Why would the pastor of a large and successful church risk everything in a quest to find a richer, deeper, fuller Christianity? In Water To Wine Brian Zahnd tells his story of disenchantment with pop Christianity and his search for a more substantive faith. "I was halfway to ninety-midway through life- and I had reached a full-blown crisis. Call it garden variety mid-life crisis if you want,

but it was something more. You might say it was a theological crisis, though that makes it sound too cerebral. The unease I felt came from a deeper place than a mental file labeled "theology." I was wrestling with the uneasy feeling that the faith I had built my life around was somehow deficient. Not wrong, but lacking. It seemed watery, weak. In my most honest moments I couldn't help but notice that the faith I knew seemed to lack the kind of robust authenticity that made Jesus so fascinating. And I had always been utterly fascinated by Jesus. What I

knew was that the Jesus I believed in warranted a better Christianity than what I was familiar with. I was in Cana and the wine had run out. I needed Jesus to perform a miracle." -Water To Wine

Luka McKane stops her in her tracks. Luka is the vicar's rebellious son and Chelsea's first love from sixteen years ago—the one she never got out of her system, the one who still occasionally haunts her dreams. When Luka decides to stay in the village indefinitely, Chelsea makes the best of it by choosing to ignore their rocky past and start fresh with him, as friends. But when Chelsea and Luka begin inching closer together, the lines of their friendship blur, and they're forced to face their troubled past. Chelsea must decide whether loving Luka is worth the risk, a second time around.

Aimed at health care professionals, this book looks beyond traditional information systems and shows how hospitals

and other health care providers can attain a competitive edge. Speaking practitioner to practitioner, the authors explain how they use information technology to manage their health care institutions and to support the delivery of clinical care. This second edition incorporates the far-reaching advances of the last few years, which have moved the field of health informatics from the realm of theory into that of practice. Major new themes, such as a national information infrastructure and community networks, guidelines for case management, and community education and resource centres are added, while such topics as clinical and blood banking have been thoroughly updated.

A three-year pattern of lectionary readings has come into widespread use over the past generation within many churches. Since its release in 1992 the three-year Revised Common Lectionary has had a significant influence ecumenically on worship and its preparation. Now the ecumenical consultation responsible for the Revised Common Lectionary is releasing a set of proposed prayers specifically designed for use with the calendar of readings in the RCL. The Consultation on Common Texts sought to prepare a truly ecumenical set of prayers that represent the full spectrum of Christian tradition in all its diverse richness.

folk hymns of oral tradition and written in the old four-shape notation that was for generations the foundation of musical teaching in rural America. Born in 1809 in South Carolina, William Walker grew up near Spartanburg and early became devoted to the Welsh Baptist Church of his ancestors and to the musical heritage that church had brought to early America. Walker became a singing master, and Southern Harmony was compiled for his students in hundreds of singing schools all over North and South Carolina and Georgia and in eastern Tennessee. Southern Harmony reached Kentucky in the company of music-loving pioneers, and today an annual singing in Benton, Kentucky, remains the only such

“Revelatory . . . one of the most briskly revealing pieces of jazz biography that I’ve read.” —Richard Brody, The New Yorker When Billie Holiday first stepped into a recording studio in November 1933, it marked the beginning of what is arguably the most remarkable and influential career in twentieth-century popular music. Her voice weathered countless shifts in popular taste, and today new reincarnations of her continue to arrive, most recently in the form of singers like Amy Winehouse and Adele. Most of the writing on Holiday has focused on the tragic details of her life—her prostitution at the age of fourteen, her heroin addiction and

Get Free Amazing Grace Whitmill

alcoholism, her series of abusive relationships—or tried to correct the many fabrications of her autobiography. But Billie Holiday strips away the myths and puts her music front and center, staying close to her artistry, her performance style, and the self she created and put on record and onstage. Drawing on a vast amount of new material that has surfaced in the last decade, critically acclaimed jazz writer and musician John Szwed presents not just a biography, but a meditation on Billie Holiday's art and its relation to her life. Along the way, he illuminates her influences, her uncanny voice and rhythmic genius, her signature songs—including Strange Fruit and God Bless the Child—and her enduring legacy as the greatest jazz singer of all time.

Mozart was fascinated, amused, aroused, hurt, and betrayed by women. He loved and respected them, composed for them,

performed with them. This unique biography looks at his interaction with each, starting with his family (his mother, Maria Anna and beloved and talented sister, Nannerl), and his marriage (which brought his 'other family', the Weber sisters). His relationships with his artists are examined, in particular those of his operas, through whose characters Mozart gave voice to the emotions of women who were, like his entire female acquaintance, restrained by the conventions and structures of eighteenth-century society. This is their story as well as his -- and shows once again that a great part of the composer's genius was in his understanding and musical expression of human nature. Evocative and beautifully written, Mozart's Women illuminates the music, the man, and above all the women who inspired him.
