Their connection is so fierce and undeniable that her future will never be the same again. The Alpha's Desire: Part One is 40,630 words of Paranormal/BBW romance. Intended for mature audiences.

Most men today are sent off into society with a broken belief system, which they use to make choices, that get them terrible results with life and

women. Men have been conditioned to be the quintessential "nice guy." They're trained to be overly humble, kind to a fault, and that just "being themselves" is enough to attract and keep the woman of their dreams. Men are told to believe that conventional masculinity is toxic, and to put women ahead of their own interests, passions, and purpose. This has led to an entire generation of men forming very unhealthy attachments to women that they, unfortunately, often make their sole focus of their lives. The playbook to women and life has changed, but most men missed the memo. Do you want to succeed, and level up in every area of your life? If so, then this book explains: - The importance of maximizing your looks, money, social status, and game. - Why it's essential to get genuine burning desire from a woman who wants to date you. - The top 20 red flags that you must vet women for a long term relationship. - How to become one of the top 20% of men that women swipe right for on online dating. - Why smart men avoid marriage. And much more. This book exposes the comforting lies you've been told throughout your life for what they really are. Enabling you to become a truly authentic Alpha that chases excellence, and leads a successful passion-filled life.

Josh worships his older brother, Max. They look alike, they talk alike, and they both have the same interests, including their favorite massively multiplayer online role-playing game, Genesis Alpha. But Josh and Max have an even deeper connection. Because Josh was born for a reason. It was Josh's stem cells, harvested when Josh was newly born, that saved his dying older brother's life. Now that same

beloved older brother is arrested, accused of the brutal murder of a teenage girl. Josh is bewildered. Is Max really a monster, or is all of this a terrible mistake? And if the worst is true and Max is guilty, does that mean Josh is guilty too? After all, Max wouldn't exist without him. But this is only the beginning. Before long, Josh will come to a number of searing revelations -- revelations that have dire implications not only for Max's future, but for Josh's as well. Rune Michaels explodes onto the teen literature scene with this gripping, chilling debut -- a compelling picture of the intersection where science, family, and morality collide.

There are normal random life events, like falling in love with a stranger, and then there is “having your first gay experience with an (admittedly very sexy) Alpha werewolf and ending up pregnant” kind of random. Ethan feels like he is a plain guy, until he is hired to entertain the werewolves during the annual Mating Ball. He goes in expecting to have a good night and make some extra money on the side. What he doesn't expect is for one of the Alpha wolves to show an interest in him. Max, a successful entrepreneur and one of the top Alpha's in the city, has been

getting pressure from all sides to find a mate, settle down and prove his Alpha genes. Only, he has no interest in doing any of those things, until he meets Ethan. He wants nothing else than to take Ethan as his mate, even if the man insists that he is straight. After a whirlwind night, Ethan wakes up pregnant. Something neither of them realised was possible. Now the two men need to navigate the next steps of their relationship, living together, getting married and all the while trying to keep the pregnancy out of the media. It isn't easy, not on either of them, but they are hellbent on making it work, for the baby, for their families and for each other. Other werewolves exist, savage ones who hate human life and noble Wolves like Cayden. They'll attack anyone who dares enter his life. And now they're settling in my hometown. It won't be long before they destroy my home. Staying away from Cayden is the safe thing to do. But without me, he'll go up against the savage werewolves alone. And I can't let him do that.

An Enemies to Lovers Shifter, Vampire True Mates story. Justice Volkov is the youngest Alpha Zenith to ever lead the wolf shifters. Following in his father's large paw prints was a responsibility he met head on. Now at age thirty-three, he is alpha of the alphas. As a direct descendant of the original Siberian pack, his wolf is bigger and stronger than Justice, himself is sometimes able to control. His wolf howled long and

hard but Justice kept it inside. It felt like a bass drum beating against his rib cage. The harsh breaths, angry snarls and the determined pacing inside him was overtaking him. Justice takes his role of leadership and his legacy very seriously. He has little time for romance, not to mention a true mate. His packs are his priority. With a human government trying to regulate them, an uprising of rogue shifters, and a violent team of scientists trying to experiment on them, Justice has his hands way too full. Chadwick 'Wick' Bentley is not enthusiastic when the captain of his escort tells him he has to leave his comfortable London home and go back to the States. As the Vampire King, he has no choice but to get his species back in line before they cause anymore chaos. At over one-hundred years old, Wick is no one to trifle with, but his smooth, charismatic manner makes him quite unique, despite the negative reputation vampires have. Wick has had nothing but time up to this point. He doesn't feel the need to make issues pressing. Nothing is urgent in his life. Until he meets Justice. His beloved. "Natural enemies can't be mates." Or so Justice thought. He knows his skepticism and rejection is hurting his mate, so while he fights their connection, Wick gets help from a source very close to Justice to help him win his beloved's heart. Wick is a force all on his own, but when he's blessed with a special gift from the Mother herself, not even Justice's powerful wolf can prevent the prophesy from being fulfilled. This story DOES NOT contain/mention MPREG. No multiple pairings. No cliffhangers. It ends with a very HFN. Warning: This book is MM paranormal: If you DO NOT like hot, alpha men shifting into large wolves, or vampires feeding from their mates, this may not be your read.

Everyone knows of Alpha Kaden, a man of twisted riddles and cryptic puzzles. His identity is one of them. His touch, another. He is feared throughout all 13 packs for his reputation of stealing young women out of their beds. And tonight he has come to steal Mara to make her a player in his wicked game. Life is perfect for Freya Rose. She has a gorgeous boyfriend, a loving mother... Oh, and her very own stalker... Okay, so maybe Freya's life isn't quite as

perfect as she thought. There is more to the picturesque town of Jasper, Alberta than meets the eye. The residents quiet, and laid back demeanors perfectly disguise an extraordinary community of werewolves, vampires, and hunters. When Freya is finally able to see beyond the secrets, she is introduced to a supernatural world full of temptation, power, and love rivals. Freya's relationship with Tristan struggles to make it past all of the lies and secrets, so when a mysterious stranger strolls into her life, will she be able to resist his seductive charms? The biggest question is, how will she react when she discovers that she belongs in this new world, far more than she ever realized. This book contains adult themes, therefore 18+ is advised. This story ends in a cliffhanger, and is then continued in *Abandoned By An Alpha*. There may be some triggers in this book, ie, stalking, murder, adultery, and hunks that might melt your clothes off. The series as a whole, has a reverse harem feel to it, but Freya does not entertain all of the guys at once. That being said, there are a few scenes where more than one guy is involved, so be prepared. Lastly, if you would like to follow me, I can be found on Facebook (L.P. Dillon) or at Author L.P.Dillon's Divas on Facebook. I'm also on Twitter and Instagram occasionally, and my Freya Rose series can be found on Radish. Ps. I'm sorry that you're hanging by your fingertips on that cliff edge, I'll send one of Freya's guys along to save you soon xxx

On a scale of 1 to 10, with 1 being sinful and worthless and 10 being absolutely perfect and righteous, how do you rate yourself, really? On that same scale, how does God rate you? The Alpha Series is a systematic study of all that God has done to make you a 10 and a course on how you can begin to see yourself the way God sees you. Knowing what God thinks about us gives us a choice in what we are going to believe about ourselves. Believing what God says he made us to be allows us the hope we need to cope with life. The joyful, confident expectation about our own future gives us the liberty to care about others. The Alpha Series may be used as a counseling model, a discipleship course, a faith based recovery tool, and a training curriculum. Along with the companion workbook it is suitable as basic curricula for all types of study groups and recovery programs.

Malik is known as the Alpha of Love, and now Aria must compete against girls from every Pack, for his attention. This is insane. This human—beautiful though she may be—can't be my mate. I learned the hard way what it's like to lose people you love. As an alpha, I vowed never to let that happen again. That means keeping my focus. Never letting my guard down. And, most of all, staying away from civilians - i.e. humans. But the feisty chocolatier has me breaking my own rules. The beautiful female tests my patience... and all my control. I should stay away. I can't protect the pack if I succumb to my desires. But what if this is more than desire? To hell and back . . . Though he has

vampire, demon, and Viking blood rushing through his veins, Ivar Kjeidsen's soul-crushing trip to hell broke him in ways he can barely fathom. One vow keeps the deadly immortal standing: To rescue the vampire brother who had sacrificed freedom for him. To do that, Ivar needs the help of a brilliant physicist with wary brown eyes, fierce brilliance, and skin that's way too soft. Dr. Promise Williams understands the underpinnings of the universe but has never figured out the human beings inhabiting it. Her function is to think—and not feel—until she's touched by a vampire who's nowhere near human. The primal hunger in his eyes awakens feelings in her that defy calculation. As she shows him the way to step between worlds, he brands her with a pleasure that could last more than a lifetime . . . "Spicy romantic interplay; highly recommended." –Library Journal on Vampire's Faith "Sizzling sex scenes and a memorable cast." –Publishers Weekly on Claimed "A fast-paced, excitement-filled explosion of action... Zanetti keeps getting better." –RT Book Reviews on Marked, 4.5 Stars Top Pick "A beautiful debut, funny, tender, and animated by a willingness to confront life's obstacles and find a way to

survive. . . . It celebrates friendship, finds meaning in difficulty and lets the reader explore dark places while always allowing for the possibility of light. Lenni and Margot are fine companions for all our springtime journeys.”—Harper’s Bazaar, UK A charming, fiercely alive and disarmingly funny debut novel in the vein of John Green, Rachel Joyce, and Jojo Moyes—a brave testament to the power of living each day to the fullest, a tribute to the stories that we live, and a reminder of our unlimited capacity for friendship and love. An extraordinary friendship. A lifetime of stories. Seventeen-year-old Lenni Pettersson lives on the Terminal Ward at the Glasgow Princess Royal Hospital. Though the teenager has been told she’s dying, she still has plenty of living to do. Joining the hospital’s arts and crafts class, she meets the magnificent Margot, an 83-year-old, purple-pajama-wearing, fruitcake-eating rebel, who transforms Lenni in ways she never imagined. As their friendship blooms, a world of stories opens for these unlikely companions who, between them, have been alive for one hundred years. Though their days are dwindling, both are determined to leave their mark on the world. With the help of Lenni’s doting

palliative care nurse and Father Arthur, the hospital's patient chaplain, Lenni and Margot devise a plan to create one hundred paintings showcasing the stories of the century they have lived—stories of love and loss, of courage and kindness, of unexpected tenderness and pure joy. Though the end is near, life isn't quite done with these unforgettable women just yet. Delightfully funny and bittersweet, heartbreaking yet ultimately uplifting, The One Hundred Years of Lenni and Margot reminds us of the preciousness of life as it considers the legacy we choose to leave, how we influence the lives of others even after we're gone, and the wonder of a friendship that transcends time.

The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another

check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.
