

America History Henretta 6th Edition Instructor Resource

This primary source reader is designed to accompany America's History, Sixth Edition, and offers a chorus of voices from the past to enrich the study of U.S. history. Both celebrated figures and ordinary people, from Frederick Douglass to mill workers, demonstrate the diversity of America's history while putting a human face on historical experience. A wealth of speeches, petitions, advertisements, and posters paint a vivid picture of the social and political life of the time, providing depth and breadth to the textbook discussion. Brief introductions set each document in context, while questions for analysis help link the individual source to larger historical themes.

A Concise History

To 1877

America's History 6th Ed + Bedford Glossary for U.s. History

America's History, High School Binding

Using a thematic approach, this concise survey explores the many and varied threads of American history-social, intellectual, cultural, political, diplomatic, economic, and military-from the arrival of the first native American inhabitants thousand of years ago through the crisis following the terrorist attacks on New York and Washington on September 11, 2001. Irwin Unger, a Pulitzer Prize winning author, wrote this book after discovering from his own experiences teaching American History at the University of California at Davis and at NYU, that a thematic approach was much more interesting to students than a purely descriptive one.

America: A Concise History

Known for its interpretive voice, balanced analysis, and brief-yet-comprehensive narrative, America: A Concise History helps students to make sense of it all while modeling the kind of thinking and writing they need to be successful. Offering more value than other brief books, America is competitively priced to save your students money, and features built-in primary sources and new ways of mastering the content so your students can get the most out of lecture and come to class prepared. The sixth edition rolls out Bedford/St. Martin's new digital history tools, including LearningCurve, an adaptive quizzing engine that garners over a 90% student satisfaction rate, and LaunchPad, the all new interactive e-book and course space that puts high quality easy-to-use assessment at your fingertips. Easy to integrate into your campus LMS, and featuring video, additional primary sources, a wealth of adaptive and summative quizzing, and more, LaunchPad cements student understanding of the text while helping them make progress toward learning outcomes. It's the best technology.

"How did that happen?" students wonder about their past. America's History provides a clear explanation. Instructors rely on America's History to help them teach that history matters -- this means helping their students understand not only what happened, but also why. For the new, sixth edition, the authors took a hard look at all aspects of their text, considered what worked and what didn't, and crafted a broad revision plan that demonstrates, once again, their unmatched commitment to America's History. The hallmark of the revision is a thorough reconsideration of the post-1945 period that incorporates new scholarship and makes sense of the recent past, but America's History, Sixth Edition offers much more. This includes additional narrative changes in both volumes, a new in-text feature program based on written and visual primary documents in every chapter, and a host of new and improved pedagogic features. With its clear exposition, insightful analysis and in-text sources, America's History, gives instructors and students everything they need.

In order for students to succeed in an AP U.S. history course, they need to understand not only what happened, but also why it happened. America's History has long been praised as a text that helps students to think critically about history and analyze both how and why historical events have occurred. America's History deftly weaves together political, social, and cultural history in a narrative that students find accessible and engaging. Exceptional pedagogical support — overviews, maps, figures, illustrations, and embedded documents — are carefully integrated to encourage the development of students' historical skills. America's History is the text that covers not only the facts, but also the skills that students need to have success in the AP U.S. history course. Need help with the audit? These United States

Designed for America's History, Eighth Edition, this two-volume primary-source reader offers a chorus of voices from the past carefully selected to enrich the study of U.S. history. Five to six documents per chapter, ranging from speeches and political cartoons by celebrated historical figures to personal letters and diary entries by ordinary people, foster historical thinking skills while putting a human face on America's diverse history. To support the structure of the parent text, unique part document sets at the end of each part present sources that illustrate the major themes of each section. Brief introductions place each document in historical context, and questions for analysis help students practice historical thinking skills and link individual sources to larger themes.
