Sookie Stackhouse enjoys her job as a cocktail waitress in Merlotte's, a small-town bar in small-town Bon Temps, deep in Louisiana. She's funny and pretty and, thanks to her grandmother, she's very well-mannered - but since not many people truly appreciate her ability to read their minds, the guys haven't exactly been

beating down her door ... And then along came Bill, tall, dark and handsome - and Sookie couldn't 'hear' a word he was thinking. He was exactly the type of guy she'd been waiting all her life for. Of course, Bill had a disability of his own: fussy about his food, not into suntans, bit of a night person: yep, Bill was a vampire. But at least now Sookie nows there **are** guys she can date who won't worry about her catching them thinking about other women ...

Author of the books that inspired True Blood on HBO and Midnight, Texas on NBC Aurora Teagarden, small town librarian and true crime buff, is looking forward to the monthly meeting of the Real Murders Society, a group of fellow crime enthusiasts who share a unique interest in historical murders. The Society meetings are the highlight of Roe's social life in sleepy Lawrenceville, Georgia, and she's ready for a quiet night of discussion, coffee, and cookies. But after she finds the body of a Society member in a staged crime scene eerily similar to the one the group was supposed to discuss that very night, Roe finds herself at the center of a murderous story of her own. As the killer strikes again, it's obvious that members of the Real Murders Society have become targets of a knowledgeable copycat. With the help of handsome police detective Arthur Smith and the town's dashing new resident, mystery novelist Robin Crusoe, it's up to Roe to discover if the murderer is one of the group's own and to piece the perplexing puzzle together before

another body appears. From #1 New York Times bestselling author Charlaine Harris, this first book in the Aurora Teagarden mystery series combines the excitement of solving the crime and the charm of Southern hospitality. Real Murders, A Bone to Pick, Three Bedrooms, One Corpse and the rest of the Aurora Teagarden mysteries have been adapted into film for Hallmark Movies & Mysteries.

This is the second annual edition of the Long List Anthology. Every year, supporting members of WorldCon nominate their favorite stories first published during the previous year to determine the top five in each category for the final Hugo Award ballot. Between the announcement of the ballot and the Hugo Award ceremony at WorldCon, these works often become the center of much attention (and contention) across fandom. But there are more stories loved by the Hugo voters, stories on the longer nomination list that WSFS publishes after the Hugo Award ceremony at WorldCon. The Long List Anthology Volume 2 collects 18 fiction stories from that nomination list, along with 2 essays from the book Letters to Tiptree that was also on the nomination list, totaling over 500 pages of fiction by writers from all corners of the world. Excerpt: This is a listing of significant characters in Charlaine Harris's The Southern Vampire Mysteries / Sookie Stackhouse novels only. HBO created a television series called True Blood based on this series. Sookie is the protagonist and narrator of The Southern Vampire Mysteries, and resides in the fictional town of Bon Temps, in rural, northern Louisiana. In the first novel, Dead Until Dark, she describes herself as being 25 years old, with blond hair and blue eyes. She also states: "my legs are strong and my bosom is substantial, and I have a waspy waistline." She is written to wear a ladies size 8-10. Sookie, although not highly educated, is well read and has an extensive vocabulary, mainly attributed to her affinity for her "word-of-the-day" calendar. Although Sookie appears to be human, she possesses telepathic abilities, which manifested at a very young age. She is able to read most human minds, and after meeting the vampire Bill Compton, learns that she can not "hear" Bill's thoughts.* She discovers that while it is possible to read the minds of other supernatural creatures, they do not "broadcast" as clearly as true humans. Sookie lives in her ancestral home, which she inherits after her grandmother, Adele Stackhouse, is murdered in the first book. She has one sibling, her older brother Jason Stackhouse.
