Gorillas

"Developed by literacy experts for students in kindergarten through grade three, this book introduces gorillas to young readers through leveled text and related photos"—The #1 New York Times bestselling and Newbery Award-winning novel *The One and Only Ivan* is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!

Amazing Gorillas! is the third paperback title in an exciting series of non-fiction *I Can Read Books* that features kids' favorite animals and spectacular photographs from the Wildlife Conservation Society (WCS). The exceptional writing and design of the *I Can Read Books*—paired with WCS's global research and conservation efforts, educational programs, and stunning photographs—make this a standout series for children, caretakers, and teachers!

Little Gorilla's family and friends try to help him overcome his special growing pains. The real life experience of Koko, a gorilla in California who uses sign language, with a young kitten whom she loved and grieved over when it died.

The Remarkable True Story of the Shopping Mall Gorilla

I Am a Gorilla

Ivan

Little Gorilla

Summoned to the Great Gorilla Villa by King Big Daddy to meet the newest member of their family, ten gorillas arrive on time using various forms of transportation, including hot-air balloon, taxicab, and pogo stick.

The Gorilla has distinct physical features that can truly scare anything that encounters this beast. It has a wide stomach, arms longer than their legs and a bulging forehead! Their arms are very strong because they need them for swinging on tree branches, walking and getting food. The gorilla is the largest ape on earth. People say that gorillas are intelligent and have characteristics that are similar to humans. Is this really so? How do gorillas behave? How have they shown their intelligence? Are they social animals? How do they take care of their young? Why does the male gorilla beat his chest and scream out loud? These and many other questions will be answered in this book. You will also learn many amazing facts about the gorilla. You will learn what a Silveback is, what a troop is and how they live life with each other. You will also learn how and what they eat and their most curious way of drinking water. They have some peculiar ways when it comes to their territory. And do they have predators? Find out more about them in this book. To add to the excitement of learning we have added more than 20 colorful photos of gorillas in their habitat. As your children read on they can create images in their minds that can help them fully understand the life of the animal they are reading about.

Learn about gorillas and the amazing ways they protect each other in the wild. Readers will also learn about where

gorillas live, what they eat, etc. This title pairs simple text with vibrant photographs. Aligned to Common Core Standards and correlated to state standards. Abdo Kids is a division of ABDO.

Explore the lives of gorillas with Ranger Rick in this beginning reader with full-color photos of gorillas in the wild! What if you wished you were a gorilla and then you became one? Could you eat like a gorilla? Sleep like a gorilla? Live in a gorilla family? And would you want to? Find out! Ranger Rick explorers can learn all about gorillas in this reader full of fascinating facts, vivid wildlife photographs, a Wild Words glossary, and a hands-on activity about how to make a snack like a gorilla! Ranger Rick: I Wish I Was a Gorilla is a Level One I Can Read, which means it's perfect for children learning to sound out words and sentences. Whether shared at home or in a classroom, the short sentences, familiar words, and simple concepts of Level One books support success for children eager to start reading on their own. Willy the Gorilla imitates the other animals at the zoo, but despite pretending he remains always a gorilla.

Ranger Rick: I Wish I Was a Gorilla

My Favorite Animal: Orangutans

Hannah loves gorillas but has never seen one in real life. For her birthday, Hannah asks her father for a gorilla but is disappointed when she discovers that the gorilla she's received is just a toy one. It's fight time for the gorilla and the leopard! One animal is The Showy Silverback, and the other animal is The Treetop Terror. Both fighters know how to use strategy for their benefit. But which one will be crowned champion of the Jungle War?

Classic movies show giant gorillas scaling tall buildings and swatting planes from the sky, but actual gorillas are gentle social animals that live together in family groups like humans. In fact, gorillas are one of the closest genetic matches to people. And just like humans, gorillas can shriek chuckle hiccup even burp! Award-winning science writer Seymour Simon has teamed up with the Smithsonian Institution to bring you an updated edition of his classic full-color photographic introduction to these fascinating animals.

Follow a group of gorillas through the African rainforest and learn how they live, and how they need help to survive. Gorillas are smart, strong, and shy animals that live all over the rainforests in Africa. They live together in families called social groups in order to protect and support each other, but even so, they face ever-growing dangers every day from predators and humans. To find the best ways to help, we also need to learn how they live and adapt to their environment. In this easy introduction, young readers can discover information about how these primates live, how they eat and raise their young, and their physical characteristics. This new and updated edition of Gorillas contains the latest facts from a professor of ecology and evolutionary biology. Explore the World with Gail Gibbons is an exciting collection of simple, factual information for those curious about the world around them, and Gorillas is an especially detailed and attractively illustrated addition.

Dian Fossey was fascinated with the sad plight of the mountain gorilla and went to Africa. She imitated the gorillas' sounds and habits and came to know them individually. After several of her favorite gorillas were killed, she became impassioned about stopping the poaching and the destruction of the gorillas' natural habitat. Her research and her book, Gorillas in the Mist, led to current efforts to protect this endangered species.
