

## Alien The Illustrated Story

"Collects issues #1-#5 of the Dark Horse Comics series William Gibson's Alien 3"

A FULLY ILLUSTRATED, HUMOROUS GIFT BOOK FOR FANS OF THE ALIEN FRANCHISE Aboard the USSCS Nostromo, Jonesy lends a simple life enjoying The Company cat food and chasing space rodents. Until one day, his cryostasis catnap is rudely interrupted. The humans have a new pet and it's definitely not house-trained. In space, no one can hear you meow. This full-color, illustrated book offers a cat's eye view of all the action from the movie Alien. With new and original artwork by artist Rory Lucey, this is the perfect gift for all Alien fans (and cat lovers).

Based on the sci-fi horror blockbuster Alien franchise, this one-of-a-kind kit features a Xenomorph bust figure with pop-out inner mandible head and hissing sound at the push of a button, a must-have collectible for fans of the cult series. Also included is a 48-page book featuring quotes and full-color photos from the original 1979 Alien film

Eisner and Hugo Award Winner! Written by Nnedi Okorafor, Hugo and Nebula award-winning author and the writer of Marvel's Shuri, this deluxe trade paperback collects issues #1-#4 of the mini-series and includes artist sketches and afterword from the author. In an alternate world where aliens have integrated with society, pregnant Nigerian-American doctor Future Nwafor Chukwuebuka has just smuggled an illegal alien plant named Letme Live through LaGuardia International and Interstellar Airport...and that's not the only thing she's hiding. She and Letme become part of a community of human and alien immigrants; but as their crusade for equality continues and the birth of her child nears, Future—and her entire world—begins to change. "LaGuardia" is essential reading for our times." – Comicbook.com "Classic speculative fiction at its best, coupled with an endearing protagonist, and a vibrant, living sci-fi world rendered by a fantastic art team." – Multiversity.com

**In the first book of the brand-new early chapter book series, the Alien Next Door, an alien boy named Zeke tries to fit in and adjust to life on Earth, while a classmate, Harris, suspects that Zeke might not be quite what he claims to be. Zeke is on his way to his first day of school, feeling down because he has to start over again on a new planet, as his scientist parents constantly move to wherever their research takes them. When he gets to school, no one seems to notice anything strange or different about him except Harris, a kid obsessed with science fiction and aliens. Harris sees Zeke doing extraordinary things but can't convince anyone, least of all his best friend, Roxy, that Zeke might be an alien. Roxy just thinks Harris is jealous that she's becoming friends with Zeke. But when Roxy invites Zeke over to Harris's house, will Harris find a way to prove that he's right?**

*Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space.*

*The series that inspired the SYFY original television series, starring Alan Tudyk! A small town's salvation is in the hands of an alien! Living undercover as a semi-retired, small-town doctor, a stranded alien's only hope is to stay off humanity's radar until he can be rescued. When he's pulled into a surprising murder mystery by the town's desperate mayor and struggling police chief - Dr. Harry Vanderspeigle - learns more about the human condition than he ever wanted to. Acclaimed creators Peter Hogan (2000 AD, Tom Strong) and Steve Parkhouse (Milkman Murders, Doctor Who) deliver a truly unique sci-fi adventure tale with heart and humor! This omnibus collects Resident Alien Volumes 1 to 3!*

*In 1979, a movie was released that was to capture the imagination of the world, and become a science fiction classic... Alien. This exciting book takes you right behind the scenes of Alien and talks to the key people involved, including H. R Giger and director Ridley Scott. It shows every creative stage, through designs and sketches, models and costumes, that went into such a unique vision of the future, and graphically demonstrates why the movie won an Oscar for its visual effects.*

*Describes the chaos and violence that ensues following the discovery of a potent and potentially nefarious drug distilled from Alien blood*

*The Alien Next Door 1: The New Kid*

*Aliens 30th Anniversary: The Original Comics Series*

*Xmas Special*

The prime directive has been changed and four billion robots with atomic blasters are poised to take over the universe. Only Robbie Packford, Earth boy and grade six math nerd, can stop them. But when Robbie drinks the secret formula that is supposed to make him invincible, he turns into a mythical creature from the planet Kerbosky with a disturbing craving for raw meat. Will Robbie reach the nerve center in time to save planet Earth from destruction? And what do four billion not nice robots have to do with the chances of the Vancouver Canucks winning the Stanley Cup anyway? These are the comics stories that kept fear alive. Since 1988, whether there was an Alien film on the horizon or not, Dark Horse Comics delivered scares that audiences demanded. From the depths of space, to bizarre alien worlds, and even to surface of our own dear Earth, in the pages of comic

books there were dozens of sequels and spinoffs to the films, as well as original stories that carried the monsters and the myths to new heights. These are the Aliens Essential Comics--stories which have stood the test of time . . . and kept readers awake at night. In this first volume is the initial Aliens trilogy--Outbreak, Nightmare Asylum, and Earth War, in which Hicks and Newt--and eventually Ripley--join forces to battle an infestation of Aliens both on Earth and in the wider galaxy (all of these stories were written before the film Alien3 chronicled the deaths of the heroes of Aliens). Written by Mark Verheiden (who went on to write The Mask, Timecop, Battletstar Galactica, Daredevil, and many other films and television shows), and beautifully illustrated by Mark A. Nelson, Den Beauvais, and Sam Kieth, these stories are the perfect starting point for readers new to the Aliens myths, and a volume to be treasured by longtime fans.

After a horrific accident strikes a space station, an engineering officer must use all available tools--a timer, utility kit, and his wits--to survive an attack from the deadliest creature known to man. Collects issues #1-#4 of the thrilling and claustrophobic Aliens story: Dead Orbit, penned by Orc Stain creator James Stokoe!

In 1976, Twentieth Century Fox bought a screenplay by Dan O'Bannon entitled Star Beast. Three years later with Ridley Scott at the helm, Alien was unleashed on unsuspecting filmgoers. En route to back to Earth, the crew of the starship Snark intercepts an alien transmission. Their investigation leads them to a desolate planetoid, a crashed alien spacecraft, and a pyramidic structure of unknown origin. Then the terror begins . . . Writer Cristiano Seixas and artist Guilherme Balbi have attempted to stay true to the characters, settings, and creatures described in O'Bannon's original screenplay--without replicating the famous designs of Ron Cobb, Moebius, and H.R. Giger. A new experience, but still terrifying! Collects Alien: The Original Screenplay issues #1-#5.

Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! Most humans know that scientists are combing outer space for evidence of intelligent life in the universe. And most aliens know that the Galactic Union has been diligently jamming those efforts until Earth is ready to join. A small group of aliens has other ideas, though. They plan on sending humans fake messages as part of a plan for world domination. Only one "human" can stop them - Zack Gaither, Alien Agent. Zack will have to use all he's learned in his previous adventures to save Earth from the Gnairt. Fortunately, he's got some help this time. And she's kinda cute...

In the dark reaches of the universe lies a remote planet that holds both forbidden pleasures and unspeakable horrors. For three naive smugglers, it's also a place to unload a deadly cargo: an Alien egg. But something about this particular egg is scaring off the black marketers. And when it hatches, the nightmare will have just begun.

In this fun tale, a little boy must learn to step away from electronics and play with traditional toys if he wants his new alien friends to stick around. Mario hears loud hissing and beeping noises in the backyard. Then, he sees the flashing lights of a real spaceship! Now Mario has three new alien friends who want to play. It 's up to him to show these friendly creatures how children play on Earth. They are looking for new games and fun toys, and Mario wants to make them happy so that they return. But the aliens are tired of computers and electronic stuff. What will Mario do? " At just the right length for a great good-night book, Mario and the Aliens is a fun, fast paced book that kids will learn from, without being preached to." —Daddy Mojo " Mario and the Aliens by Carolina Zanotti and Thai My Phuong [(Tamypu)] is an enjoyable short read about the importance of taking breaks from electronic screens around us." —The Geekiary This is a fixed-format ebook, which preserves the design and layout of the original print book

Alien: The Illustrated Story (Facsimile Cover Regular Edition)

Seattle teenagers of the 1970s are suddenly faced with a devastating, disfiguring, and incurable plague that spreads only through sexual contact.

One of the Remasters series which aligns the stories with the Aliens movies and novelizations. The true horror of Doctor Paul Church's work is discovered when the research assistants in his space laboratory start dying and the dark secret of his previous close encounter with the Aliens unfolds.

The illustrated story of a lonely alien sent to observe Earth, where he meets all sorts of creatures with all sorts of perspectives on life, love, and happiness, while learning to feel a little better about himself—based on the enormously popular Twitter account. Here is the unforgettable story of Jomny, an alien sent to study Earth. Always feeling apart, even among his species, Jomny feels at home for the first time among the earthlings he meets. There is a bear tired of other creatures running in fear, an egg struggling to decide what to hatch into, a turtle hiding itself by learning camouflage, a puppy struggling to express its true feelings, and many more. The characters are unique and inventive—bees think long and hard about love means, birds try to eat the sun, nothingness questions its own existence, a ghost comes to terms with dying, and an introverted heighog slowly lets Jomny see its artistic insecurities. At the same time, Jomny's curious presence allows these characters to open up to him in ways they were never able to before, revealing the power of somebody who is just there to listen. Everyone's a Alien! When Ur a Alien! Too is also the story behind the widely-shared and typo-filled @jonnysun twitter account. Since the beginning, Sun intentionally tweeted from an outsider's perspective, creating a truly distinct voice. Now, that outsider has taken shape in the character of Jomny, who observes Earth with the same intelligent, empathetic and charmingly naive voice that won over his fans on social media. New fans will find it organic, and old fans will delight at seeing the clever words that made them fans in the first place. Through this story of a lost, lonely and confused Alien finding friendship, acceptance, and love among the animals and plants of Earth, we will all learn how to be a little more human.

And for all the earth-bound creatures here on this planet, we will all learn how sometimes, it takes an outsider to help us see ourselves for who we truly are.

Sarah, Jessica a Adam have a very special Christmas present this year... Xalien the Purple Alien has come back to Earth to visit them! The little alien gets up to her usual hijinks with the children – wreaking havoc with Christmas lights, carrots and snowballs – and together, they share a wonderful Christmas, filled with presents, laughter and fun. Get in the Christmas spirit and join Xalien and her Earth friends on their very merry adventure!

Resident Alien Omnibus Volume 1

" **This graphic history tells the story of Canada's first national internment operations through the eyes of John Boychuk, an internee held in Kapuskasing from 1914-17. The story is based on Boychuk's actual memoir, which is the only comprehensive internee testimony in existence. The novel follows Boychuk from his arrest in Toronto to Kapuskasing, where he spends just over 3 years. It details the everyday struggle of the internees in the camp, including forced labour and exploitation, abuse from guards, malnutrition, and homesickness. It also documents moments of internee agency and resistance, such as work slowdowns and stoppages, hunger strikes, escape attempts, and riots. Little is known about the lives of the incarcerated once the paper trail stops, but Enemy Alien subsequently traces Boychuk's parole, his search for work, his attempts to organize a union, and his ultimate settlement in Winnipeg. Boychuk's reflections emphasize the much broader context in which internment takes place. This was not an isolated incident, but rather part and parcel of Canadian nation building and the directives of Canada's settler colonial project.**

**The iconic cinematic terror makes its Marvel debut! Gabriel Cruz gave his life to the Weyland-Yutani Corporation -- almost literally, thanks to an alien attack that he barely survived! Recently retired, Cruz is trying to patch things up with his abandoned son with the help of his friend, a Bishop-model android. But his re-entry into civilian life is not going smoothly...and his encounters with the deadly Xenomorphs are far from over! Now, Cruz has only one chance to save his son from the horrific fate he barely escaped. The clock toward total collapse is ticking. The aliens are loose! Phillip Kennedy Johnson and Salvador Larroca team up for an all-new tale of the sci-fi/horror titan that has terrified audiences for decades. No one is safe. No one is innocent. Six year-old Bob is curious when a new family move in next door to his house, but curiosity grows into excitement when he meets Janet and her pet cat Hiss and discovers they come from another planet. Together they build a spaceship out of an old cardboard box and then set off on an unforgettable journey of imagination beyond the stars.

Max Landis, acclaimed screenwriter of the hit film CHRONICLE, presents seven stories from the life of the man who will be the Man of Steel, seven pivotal moments that turned a sometimes good, sometimes angry, sometimes funny, always human, all-American alien into the world's first superhero. THIS IS NOT A SUPERMAN

COMIC. This is the story of Clark Kent, a Kansas farm boy who happens to be from another planet. It's the story of a scared young kid with impossible powers, of a teenage delinquent with a lot to learn, of a reporter with a nose for the truth who's keeping the biggest secret the world has ever known. This is not the Superman you know. Not yet. Illustrated by some of the greatest artists in comics today-including Jack (BATMAN: THE BLACK MIRROR), Francis Manapul (DETECTIVE COMICS), Jae Lee (BATMAN/SUPERMAN), Joelle Jones (LADY KILLER), Nick Dragotta (EAST OF WEST) and more with covers by Ryan Sook (ACTION COMICS)-SUPERMAN: AMERICAN ALIEN tells the very human story of the Last Son of Krypton.

Two of comics' greatest talents joined forces in 1979 to bring Ridley Scott's epic Alien motion picture to the comic book page. Out of print for over thirty years, this brand new edition (released in time to coincide with Scott's latest opus Prometheus) has been meticulously restored from original artwork in Walt Simonson's studio — presenting for the very first time the definitive artist's edition of the greatest sci-fi horror ever produced.

An alien, government agents and ... pizza? Nate's on a mission to Earth from the planet Vega. His goal: eat pizza! Luckily, soon after crash-landing he meets Fazel, who helps him create a disguise, learn the ways of Earthlings and, most importantly, stuff himself with pizza! What a blast Earth is! There's only one problem. Two Men in Beige (government agents) have been trying to capture him — and they're starting to close in. Can Nate and Fazel repair Nate's spacecraft before the agents find him? And will Nate have had his fill of pizza by then? Kids will laugh so hard, they'll be primed for liftoff!
