*Daddy by DefaultHarlequin*

*Present Day. After tragedy plunges her into grief and unresolved anger, Sarah Ashby returns to her childhood home determined to finally follow her long-denied dream of running Old Depot Grocery*

*alongside her mother and grandmother. But when she arrives, her mother, Rosemary, announces to her that the store is closing. Sarah and her grandmother, Glory Ann, make a pact to save the store, but Rosemary has worked her entire life to make sure her daughter never follows in her footsteps. She has her reasons--but she'll certainly never reveal the real one. 1965. Glory Ann confesses to her family that she's pregnant with her deceased fiancé's baby. Pressured into a marriage of convenience with a shopkeeper to preserve the family reputation, Glory Ann vows never to love again. But some promises are not as easily*

*kept as she imagined. This dual-timeline story from Amanda Cox deftly explores the complexity of a mother-daughter dynamic, the way the secrets we keep shape our lives and the lives of others, and the healing power of telling the truth.*

*CHRISTIANITY TODAY'S PASTORAL/CHURCH LEADERSHIP BOOK OF THE YEAR 2017 "In my first seminary class, we were asked to introduce ourselves and say why we enrolled. I'll never forget what one student said... 'My denomination wants me to have an M.Div., but once they see I can grow a big church, I don't think they'll make me finish the*

*program.” The priorities of this future pastor were startling, but he’s not alone in them. In the years since that class, author and minister Skye Jethani has seen more and more pastors swallowed by the celebrity syndrome. Not long ago, ministers were among the most trusted and admired people in our culture. But not anymore. A 2013 study from Gallop revealed that Americans’ admiration for clergy has reached an all-time low. That, taken with reduced trust of institutional religion overall, makes it easy to see why ministers feel insecure about their calling. In response to this trend, some pastors have looked to emulate those*

*who are praised by the culture—business leaders, entertainers, and social activists. This has led to a new understanding of what a minister should be. We've turned away from viewing our pastors as shepherds, and now expect them to be celebrities. Immeasurable will help ministers recognize the cultural forces shaping their view of the calling, and then reimagine what faithful church leaders can look like in the twenty-first century. Through short essays and reflections on the pastor's soul and skills, this book will help prospective pastors explore their calling to ministry, and it will help veteran pastors*

*reframe their vision for the work. Drawing on cultural dynamics, personal stories, and his own experience working in a church and with church leaders, Skye Jethani will address matters like ambition, anger, community, consumerism, fame, health, justice, platform, preaching, rest, simplicity, success, vision, and more. There are endless resources to help pastors do the practical work of ministry, but there are far fewer that speak to the pastor's soul and spirit. Immeasurable provides affirmation and encouragement for church leaders faithfully serving God. It commends the true work of*

*ministry—shepherding, teaching, encouraging—while redefining what we mean by success in ministry. It's a book church leaders can return to again and again for insight and inspiration.*

A delightful new cozy mystery from USA Today bestselling author Amanda Flower! There's fowl play afoot on the farm Shiloh Bellamy has saved her family's farm from financial ruin—but now what? She's barely scraping by on the farm's new organic business model and the fall festival she organized to drum up business comes to a screeching halt when the body of a prominent townswoman is discovered

underneath a scarecrow in a nearby field. Worst of all, the evidence points to Shiloh's childhood best friend, Kristy, as the prime suspect. Between cooking up delicious treats made with her farm's produce, convincing her cantankerous father to let her do things her own way, and dealing with a newcomer in town who could be serious competition for her customers, Shiloh doesn't have time to wade into a murder investigation. But with a killer on the loose and suspicious activity circling closer and closer to Shiloh and the people she loves, she realizes there's nothing to do but roll up her sleeves and get

down to the dirty work of finding the killer and clearing Kristy's name once and for all. This book is perfect for cozy mystery readers and fans of Kate Carlisle, Denise Swanson, and Bree Baker!

*parents to be with Cooper. As they embark on their journey together, Cooper tells Keira about his long-lost mother and her tribe, The Torches, a race of positive vampires, rival enemies to the Shadow Vampires. Separated from her at birth, Cooper is determined to find his mother, and to follow the clues and his magical ring that will lead him to her. Keira is determined to find out more about who she is becoming, too, and where her new powers are coming from mysterious powers that are growing by the day. Is she a vampire, too?*

*Where is her strength coming from? What is her destiny? Keira and Cooper continue on their fantastical journey to mysterious islands in Lake Michigan. They manage to find Cooper's mother and her tribe but once there, Keira has to confront a beautiful young Torch woman, Tua, who falls in love with Cooper and is determined to make him her own. Keira is forced to face danger alone at a club in Chicago, and to go back home and face her family and her old high school where she realizes that she is no longer welcome.*

*Worse, the Shadow Vampires won't let them rest. They hunt them down, and enlist their most gorgeous soldier the teenage Percy to seduce Keira's sister, Amanda, and have her lead them to her. Amanda, despite herself, falls deeply in love, and Percy finds himself feeling unexpected feelings of his own. Will he have to betray his tribe? Keira and Cooper, too, are falling more deeply in love with each other but life circumstances seem determined to pry them apart. Will their love withstand the test? Will Keira find*

"A wonderful mix of paranormal and historical romance . . . [an] utterly romantic story" from the New York Times-bestselling author of *Dark of the Moon* (Harlequin Junkie). Beauty Fair of face and figure, Kristine is young, innocent, pure. Yet she has been

condemned to the gallows for killing a man. The only one who can save her is a lord so infamous that some say he is the son of the Devil himself . . . And the Beast Erik Trevayne is called the Demon Lord of Hawksbridge Castle, but few know of the curse he lives under. Or the terrifying changes slowly gnawing away at his humanity. When he weds her, all he wants of Kristine is a son. But when he beds her, a wild hope is born—that love that can tame even the most monstrous of beasts . . . storyteller.” —RT Book Reviews

Want to see the future? It is brighter than you think. What we believe about tomorrow determines how we live today. As Christians debate how to faithfully engage with our rapidly changing world, our vision of the future has never been more important. But rather than providing a clear sense of purpose for our lives, popular Christian ideas about the future steal it from us by saying our work in the world, apart from ministry, has no eternal value. Is it any wonder why young adults are less interested in church, or why a culture desperate for meaning and hope dismisses our

message? In Futureville, Skye Jethani offers us a vision-shifting glimpse of the world of tomorrow described in Scripture. He reveals how a biblical vision of the future can transform every person's work with a sense of purpose and dignity today. Futureville is a smart, inspiring call to cultivate the order, beauty, and abundance that reflects the heart and vision of God for our world.

To escape her former life and everyone in it, food writer Lorelai Erland relocates to a tiny, seemingly idyllic hamlet in the middle of the Rocky Mountains of northwestern Wyoming. There, she owns and operates

a bookstore on Main Street, attempting to blend in and carry on a life of anonymity: a goal Lorelai soon finds is impossible to realize in the town of Langley. From the Elvis impersonator/illusionist to a woman who makes "spiritual house calls," Lorelai begins to notice the oddities her neighbors exhibit on a daily basis. Lorelai finds kinship in Edie Waters, the hard-partying, neurotic schoolteacher struggling with a dead-end relationship of her own, and Eric Southerland, the handsome but hardheaded lawyer, also new to the town. By hiring help in the bookstore, Lorelai also provides security and protection to sixteen
