Complete Method for Clarinet By C. Baerman Edited by Gustave Langenus A book of over 60 exercises and scales for B flat clarinet. One of the most important methods for the instruction of the clarinet, this complete edition revised and enlarged by Gustave Langenus is an important foundation for all clarinet students. The method teaches the student musicianship, theory, articulation and a solid approach to playing the clarinet. -----

----- Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high-quality reproductions of original, classic printed works at affordable prices. This book has been carefully crafted to utilize the original images of antique books rather than error-prone OCR text. This also preserves the work of the original typesetters of these classics, unknown craftsmen who laid out the text, often by hand, of each and every page you will read. Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today, and gave each book a unique, hand-crafted feel in its text that connected the reader organically to the art of bindery and book-making. We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning, and their vintage feel provides a connection to the past that goes beyond the mere words of the text.

Hawai'i's legendary jazz musician Gabe Baltazar Jr. has thrilled audiences since the late 1940s with his powerful and passionate playing. In this, the first book on his life and career, Gabe takes readers through the highs, lows, and in-betweens on the long road to becoming one of the very few Asian Americans who has achieved worldwide acclaim as a jazz artist. At a young age Gabe was encouraged by his father, an accomplished musician, to take up the clarinet and saxophone. As a teenager during World War II, Gabe performed with the Royal Hawaiian Band but spent his weekends playing in swing bands. After establishing himself in the West Coast jazz scene, in 1960 he rose to prominence as lead alto saxophonist of the Stan Kenton Orchestra. Following a four-year stint with Kenton, Gabe worked as a

valued studio musician, recording with Dizzy Gillespie, Oliver Nelson, and James Moody, among others. In 1969 he returned to Honolulu and went on to become Hawai'i's premier jazz artist, a role he admirably fulfilled for over forty years. Even into his eighties, Gabe remained active in jazz education and performed regularly. Gabe's memorable encounters with some of the greatest names in jazz and popular entertainment will delight music fans, while readers of Hawai'i and Asian-American life-writing will find in this work a fond record of days past told with humor and heart.

It's 1945. American soldiers return home to ticker tape parades and overjoyed families; Private First Class Donny Novitski, singer and songwriter, returns with the hope of rebuilding his life with just the shirt on his back and a dream in his heart. When NBC announces a national competition to find the nation's next swing band sensation, Donny joins forces with a motley group of fellow veterans, and together they form a band unlike any the nation has ever seen. However, complicated relationships, the demands of the competition, and the challenging after-effects of war may break these musicians. But, when Donny meets a beautiful, young singer named Julia, he finds the perfect harmony in words and music that could take this band of brothers all the way to the live radio broadcast finale in New York City. Victory will require every ounce of talent, stamina, and raw

Leonard Cohen is one of the great writers, performers, and most consistently daring artists of our time. Book of Longing is Cohen ' s eagerly awaited new collection of poems, following his highly acclaimed 1984 title, Book of Mercy, and his hugely successful 1993 publication, Stranger Music, a Globe and Mail national bestseller. Book of Longing contains erotic, playful, and provocative line drawings and artwork on every page, by the author, which interact in exciting and unexpected ways on the page with poetry that is timeless, meditative, and at times darkly humorous. The book brings together all the elements that have brought Leonard Cohen ' s artistry with language worldwide recognition.

Following his much-acclaimed The Baroque Clarinet and The Clarinet in the Classical Period, Albert R. Rice now turns his signature detailed attention to large clarinets - the clarinet d'amour, the basset horn, the alto clarinet, bass and contra bass clarinets. Each chapter is devoted to a specific instrument, and offers a fascinating insider's look at its defining characteristics, a comprehensive history of its evolution, meticulously-

Online Library Alto Clarinet Book 1 Premier Performance An Innovative And Comprehensive Band Method

researched information on its makers and aspects of construction, and a thorough discussion of its music. Rice illustrates how the introduction of large clarinets into chamber ensembles, wind bands, and opera orchestras was the result of experiments meant to address specific musical needs. Along the way, he brings to life the musicians, virtuosi, soloists, and orchestral and band musicians, as well as the instruments' makers and the composers from J. C. Bach to Smetana who wrote for them. Based on careful study of primary sources - musical compositions, patents, memoirs and diaries, and unfettered access to historical instruments themselves--Rice's expert presentation is nothing short of exhaustive. From the Clarinet d'Amour to the Contrabass will engage all who love the clarinet and its music.

THE BEETHOVEN DUETS By Joe Procopio The Beethoven Duets by Joe Procopio is a collection of duets that artist -composer Joe Procopio has adapted and arranged from the 9 Scherzi found in Ludwig van Beethoven's 9 Symphonies. These duets are the first of their kind in history making them noteworthy, unique and valuable. Each Scherzo is published not only for Clarinet but also for many other orchestral instruments. They are published individually for each instrument; in a Three Volume Collection with 3 Scherzi in each volume; and in a Complete Collection containing

all three volumes. They are also available as a CD. Volume One has Scherzo No.1, Scherzo No. 2 and Scherzo No.3. Volume Two has Scherzo No.4, Scherzo No 5 and Scherzo No.6. Volume Three has Scherzo No.7, Scherzo No.8 and Scherzo No.9. The Complete Collection has all 3 Volumes for each instrument with all 9 Scherzi. What's more they will soon be published in the Procopio PlayAlong Music Program. This is an exclusive MP3 music audio program personally designed and developed in which Player 1 plays along with a music audio track for Player 2. "To be sure, The Beethoven Scherzi Duets for Clarinet are a marvel of Beethoven's skill with sections reaching the sublime. It is my deep felt personal belief that these Scherzi will bring you great pleasure and long lasting satisfaction." Joe Procopio AN INTRODUCTION TO THE BEETHOVEN DUETS By Joe Procopio Because of the complexities, range and sonorities inherent in all of the Beethoven Symphonies, it may seem impossible to transcribe any one movement as a duet that is true to the composer. Nevertheless, I believe these duets contain the heart, soul and essence of Beethoven's melodies, rhythms and expressions; even though these works are tiny when they are compared to the Master's great musical creations which have no equal. In fact, there is no comparison. However, my sincere hope is that since I have rendered some of Beethoven's music as duets, his music is now more readily available to all permitting a greater number of musicians and all the people who hear their performances to come to know and love a bit of the world's most

Online Library Alto Clarinet Book 1 Premier Performance An Innovative And Comprehensive Band Method

valuable, breathtaking and beautiful music. In truth, Beethoven's music has stood the test of time. He astonished people in his day whenever he performed his music or had his music played. He still does today. To be sure, his music has enhanced and enriched the lives of many of us for over 200 years. In performing and listening to these Scherzi you will find the whole of each work a marvel of Beethoven's skill with sections reaching the sublime. Few composers have been able to write down on paper music of such incredible beauty that it reflects the awesome splendor of God's creation. What comes to mind immediately is Beethoven's "Pastoral" Symphony No. 6. It has been said, that much of his music mirrors not only the magnificence of God's creation but also the radiance of God the Creator himself. In any event, this music is simply amazing and awe-inspiring. A joy to listen to and to play. I know and can safely say without any hesitation or reservations that this collection will bring you much enjoyment.
