

America A Concise History 5th Edition

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A compelling story of agency, survival, struggle and triumph over adversity. This text illuminates the central place of African Americans in U.S. history by telling the story of what it has meant to be black in America and how African-American history is inseparably woven into the greater context of American history. African Americans draws on recent research to present black history within broad social, cultural and political frameworks. From Africa to the 21st century, this book follows the long turbulent journey of African Americans, the rich culture they have nurtured throughout their history and the quest for freedom through which African Americans have sought to counter oppression and racism. This text also recognizes the diversity within the African-American sphere, providing coverage of class and gender and balancing the lives of ordinary men and women with accounts of black leaders. Note: MyHistoryLab does not come automatically packaged with this text. To purchase MyHistoryLab at no extra charge, please visit www.MyHistoryLab.com or use ISBN: 9780205090754.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge new scholarship, the seventh edition of America's History is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths – balance, comprehensiveness, and explanatory power – as well as its outstanding visuals and extensive primary-source features, authors James Henretta, Rebecca Edwards, and Robert Self have shaped America's History into the ideal resource

for survey classes.

America

Fifth Edition, One Volume

African Americans

America: A Concise History, Volume II: Since 1865

Korean Americans: A Concise History

Give Me Liberty! An American History

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

America's History, Combined Volume

America a Concise History 3rd Volume 1 + Documents to Accompany America's History 5th Volume1 + History Matters & Maps in Context

"...presents an overview of the American experience.... [shows] students not only what happened but why" - Back cover
First Along the River introduces students to the U.S. environmental movement. Concise, accessible, and informative, the book provides students with a balanced, historical perspective on the history of the environmental movement in relation to major social and political events in U.S. history. The book highlights important people and events, places critical concepts in context, and shows the impact of government, industry, and population on the American landscape. The fourth edition includes a new chapter that covers the entire environmental record of the George W. Bush administration and the early record of the Obama administration.

America's History, Volume 1: To 1877

A PDF-style e-book

Using a thematic approach, this concise survey explores the many and varied threads of American history-social, intellectual, cultural, political, diplomatic, economic, and military-from the arrival of the first native American inhabitants thousand of years ago throught the crisis following the terrorist attacks on New York and Washington on September 11, 2001. Irwin Unger, a Pulitzer Prize winning author, wrote this book after discovering from his own experiences teaching American History at the University of California at Davis and at NYU, that a thematic approach was much more interesting to students than a purely descriptive one.

Expertly steering readers through the often tumultuous and exhilarating history of the United States, from its early modern Native American roots to twenty-first-century neoliberalism and the shifting political climate of the past decade, this highly readable textbook provides a compelling overview of American development over the last five centuries. This book avoids either celebratory or condemnatory rhetoric to present a critical examination of domestic America and its interaction with the rest of the world. Balancing coverage of political, social, cultural, and economic history, each chapter also includes a wealth of features to facilitate learning: Timelines situating key events in their wider chronology Lists of topics covered within each chapter for easy reference Concept boxes discussing selected issues in more detail Historiography boxes exploring key debates Chapter summaries offering condensed outlines of the main themes of each chapter Further reading lists guiding readers to additional resources Maps and images bringing to life important events and figures from America's history Clearly and engagingly written and positioning America's narrative within the wider global context, this textbook is particularly accessible for non-US students and is the perfect introduction for those new to US history. This textbook is also supported by a companion website offering interactive content including a timeline, multiple-choice quizzes, and links to selected web resources.

Known for its interpretive voice, balanced analysis, and brief-yet-comprehensive narrative, America: A Concise History helps students to make sense of it all while modeling the kind of thinking and writing they need to be successful. Offering more value than other brief books, America is competitively priced to save your students money, and features built-in primary sources and new ways of mastering the content so your students can get the most out of lecture and come to class prepared.

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge scholarship, the Fifth Edition of America: A Concise History is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths—balance, explanatory power, and a brief-yet-comprehensive narrative—as well as its outstanding full-color visuals and built-in primary sources, authors James Henretta, Rebecca Edwards, and Robert Self have shaped America into the ideal brief book for the modern survey course, at a value that can't be beat.

This concise, accessible book describes American music as a panorama of distinct yet parallel streams--hip-hop and Latin; folk and country; gospel and classical; jazz, blues, and rock--that reflect the uniquely diverse character of the United States. Comparing and contrasting musical styles across regions and time, the author delivers a vision of American music both exuberant and inventive--a music that arises out of the history and musical traditions of the many immigrants to America's shores. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Korean Americans: A Concise History tells the untold stories of the pioneering immigrants, the newly discovered tale of the first Koreatown USA, and about the first Korean aviator. The textbook conveys the Korean American experience by highlighting important moments, people, and incidents that defines this small community. The book takes readers on a journey starting with the beginning of Korean immigration to the United States, to present day issues, trends, and identity.

America's History

A thematic anthology of primary sources for Latin American social and cultural history, the Second Edition reader complements the table of contents of Born in Blood and Fire, Fourth Edition, and draws on newspapers, novels, magazines, and journals--many translated by Chasteen himself--to present compelling narrative accounts of life and society across Latin American history.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver,

and Steve Carell - plus some of *The Daily Show's* most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

"America's History helps AP students: Grasp vital themes: The seventh edition emphasizes political culture and political economy to help students understand the ways in which society, culture, politics, and the economy inform one another. Understand periodization: America's History's unique seven-part structure, which organizes history into distinct eras, introduces students to periodization and helps them understand cause and effect, identify historical continuities, and track change over time. Develop the skills they need to succeed: America's History's hallmark analytical narrative and pedagogy help students synthesize what they've learned and interpret history for themselves."--Back cover.

A Concise History of U.S. Foreign Policy

America A Concise History 3rd Ed Vol 1 + Documents to Accompany America's History 5th Ed Vol 1 + U.S. War with Mexico & Great Awakening

With fresh interpretations from two new authors, wholly reconceived themes, and a wealth of cutting-edge scholarship, the Fifth Edition of *America: A Concise History* is designed to work perfectly with the way you teach the survey today. Building on the book's hallmark strengths — balance, explanatory power, and a brief-yet-comprehensive narrative — as well as its outstanding full-color visuals and built-in primary sources, authors James Henretta, Rebecca Edwards, and Robert Self have shaped *America* into the ideal brief book for the modern survey course, at a value that can't be beat. Read the preface.

A Concise History of U.S. Foreign Policy offers a conceptual and historical overview of American foreign relations from the founding to the present. Joyce Kaufman clearly explains major themes in foreign

relations and places the evolution of policy decisions within the context of the international situations and domestic priorities.

Born out of violence and the aspirations of its early settlers, the United States of America has become one of the world's most powerful nations, even as its past continues to inform its present and to mould its very identity as a nation. The search for nationhood and the ambiguities upon which the nation was founded are at the root of this intelligent and forthright book. Taking a broadly chronological approach, it begins in colonial America as the first Europeans arrived, lured by the promise of financial profit, driven by religious piety, and accompanied by the diseases which would ravage and consume the native populations. It explores the tensions inherent in a country built on slave labor in the name of liberty, one forced to assert its unity and reassess its ideals in the face of secession and civil war, and one that struggled to establish moral supremacy, military security, and economic stability during the financial crises and global conflicts of the twentieth century. Woven through this richly crafted study of America's shifting social and political landscapes are the multiple voices of the nation's history: slaves and slave owners, revolutionaries and reformers, soldiers and statesmen, immigrants and refugees. It is their voices, together with those of today's multicultural America, that define the United States at the dawn of a new century.
