

American Government James Q Wilson 13th Edition

This popular brief edition text for the one-semester or one-quarter American Government course maintains the framework of Wilson's complete text, emphasizing the historical development of the American political system, who governs, and to what end. Completely up to date, AMERICAN GOVERNMENT, BRIEF, 9e offers new coverage of such key and emerging issues as creationism and the establishment clause, tactics from the 2008 presidential campaign, Congressional ethics, repercussions from the Valerie Plume scandal, national debt, the Social Security debate, military involvement in Iraq, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES: THE ESSENTIALS is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies, and who governs in the United States and to what ends. It includes concise learning objectives, highlighted key concepts, and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension, and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"From healthcare to workplace conduct, the federal government is taking on ever more responsibility for managing our lives. At the same time, Americans have never been more disaffected with Washington, seeing it as an intrusive, incompetent, wasteful giant. The most alarming consequence of ineffective policies, in addition to unrealized social goals, is the growing threat to the government's democratic legitimacy. Understanding why government fails so often--and how it might become more effective--is an urgent responsibility of citizenship. In this book, lawyer and political scientist Peter Schuck provides a wide range of examples and an enormous body of evidence to explain why so many domestic policies go awry--and how to right the foundering ship of state. Schuck argues that Washington's failures are due not to episodic problems or partisan bickering, but rather to deep structural flaws that undermine every administration, Democratic and Republican. These recurrent weaknesses include unrealistic goals, perverse incentives, poor and distorted information, systemic irrationality, rigidity and lack of credibility, a mediocre bureaucracy, powerful and inescapable markets, and the inherent limits of law. To counteract each of these problems, Schuck proposes numerous achievable reforms, from avoiding moral hazard in student loan, mortgage, and other subsidy programs, to empowering consumers of public services, simplifying programs and testing them for cost-effectiveness, and increasing the use of "big data." The book also examines successful policies--including the G.I. Bill, the Voting Rights Act, the Earned Income Tax Credit, and airline deregulation--to highlight the factors that made them work. An urgent call for reform, *Why Government Fails So Often* is essential reading for anyone curious about why government is in such disrepute and how it can do better"--

What Government Agencies Do And Why They Do It

American Government

Varieties of Police Behavior

Instructor's Guide with Lecture Notes to Accompany American Government, Institutions and Policies, Fifth Edition, James Q. Wilson

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors and policies; and who governs in the United States and to what end. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, suggested Web links for research, and How Things Work boxes that summarize important facts. The greatly enhanced media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This popular brief text for the one-semester or one-quarter American Government course maintains the framework of the Wilson, DiIulio, Bose, and Levendusky comprehensive text, emphasizing the historical development of the American political system, who governs, and to what ends. The 13th edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, BRIEF VERSION, offers coverage of the 2014 and 2016 campaigns and elections; budget battles and the sequestration of funds; ongoing debates about immigration, gay marriage, and other key issues in American politics; and foreign-policy decisions on Afghanistan, the Middle East, and North Korea. We have also reworked each chapter to focus on a clear set of learning objectives to guide students through the material. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This book focuses on local traditions, seeking to recapture their origins, explain their impact and assess their worth.

Why Government Fails So Often

American Government: Brief Edition

Thinking About Crime

City Politics

Understanding America

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS focuses on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. The policymaking process and politics of policy are discussed in Chapter 1, and new Policy Dynamics: Inside/Outside the Box features integrate policy coverage throughout the text without the extra length of domestic and foreign policy chapters. Features such as learning objectives, Constitutional Connections relating current issues to founding principles, and How Things Work boxes illustrating important processes, help you organize your study and master the book's key concepts. The state-of-the-art media

package available for this text provides online tools that help you interact with the material to prepare for class, study for exams, and succeed. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Advanced Placement Edition

The Anatomy of an Exceptional Nation

For Use with American Government: Institutions and Policies, 13th Edition, by James Q. Wilson, John J. DiIulio, and Meena Bose (Boston, MA: Cengage, 2013)

The idea of an exceptional America remains controversial. In this dazzlingly comprehensive collection of essays, some of the nation's best scholars and thinkers take on the weighty task of sizing up Goliath in a way Americans and others can comprehend. These twenty studies in American exceptionalism provide a solidly researched and in-depth analysis on the current state of our institutions, our values, and our challenges for the future.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process while maintaining focus on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as learning objectives, Who Governs? and To What Ends? questions framing each chapter, and How Things Work boxes that illustrate important concepts. A state-of-the-art media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A comprehensive study guide to accompany Wilson, DiIulio, and Bose's American Government: Institutions and Policies 13th edition, standard and "essentials" versions (Cengage 2013). This study guide includes comprehensive study questions and vocabulary and concept lists for each chapter. Based on the well-known SQ3R study strategy, a checklist of multiple study and learning activities are provided for each chapter in the text book.

American Government: Institutions and Policies, Brief Version

Dilemmas of Scale in America's Federal Democracy

Instructor's Guide for American Government, Institutions and Policies [by] James Q. Wilson

Restoring Order And Reducing Crime In Our Communities

American Government: Institutions and Policies

Crime in the United States has fluctuated considerably over the past thirty years, as have the policy approaches to deal with it. During this time criminologists and other scholars have helped to shed light on the role of incarceration, prevention, drugs, guns, policing, and numerous other aspects to crime control. Yet the latest research is rarely heard in public discussions and is often missing from the desks of policymakers. This book accessibly summarizes the latest scientific information on the causes of crime and evidence about what does and does not work to control it. Thoroughly revised and updated, this new version of Crime and Public Policy will include twenty chapters and five new substantial entries. As with previous editions, each essay reviews the existing literature, discusses the methodological rigor of the studies, identifies what policies and programs the studies suggest, and then points to policies now implemented that fail to reflect the evidence. The chapters cover the principle institutions of the criminal justice system (juvenile justice, police, prisons, probation and parole, sentencing), how broader aspects of social life inhibit or encourage crime (biology, schools, families, communities), and topics currently generating a great deal of attention (criminal activities of gangs, sex offenders, prisoner reentry, changing crime rates). With contributions from trusted, leading scholars, Crime and Public Policy offers the most comprehensive and balanced guide to how the latest and best social science research informs the understanding of crime and its control for policymakers, community leaders, and students of crime and criminal justice.

The authors explore the many ways that gender and communication intersect and affect each other. Every chapter encourages a consideration of how gender attitudes and practices, past and current, influence personal notions of what it means not only to be female and male, but feminine and masculine. The second edition of this student friendly and accessible text is filled with contemporary examples, activities, and exercises to help students put theoretical concepts into practice.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end. Proven pedagogical features involve students in the material, including chapter outlines, suggested web links for research, and How Things Work boxes that summarize basic information and important facts. Components of the media package include web resources such as primary source documents,

election ads, audio clips, and interactive activities. Most of the features include related pedagogy or critical-thinking questions. Chapter pedagogy that encourages critical thinking includes Who governs? And to What Ends? questions that open each chapter to engage students in the material, and Reconsidering Who Governs and Reconsidering to What Ends at the close of the chapter to emphasize the complexity of the questions. Landmark Cases features identify influential Supreme Court decisions in areas such as affirmative action, the media, and foreign affairs. What Would You Do? boxes in relevant chapters help students act as decision makers by presenting them with a realistic domestic policy issue, which they can consider in a paper or class discussion.

American Government: Brief Version

Collected Works of James Wilson

The Definitive Study of the Causes of Crime

American Government Student Handbook

Study Guide for American Government, 2013-2014

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, 13E, International Edition sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Reader involvement in the material is bolstered by features such as learning objectives, "Who Governs?" and "To What Ends?" questions framing each chapter, and "How Things Work" boxes that illustrate important concepts. Available separately, a state-of-the-art media package with new online tools makes the learning experience engaging and accessible.

The classic book on the way American government agencies work and how they can be made to work better -- the "masterwork" of political scientist James Q. Wilson (The Economist) In *Bureaucracy*, the distinguished scholar James Q. Wilson examines a wide range of bureaucracies, including the US Army, the FBI, the CIA, the FCC, and the Social Security Administration, providing the first comprehensive, in-depth analysis of what government agencies do, why they operate the way they do, and how they might become more responsible and effective. It is the essential guide to understanding how American government works.

The patrolman has the most difficult, complex, and least understood task in the police department. Much less is known of him than of his better publicized colleague, the detective. In this important and timely book, James Q. Wilson describes the patrolman and the problems he faces that arise out of constraints imposed by law, politics, public opinion, and the expectations of superiors. The study considers how the uniformed officer in eight communities deals with such common offenses as assault, theft, drunkenness, vice, traffic, and disorderly conduct. Six of the communities are in New York State: Albany, Amsterdam, Brighton, Nassau County, Newburgh, and Syracuse. The others are Highland Park, Illinois, and Oakland, California. Enforcing laws dealing with common offenses is especially difficult because it raises the question of administrative discretion. Murder, in the eyes of the police, is unambiguously wrong, and murderers are accordingly arrested; but in cases such as street-corner scuffles or speeding motorists, the patrolman must decide whether to intervene (should the scuffle be stopped? should the motorist be pulled over?) and, if he does, just how to intervene (by arrest? a warning? an interrogation?). In most large organizations, the lowest-ranking members perform the more routinized tasks and the means of accomplishing these tasks are decided by superiors, but in a police department the lowest-ranking officer--the patrolman--is almost solely responsible for enforcing those laws which are the least precise, the most ambiguous. Three ways or "styles" of policing--the watchman, the legalistic, and the service styles--are analyzed and their relation to local politics is explored. In the final chapter, Mr. Wilson discusses if and how the patrolman's behavior can be changed and examines some current proposals for reorganizing police departments. He observes that the ability of the patrolman to do his job well may determine our success in managing social conflict and our prospects for maintaining a proper balance between liberty and order. Table of Contents: 1. Introduction 2. THE PATROLMAN The Maintenance of Order Justice as a Constraint Some Organizational Consequences 3. THE POLICE ADMINISTRATOR Managing Discretion Critical Events 4. POLICE DISCRETION The Determinants of Discretion The Eight Communities The Uses of Discretion 5. THE WATCHMAN STYLE The Organizational Context Some Consequences 6. THE LEGALISTIC STYLE The Organizational Context Some Consequences 7. THE SERVICE STYLE The Organizational Context Some Consequences 8. POLITICS AND THE POLICE Politics and the Watchman Style Politics and the Service Style Politics and the Legalistic Style Some Findings from National Data 9. CONCLUSIONS AND POLICY IMPLICATIONS Reviews of this book: [This book] is a departure from the traditional treatise...and actually does take a large and long-awaited step toward revitalizing an exciting and important but inexcusably weak area of political science. --The American Political Science Review Reviews of this book: This book "must unquestionably become an indispensable study of politics in the American city. It is based on enormous and detailed research ... The material is presented in a controlled and disciplined no-nonsense style. --New York Review of Books Reviews of this book: This is surely one of the most informative books about the police ever written Varieties of Police Behavior is a rich, sophisticated book by an author unusually able to tackle the comprehensiveness and interdependence of the issues which affect police performance, and his analysis and conclusions have much to teach. --Times Literary Supplement It is, without doubt, the finest book on the American police ever written, and Professor Wilson is one of our best-known scholars of urban affairs...Rich...full to the brim with increasing details and shrewd insight. Anyone who wants to have an informed opinion about the policeman's relations to law and order ought to read it. --Irving Kristol

American Government: Institutions and Policies: The Essentials

The Search for Leadership

American Government, Essentials Edition

As crime rates inexorably rose during the tumultuous years of the 1970s, disputes over how to handle the violence sweeping the nation quickly escalated. James Q. Wilson redefined the public debate by offering a brilliant and provocative new argument—that criminal activity is largely rational and shaped by the rewards and penalties it offers—and forever changed the way Americans think about crime. Now with a new foreword by the prominent scholar and best-selling author Charles Murray, this revised edition of *Thinking About Crime* introduces a new generation of readers to the theories and ideas that have been so influential in shaping the American justice system. This two-volume set brings together a collection of writings and speeches by James Wilson, one of only six signers of both the Declaration of Independence and the United States Constitution. His works had a significant impact on the deliberations that produced the cornerstone documents of American democracy.
