Easy play-along guide to understanding music, building confidence and learning to jam like a pro, with over 100 audio play-along practice tracks If you play ukulele to a basic level but want to take your playing skills to the next level by being able to hear, follow and understand the music and songs you play then this book is for you. With Next Level Ukulele you can - Dramatically boost your confidence when performing - Develop your music theory knowledge, rhythm and listening skills - Improve your ability to play and remember songs - Transform your all round skills as a musician Does the world really need another uke book? We think it does - you see, many experienced beginner/intermediate ukulele players grow frustrated by their inability to understand and follow the music they play. Instead of blindly following the chords on the page, they want to be able to 'hear and feel' the music they play in the same way an experienced musician does! This is where Next Level Ukulele comes in - simply follow the step-by-step method in this book (with over 100 play-along tracks included), and see your musical skills improve dramatically. By focusing on really listening and learning to recognise the sounds in the music you play - you can go beyond basic ukulele playing, and begin to think, hear and feel like a real musician. Next Level Ukulele comes with over 100 play-along backing tracks demonstrating most of the examples in the book. These are used to teach you to hear and recognise all of the most common things you hear in the songs you play - chords, chord progressions, keys and key changes, common rhythmic patterns and more. Playing along with these 'live band feel' backing tracks is also the perfect way to practice your uke playing at home and become totally confident when you make music with others - whether it's as a solo performer, in a uke band or club, at open mic nights or impromptu sing-alongs and jam sessions. Next Level Ukulele shows you how to: Learn to play 'by ear'. This is how many musicians can work out and play songs they've never even played before! Learn how to develop the skills you need to eventually be able to do this Understand and recognise the common elements we see in the popular ukulele repertoire - major and minor chords and keys, different rhythms and time signatures, 'seventh' chords, common chord sequences, key changes, 'borrowed' chords and much more Recognise common song forms and structures like the 12 bar blues, 'IV' chord chorus songs, and song based on simple repeating chord patterns (makes it much easier to learn and remember songs you want to play) Learn to 'feel the rhythm' and nail common rhythmic feels and strumming patterns - including swing rhythms, shuffles, 'train' rhythms, waltz time and more Perfect if: - You want to improve your ukulele playing skills, feel more confident when playing with other musicians, and simply enjoy your playing more - You'd like to become one of those players who can hear songs and work them out simply by using their ears! - You want to improve your ability to listen to and follow the music you play - You want to learn some of the skills you need to jam with others (and feel comfortable and confident doing so!) - You'd like to play music and songs on the spot 'by ear' instead of always following a chord sheet - You want a deeper understanding of the music you play - You'd like to be able to recognise the common chords, chord progressions, song forms and key changes used in the popular ukulele repertoire Ready to see a dramatic boost in your ukulele and music skills? Then grab Next Level Ukulele (with over 100 play-along practice tracks) and get started!

Thomas Balinger The Ukulele Songbook Shanties & Songs of the Sea Far-away oceans, perilous storms, bold explorers, bloodthirsty pirates and treasures hidden on mysterious islands - but likewise the hopes and the fears of friends, lovers and families left back home on dry land - have made for fascinating and evocative stories since the day men caught a glimpse of the deep blue sea. But there's more to the ocean's fascination than just stories and myths. It also spawned its very own kind of music: the Shanties - songs of the wind and the waves, of hard work on the seven seas, of romantic buccaneers and brutal skippers harrying their crews to the marrow. In this book you'll find a collection of shanties known and loved all over the world, arranged for easy Baritone Ukulele in G tuning (D-G-B-E). (Music Sales America). This book has been specially created for any guitarist who wants to learn note reading, be they beginners or more advanced players who have neglected this part of their musicianship. It starts with the very basics of written music and progressively introduces notes on each string one at a time until all notes in the "open position" (first five frets) of the guitar have been mastered, and up to 8th note rhythm subdivisions have been learned and applied. Also covered are sharps, flats, key signatures, accidentals, repeats and more. Each step includes practical exercises, handy tips and tricks and a simple repertoire for students to put their reading skills into practice. Spiral open so it lays flat no matter what page you're on.

Thomas Balinger The Ukulele Songbook Shanties & Songs of the Sea Far-away oceans, perilous storms, bold explorers, bloodthirsty pirates and treasures hidden on mysterious islands - but likewise the hopes and the fears of friends, lovers and families left back home on dry land - have made for fascinating and evocative stories since the day men caught a glimpse of the deep blue sea. But there's more to the ocean's fascination than just stories and myths. It also spawned its very own kind of music: the Shanties - songs of the wind and the waves, of hard work on the seven seas, of romantic buccaneers and brutal skippers harrying their crews to the marrow. In this book you'll find a collection of shanties known and loved all over the world, arranged for easy Ukulele in standard C tuning (C-G-E-A). Of course, there's classics" like Banks of Sacramento, Blow the man down or What shall we do with the drunken sailor, but you'll also encounter some songs not as common and maybe some you might never have heard before.
