Teosinte began as a series of poems and then merged with the symbolism of Regina Szczypiorski's art. It is structured on the seven days and nights of the Mayan Underworld. A parallel story emerged with the author's diagnosis and treatment of breast cancer in Albuquerque, New Mexico, in December 2010. This book is an honest account of one woman processing the system of cancer treatment in our country. It was written in the form of poetry and journals over a period of ten years, culminating with the assertion of a new myth; a myth that responds to the common theme of the phoenix across cultures and traditions; a myth that states the phoenix has landed, built her nest, burned and flew ... and now it's time to move forward. "After a less than ideal childhood and a difficult adult life, being hit with cancer did not make sense to me. I knew as soon as I was diagnosed I would write a book. My oldest son asked me if I thought about reading some self-help/survivor stories and I replied to him, 'No, I'm writing one.' That was Christmas Day 2010." The plays in this collection include "Ghosts" (1881), "The wild duck" (1884), and "The master builder" (1892).

Discover the Jerusalem 's Undead trilogy in this 3-in-1 eBook bundle from author Eric Wilson. The suicide of Judas Iscariot in AD 30 left his blood seeping into the soil of the Field of Blood, in Aramaic the Akeldama. This tainted blood caused a counterfeit resurrection of the dead—the Collectors, who seek to corrupt and destroy. When Jesus was resurrected, ancient scripture says many rose from the grave. Today, 36 from this group of undead remain—the Nistarim, who are here to watch over the world and protect against the Collectors. Field of Blood follows Gina Lazarescu, a Romanian girl with a scarred past who has no idea she is being sought by these undead. Gina realizes her future will depend on her understanding of the past, yet how can she protect herself from Collectors who have already died once but still live? Gina 's journey continues in Haunt of Jackals. The Nistarim and the Collectors are after a single target—a boy named Pavel who may possess the key to the Collectors' unlimited power . . . or ultimate downfall. Gina has survived one battle with the undead already and is determined to protect Pavel at all costs. But she has no idea how long she can stay a step ahead of the Collectors. In the final installment of the Jerusalem's Undead Trilogy—Valley of Bones—readers will witness an epic showdown of a battle between good and evil that started with the suicide of Judas Iscariot. Gina Lazarescu's life has been on a collision course with the Akeldama Collectors. She knows she can't defeat them on her own, though, and that it will take the combined efforts of all Those Who Resist for this living evil to be stopped.

Better Angels

In the Grasp (Book 1) I'm at the top of my game, and the most notoriously private player in the league, but my personal life leaves something to be desired. I thought I'd have more accomplished by now - like a wife and family - but for nine years I've held onto the memory of the girl who got away. Now she's back and I'm more determined than ever to make her mine. For good this time. Across the Middle (Book 2) From the moment I laid eyes on Gina Rodrigo, she twisted my whole world on its axis. For months I refused to give into the feelings she evoked in me. I'd gone down that road before and it led nowhere good. But one kiss changed everything and I couldn't fight my feelings anymore. Except she doesn't know my secret and the deeper we get, the more the ghosts of my past threaten to ruin the first true happiness I've ever found. Down by Contact (Book 3) I'm a playboy, a modern-day Casanova. I don't love women, I just make their orgasm dreams come true. She's the coach's daughter and the ultimate ice princess - always cold, composed, and spoiled. We have nothing in common, until she makes me a proposition I can't turn down. I'm only human after all, and she's hot. It shouldn't mean anything. So why can't I get her out of my damn head? Taking the Handoff (Book 4) I couldn't say no when my best friend asked for a favor. His little sister needed a safe place until she got her feet under her in LA, so of course I said yes. But I was not prepared for the vixen that showed up at my door looking NOTHING like the girl I remember. She's off limits and I'm trying to behave. Realy. I am. But the longer she stays here, the more tempted I am to take her and make her mine. "As of forty-three minutes ago, I am a seasonaire, whatever that means." When Poppy Connors swaps a life of suits and cappuccinos for a job as a ski rep, she soon finds that resort life on the side of an Austrian alp is more than she bargained for. Adapting to her new diet of Jagermeister, adrenaline and europop, Poppy throws herself into this strange new world - a world in which 200 foot cliffs, midnight shootings and the intrigues of the megalomaniac resort manager soon start to feel normal. When a growing love for backcountry adventures and the irresistible prospect of an illicit affair start to pull her in different directions, Poppy begins to wonder just how she will ever return to the life she left behind Wickedly funny and utterly authentic, this is a novel for anyone with an intense love for melted cheese, neat spirits and deep snow ideally all served together. This is the diary of a season.
