L'Express

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.
