**The Allyn & Bacon Guide to Writing Longman Publishing Group**

**NOTE: This "Books a la Carte" edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value--this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For courses in Writing. Grounded in current theory and research, yet practical and teachable. The Allyn & Bacon Guide to Writing takes a distinctive pedagogical approach that integrates composition research with rhetorical theory and insights from writing across the curriculum. It treats writing and reading both as rhetorical acts and as processes of problem posing, inquiry, critical thinking, analysis, and argument. Its aim is to evoke the kind of deep learning that allows students to transfer compositional and rhetorical skills across disciplines and professional fields. Teachers and students value its clear and coherent explanations, engaging classroom activities, and flexible sequence of aims-based writing assignments that help writers produce effective, idea-rich essays in academic and civic genres. Numerous examples of student and professional writing accompany this thorough guide to the concepts and skills needed for writing, researching, and editing in college and beyond. The Allyn & Bacon Guide to Writing, 8th Edition is also available via Pearson Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. The Allyn & Bacon Guide to Writing Center Theory and Practice offers, in unparalleled breadth and depth, the major scholarship on writing centers. This up-to-date resource for students, instructors, and scholars anthologizes essays on all major areas of interest to writing center theorists and practitioners. Seven sections provide a comprehensive view of writing centers: history, progress, theorizing the writing center, defining the writing center's place, writing-across-the curriculum, the practice of tutoring, cultural issues, and technology. For writing tutors, educators, or anyone affiliated with writing centers. Grounded in current writing center theory and practice, The Allyn & Bacon Guide to Peer Tutoring provides students with a comprehensive introduction to effective tutoring. Throughout the text, readers hear the voices of tutors and writers in first-person peer tutor accounts, reflective essays, and transcripts from actual sessions. Within each chapter, techniques, models, and exercises provide instruction appropriate for any level of tutoring.
