

Alpha Victorious Waking The Dragons Book 4

Originally published in 1928, The Secret Teachings of All Ages is Manly P. Hall's celebrated 20th century tome, where readers delight in discussions about ancient symbolism, rituals, and mythology. Manly P. Hall was a Canadian Author of over 150 published works, the best known of which are Initiates of the Flame, The Story of Healing, The Divine Art, Allens Magic and Sorcery The Secret Teachings of All Ages, and An Encyclopedic Outline of Masonic, Hermetic, Qabbalistic Rosicrucian Symbolical Philosophy. Symbolism is the language of the Mysteries; in fact it is the language not only of mysticism and philosophy but of all Nature, for every law and power active in universal procedure is manifested to the limited sense perceptions of man through the medium of symbol. Every form existing in the diversified sphere of being is symbolic of the divine activity by which it is produced. By symbols men have ever sought to communicate to each other those things which are hidden from the ordinary consciousness of language. This book is often hailed as an encyclopedia for all things hidden, ancient, and arcane, and it explores a vast array of topics, from secret societies and the Zodiac to Mystic Christianity and William Shakespeare's identity. Despite some of the outdated and controversial ideas it poses now in the 21st century, it continues to fascinate students of the cryptic and mysterious. Destiny Called - They Answered In the dark recesses of Tyria, elder dragons have awoken from millennial slumbers. First came Primordus, which stirred in the Depths forcing the asura to flee to the surface. Half a century later, Jormag awoke and drove the norn from the frozen climes of the Northern Shiverpeaks, corrupting sons and brothers along the way. A generation later, Zhaitan arose in a cataclysmic event that reshaped a continent and flooded the capital of the human nation of Kryta. The races of Tyria stand on the edge of destiny. Heroes have battled against dragon minions, only to be corrupted into service of the enemy. Armies have marched on the dragons and been swep aside. The dwarves sacrificed their entire race to defeat a single dragon champion. The age of mortals may soon be over. This is a time for heroes. While the races of Tyria stand apart, six heroic individuals will come together to fight for their people: Eir, the norn huntress with the soul of an artist; Snaff, the asuran genius, and his ambitious assistant Zaija; Rytlock, the ferocious charr warrior in exile; Caithe, a deadly sylvari with deep secrets; and Logan, the valiant human guardian dealing with divided loyalties. Together they become Destiny's Edge. Together they answer the call. But will it be enough?

Uncover a riveting story of palace intrigue set in a sumptuous Asian-inspired fantasy world in the breakout YA novel that Publisher's Weekly calls "elegant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of people in Ikhra. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the guards are back and this time it's Lei they're after—the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent but oppressive palace, Lei and eight other girls learn the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed with an explosive plot that threatens her world's entire way of life. Lei, still the wide-eyed country girl at heart, must decide how far she's willing to go for justice and revenge.

First published in 2003, The NATO-led Operation Allied Force was fought in 1999 to stop Serb atrocities against ethnic Albanians in Kosovo. This war, as noted by the distinguished military historian John Keegan, "marked a real turning point . . . and proved that a war can be won by airpower alone." Colonels Haave and Haun have organized firsthand accounts of some of the people who provided that airpower-the members of the 40th Expeditionary Operations Group. Their descriptions-a new wingman's first combat sortie, a support officer's view of a fighter squadron relocation during combat, and a Sandy's leadership in finding and rescuing a downed F-117 pilot-provide the reader with an air war at the tactical level and the airpower that helped convince the Serbian president, Slobodan Milosevic, to capitulate.

The Psychosocial Implications of Disney Movies

Aisling Grey is a courier enjoying a free, work-related trip to Paris when she learns she's a Guardian. That's a keeper of the Gates of Hell, for those who don't know. She finds this out from Drake Vireo, who's scrumptiously sexy—at least in his human form. Now Drake has stolen the package Aisling was sent to deliver, and she must track him down, get the package, and try to resist the passion boiling inside her.

Let the Wild Hunt begin! Tortured. Broken. Laurence and Quentin need time to heal. A layover in New York offers just that, but then Quentin vanishes in the worst blizzard the city has ever seen, and all Laurence 's Hunter gifts aren' t enough to track him down. T wo gods have warred for centuries. One is trapped in Manhattan, and needs Laurence ' s aid if he ' s to continue his vendetta. The other is confined to Annwn, the Land of the Dead. He needs Quentin ' s help if he ' s to win once and for all. Unlike gods they ' ve encountered before, these ones aren' t frail. Not even close. But there really can be only one, and Laurence must fight to save Quentin before they both get trampled into dust. He can' t do it alone.

Twenty six year old Jesse Peterson knows he's not stupid, but nobody else seems to know that. They just see a good looking young man whose smile seems to be the brightest thing about him. So, when the store's newest customer, buying supplies for his kitten, asks Jesse out, he has trouble understanding why. Drew Oliver isn't most people. A high school teacher with a history of bad relationship choices, Drew is patient, loving, and doesn't care that Jesse is different. He just cares about being able to make Jesse smile as often as he can. Everyone seems to have an opinion about the differences between Drew and Jesse, few notice the things they share. Can their relationship survive the scrutiny and judgement passed by everyone around them? And when one of Drew's bad choices shows up, will love be enough to help them survive the aftermath?

An instant New York Time bestseller! Carry On meets Arthurian legend in this subversive, "delightfully original and whimsical." (Kirkus Reviews) young adult fantasy about what happens after the chosen one wins the kingdom and has to get married to keep it... and to stay alive. Arek had ' t thought much about what would happen after he completed the prophecy that said he was destined to save the Kingdom of Ere from its evil ruler. So now that he ' s finally managed to (somewhat clumsily) behead the evil king (turns out magical swords yanked from bogs don' t come pre-sharpened), he and his rag-tag group of quest companions are at a bit of a loss for what to do next. As a temporary safeguard, Arek ' s best friend and mage, Matt, convinces him to assume the throne until the true heir can be rescued from her tower. Except that she ' s dead. Now Arek is stuck as king, a role that comes with a magical catch: choose a spouse by your eighteenth birthday, or wither away into nothing. With his eighteenth birthday only three months away, and only Matt in on the secret, Arek embarks on a desperate bid to find a spouse to save his life—starting with his quest companions. But his attempts at wooing his friends go painfully and hilariously wrong...until he discovers that love might have been in front of him all along.

Read the New Testament from a biblical-theological perspective. Featuring contributions from nine respected evangelical scholars, this volume introduces each New Testament book in the context of the whole canon of Scripture, helping anyone who teaches or studies the Bible to apply it to the church today.

Deluxe Edition: Limited to 196 hand-numbered copies, full gilt-block goatskin, special endpapers, silk ribbon bookmarker, with slipcase. Fine condition New...This substantial work expounds the sorcerous ethos and praxes of the Crooked Path ritual system. Its contents include a cycle of ten extensive Mystery-rites, each accompanied by adjunctive symbolic rituals and detailed commentaries. Additional texts relate the intricacies of Sabbatic ritualization, as well as an extensive body of stellar lore and ritual.

When my father passed away, I took over our family business, saved it from the grips of bankruptcy and turned it into a multi-billion-dollar company, all by the age of thirty. After suffering a tragedy, I closed off my heart and myself to everyone. Anger had become my best friend and I'd never let anyone get close to me again. This was my life until a woman named Zoey Benson crossed my path. For the first time in over five years, I felt something. A feeling that I had long buried deep inside me. A feeling I never wanted to experience again. She wanted to be my savior and I sure as hell didn't want to be saved.

This is the extended and annotated edition including * an extensive annotation of almost 10,000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetheses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by certain Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and the various books were at those dates little kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Seasons of Sisterhood provides meditations for daily living inspired by the words of the women of Alpha Kappa Alpha Sorority. Founded in 1908 on the campus of Howard University in Washington, D.C., Alpha Kappa Alpha Sorority is the oldest Greek-lettered organization established by African American college-educated women. Since its founding, the women of Alpha Kappa Alpha Sorority have pursued a mission of service designed to promote unity among women and enhance the social stature of African Americans. The words of these women are powerful and inspiring - especially given the context of the social and political times in which they lived. Moreover, the messages that these women sought to convey have as much meaning and impact for today's reader as they did when they were first shared. Celebrate the history and contributions of the women of Alpha Kappa Alpha Sorority through meditations inspired by their words.

In Too Deep

New York Times bestselling author Lexi Ryan brings readers a sexy NFL player who's pulled out all the stops for one more chance with the love of his life. I have four months to make my wife fall in love with me or let her go forever. I loved Bailey Green long before she watched her loser ex take his last breaths. I held her while they lowered his coffin into the ground, stilled her shaking hands when the nightmares would tear her from sleep. I waited for her through her grief. But while she was always willing to let me in her bed, she refused to let me in her heart. Tired of playing second string to a dead man, I let her go. I moved to Florida to begin my NFL career and tried to pretend my perfect life didn't leave me empty. I'd almost given up. Until one drunken night in Vegas, we stumbled down the aisle and said, "I do." In exchange for the divorce she wants so badly, she's agreed to remain my wife until the end of the year. She has no idea the favors I've called in or the lies I've told to get her here, but if I succeed, none of that matters. My secrets always seemed justified, but Bailey has her own-secrets that explain why she always pushed me away, secrets that make me wonder if I should have let her. Now we're in too deep and I might lose the only girl I've ever loved and the best friend I've ever had. In Too Deep is a sexy and emotional novel intended for mature readers. It's the fifth book in the world of the Blackhawk Boys, but can be enjoyed as a standalone. Football. Secrets. Lies. Passion. These boys don't play fair. Which Blackhawk Boy will steal your heart? Book 1 - SPINNING OUT (Arrow's story) Book 2 - RUSHING IN (Christopher's story) Book 3 - GOING UNDER (Sebastian's story) Book 4 - FALLING HARD (Keegan's story) Book 5 - IN TOO DEEP (Mason's story)

Ages ago, the gods locked away a dangerous, powerful people... but the seal has been broken. The Blood Legacy Chronicles is an mpreg shifter series like you've never seen before. The adventurous journey begins in book one where the portal that separates our realm from that of Fae is broken. Over the course of the series, the legacy pack is slowly brought together and given the monumental task of fixing the rift and saving our world before the Fae come back to beguile, trick, maim and kill. A beguiling mix of fun, fantasy, friendship and family, this series will take your breath away. This bundle contains all seven books in this best selling series—all books are fully re-edited, freshly formatted, and guaranteed to give a serious case of the feels. Four brand-new, never been seen epilogues are included to show you what happened in the years after the ending. Note: this series is a spinoff from The Northern Pines Den from the same author. Included:Alpha's Dream -- Seer Clark and Dreamwalker Kent have always known that they were meant to be mates. From their fumbling first time to seeing their powers unfold, you'll fall in love with this "super duo"... and their trio of superbabies. Omega Found -- A halfling omega and his petite Irish alpha fox will charm you and keep you guessing. Omega's Destiny -- The twins of the super duo from book one,

Peter and Parker have been having a secret affair. Little did they know they were jumping the gun on what fate had in store for them. The "spideymen" are entrusted with a precious artifact when visiting the phoenix that will put a temporary fix on the portal. Alpha's Dom -- Efficient Jun is an omega dom who isn't quite sure what to do with the large, african alpha that he's been gifted by the fates. As for Tau, his lion patiently adores his feisty, howling omega. Alpha's Mark -- Hay/December. Sweet, shy Nina finds himself fated to mate the sexy Russian alpha, Ethan. Together, they have to fix the problem that was unleashed in book five to do their part of the epic quest. Alpha's Seal -- Hippie omega River and Mark, the quiet wolf from Maine have to figure out how to follow the clue and finally repair the rift in the portal--once they learn to trust each other. These books are all intended for 18+ readers only. They contain adults adulating in naughty, knotty ways and enough potty mouth language to make a sailor blush. Keep an eye out for exhibitionist garzoylees, an adorable phoenix and her faithful brown companion, a powerful goddess, two Fae princes, and a few beloved character appearances from the previous series. This bundle contains the complete series plus bonus epilogues for nearly 200,000 words of fun

After thousands of years... they're back.When Nathan wakes up in the home of a strange group of dragons after having been held hostage for months by a group of dragon hunters, he's overwhelmed by anxiety... until he hears it. Heartsong. Blinking his eyes, he looks over to see a sexy older alpha dragon kneeling at his bedside. His kind, crinkled green eyes and gray streaked hair set Nathan's heart on fire. Brick is a warrior in his prime, and looking for a mate has never been a top concern--not when his focus has been on protecting the Crown Prince of Novis. But his world completely shifts and instantly refocuses when he meets a sweet young man with bouncy blond curls whose heartsong Brick can't get enough of. From their very first meeting, Brick knows that he'll do anything to keep his mate safe, even if it means putting his life at risk to dismantle the Hunters' Guild and the newly risen Paragons of Purity from the inside out.Let our dragons take you to places you've never been before as they take down the hunters and their villainous leader... But if you don't like to fly, never fear... because the ground troops have rolled on out, and it's going to be a hilariously bumpy ride.Alpha Victorious is the fourth book in the Waking the Dragons series and features legendary hunks, an amazing Mama who will knock your socks off, adorable babies, four fae princes, and an HEA that will warm your heart. This 43k book contains mpreg and is 18+ only... did you really expect anything less from Susi Hawke and Piper Scott?

In this epic spiritual poem, Sri Aurobindo reveals his vision of mankind's destiny within the universal evolution. He sets forth the optimistic view that life on earth has a purpose, and he places our travail within the context of this purpose: to participate in the evolution of consciousness that represents the secret thread behind life on Earth.

When one defines "order" as a sorting of priorities, it becomes beautifully clear as to what Foucault is doing here. With virtuosio showmanship, he weaves an intensely complex history of thought. He dips into literature, art, economics and even biology in The Order of Things, possibly one of the most significant, yet most overlooked, works of the twentieth century. Eclipsed by his later work on power and discourse, nonetheless it was The Order of Things that established Foucault's reputation as an intellectual giant. Piouetting around the outer edge of language, Foucault unsettles the surface of literary writing. In describing the limitations of our usual taxonomies, he opens the door onto a whole new system of thought, one ripe with what he calls "exotic charm". Intellectual pyrotechnics from the master of critical thinking, this book is crucial reading for those who wish to gain insight into that odd beast called Postmodernism, and a must for any fan of Foucault.

From the #1 New York Times bestselling author of The Wrath and the Dawn, comes a sweeping, action-packed YA adventure set against the backdrop of Feudal Japan where Mulan meets Throne of Glass. The daughter of a prominent samurai, Mariko has long known her place—she may be an accomplished alchemist, whose cunning rivals that of her brother Kenshin, but because she is not a boy, her future has always been out of her hands. At just seventeen years old, Mariko is promised to Minamoto Raiden, the son of the emperor's favorite consort—a political marriage that will elevate her family's standing. But en route to the imperial city of Inako, Mariko narrowly escapes a bloody ambush by a dangerous gang of bandits known as the Black Clan, who she learns has been hired to kill her before she reaches the palace. Dressed as a peasant boy, Mariko sets out to infiltrate the Black Clan and track down those responsible for the target on her back. Once she's within their ranks, though, Mariko finds for the first time she's appreciated for her intellect and abilities. She even finds herself falling in love—a love that will force her to question everything she's ever known about her family, her purpose, and her deepest desires.

An awkward, traumatized omega and a patient alpha determined to court him properly... fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, Tom spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A dozen omegas, each with a secret superpower, who now must learn a whole new skill-how to thrive in a modern world. Not every brother emerged from their past unscathed, and Tom had the worst of it. His key to survival was a healthy respect for rules. Now that he's free, he's still a little bit obsessive and a whole lot compulsive. He's got anxiety, fear of change... and a list of plans for his future. None of which involved finding a fated mate. But if they had? His plans definitely wouldn't have been to meet his dream alpha while smelling of afterbirth and the blood of an enemy killed in defense of his pregnant brother-the same brother whose child he then had to deliver...post-shift and naked. If he'd been planning, if he'd made a list and checked it twice, Tom never could've designed an alpha more perfectly devoted than the delicious one fate put in front of him during one of the craziest days of his life... an alpha so patient, he insists on courting the skittish omega. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 85k full-length novel is Nick's story. Prepare yourself for a romantic courtship, a perfect first kiss, and more feels and giggles than you can handle. But then again, this is a Susi Hawke book so what else can you expect? Possible triggers for child abduction, trafficking both past and present, and haunting memories of past abuse that included both humiliation and the non-penetrative molestation of a teenager by a person in authority.

Billionaire Jack Babbaconni, who is gifted with leopard-shifting abilities, is strongly attracted to the mysterious Emma Reynolds, and so he hires her as his son's nanny in order to keep her close and under his protection.

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Sure, you think you know the story of the fearsome red dragon, Dragonia. How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers' call for aid. How nothing could stop those courageous souls from facing down the dragon. How they emerged victorious and laden with treasure. But, even in a world filled with epic adventures and tales of derring-do, where dragons, goblins, and unlicensed prestidigitators run amok, legendary heroes don't always know what they'redoing. Sometimes they're clueless. Sometimes beleaguered townsfolk are more hapless than helpless. And orcs? They're not always assholes, and sometimes they don't actually want to eat your children. Heloise the Bard, Erithrea's most renowned storyteller (at least, to hear her tell it), is here to set the record straight. See, it turns out adventuring isn't easy, and true heroism is as rare as an articulate villager. Having spent decades propagating this particular myth (which, incidentally, she wrote), she finally able to tell the real story—for which she just so happened to have a front-row seat. Welcome to Erithrea. I hope you brought a change of undergarments—things are going to get messy.

Adorably naive and shockingly brilliant Harrison Lessardi only needs two things in life: his pet iguana, Steve, and his undying love of science. That is until he witnesses his best friend lay eggs, and a third must-have strolls into his apartment—the sardonic and mischievous Everard Drake. Everard Drake, celebrated doctor of the tremendously wealthy Drake family, has one goal in mind when he arrives at the scene of his youngest brother's latest disaster: incinerate Harrison Lessardi. Unfortunately for Everard, the moment he spots Harry, incineration becomes an impossibility—he must have the gorgeous beta as his own, even if it means holding him captive on his estate. But something else lurks behind Everard's interest in Harry—something that tugs at Everard's soul in impossible ways, and that will send Everard and Harry down a rabbit hole of discovery that will change the world as they know it. An alpha and a beta can't share a bond. Can they? Bond is a 78,000 word steamy omegaverse mpreg-ish romance that will leave you in stitches. It contains an unexpectedly consensual kidnapping; giant magical lizards; an iguana with a full wardrobe named Steve; and a HEA that may, or may not involve mosquito nets.

Friedrich Hölderlin's only novel, Hyperion (1797–99), is a fictional epistolary autobiography that juxtaposes narration with critical reflection. Returning to Greece after German exile, following his part in the abortive uprising against the occupying Turks (1770), and his failure as both a lover and a revolutionary, Hyperion assumes a hermitic existence, during which he writes his letters. Confronting and commenting on his own past, with all its joy and grief, the narrator undergoes a transformation that culminates in the realisation of his true vocation. Though Hölderlin is now established as a great lyric poet, recognition of his novel as a supreme achievement of European Romanticism has been belated in the Anglophone world. Incorporating the aesthetic evangelism that is a characteristic feature of the age, Hyperion preaches a message of redemption through beauty. The resolution of the contradictions and antinomies raised in the novel is found in the act of articulation itself. To a degree remarkable in a prose work of any length, what it means is inseparable from how it means. In this skilful translation, Gaskill conveys the beautiful music and rhythms of Hölderlin's language to an English-speaking reader.

Jesse's Smile

The Independent

The Sailor's Word-book

After thousands of years, they're back...Proud dragon warrior and healer Sana has a secret...one that may forever turn his friends against him, and one that he'll do anything to keep. He's worked too hard to keep who he truly is from the world, and he refuses to let the charade drop, even after waking up thousands of years in the future. But when Peter walks into his life and wakes his heartsong, he knows it's a secret he won't be able to hide much longer. With his muscular body and incredible strength, Sana is decidedly alpha in appearance, but Peter is no omega, and that means...Human lie detector and reformed dragon hunter Peter will stop at nothing to figure out why there's music in his heart whenever Sana is around...and why that music makes him feel like he's known Sana his whole life. Peter's been with other alphas, but the way Sana makes him feel is unlike anything he's experienced before. But as his attraction to Sana builds at breakneck speeds, so too does the danger they face. The Master Guardian is still on the loose, and the hunters are still under his control... and as a former hunter, Peter may be the key to taking them down.Can fated mates still so new in their relationship survive the perils of the Hunters' Guild and rise victorious? Buckle up and let our dragons take you on a ride you'll never forget... straight into the Alpine Compound, and the dangers therein. Alpha Deceived is the third book in the Waking the Dragons series and features men as hot as dragonfire, a life-changing secret, a prehistoric version of a certain laundry pod challenge, and a HEA just as legendary as the dragons in it. This 52k book contains mpreg and is 18+ only... did you really expect anything less from Susi Hawke and Piper Scott?

Noted New Testament scholar Poythess provides an understandable and practical look into Revelation in this insightful commentary. Poythess focuses on Revelation's core message and ensures that its details do not cloud the big picture. He shows Revelation to be a picture book, not a puzzle book, relevant and applicable to the daily lives of Christians.

After thousands of years, they're back...Awkward outcast omega Emery Jones isn't expecting to find anything more than adventure when he leaves his favorite hiking path and follows a strange series of markers through the woods... and he's certainly not expecting to come face to face with the most gorgeous man he's ever seen. He's instantly smitten, but there's one problem—his dream guy insists that he's a dragon prince from another time, and Emery is his fated mate!After thousands of years in stasis, Coryphaeus of Novis, the draconian Crown Prince, has been awakened by a kiss from his fated mate. But when the shy little omega denies his draconian heritage and tells Cory that dragons are nothing more than fairytals, Cory knows that the world isn't as he remembers it. The dragons that once ruled the world are gone.It's too bad the threat they previously faced hasn't gone extinct, too...Alpha Awakened is the first book in the Waking the Dragons series and features literally rock-hard hunks, a mom who knows way too much, a perilous threat that transcends time, and a HEA just as legendary as the dragons in it. This 52k book contains mpreg and is 18+ only... did you really expect anything less from Susi Hawke and Piper Scott? Let our dragons sweep you off your feet... and into the starry night skies of Eureka Springs!

After thousands of years, they're back...Paranoid inventor and draconian expert Sam isn't anything special... and that's all he wants anyone who may be watching to think about him. Sam is a conspiracy theorist who likes to keep a low profile while he does what he knows best—study the ancient draconian culture that he knows isn't a fairytale. Aided by his intuitive ability to create gadgets and harness sound waves, Sam changes identities and addresses as often as he changes his clothes... all in a life-long quest to evade The Man. When he accidentally wakes a "sleeping" dragon who insists that they are mates, Sam's carefully structured world shifts sideways.Blaze is a dragon warrior—an alpha guardian assigned to protect the Crown Prince of Novis. When he and his men at arms are sent into stasis after a battle for their lives, the last thing he expects after being awakened is to find himself thousands and thousands of years in the future. Not only is he now in a modern world where his kingdom no longer exists, but the people here believe dragons are nothing more than mythological creatures. The sooner he can make it back to his adorably awkward omega who freed him from stasis given the alpha all the reasons he needs to quickly acclimate to the changes the fates have thrown his way. But first, he needs to make Sam see reason and admit that not only is he an omega, but also Blaze's mate.Is Sam truly paranoid if someone is watching them? Settle in and let our dragons sweep you off your feet... and into a world filled with adventure!Alpha Ablaze is the second book in the Waking the Dragons series and features literally rock-hard hunks, Burning Wild

The Devoted Alpha

The Order of Things

The Returning King

"She is mine to protect, mine to shelter, mine to feed and mine to cover. When she is weak, I shall be her strength. She was stolen from her world by our captors. Now her survival is my responsibility. It is her duty to endure my lust, respect my nest mates and honour our union with offspring. I revere this giver of life, as is the way." - Venomous One, formerly of Rök, enslaved Glandator Abducted from Earth and transported to a slave planet in an unknown galaxy. Lumen finds herself, shackled, naked and put on display before an alien horde. Told the males will battle for the right to slake their lusts with her body, she would become the slave of slaves. Venomous One, a proud warrior enslaved, has given up hope of returning to his home world and finding a life mate. When a female is tossed into the arena his soul demands he claim her. Winning his mate by Right of Might, he vows to protect Lumen and be a good provider, no matter how ugly her human appearance. Rescued by 'Venomous' people, the couple face space pirates, the condemnation of an alien government, galactic war, and a deadlier threat from within the warrior's own kindred.
