The #1 New York Times bestseller and subject of the acclaimed major motion picture *Bridge of Spies* directed by Steven Spielberg, starring Tom Hanks as James B. Donovan. Originally published in 1964, this is the “enthraling...truly remarkable” (The New York Times Book Review) insider account of the Cold War spy exchange—with a new foreword by Jason Matthews, New York Times bestselling author of *Red Sparrow* and *Palace of Treason*. In the early morning of February 10, 1962, James B. Donovan began his walk toward the center of the Glienicke Bridge, the famous “Bridge of Spies” which then linked West Berlin to East. With him, walked Rudolf Ivanovich

Abel, master spy and for years the chief of Soviet espionage in the United States. Approaching them from the other side, under equally heavy guard, was Francis Gary Powers, the American U-2 spy plane pilot famously shot down by the Soviets, whose exchange for Abel Donovan had negotiated. These were the strangers on a bridge, men of East and West, representatives of two opposed worlds meeting in a moment of high drama. Abel was the most gifted, the most mysterious, the most effective spy in his time. His trial, which began in a Brooklyn United States District Court and ended in the Supreme Court of the United States, chillingly revealed the methods and successes of Soviet espionage. No one was better equipped to tell the whole absorbing history than James B. Donovan, who was appointed to defend one of his country's enemies and did so with scrupulous skill. In *Strangers on a Bridge*, the lead prosecutor in the Nuremburg Trials offers a clear-eyed and fast-paced memoir that is part procedural drama, part dark character study and reads like a noirish espionage thriller. From the first interview with Abel to the exchange on the bridge in Berlin—and featuring unseen photographs of Donovan and Abel as well as trial notes and sketches drawn from Abel's prison cell—here is an important historical narrative that is “as fascinating as it is exciting” (The Houston Chronicle).

Till the Last Breath . . .

Ekantika Pakrashi has just lost the love of her life. Preliminary reports suggest it was

no accident. Her boyfriend was murdered in cold blood and the modus operandi resembles that of India's most notorious serial killer of the 1990s: the Cellotape Killer. He was never caught, and if this indeed was him, then he had resurfaced after twenty-one years. Ekantika swears to find the killer and get an emotional closure, but what she doesn't know is that in the process she may end up wounding herself irreversibly. Follow this exciting chase as the dark alley turns out to be a twisted labyrinth and it seems the killer is actually coming for . . . her. Whisper To Me Your Lies is a fast-paced, chilling crime thriller and a poignant tale of a girl's single-minded obsession to find out who altered her life. And why.

Shanay Bansal, a young and successful entrepreneur, is looking forward to his engagement with Afsana Agarwal. But a few weeks before the engagement, he receives a mysterious voice message from someone from Afsana's past. Curious, Shanay plays the voice message and through those many other such messages, a different world from the past opens up about a beautiful relationship that got broken due to a terrible lie. Half Torn Hearts is a coming-of-age tale of three layered individuals coming in terms with their first loss, which bares

the devil that we all possess but are scared of encountering and which eventually becomes the cause of our own ruins. Taking his lead from his subject, Gershom Scholem—the 20th century thinker who cracked open Jewish theology and history with a radical reading of Kabbalah—Prochnik combines biography and memoir to counter our contemporary political crisis with an original and urgent reimagining of the future of Israel. In Stranger in a Strange Land, Prochnik revisits the life and work of Gershom Scholem, whose once prominent reputation, as a Freud-like interpreter of the inner world of the Cosmos, has been in eclipse in the United States. He vividly conjures Scholem’s upbringing in Berlin, and compellingly brings to life Scholem’s transformative friendship with Walter Benjamin, the critic and philosopher. In doing so, he reveals how Scholem’s frustration with the bourgeois ideology of Germany during the First World War led him to discover Judaism, Kabbalah, and finally Zionism, as potent counter-forces to Europe’s suicidal nationalism. Prochnik’s own years in the Holy Land in the 1990s brings him to question the stereotypical intellectual and theological constructs of Jerusalem, and to rediscover the city as a

physical place, rife with the unruliness and fecundity of nature. Prochnik ultimately suggests that a new form of ecological pluralism must now inherit the historically energizing role once played by Kabbalah and Zionism in Jewish thought.

Classic Ruskin Bond

Searching for Gershom Scholem and Jerusalem

This first definitive biography of Agha Shahid Ali offers a rich portrait of the poet and the world he inhabited. "A scintillating portrait of one of the finest poets of the late 20th century"-Ranjit Hoskote

"Manan Kapoor's immersive study returns the poet to his roots, which are inescapably Indian-there's no other word for the syncretic mastery of the Hindi, Urdu and English traditions that shaped his work."

*-Jeet Thayil Shahid is widely regarded as one of the finest poets from the Indian subcontinent, and his works are read across the world, touching millions of lives. A pioneer of ghazal writing in English, he wrote extensively about loss, nostalgia and home. A witness to the conflict that ravaged his homeland Kashmir, a loss he lamented in his collection *The Country without a Post Office*, Shahid has today become a symbol of hope in a violent world. In this biography, Manan Kapoor explores the concerns that shaped Shahid's life and works, following in the footsteps of the 'Beloved Witness' from Kashmir to New Delhi and finally to the United States. He charts Shahid's friendships with figures like Begum Akhtar and James Merrill, and looks at the lives the poet touched with his compassion and love. He also traces the complex evolution of Shahid's evocative verses, which mapped various cultures and geographies, and mourned injustice and loss, both personal and political. Drawing on various unpublished materials and in-depth interviews with Shahid's family, friends, students and acquaintances,*
