

## Allison's Adventures In Underland A Dark Reverse Harem Romance Harem Of Hearts Book 1

***You'd think that basically being in charge of love would be an epic job, right? Wrong. Sure, I can blow some lust into people's faces and watch the show, but I can't actually participate. It gets old, trust me. Same goes for love. I can pass it out like sugar-free lollipops at a dentist's office, but I can't get any love for myself. It totally sucks. I used to consider myself a hopeless romantic, so why wouldn't I choose to become a cupid? Sounds like a good idea, right? Wrong again. They don't call us stupid cupids for nothing. I'm stuck in this never-ending afterlife where I'm invisible, lonely, and bitter as hell. And yeah, I'm probably responsible for some terrible matchmaking out there. Sorry, not sorry. All my bad cupid'ing might be why I was exiled from the human realm. You can only do so much before the cupid bosses get all huffy. Unfortunately, my bitterness carried over into the new realm, and then I attacked a fae prince with Love Arrows. Accidentally. Okay, not accidentally. But hey, he deserved it. What I didn't expect was for him to retaliate and hit my ass with some crazy magic mojo strong enough to push me into the physical realm. Whoa. That's right. This cupid just got a real body. And you know what that means...Now, it's my turn to get some. Love, I mean. Get your head out of the gutter. Wink, wink bitches. Author's Note: This is a medium-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.***

***I am bound to the dark... and the dark is bound to me. No one can know what I am. But this secret I carry, it isn't an easy one to hide. It burns within me. It changes me each and every day, making the line between me and the ghosts I love smaller and smaller. Yet no secret can remain hidden forever. The day my brother dies changes everything. I'm commanded to attend the Royal Fae Academy, a place that wouldn't welcome someone like me. But as much as I fear what will happen next, I have to find my brother's killer. No matter the cost. Danger haunts my every step. Someone here wants me dead. And my brother's three best friends are determined to protect me from my enemies. Only, they have no idea what I am. Or what I'm capable of doing. And even though I care for them, and I feel they care for me, I have to keep them away. Because the dark is where I belong. But these men? They belong in the light. Even if they don't know it yet. RAVAGE is the first full book in a steamy reverse harem romance series, (although there is a short prequel before it titled Revere). These books have a spooky edge, hot scenes, and a mystery to unravel. So if you love paranormal romances with tough heroines and protective men, you may want to preorder your copy now!***

***From the author of the "flawless" (The New York Times Book Review) classic Bastard Out of Carolina comes Cavedweller, once again demonstrating Allison's unmatched strengths as a storyteller. Reading "like a thematic sequel" (The New Yorker) to her first novel, Cavedweller tackles questions of forgiveness, mother-daughter***

**bonds, and the strength of the human spirit. When Delia Byrd packs up her old Datsun and her daughter Cissy and gets on the Santa Monica Freeway heading south and east, she is leaving everything she has known for ten years: the tinsel glitter of the rock 'n' roll world; her dreams of singing and songwriting; and a life lived on credit cards and whiskey with a man who made promises he couldn't keep. Delia Byrd is going back to Cayro, Georgia, to reclaim her life--and the two daughters she left behind...Told in the incantatory voice of one of America's most eloquent storytellers, Cavedweller is a sweeping novel of the human spirit, the lost and hidden recesses of the heart, and the place where violence and redemption intersect.**

**After divorcing her philandering husband, Alison Temple works at the agency she hired to catch him under the name Alison Wonderland, tackles a case involving the shady dealings of a pharmaceutical company, and helps her best friend with her depressed mother.**

*Lose yourself in Alice's story as she tumbles down the rabbit hole, swims through her own pool of tears, and finds herself in a rather curious place called Wonderland. There, she'll encounter the frantic White Rabbit, have a frustrating conversation with an eccentric caterpillar, and play croquet with the hot-headed Queen of Hearts.*

*I'm so fucking scared right now.No, not just scared--I'm terrified.And if you're reading this, you should be, too.I fell through the Looking-Glass; I got back home.But get this: I didn't come alone. Oh, and it doesn't feel like home anymore.Unlike Alice in the original story, this is not my Wonderland.In the original story, the Walrus and the Carpenter didn't follow Alice back.In that story, she didn't bring her harem of lovers with her to meet Dad.Mom, Dad, meet my nine boyfriends; one of them's a faerie who foretells the future--is that what I'm supposed to say?Back in Underland, things are even worse.Betrayal, heartbreak, and death ... that's all that's waiting for us in Castle Heart.I'm "the Alice", bringer of prophecy, and I'm starting to fall for all nine men in my life.So, can I stop the chaos that's rolling in on black wings?If you're reading this, can you help me, please?Save the world, get the guys, and give me my happy ending.ALLISON SHATTERS THE LOOKING-GLASS (Book 3 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.\*\*\*THIS IS A COMPLETED SERIES\*\*\**

*"That's just the First," Caleb said, pausing to worry at his lower lip. "And it's only one of seven, Seven Wicked; we can't*

*destroy any of the others until we destroy the First."When reincarnated goddess, Eevee Marx, sees the necklace at her local thrift store, she just has to have it. But Eevee has no idea that when she drapes the delicate, silver links over her fingers, she is continuing a legend her spirit had started centuries ago. That when she unhooks the tiny clasp and lays the black and silver pendant against her chest, she will spend the night of her seventeenth birthday holding the dying body of the boy she loves. The Seven Wicked have been sleeping, preparing for Eevee to touch the necklace and reawaken the powers inside of her. Now, the only thing that stands between them is Caleb, the golden haired boy who will sacrifice himself to save her.*

*They pushed too far. The demented Hatter and all of his minions can test me all they like, but they just crossed a line. Alixx Stone. That's my line. Screw with my life all you like but don't threaten my men. The problem is, even if I save my friends, it won't be enough. There's an entire Kingdom who have been hurt by one man's selfishness. Elder Liddell's dark secrets are endless and now he's dragged me into his twisted past. My own flesh and blood did this. And I'm starting to realize, I'm just as destructive as he is. This is a Reverse Harem series, recommended for readers 18 and over. Reading Order!*

**Things are different when you're a burden. I was dumped at Carroll's Home for Troubled Youth by parents I can't quite remember-or maybe I came here on my own. No ... I was found guilty of a crime and that's why I'm here. It all depends on who you ask or choose to believe, I guess. I spend my days with my best friend who's done way more heinous things than I have. He wants me to remember-to tell him stories about being a stranger in a strange land, but I don't want to talk about it because when you talk about things, that's how they become real again. Because it was real, no matter what Dr. Carpenter or any of the orderlies say, and Ever is the only one that believes me. He wants me to go back, but I can't. There's a bounty on my head. I stole something from the Queen and she'll stop at nothing to get it back. Nothing.**

**Allison's Adventures in Underland A Dark Reverse Harem Romance**

**I didn't fall into a place of wonder and madness. I was taken. This world is a perfect, enchanting wonderland. The people here are just as alluring. But we all have our secrets. Like the white rabbit who's leading a rebellion right**

under the King's nose. Or the sweet March Hare who's actually an enemy spy. Or my one true ally in all of this, a killer who's so feared they won't even say his real name. As for me, I have more secrets than all of them combined. Because Wonderland is waiting for the beloved Alice Liddell. And I'm just the bitch pretending to be her. This is a reverse harem series, recommended for readers 18 and over.

When you look at fine connections, it's hard to say exactly what relation "Alice in Wonderland" has to this book, "Through the Looking-Glass," Oh, it's plainly the same girl, though she seems older, here, and some characters (like Tweedledum and Tweedledee) appear in both. But she doesn't get there the same way, and doesn't refer to her adventures in Wonderland so much as once. Oh well: maybe it's all a dream and she can't remember the last one -- or maybe the magic through the Looking-Glass has hold of her, just as it has hold of Humpty Dumpty, or the Walrus and the Carpenter.

**An Erotic Tale**

**Through the Looking-Glass**

**Tasting Never**

**Girl in the Bearskin**

**The Seven Wicked : First**

One and a half centuries: that's how long ago Lewis Carroll wrote Alice in Wonderland, a book which we all love to read and re-read. Since the nineteenth century until today, it has intrigued, enchanted and moved readers of all ages. It tells the tale of Alice, the little girl who falls down the rabbit hole into a place of fantasy, inhabited by weird creatures who resemble human beings. A nonsensical universe, filled with an absurd logic that feels like a dream world, in a narrative marked by parodies of children's poems popular in England at that time. There Alice goes on weird and absurd adventures, faces uncommon situations, meets extravagant beings, is asked enigmatic and illogical questions, grows and shrinks in size... And lives through it all unfazed and with a lot of curiosity.

WARNING: This is a sexy, steamy reverse harem paranormal romance (one girl, four guys) with loads of humor, plumber puns, and group sex. Read with a glass of wine and a smile! Four hunky, supernatural plumbers. One reluctant, slightly drunk human. A match made in heaven ... or in the bathroom, rather. My name is Arizona Smoke, and I'm the proud owner of a house haunted by my dead Gram, best friend to a cocktail dress loving werewolf, and apparent soul mate to four plumbers who also happen to be elemental dragons. Besides rippling pectorals, tattoos, and ... uh, nice, long pipes, the guys also have control of the elements. Supernatural law (whoever heard of such a thing anyway?) dictates that since I stumbled upon the guys in their alternate forms, I have to marry them. All four of them. Oh, and apparently one lousy

(okay, awesome) night of sex means that I'm an elemental, too-and no amount of magical penicillin can cure this disease. All I wanted was hot running water and toilets that flushed, but now I'm dealing with monsters lurking in the sewers, supernatural politics, and four penniless (but totally hot) plumbers living in my crumbling old Victorian. I'm Ari Smoke, wine aficionado, ex-barista, and a girl who is completely out of her element. Having four hot husbands is nice ... but the death threats, not so much.

Never is a girl with a broken soul who doesn't date nice guys and can't seem to go to bed at night without crying herself to sleep. She doesn't need any complications in her life, especially not when they're attached to a man that could be her emotional twin. Cabe can't stand Never the first time he meets her. He's aware that the feeling's mutual and the two don't think they'll ever see each other again, but when fate takes a hand and puts them both in the wrong place at the wrong time, Ty and Never form a tentative friendship that opens the door on their dark sides and shows them what it's like to live in the light.

Adelina Yousef is sent home penniless and thankless for the job she's done protecting her country. On her way home, she meets a demon, who tests her courage: If she lives for a full seven years under a cloak of a bearskin, never washing, never trimming her hair or nails, she will forever have all the money she will ever need. If she dies during the seven years, he claims her soul. She agrees, and at first she lives okay, but as the years go on, as people begin to turn their backs on that ugly, filthy girl in the bearskin, her courage begins to falter. Can anyone ever look past her appearance to give her food, shelter, or even love? And why does the demon follow her so close, and tempt her at every turn to give up, to give her soul to him?

A Novel

Alice in Wonderland

Signs of Cupidity

Ever Alice

What sort of girl loves sin like I do? What sort of person thrives in it? I'm the princess to a dirty throne of motorcycles and madness, daughter of the president of the Death by Daybreak Motorcycle Club. My father's four closest officers--men dressed in blood and death and sin--they're my honor guard, cloaked in leather vests and tattoos. Only, there's nothing honorable about them at all. They're all wrong for me. Every motorcycle club has its old ladies. These guys ... they share one. They share me. \*\*\*I WAS BORN RUINED is a 90,000 word new adult, reverse harem, motorcycle club romance with one daring, bada\*\* leading lady, her four sexy outlaws, and a romantic suspense plot. Contains cursing, violence, and sexual situations.

In this parody to the children story, there's an adult twist - an erotic fantasy adventure. Allison Woodward and her step-brother, Steve Robbins,

are pulled out of their world and into separate realms of Wonderland, where they not only discover a strange world but encounter the chilling events that unfold. What summons them to Wonderland will also summon them to fall in love in an unusual way, and while that love wouldn't be explainable in their world, it is their only chance to survive Wonderland, along with the help of their Wonderland friends.

Decipher the clues to win a real world treasure filled with gold, silver, sapphires, rubies, emeralds, and more! When Alice discovers the Hatter having a tea party, she decides to take a seat, but is she welcome? Based on the original story by Lewis Carroll, *A Mad Tea Party* develops Carroll's story further, adding additional details and characters that will have you curious. In addition to being a literary work of art, the book contains a series of hidden clues that, if discovered, will reveal the answer to the White Rabbit's Riddle. The first person to reveal the answer to the riddle will claim the treasure. Details provided in the book. Whether you're interested in arm chair treasure hunting books such as *The Secret*, *The Thrill of the Chase*, and *Masquerade*, or you're just looking for a fun entertaining read, *The Hatter's Hat* is a must have for your collection. Start your adventure now by clicking the "Buy Now" button! Details about the treasure hunt can be found in the book.

**The Myth:** Alice was an ordinary girl who stepped through the looking glass and entered a fairy-tale world invented by Lewis Carroll in his famous storybook. **The Truth:** Wonderland is real. Alyss Heart is the heir to the throne, until her murderous aunt Redd steals the crown and kills Alyss' parents. To escape Redd, Alyss and her bodyguard, Hatter Madigan, must flee to our world through the Pool of Tears. But in the pool Alyss and Hatter are separated. Lost and alone in Victorian London, Alyss is befriended by an aspiring author to whom she tells the violent, heartbreaking story of her young life. Yet he gets the story all wrong. Hatter Madigan knows the truth only too well, and he is searching every corner of our world to find the lost princess and return her to Wonderland so she may battle Redd for her rightful place as the Queen of Hearts.

The Ghost Collector

A Dark Reverse Harem Romance

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.

Holy fucking hearts. Did you just read that?! If you did, I need your advice. I met fallen angel princes; I met a Savage Duke; I met a Cheshire Cat. And remember--how could you possibly forget--I'm the fabled Alice from the prophecy. Just a twisted, dark version of the girl in Lewis Carroll's old books. Except in those books, there was a happy ending. In those books, Alice wasn't dating nine very different, very beautiful men. But now that I've met the King of Hearts and the Mad Hatter, I'm not sure who the real bad guys are. I'm the only one who can turn Underland back into Wonderland again. But if I have a chance to

escape the blood, the death, and the intrigue in this place, should I take it? I'm Allison Liddell, and I've got a choice to make: stay here and fight the darkness, defeat the Anti-Alice, and survive the Torrid Tea Party ... or run. Tweedledee says I can change the world. So if you're reading this, will you help me decide what I should do? I want to go home, but I can't leave this place as broken as I found it, now can I? **ALLISON AND THE TORRID TEA PARTY** (Book 2 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

The true queen of Wonderland returns, but the battle for her crown and her kings is only just beginning. After a brief stint on Earth, Alex returns to Wonderland to find that far too much time has passed. Far too many lives have been lost, and her beloved kings are running out of options to save their world. The clock ticks, but Alex is a queen in pieces—her memories suddenly missing, her magic out of control, and her head full of strange voices that make no sense. As the enemy marches against the last standing palace of Wonderland, Alex will have to find a way to put the pieces together and prepare for battle. But can she possibly defeat the sweeping darkness when dangerous lies are lurking everywhere—including in the depths of her own heart?

Dive through the looking-glass into a Wonderland that's lush, exhilarating... and deadly. Five steps to getting over a nasty break-up: 1. Inherit a mini-castle from your reclusive grand-aunt. 2. Fall through a mirror into a decadent upside-down world. 3. Get to know the smoking-hot locals. Prickly Hatter. Playful Chess. And the passionate White Knight... Wait, what was I talking about? Oh, right. 4. Discover you possess powers that could win a rebellion against a tyrannical queen. 5. Keep a tight hold on your head--and your heart. When I tumbled into Wonderland, I only wanted to escape the epic mess my life had become. I'm not sure I can trust anything in this bizarre, intoxicating place. But the three incredibly enticing men I've met here might need me even more than anyone back home ever has. Maybe a little heroism is all it'll take to heal my wounds and theirs. As long as the Queen of Hearts doesn't come for our heads first...

A Reverse Harem Alice in Wonderland Story

Allison Wonderland

Allison in Wonderland

***"The full text of Lewis Carroll's novel with its many hidden meanings revealed by David Day"--Cover.***

***In 1865, English author CHARLES LUTWIDGE DODGSON (1832-1898), aka Lewis Carroll, wrote a fantastical adventure story for the young daughters of a friend. The adventures of Alice-named for one of the little girls to whom the book was dedicated-who journeys down a rabbit hole and into a whimsical underworld realm, instantly struck a chord with the British public, and then with readers around the world. Dodgson's playfulness-with language, with mathematical puzzles, with testy creatures such as the White Rabbit, the Mad Hatter and the Queen of Hearts-still confounds and teases lovers of fantasy fiction today. Alice acolytes continue to unravel the book's strange riddles, and constantly find new meaning in the unexpected underlying themes, from the trials of early adolescence to the value of nonsense. The conundrums and delights of Alice ensures its ongoing influence over modern pop culture. This unabridged replica edition features the original illustrations by English artist SIR JOHN TENNIEL (1820-1914), and is a treasured addition to any library.***

***My quest for answers is what's led me here. Here, to the edge of civilization where shifters are free from persecution and able to live in peace. Or, at least they were until I arrived. In the aftermath of the trouble I brought, one man holds the answers I seek so desperately. Whether he will part with his secrets, that's another matter. This world is not what I always thought it to be and someone is doing their best to kill us all; when accidents continue to happen I must consider the possibility that someone I love is setting me up. With the fate of the world at stake, I must face the demons of my past or risk being consumed by them. But this time, I'm not alone. I'm Kit Davenport and this is going to leave a mark.***

***Before Lewis Carroll wrote Alice's Adventures in Wonderland, he was humble Charles Dodgson, mathematician at Christ Church college...and a zombie. Kept sane by a serum, chained to an iron ball, considered one of the finest amateur photographers in Britain, and friend to the three charmingly edible daughters of his superior and owner, Dean Liddell, Mr. Dodgson has quite the story to tell. And at least one of the girls, Alice, is entirely willing to listen. Even if it means that her strange zombie friend should have to be killed.***

***The Boyfriend App***

***Havoc at Prescott High***

***The Vixen's Lead***

***The Wonderland Murders***

***The Mad Tea Party***

*Young Adult Fantasy*

*Scurry down the rabbit hole and step through the looking glass with this compilation of works from Lewis Carroll. Don't be late--it's a very important date! Witty, whimsical, and often nonsensical, the fiction of Lewis Carroll has been popular with both children*

and adults for over 150 years. Canterbury Classics's *Alice's Adventures in Wonderland* takes readers on a trip down the rabbit hole in *Alice's Adventures in Wonderland*, where height is dynamic, animals talk, and the best solutions to drying off are a dry lecture on William the Conqueror and a Caucus Race in which everyone runs in circles and there is no clear winner. *Through the Looking Glass* begins the adventure anew when Alice steps through a mirror into another magical world where she can instantly be made queen if she can only get to the other side of the colossal chessboard. Complete with the original drawings by John Tenniel, this edition is a steal for new readers and Carroll fans alike. Ghosts aren't meant to stick around forever... Shelly and her grandmother catch ghosts. In their hair. Just like all the women in their family, they can see souls who haven't transitioned yet; it's their job to help the ghosts along their journey. When Shelly's mom dies suddenly, Shelly's relationship to ghosts—and death—changes. Instead of helping spirits move on, Shelly starts hoarding them. But no matter how many ghost cats, dogs, or people she hides in her room, Shelly can't ignore the one ghost that's missing. Why hasn't her mom's ghost come home yet? Rooted in a Cree worldview and inspired by stories about the author's great-grandmother's life, *The Ghost Collector* delves into questions of grief and loss, and introduces an exciting new voice in tween fiction that will appeal to fans of Kate DiCamillo's *Louisiana's Way Home* and Patrick Ness's *A Monster Calls*. Um. Um. Um. Are you reading this? If you are, I need your help. I was at a party; I was running; I fell. And get this--this is the part you'll never believe--I fell down a rabbit hole. Like Alice in those old books. Except in those books, there wasn't blood everywhere. In those books, the characters weren't all male, attractive, and interested in me. Forget everything you know about the Mad Hatter, the White Rabbit, the March Hare ... This isn't Wonderland; this is Underland. Violence, sex, drugs, and magic ... that's all there is in this place. There's me, Allison, and there are the men that want me, the enemies that hunt me, and the darkness that's quickly rolling in. And only I can stop it. So if you're reading this, will you help me? Please. I just want to escape this place and go ... home. *ALLISON'S ADVENTURES IN UNDERLAND* (Book 1 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty

retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

Og's Ark

Wicked Wonderland

**Poor Og the giant is so big that no bed is large enough to hold him, and he never gets a good night's sleep. Then Noah asks for Og's help, and Og's life changes forever.**

**For fans of smart romantic comedies, this is a clever Cinderella story with a tech twist. When Public Corporation, a giant tech company, announces a contest for the best app developed by a high school student—with \$200,000 in prize money—computer whiz Audrey McCarthy is all in. Audrey's been searching for her one ticket out of town ever since her dad died and her best friend, perfect and popular Blake Dawkins, turned into her worst nightmare—and this scholarship may be it. Audrey comes up with an idea so simple, yet so brilliant, she can't believe it hasn't been done before: the Boyfriend App. With a simple touch of the screen, romance blooms among the unlikeliest couples at school—and people start to take notice. But it's not quite enough. To beat out the competition, Audrey will have to dig deeper—right into a scandal that would rock Public to its core. Launched into unexpected fame and passionately kissed by the hottest guys in school, Audrey finds that her invention has thrown her life into complete chaos . . . but can it bring her true love?**

**One of the most popular children's books in history, Alice's Adventures in Wonderland was the creation of Charles Lutwidge Dodgson who wrote under the pseudonym Lewis Carroll. Written for younger readers but enjoyed equally by adults, the wonderfully fantastic tale is credited with revolutionizing children's literature and liberating it from didactic constraints. The story is deeply but gently satiric, enlivened with an imaginative plot and brilliant use of nonsense, as it relates Alice's adventures in a bizarre, topsy-turvy land underground. There she encounters a cast of strange characters and fanciful beasts, including the White Rabbit, March Hare, Mad Hatter, the sleepy Dormouse and grinning Cheshire Cat, the Mock Turtle, the dreadful Queen of Hearts and a host of other unusual creatures. A selection of the Common Core State Standards Initiative.**

**Alice can't believe her eyes when a white rabbit wearing a waistcoat and carrying a pocket watch dashes by her. She chases after him, down a rabbit hole to a strange land full of exotic creatures, like the Mad Hatter and March Hare, a smiling Cheshire cat, a philosophical caterpillar, and a temperamental croquet-playing queen. Alice can hardly keep track of all the curious characters, let alone herself! ALICE IN WONDERLAND is an incredible feast for your eyes, ears and heart that will captivate audiences of all sizes. Here you will find the 'Alice in Wonderland' complete collection: Alice's Adventures in Wonderland Alice Through the Looking Glass The Hunting of the Snark Alice's Adventures Underground The Nursery 'Alice' Head down the rabbit hole with Alice for a**
