

Alien Secrets

UFOs. Spooky spectres. Psychic detectives. Are these and other events, occurrences, and people like them real or imagined? In *Secrets of the Unexplained*, author Gary Blackwood invites us to make up our own minds. This exciting and thorough series brings the world of the paranormal to the fingertips of young readers.

This is a step by step guide of Martian alien life using NASA images from ' Curiosity Mars Rover ' in the 2013 " Rocknest Panorama " made of 1.3 billion pixels . It documents dinosaurs, animals, buildings, water ponds, water catchment canals, UFO base with strategic landing pads near cave entrances and vehicles parked at end of runways, military tanks, land vehicles, water tanks and machines. The 2014 Rosetta Probe NASA images of Comet 67P show an alien space platform with buildings, jets fired from round entrances, structures and a huge spider shaped machine or creature. This provides the Martians with space travel to other planets and maybe galaxies. These new discoveries are used to reanalyze both NASA Space Shuttle disasters with UFOs documented before and after the explosions and 3 rays captured on NASA film emerging on the opposite side of Shuttle Challenger eight seconds before the explosion in 1986 at the same time a UFO appears on the other side . Images of the diamond shape UFO next to the falling Shuttle Columbia debris in 2003 captured by FOX news is compared. Images of the "Obama Alien" at the 2013 Israeli Conference are investigated in this new alien context and possible relationship to the upcoming Mars colonisation . Images of the UFO high above my house during the discovery of the UFO base on Mars are also shown and compared to UFOs sitting on the Martian runways. The H.G wells novel of 1897 " The War of the Worlds " is now chillingly close to possible reality.

Did ancient "visitors"--of extraterrestrial origin--come to Earth long ago and lift the human race out of the ashes of a great global catastrophe around 10,500 BC? Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era of change and upheaval we are experiencing? Was this crucial information about our future and our true past usurped by secretive, small cabals, some with bad intent and some with altruistic designs, who have held these secrets over the millennia to the present day? In *Ancient*

Aliens and Secret Societies, New York Times bestselling author Mike Bara says the answer to each of these questions is "yes." He examines the ancient, major catastrophe that jolted the human race and exposes how the spiritual wisdom and scientific knowledge the ETs sought to bestow on humanity were hijacked by a self-appointed sect of secret societies for their own benefit. The influence of these secret societies and their extraterrestrial ties are said to be the stuff of myth, but Bara will show readers that this influence is all too real and the origins far stranger than they might have imagined. In the end, Bara speculates on the possibility that these ETs--whom the ancients knew as gods--may be returning within our lifetime. Chapters include: Out of the Ashes; From the Sky Down; Ancient Aliens?; The Dawn of the Secret Societies; The Fractures of Time; Into the 20th Century; Back to the Future; NASA and the Apollo missions; Return to Tomorrow; more. This "compellingly hard-hitting" bestseller from a Pulitzer Prize finalist gives readers the complete untold story of the top-secret military base for the first time (New York Times). It is the most famous military installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government — but Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In Area 51, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, Area 51 weaves the

mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic than fiction, especially when the distinction is almost impossible to make.

Alien Secrets You Never Knew

Inside The Black Vault

In the first novel in New York Times bestselling author Ian Douglas' Solar Warden series, government conspiracy theories, UFO history, and thrilling space combat come together in an unforgettable interstellar military science fiction adventure. THE TRUTH HAS ALWAYS BEEN HERE In the final days of World War II, the Allies ransacked Berlin. Third Reich scientists were highly sought- out prizes for Americans and Russians desperate to possess the Nazi knowledge of nuclear firepower. But they failed to capture one of the most vital members of Adolf Hitler's inner circle: SS Obergruppenfuhrer Hans Kammler. One of the engineers of Auschwitz, Kammler was also a liaison with the Nazis' silent partners whose technological wonders nearly helped the Axis win the war—the alien species the Germans called the Eidechse. More than seven decades later, U. S. Navy SEAL Lieutenant Commander Mark Hunter has witnessed the impossible. On a mission in North Korea, an unidentified flying object destroyed a compound developing weapons of mass destruction. Now, he has been recruited to join a government agency that has been harboring a secret alliance with extraterrestrials since 1947. Selected to lead an elite force of soldiers, Hunter will travel across the stars to help humanity stake its claim among greater intelligent life in the universe. But the aliens who have infiltrated Earth and guided war mongering nations since the twentieth century have their own agendas...

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete,

accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

HAIL, HAIL, THE GANG'S ALL HERE! -- THIS IS NOT JUST ANOTHER BOOK ABOUT UFO SIGHTINGS OR THE CRASH AT ROSWELL! -- IT'S AN EXTRAORDINARY REMEMBRANCE OF THE COURT JESTER -- THE GRAND TROUBADOUR -- THE NUMERO UNO TRICKSTER -- OF ALL OF UFOLOGY. -- You either loved him or hated him - but it was hard to be neutral when speaking about James W. Moseley. Within these pages, Jim Moseley's closest friends and associates gather one last time for a sendoff like no other . . . Journey into the void of the strange and unknown and tag along closely in the footsteps of a man who followed the UFO mystery and the paranormal for well over half a century. His wit, humor and frequent barbs and sarcasms were well known - and sometimes feared! -- by believers and skeptics alike as he took no prisoners in his quest to get to the bottom of a mystery that has baffled so many for so long. As editor of "Saucer News" - the premier magazine in the UFO field for many years - to his later satirical newsletter "Saucer Smear," Jim met and mingled with the best and the worst of the "in crowd." He admits to a bit of "fun-loving" hoaxing of his own, plus a second career of grave robbing in South America, which partially financed his globe trotting paranormal hijinks - not any endowment from the CIA as some of his most hostile, cynical critics would long contend. In addition to the musings and gossip of those that he remained closest to in life, Jim (with the help of endeared drinking buddy and ghost writer Gray Barker) fans out across the country to personally investigate some of the most perplexing UFO cases of all time - with periodic stopovers at Wright-Patterson Air Force Base, home of the controversial Project Blue Book (long since closed down). Cases personally pondered over by Moseley in this book include: ** "I Met Two Men From 'Venus' -- And They Had No Fingerprints!" ** What Happened To The "Authentic" UFO Film That Vanished Without A Trace? ** Kidnapped By Aliens? - A Most Strange And Unusual Case. ** The Angels Of Oahspe. ** Adamski, Williamson And The Case For The UFO Contactees. ** Behind The Barbed Wire Fence At Wright-Patterson Air Force Base. ** The OSI And The Lubbock Lights. ** ETs And Alien Wreckage - The Strange Story Of An Air Force Whistleblower. ** The Earth Theory And UFOs From The Antarctica. JIM MOSELEY MAY NO LONGER BE WITH US -- BUT HE STILL TEASES US FOREVER MORE!

Conspiracy theories run rampant in the world of the UFO and search for alien life. Some are government sanctioned, some are government sponsored, and more than a few can be laid at the feet of UFO witnesses and UFO investigators. Alien Mysteries, Conspiracies and Cover-Ups untangles the truth from the theories! Thoroughly investigated by a former Army officer and taken from his review of hundreds of historical and government documents and inperson interviews, this book chronicles more than 100 sightings, events, and discoveries of alien encounters, government conspiracy, and the influence of extraterrestrials on human events throughout history. From prehistoric UFO sightings, cave paintings, and ancient astronauts to modern sightings around the world, Alien Mysteries investigates claims of aliens living among us, abductions

of humans to alien spacecraft, and accounts of interstellar cooperation since the UFO crash in Roswell, along with evidence of what the government knows and what it has covered up. This discussion of the government secrets, theories, and mysteries surrounding aliens is packed with thoughtprovoking stories and shocking revelations of alien involvement in the lives of Earthlings. A complete dossier on alien activities and government cover-ups, this revealing book includes a look at prehistoric UFO sighting, Indian cave paintings, the Peruvian dinosaurs (the Ica stones), the Majestic-Twelve, the Allende letters, the faked photographs that have been published as the real thing, the Condon Committee, the Roswell bodies, the alien autopsy, project moon dust, the Phoenix lights, ancient astronauts, the recent UFO crash in Needles, California, and much more!

"Carey and Schmitt show that good, old-fashioned investigative reporting is still alive and well." —Cheryll Jones, former anchor, CNN News The true nature of what actually crashed in Roswell, New Mexico, in 1947 remains classified. Only a select few have ever had access to the truth about what became known as Area 51. But what happened to the remnants of that crash is shrouded in even greater mystery. What began in the high desert of New Mexico ended at Wright-Patterson, an ultra-top-secret Air Force base in Dayton, Ohio. The physical evidence of extraterrestrial visitation was buried deep within this nuclear stronghold. How tragic that such seismic news should be kept from the people of the world . . . pieces of history, now quickly dwindling into oblivion as the last of the secret-keepers passes on. In addition to its rich history of military service to our nation, Wright-Patterson also stands as the secret tomb of one of the greatest occurrences in recorded history. Be prepared . . . the real Area 51—Wright-Patterson's vault—is about to be opened. UFO Secrets Inside Wright-Patterson is a thoroughly researched work that includes: New eyewitness accounts from the late Leonard Stringfield's files about the crash retrieval evidence stored at Wright-Patterson New testimonies from the late Emmy-award-winning TV reporter Carl Day concerning physical evidence of crashed UFOs stored in underground facilities at Wright-Patterson Newly discovered Project Blue Book files from Wright-Patterson including photos and Air Force investigations of UFOs.

For decades, people have reported close encounters with

extraterrestrial entities. Witnesses describe being kidnapped by large-headed, black-eyed creatures from other worlds. Those same creatures have become popularly known as "the Grays." There is, however, another aspect to the alien abduction controversy. Abductees very often report being followed and spied upon by military and government personnel. It is typical for abductees to see black helicopters hovering directly over their homes in an intimidating manner. Phone calls are monitored. Emails are hacked into. Strange men dressed in black suits are seen photographing the homes of the abductees. All of this brings us to the matter of what have become known in the domain of alien abduction research as "Military Abductions," or "MILABS." According to numerous abductees, after being kidnapped by aliens they are kidnapped again . . . by the government. These follow-up events are the work of a powerful group hidden deep within the military and the intelligence community. It is the secret agenda of this highly classified organization to figure out what the so-called Grays are really up to. And, the best way for the government to get the answers is to interrogate those who have come face-to-face with the UFO phenomenon: the abductees. Why is the government secretly compiling files on alien abductees? Is the alien abduction issue so sinister that it has become a matter of national security proportions?

Warning! This is not science fiction, this is so much worse! Of all the strangeness going on here on Planet Earth, Dulce Base has always struck me as one of the most interesting. Maybe because it has such a morbid darkness to it and the strangeness of the residents of the town of Dulce, as well as what I perceive to be a very powerful response to any mention or speculation about Dulce. So for your own good, I would strongly advise against going to this area and snooping around or asking questions. You don't need to, I've done it for you in this book! You will soon discover that "Secrets of the Dulce Base Alien Underground" is not only the most complete book on Dulce Base, but is stuffed full of the latest secrets! Secrets that may shock you, facts you never knew existed, amazing feats of construction, research and secrecy you never realized that the U.S. Government was capable of. And the aliens: This book will bring home to you what is really happening with aliens on the surface of our planet and especially under the surface! You have probably never realized how extensive this situation really is so you will be amazed that so much information exists today. From photos and drawings that have been smuggled out of Dulce Base, to eyewitness reports and even testimony from Remote Viewers! Are these aliens friendly? Are you at risk? Do you know how to protect yourself in the future? The revelations in this book are so revealing of the problems that exist today because of the Dulce Base and the massiveness of the government cover-up, that I wouldn't be surprised to see sales and distribution of this book somehow blocked in the near future! The extensive research done by myself and others points to the possibility that some of those brave souls who risked everything to reveal what was really happening at Dulce Base and many similar sites may have lost their freedom and even their lives! So please don't take this book lightly!

New York Times bestselling author Ian Douglas delivers the action-packed second military sci-fi adventure in his Solar Warden series set in a wildly imaginative alternate present where conspiracy theories are terrifying realities and reptilian aliens team up with Nazis in space. By exposing the sinister Saurians, Navy SEAL Lieutenant Commander Mark Hunter and his team have more than proven themselves. Yet the war between humanity and the intergalactic aliens has only begun—now they must save themselves and all of civilization. The JSST—the Joint Space Strike Team Hunter has put together from all branches of the U.S. military—is again deployed on board the Earth starcraft carrier Hillenkoetter on a mission to probe a possible historical connection between the Saurians and the Nazi Third Reich. At a planet called Paradies orbiting the red giant star Aldebaran, they discover a long-rumored colony of expatriate Nazis... and the beginnings of a plan to enslave Earth under Nazi—and Saurian—rule. With Earth at stake, governments deeply compromised, and evil at the door, Solar Warden must fight together to end it all...even if it means sacrificing everything. Describes cases of alleged alien abduction, and allows readers to determine each case's validity.

Does the U.S. government know more about UFO and alien life than it admits? Are eyewitnesses telling the truth? What does the historical record say? Former intelligence officer and retired U.S. Army lieutenant colonel Kevin Randle takes an objective look at evidence for alien life and UFOs and presents his findings in *The UFO Dossier: 100 Years of Government Secrets, Conspiracies and Cover Ups*. Following leads and digging into the files of the CIA, the FBI, the FAA, NASA, the Army, Navy, Air Force, and other U.S. government and international agencies, Randle lets the facts guide him. The most academically credible case for alien visitation. Is the existence of civilisation on earth the result of contact from inhabitants of a planet in the system of the star Sirius prior to 3000BC? There are tribal cultures in present-day Africa whose most sacred and secret traditions are based on this theory. Central to their cosmology is a body of knowledge concerning the system of the star Sirius that is astounding in its accuracy of detail, including specific information only recently accessible to modern science. Robert Temple traces the traditions of the Dogon and three related tribes back 5,000 years to the ancient Mediterranean cultures of Sumer and Egypt. He shows a knowledge dependent on physics and astrophysics, which they claimed was imported to them by visitors from Sirius.

The evidence in this book may not ultimately give you the "smoking gun" you are looking for on your journey, but I guarantee it will give you a box of bullets when you find it. In 1996, John Greenewald, Jr. began researching the secret inner workings of the U.S. Government at the

age of fifteen. He targeted such agencies as the CIA, FBI, Pentagon, Air Force, Army, Navy, NSA, DIA, and countless others. Greenwald utilized the Freedom of Information Act (FOIA) to gain access to more than two million pages of documents. This archive includes information relating to UFOs, the JFK Assassination, chemical, biological, and nuclear weapons, and top secret aircraft. He took the millions of pages, and over the course of more than two decades, has built an archive known around the world, as The Black Vault. Inside The Black Vault: The Government ' s UFO Secrets Revealed takes you on a journey within the secret world of unidentified aerial phenomenon that has plagued the military since at least the 1940s. Declassified records prove that the UFO topic is one of the most highly classified and most elusive subjects the U.S. Government has ever dealt with. Each chapter explores various agencies and their documents, and Greenwald breaks down the meaning of why some of the most important documents are relevant to proving a massive cover-up. Along with declassified documents, Greenwald outlines the struggle it took him to get them. No other topic has proven so difficult, in more than 8,000 FOIA requests that he has filed. He explores why that might be and meets skeptics and debunkers head on, outlining why some of their more prominent rebuttals for it all cannot be true.

From the dawn of civilization to the 21st century, from ancient aliens to the New World Order, *Secret History: Conspiracies from Ancient Aliens to the New World Order* examines, explores, and uncovers the hidden, overlooked, and buried history of mankind. The book moves from biblical, Egyptian, Mayan, Greek, and early mysteries of antiquity to the clandestine doings of the Nazis and the Masons and assassination plots of the more recent past to the surveillance, monitoring, mind-control, and secret schemes of today. Researcher Nick Redfern investigates the stories, mythologies, lore behind incredible events and clandestine groups of yesterday and today. More than 60 entries dig deep into the manipulation of events by influential groups, including ...

- Historical riddles—alien visitations, space gods, and human-alien crossbreeding.
- Government cover ups—mind control, murders, scientists, and secret agents.
- Powerful groups and intended consequences—9-11, new world order, bird-flu, and chemtrails.

Tracing the chilling and lasting effects of conspiracies, cabals, and plots, *Secret History: Conspiracies from Ancient Aliens to the New World Order* exposes their deep reach in shaping today's world.

US Air Force combat pilot Colonel Steve Richardson suffers a severe head injury when his F-35 crashes in the mountains of northern Afghanistan. With help too far away, death appears imminent. When an unusual craft appears and rescues him, Richardson is convinced he's hallucinating. It conveys him to a massive spaceship in orbit, where he is treated for his wounds. Once he recovers from his injuries, Richardson is introduced to a covert space force called "Solar Warden." This secret space program utilizes futuristic technology to defend earth against a paranormal alien threat intent on destroying earth's inhabitants. When Richardson joins the program, he learns that his new comrades are losing the conflict. Can he learn to operate technology half a century ahead of what he has been trained for in time to be an asset? Or will he become just another casualty in an interstellar war?

OUR CREATORS REVEALED IN OUR DNA AND THREE MORE MAJOR TOPICS How we

came about is now very clear from two distinct lines of scientific evidence. The answer to where we come from remained hidden in our DNA until discovered in 2013. In the compelling book *Alien Secrets, The Path to Ascension* by Scott Campbell, SECTION DNA explains the historical event of discovery and accompanying evidence. DNA, it turns out, is a masterpiece of intelligent biomathematical coding by an extremely advanced alien civilization, making all life on Earth of alien origin. Further intervention may have boosted our intelligence. The Exogenesis Theory, also known as the Directed Panspermia Theory, or simply the Seed Theory, became first popularized by Nobel Prize winner and co-discoverer of DNA Francis Crick. The theory further begs biological and evolutionary proof of alien "super-microbes" on Earth. It has it in our family of Giant Viruses and our microbe history of evolution. At the same time as "Mitochondrial Eve," about 200,000 years ago, the single mother of all of us, the first Homo sapiens, boasted a robust increase in the size of skull and brain and a new, elongated shape. It proved itself to be about 150 cubic centimeters bigger than modern humans. Improved mitochondria for increased brain energy became part of the package. Perhaps aliens, the ultimate scientists, intervened. Three other sections include a complete analysis of the Roswell incident; alien types, technological methods, likely agendas, and the influence of ancient aliens on major religions. Since day one, aliens have dominated life on Earth. Takeaway: Studying alien technology, consciousness, and skillsets will lead modern humans to a similar mastery and will not only help guarantee our survival as a species but guide us into multiple and diverse levels of ascension. Sit back, get comfortable, and enjoy reading this revealing scientific inquiry into the Earth's most complex and important phenomenon.

The alien influences behind the rise and fall of Egypt's Golden Age • Explains how Akhenaten was the last pharaoh entrusted with the sacred and ancient alien knowledge of stargates, free energy, and antigravity technologies • Reveals how the Brotherhood of the Snake, a secret society of reptilian aliens, sought to destroy Akhenaten and suppress the sacred knowledge of the pharaohs • Explores the original purpose of the pyramids--to transmit energy to expand consciousness--and how they were decommissioned after the Great Flood The sophisticated civilization of ancient Egypt arose seemingly overnight, complete with advanced levels of art, agriculture, astronomy, and physics. Then, with the death of Pharaoh Akhenaten, much of this higher knowledge was lost--or suppressed. But evidence of this former Golden Age, the alien visitors behind its rise, and those behind its decline still exists--some of it in plain sight.

Examining the purposefully obscured reign of Akhenaten and Nefertiti, Xavian Haze explains how they represent the last dynasty with access to the sacred knowledge of stargates, free energy, and antigravity technologies, knowledge handed down from an advanced interstellar

race in the remote past. He reveals how the reptilian race known as the Shemsu Hor infiltrated the Egyptian priesthood and banking systems and formed the Brotherhood of the Snake--a secret society set on destroying Akhenaten's flourishing kingdom and suppressing the sacred knowledge of the pharaohs. Haze examines the evidence of aliens in ancient Egypt, such as the reptilian beings depicted in the Temple of Hathor and Thutmose III's alien encounter. He shows how Akhenaten and his family are always portrayed with elongated skulls and explores the connection between ancient aliens and Mars, including the Martian materials used in Egyptian monuments. He explains the original purpose of the pyramids--to transmit uplifting energy throughout the planet to help expand consciousness--and explores how they were decommissioned after the Great Flood of prehistory. He reveals how the original builders of the pyramids foresaw humanity's fall from the Golden Age and strategically encoded these magnificent structures to wake humanity from the depths of the Dark Ages.

The short white called Wang and one of the students named Allen has been kidnapped. The team must learn where he has been taken and by who. They must discover clues to his location, plan a rescue mission and free them from their captors on a strange world many light years away.

Early traditions speak of the arrival of "radiant beings from heaven," self-sacrificing guardians of the human race who have reincarnated as pivotal figures in the panorama of human history to assist in the work of evolution. Secret Places of the Lion shows how these "great ones" have helped mankind for thousands of years, hiding their secrets in tombs, caverns, temple ruins, and catacombs. Posing as wanderers, they would declare universal wisdom and truth at certain periods of history when people were prepared to receive it; then they would withdraw for a time to see what was done with the new-found knowledge. Thus, the rises and plateaus of our cultural history emerged. Classic in the UFO field. Many years after his death, the author still has a devoted following.

"A chronological collection of CIA documents, spanning the years 1949 to 2000, that are relevant to UFO research"--

A new edition of the blockbuster book that revealed the top-secret findings of the government about UFOs. Throughout the 1950s and 1960s, while publicly dismissing the existence of UFOs, the United States Air Force was engaged in a secret program for evaluating every report of unidentified flying objects. Under the code name, Project Blue Book, the Air Force analyzed over 13,000 incidents. The goal of this enterprise was threefold: To determine the cause for each UFO sighting, to assess the security threat for each incident, and to determine how the United States could obtain contact

the technology used by UFOs. This book, based on secret files obtained through Freedom of Information Act, includes accounts of seven of the most important UFO enquiries-- among them the story of the nights the White House was buzzed by the mystery of the Lubbock Lights, the full story of Captain Mantell--Ufology's first martyr, and the startling conversion of the prominent astronomer, J. Alan Hynek from UFO skeptic to believer. This is a startling and fascinating book that uncovers not only the anatomy of a government cover-up, but also provides stark and chilling evidence that we are not alone. It is all here, government documents, the testimony of soldiers, the military, pilots and citizens all over the country who have witnessed UFOs. The true nature of what actually crashed in Roswell, New Mexico, in 1947 remains classified. Only a select few have ever had access to the truth about what became known as Area 51. But what happened to the remnants of that crash is shrouded in an even greater mystery. What began in the high desert of New Mexico ended at Wright-Patterson, an ultra-top-secret Air Force base in Dayton, Ohio. The physical evidence of extraterrestrial visitation was buried deep within this nuclear stronghold. How could it be that such seismic news should be kept from the people of the world . . . pieces of history, now quickly dwindling into oblivion as the last of the secret-keepers pass. In addition to its rich history of military service to our nation, Wright-Patterson stands as the secret tomb of one of the greatest occurrences in recorded history. Now prepared . . . the real Area 51--Wright-Patterson's vault--is about to be opened.

When they meet again deep in the bowels of a secret military building, the damage has already been done—betrayal and half-truths have caused a rift between them. As they fight to forge an escape plan, an alarming secret unfolds... a secret that will forever change the lives of one of the original Six Savors. In order to save themselves, Roman and Olivia will have to trust each other, and in the process, they find out that their lives are far more intertwined than either could have ever imagined. **This book was formerly titled Roman and was part of the Six Savors series, which is now the Forgotten Alien Warriors**

Quite a few books have been written about anti-gravity and UFOs. I surveyed the existing literature and determined that a solid collection of real research on anti-gravity and possible Alien anti-gravity technology really does not exist in one place. The US Government has also been doing research on this topic for over seventy years. When I decided to write this book I

collected many disparate sources of anti-gravity research and the contributions of possible alien anti-gravity information. The stories of anti-gravity usage in flying craft goes back thousands of years to the stories of Vimanas from ancient Indian texts. Nicola Tesla the famous inventor of AC current and other things was involved with anti-gravity as discussed later in this book. There are also a number of aeronautical and space ships which have been built possibly using anti-gravity technologies. These craft are listed and described here too. Finding technological methods of defying gravity will have incredible implications for space travel and fascinating improvements in our already high tech civilization.

Why has NASA not announced to the world the greatest scientific discovery ever made in the history of space exploration? Do you want to know what has really been discovered by the orbiters and rovers on the planet Mars? While scientists spend billions of dollars confirming that microbes live in the Martian soil, people sitting at home on their computers studying the Mars images are making far more astounding discoveries... they have found the possible archaeological remains of an extraterrestrial civilization. Hard to believe? Well, this challenging book invites you to take a look at the astounding pictures yourself and make up your own mind. Secret Mars presents over 160 incredible images taken by American and European spacecraft that reveal possible evidence of a civilization that once lived and may still live, on the planet Mars... powerful evidence that scientists are ignoring! This is the complete revised edition from the original 2013 publication in Britain. A visual and fascinating book!
