

Alice

A graphic novel adaptation of the tale in which a little girl falls down a rabbit hole and discovers a world of nonsensical and amusing characters.

Winner of the Children's Choice Book Awards' Teen Choice Debut Author Award Everyone knows Alice slept with two guys at one party. When Healy High star quarterback, Brandon Fitzsimmons, dies in a car crash, it was because he was sexting with Alice. Ask anybody. Rumor has it Alice Franklin is a slut. It's written all over the "slut stall in the girls' bathroom: "Alice had sex in exchange for math test answers" and "Alice got an abortion last semester." After Brandon dies, the rumors start to spiral out of control. In this remarkable debut novel, four Healy High students tell all they "know" about Alice--and in doing so reveal their own secrets and motivations, painting a raw look at the realities of teen life. But in this novel from Jennifer Mathieu, exactly what is the truth about Alice? In the end there's only one person to ask: Alice herself. This title has Common Core connections.

Lewis Carroll's Alice in Wonderland (1865) and Through the Looking Glass (1871) are among the most enduring works in the English language. In the decades following their publication, writers on both sides of the Atlantic produced no fewer than two hundred imitations, revisions, and parodies of Carroll's fantasies for children. Carolyn Sigler has gathered the most interesting and original of these responses to the Alice books, many of them long out of print. Produced between 1869 and 1930, these works trace the extraordinarily creative, and often critical, response of diverse writers. These writers -- male and female, radical and conservative -- appropriated Carroll's structures, motifs, and themes in their Alice-inspired works in order to engage in larger cultural debates. Their stories range from Christina Rossetti's angry subversion of Alice's adventures, Speaking Likenesses (1874), to G.E. Farrow's witty fantasy adventure, The Wallypug of Why (1895), to Edward Hope's hilarious parody of social and political foibles, Alice in the Delighted States (1928). Anyone who has ever followed Alice down the rabbit hole will enjoy the adventures of her literary siblings in the wide Wonderland of the human imagination.

From the national bestselling author of The Mermaid comes a mind-bending novel inspired by the twisted and wondrous works of Lewis Carroll... In a warren of crumbling buildings and desperate people called the Old City, there stands a hospital with cinderblock walls which echo the screams of the poor souls inside. In the hospital, there is a woman. Her hair, once blond, hangs in tangles down her back. She doesn't remember why she's in such a terrible place. Just a tea party long ago, and long ears, and blood... Then, one night, a fire at the hospital gives the woman a chance to escape, tumbling out of the hole that imprisoned her, leaving her free to uncover the truth about what happened to her all those years ago. Only something else has escaped with her. Something dark. Something powerful. And to find the truth, she will have to track this beast to the very heart of the Old City, where the rabbit waits for his Alice.

The Evolution of a New Woman

Sister Alice

LSD, Satanic Panic, and the Imposter Behind the World's Most Notorious Diaries

A moving story of a woman with early onset Alzheimer's disease, now a major Academy Award-winning film starring Julianne Moore and Kristen Stewart. Alice Howland is proud of the life she worked so hard to build. At fifty, she's a cognitive psychology professor at Harvard and a renowned expert in linguistics, with a successful husband and three grown children. When she begins to grow forgetful and disoriented, she dismisses it for as long as she can until a tragic diagnosis changes her life - and her relationship with her family and the world around her - for ever. Unable to care for herself, Alice struggles to find meaning and purpose as her concept of self gradually slips away. But Alice is a remarkable woman, and her family learn more about her and each other in their quest to hold on to the Alice they know.

Her memory hanging by a Frayed thread, she is living in the moment, living for each day. But she is still Alice. Remarkable ... illuminating ... highly relevant today" Daily Mail "The most accurate account of what It feels like to be inside the mind of an Alzheimer's patient I've ever read. Beautifully written and very illuminating" Rosie Boyce "Utterly brilliant" Chrissy Iley

Ord, the descendant of Sister Alice, a member of a super race of humans who became part of an experiment that led to the destruction of countless worlds, is given the chance to right the wrong and embarks on a epic odyssey through time and space. 15,000 first printing.

Introduction by A. S. Byatt Illustrations by John Tenniel Includes commissioned endnotes Conceived by a shy British don on a golden afternoon to entertain ten-year-old Alice Liddell and her sisters, Alice's Adventures in Wonderland and Through the Looking-Glass have delighted generations of readers in more than eighty languages. “The cue to the enduring fascination and greatness of the Alice books,”

writes A. S. Byatt in her Introduction, “lies in language. It is play, and word-play, and its endless intriguing puzzles continue to reveal themselves long after we have ceased to be children.” Includes a Modern Library Reading Group Guide

This product is a complete reference to both classical material and advanced topics that are otherwise scattered in sometimes hard-to-find papers. A major effort in writing the book was made to highlight the intuitions behind the theoretical development.

Young Adult Fantasy

First biography of a prominent figure in women's higher education

A young girl enters two bizarre worlds by following a white rabbit down a rabbit hole and moving through the mirror on the mantel.

This is the most definitive survey yet of Alice Faye's unique career in film, recording, broadcasting, and on stage. An annotated bibliography of book, magazine, and newspaper sources covers her life and career from 1933 through 1989. This volume also features a filmography, discography, detailed coverage of Faye's broadcasting and stage career, specialized appendices, and a general index and song index, a superb work of reference. Classic Images This is the most definitive survey yet of Alice Faye's unique career in film, recording, broadcasting and on stage, a career that began in 1933 and which is still flourishing today as a spokesperson for the elderly on health issues. Even as a child, Alice Faye, born Alice Jean Leppert, was drawn to the stage. On Saturdays Alice and her mother would attend matinees at the Broadway theaters, where Alice would loiter by the stage door pretending she was leaving for her own engagement. Faye's first break came as a dancer for the Chester Hale troupe. Her dancing chores trained her well for when she auditioned successfully for impresario George White. Faye was cast in the eleventh edition of George White's Scandals, which opened on September 14, 1931. Faye was now making \$60 a week, in a company that included such young luminaries as Ethel Merman and Ray Bolger. Faye was soon taken under the wing of Rudy Vallee, the renowned radio crooner and recording star of the day. She debuted on his radio program in December of 1932, and became a regular shortly thereafter. Her career in film musicals began a year later when she was signed to do a musical number on a restyled movie edition of George White's Scandals, at Fox Studios in Hollywood. In addition to individual chapters on each facet of her life, the book features an annotated bibliography of book, magazine, and newspaper sources. All undocumented quotes in the introductory biography are from first hand remarks of people contacted by the author. The filmography of feature films is arranged in chronological order, with five other Faye appearances in clips or film shorts listed separately. The discography chapter lists her recordings alphabetically and by category. This section also lists compact disc releases and miscellaneous compilations on tape. The broadcasting chapter covers appearances on radio and television in chronological order. The stage chapter also lists Faye's appearances in chronological order. The annotated bibliography is arranged in alphabetical order by author or by article title if no author is identified. Specialized appendices and a general index and song index complete the volume. The song index lists recordings exclusively featuring Faye (or in accompaniment with others) in her film, broadcasting and stage appearances. This book will be of interest to all Alice Faye fans and to anyone interested in the history of film musicals.

The Descent of Alette

Alice by Heart

Out to Work

Radio Silence

Alternative Alices

The summer after ninth grade, Alice and her friends spend three weeks working as assistant counselors at a camp for disadvantaged children and cope with all kinds of changes.

AN INTRODUCTION TO PROGRAMMING USING ALICE 2.2, SECOND EDITION, provides students with a solid introduction to concepts of programming, logic, and related mathematics through the use of Alice, a proven tool for motivating beginning programmers. This new edition has been fully updated to take advantage of the new movie making, virtual reality, and gaming capabilities of Alice 2.2. All chapters are supported with robust exercise sets and visual diagrams. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Decent Of Alette is a rich odyssey of transformation in the tradition of The Inferno. Alice Notley presents a feminist epic: a bold journey into the deeper realms. Alette, the narrator, finds herself underground, deep beneath the city, where spirits and people ride endlessly on subways, not allowed to live in the world above. Traveling deeper and deeper, she is on a journey of continual transformation, encountering a series of figures and undergoing fragmentations and metamorphoses as she seeks to confront the Tyrant and heal the world. Using a new measure, with rhythmic units indicated by quotations marks, Notley has created a "spoken" text, a rich and mesmerizing work of imagination, mystery, and power.

With Hatter's true identity revealed and his name reclaimed, he renews his determination to retrieve Alice--the real Alice, that is--and break free of Wonderland. It quickly becomes apparent that he has no qualms about destroying anyone or anything that stands in his way. Now, the ever impetuous "probably" Alice must decide for himself if Hatter is still his ally--or the ultimate enemy.

A Graphic Novel

Alice's Adventures in Wonderland

Alice, Secret Agent of Wonderland

Eleven-year-old, motherless Alice decides she needs a gorgeous role model who does everything right, and when placed in homely Mrs. Plotkin's class she is greatly disappointed until she discovers it is what people are inside that counts.

A selection of five plays by twentieth-century author and actress Alice Childress, including "Florence," "Gold through the Trees," "Trouble in Mind," "Wedding Band: A Love/Hate Story in Black and White," and "Wine in the Wilderness."

This is where it all started! Eight-year-old Alice McKinley wants pierced ears, really long hair, a pet, and, most of all, a mother. Oh, and some friends would be nice. As the new girl in third grade, Alice doesn't know a single person in Takoma Park, Maryland, except for her next-door neighbor Donald Sheavers, who not only is a boy, but also seems to be a little bit peculiar! Desperate to meet people, Alice learns that making friends is harder than it seems when she runs into a group of girls whom she nicknames "the Terrible Triples" after they make it very clear that they do not want to get to know Alice. On top of all this, Alice also has to keep an eye on Donald's recently divorced mom, who seems to have her eye on Alice's dad! This is the first of three prequels to Phyllis Reynolds Naylor's beloved Alice series. Now younger girls can get to meet the girl everyone wants to be best friends with, and older girls will enjoy finding out how Alice came to be the Alice they know and love.

From critically acclaimed author Alice Oseman comes a smartly crafted contemporary YA novel, perfect for readers who love Rainbow Rowell's Fangirl. This is an utterly captivating and authentic teen novel from the author of Solitaire, which VOYA said "could put her among the great young adult fiction authors." Frances Janvier spends most of her time studying. Everyone knows Aled Last as that quiet boy who gets straight As. You probably think that they are going to fall in love or something. Since he is a boy and she is a girl. They don't. They make a podcast. In a world determined to shut them up, knock them down, and set them on a cookie cutter life path. Frances and Aled struggle to find their voices over the course of one life-changing year. Will they have the courage to show everyone who they really are? Or will they be met with radio silence?

Patiently Alice

The Agony of Alice

Alice in The Magic Forest

Alice is planning to follow the family tradition and become a secret agent, so when she is recruited by Mr. White of Wonderland it seems like just what she is looking for; but Wonderland is seriously weird and her team consists fo Maddie, who insists on stopping for tea every hour, and Kitty, who disappears (literally) at odd moments--and her first assignment, to sneak into Queenie Heart's garden party, may well turn out to be her last.

Lewis Carroll's Alice in Wonderland books have delighted readers across the globe for over a hundred years. Alice in Wonderland Collection - All Four Books presents the two most famous Alice books - Alice in Wonderland and Alice Through the Looking Glass - as well as the Alice-related fantasy verse The Hunting of the Snark and, for Alice aficionados, a digitized copy of Alice's Adventures Underground, the shorter, original Alice in Wonderland manuscript which Carroll wrote for his friends and family before they encouraged him to expand the book and send it to a publisher.

This lovely hardcover edition conjures up marvelous visions of Carroll's fantasy world. Luxuriously illustrated with 92 watercolors, it's a wonderful introduction to Alice's adventures as well as a splendid volume for collectors. Available for sale in the United States only.

Once again, Alice finds herself in a peculiar place. In this sequel to "Alice Adventures in Wonderland", Alice has climbed through a mirror and arrived in a world in which everything is reversed, like a reflection - including logic. It makes for another absurdly funny story full of wonder and snark that, like the first book, never talks down to its young audience. The popular Tim Burton movie, "Alice in Wonderland" (2010), starring Johnny Depp, Helena Bonham Carter, and Anne Hathaway, to name a few, is loosely based on both this and the previous novel. In some ways, "Through the Looking-Glass and What Alice Found There" (1871) has had an even bigger impact on today's popular culture than the first book. Lewis Carroll, pseudonym of Charles Lutwidge Dodgson, (1832-1898), was a British mathematician, photographer, and children's book author. The idea for his most famous work, 'Alice's Adventures in Wonderland', came to Carroll when he was on a boat with friends, having to entertain three young girls, one of whose name was Alice. Despite his success as a children's book author, Carroll considered himself, first and foremost, a man of science and mathematics.

Through the Looking-Glass and What Alice Found There

Death, for bacteria, is not inevitable. Protect a bacterium from predators, and provide it with adequate food and space to grow, and it would continue living--and reproducing asexually--forever. But a paramecium (a slightly more advanced single-cell organism), under the same ideal conditions, would stop dividing after about 200 generations--and die. Death, for paramécia and their offspring, is inevitable. Unless they have sex ... In Sex and the Origins of Death, William Clark ranges far and wide over fascinating terrain. Whether describing a 62-year-old man having a ma

ake her clothes put themselves away, but she's working on it--sort of. Here's an endearing, funny story about a girl and her magical imagination, sure to delight every fairy in training!

Seventh grader Alice decides that the only way to stave off personal and social disasters is to be part of the crowd, especially the "in" crowd, no matter how boring and, potentially, difficult.

"Off with her head!" yells the Queen of Hearts, one of the many peculiar creatures Alice encounters after falling down a rabbit hole into an absurd fantasy world of Mad Tea Parties, nonsensical trials, and talking animals. Published In 1865, Alice's Adventures in Wonderland became an instant success, and author Lewis Carroll broke ground with his unique take on children ' s stories: Instead of the overly simplistic and sometimes dry tales that characterized the genre in the Victorian age, Carroll introduced a book that didn ' t look down on its audience, and one that -- to this day -- is enjoyed by children and adults alike. Alice's Adventures in Wonderland has been translated into 176 languages, and adapted to the screen close to 20 times, most notably by Tim Burton in the 2010 feature film that saw Mia Wasikowska as Alice and Helena Bonham Carter as the unforgettable Queen of Hearts. Lewis Carroll, pseudonym of Charles Lutwidge Dodgson, (1832-1898), was a British mathematician, photographer, and children ' s book author. The idea for his most famous work, 'Alice's Adventures in Wonderland', came to Carroll when he was on a boat with friends, having to entertain three young girls, one of whose name was Alice. Despite his success as a children ' s book author, Carroll considered himself, first and foremost, a man of science and mathematics.

The Truth About Alice

Alice in Blunderland

Alice in Wonderland Collection

Frantz Fanon

BONUS: This edition contains an excerpt from Calvin Trillin's Quite Enough of Calvin Trillin. In Calvin Trillin ' s antic tales of family life, she was portrayed as the wife who had " a weird predilection for limiting our family to three meals a day " and the mother who thought that if you didn ' t go to every performance of your child ' s school play, " the county would come and take the child. " Now, five years after her death, her husband offers this loving portrait of Alice Trillin off the page--his loving portrait of Alice Trillin off the page--an educator who was equally at home teaching at a university or a drug treatment center, a gifted writer, a stunningly beautiful and thoroughly engaged woman who, in the words of a friend, " managed to navigate the tricky waters between living a life you could be proud of and still delighting in the many things there are to take pleasure in. " Though it deals with devastating loss, About Alice is also a love story, chronicling a romance that began at a Manhattan party when Calvin Trillin desperately tried to impress a young woman who " seemed to glow. " " You have never again been as funny as you were that night, " Alice would say, twenty or thirty years later. " You mean I peaked in December of 1963? " " I ' m afraid so. " But he never quit trying to impress her. In his writing, she was sometimes his subject and always his muse. The dedication of the first book he published after her death read, " I wrote this for Alice. Actually, I wrote everything for Alice. " In that spirit, Calvin Trillin has, with About Alice, created a gift to the wife he adored and to his readers.

Given the continuing relevance of Fanon's insights into the enduring legacy of colonialism on the psyches of the colonised, this compelling and personal account of his life will be required reading for anyone interested in the consequences of empire. Biography of a soprano, Alice Nielsen, star of Broadway musicals and operas, and director of an opera company, who was raised in Kansas City. Alice Mongoose and Alistair Rat have a lovely lunch shop. Alice runs it during the daytime, and Alistair, who is nocturnal, manages the night shift. Everything is working well--until a helpful customer suggests that they put up a sign.Alice and Alistair agree that their lunch shop should have a sign. And they assume they agree on what the sign should say.When the delivery arrives, Alice and Alistair both have a bad surprise. They must work together and come up with an agreeable solution, and they learn that it is never wise to assume.

Visions and Revisions of Lewis Carroll's Alice Books

Two teens, two diaries, two surreal scandals. All from the same dark place: a serial con artist who betrayed a grieving family, stole a dead boy's identity, and swindled her way to the National Book Awards. First published in 1971, Go Ask Alice shocked readers and reinvented the young adult genre. Fifty years and 5 million copies later, Go Ask Alice is more than famous—it's iconic. Even people who haven't read it know the basics: Some teenager's diary . . . she's hooked on drugs . . . it might be fake . . . doesn't she die at the end? But Alice was only the beginning. In 1979, another "real" diary rattled the nation. The posthumous account of a boy lured into devil-worship, Jay's Journal spurred the Satanic Panic—a literal witch hunt that lasted for decades, shattering lives and poisoning whole communities. Unmask Alice: LSD, Satanic Panic, and the Imposter Behind the Worlds Most Notorious Diaries is the true story of a young-adult blockbuster . . . of a terror that stalked 1980s America . . . and of the ruthless charlatan behind both. Author and veteran radio/television broadcaster Rick Emerson spent five years unearthing and assembling this amazing and, nearly unbelievable story: interviewing central and peripheral players, visiting key locations, and sifting through tens of thousands of documents. The story stretches from Hollywood to Quantico, and passes through a tiny patch of Utah desert called "the fraud capital of America." It's the story of a doomed romance and an untinged celebrity. Of a lacy peep and a public mob. Of two suicidal teenagers, and their exploitation by a literary vampire. Unmask Alice is the gripping true story of a pop-culture smash—and its ugly, ongoing fallout.
