

Amrutham Kurisina Ratri

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

Practicing grammar skills has never been so easy! Perfect for classroom or at-home use, this exciting ready-to-use resource provides invaluable reinforcement and practice with key grammar topics such as: sentence types parts of speech common and proper nouns sentence structure verb tenses subject-verb agreement punctuation and more! As the title indicates, this book is a critical study of an Indian epic, 'The Ramayana'. It proceeds in the same order as that of Sanskrit original consisting of : Bala kanda, Ayodhya kanda, Aranya kanda, Kishkindha kanda, Sundara kanda, Yuddha kanda and Uttara kanda. While Valmiki's Ramayana is composed of about 24,000 slokas (verses), 'Ramayana the Poisonous Tree' consists of 16 stories, long and short, accompanied by 11 'links' (narratives that link the stories) and 504 foot-notes that show evidence from the Sanskrit original in support of the critique. Besides the main components of the text, this book has a long 'Preface' discussing the social essence of the epic in the context of history of evolution of human society from the ancient times to the modern times. The book also offers a critical review of the works of some earlier critics of Ramayana. The authoress describes Ramayana as a Poisonous Tree because it defends the autocratic rule of the kings against the people, their imperial expansion by invading other weak kingdoms, exploitation of the poor by the rich, oppression of lower castes by upper castes, aggression of the civilized non-tribal communities against primitive tribal communities, male chauvinism against women, superstitious beliefs against the rational thinking, fathers' domination over sons, elder brothers' superiority over younger brothers and so on. She substantiated her arguments by providing hundreds of foot notes from the Sanskrit original. She characterizes the culture of Ramayana as predominantly 'feudal' in nature with an admixture of remnants of primitive 'tribal' culture. The book, it is hoped, will be of interest to both academic and non-academic circles. It is relevant to the students, teachers and researchers who are connected with such disciplines as South Asian Studies, Cultural Studies, Comparative Literature, Comparative Religions, Indology, Literary Criticism and so on. It is also relevant to the social and political activists who would like to disseminate 'progressive' ideas among the people who are subjected to various forms of inequality: Class, Caste, Gender, Race, Ethnicity. Ranganayakamma (born 1939) is a writer of novels, stories and essays in Telugu. She has published about 60 books.

Because my questions made Amir uncomfortable, he pronounced talaq just like that on the wife who had abandoned everything for him because his religion gives him that privilege. Where do I now stand, sir? Do you have any solutions for me?' Lakshmi, a rebellious, free-spirited and intelligent film-maker, breaks ties with her staunchly Gandhi an father to marry Amir, the man she loves. She even agrees reluctantly to Amir's request that she convert to Islam, as a formality and change her name to Razia.

However, she is shocked to discover that her husband is not the open-minded, progressive individual he claimed to be. For after marriage, Amir takes his family's side in trying to force her to follow the more rigorous tenets of their faith. This sets her off on a personal journey into India's history to uncover the many layers of religion, caste and creed. Her quest leads her to the many parallels in the narratives between the past and the present and she gradually finds that though much has changed in Indian society over the centuries, much remains the same. The second historical novel by celebrated Kannada author S.L. Bhyrappa, translated for the first time into English by Sandeep Balakrishna, *Aavarana: The Veil* raises pertinent and searching questions about religion, liberalism and identity and highlights the importance of unshackling oneself from the bonds of false knowledge.

A time-travel story that is both a poignant exploration of human identity and an absorbing tale of suspense. It's natural to feel a little out of place when you're the new girl, but when Charlotte Makepeace wakes up after her first night at boarding school, she's baffled: everyone thinks she's a girl called Clare Mobley, and even more shockingly, it seems she has traveled forty years back in time to 1918. In the months to follow, Charlotte wakes alternately in her own time and in Clare's. And instead of having only one new set of

rules to learn, she also has to contend with the unprecedented strangeness of being an entirely new person in an era she knows nothing about. Her teachers think she's slow, the other girls find her odd, and, as she spends more and more time in 1918, Charlotte starts to wonder if she remembers how to be Charlotte at all. If she doesn't figure out some way to get back to the world she knows before the end of the term, she might never have another chance.

You don't have to be a monk to enter the ultimate realm of happiness! Yes, it's true. In his book Kundalini – An Untold Story, Himalayan ascetic Om Swami unveils the enigmatic story of kundalini, the formless aspect of the Goddess or your primordial energy. With workable steps for awakening this energy source, the author explains the esoteric and practical meaning of kundalini and the seven chakras in his usual humorous style. These riveting anecdotes are based on his personal experience gained from years of intense meditation. Take an awe-inspiring journey – something no other book on spirituality can offer – from the origins of kundalini all the way to Swami's own sadhana in the modern age. Om Swami is a mystic living in the Himalayan foothills. He has a bachelor's degree in business and an MBA from Sydney, Australia. Prior to his renunciation of this world, he founded and ran a multi-million dollar software company successfully. He is the bestselling author of A Fistful of Love.

A behind-the-scenes look at the making of the forthcoming film features full-color set photos, designer sketches, and cast and crew interviews that cover topics ranging from the screenwriting process to the director's vision. Original. Movie

tie-in.

Moogavani Pillanagrovi (1993) is woven around the near-suicidal death of a farmer who loses his land. While the period of the plot is around the 1950s, the story revolves around the farmer's ties with his land and his inability to visualize a life without it-an issue relevant even today. The farmer's death could have been forgotten by the village, except for several puzzling incidents that crop up. Myth and reality intertwine to create a folklore around the land and the farmer. This Telugu novella was first published in 1993, during a period when Andhra Pradesh's farmers had begun committing suicide in droves. Many surprising parallels can be drawn to the pressures in agriculture and the farmer in real life and in the novel. This novella introduced what is called (in Telugu literary criticism) as magic realism-mirroring real life and yet making wide departures into the world of lore, mythic representation, and strongly rooted cultural beliefs. Kesava Reddy writes with a strong inflection of his native Rayalaseema dialect. Breaking the tradition of writing in the standard Telugu form as it is spoken and written by people from the coastal districts of Krishna and Guntur, Kesava Reddy along with several other writers began writing in his native dialect-a bold step at that time. The detail in the novel is striking. Kesava Reddy also broke with Telugu literature (which was didactic at that time) to build on detail and cut down on dialogue. His dialogues are sparse and never interfere with the tempo built up in the story.

The Great Indian Novel

Ordinary People, Extraordinary Lives

Werewolves

River of Fire

Werewolves takes the form of an illustrated journal that plunges readers into the life of a high school girl-turned-werewolf as she makes her transformation. After Alice and her brother are bitten by what they assume are large dogs, her journal/sketchbook becomes a place for her to record the changes they start to experience her socially awkward brother falls in with some creepy new friends, and she surprises herself with new strengths and instincts and a suddenly nonvegetarian interest in raw steak. Joining the werewolf pack that bit them, they discover the pleasures and dangers that come with the cycles of the moon, including threats from "hunters" who stalk them, a researcher seeking a cure, and escalating violence within the pack itself. With a fresh take on the lore and legend, Werewolves gives fans a ripping tale to sink their teeth into.

The Dream Songs is widely seen as Berryman's masterpiece, an impressively vast and varied collection of poems that is in itself a single, sprawling, ever-shifting poem. The songs in this great work are thus offered in many different tones, moods, and guises, although their form, Berryman's idiosyncratic reworking of the sonnet, remains more or less constant. Combining all of Berryman's earlier 77 Dream Songs (which won the 1965 Pulitzer Prize) and His Toy, His Dream, His Rest (which won the 1969 National Book Award), this one-volume edition contains no fewer than 385 entries in what the critic Denis Donoghue has called Berryman's "dream diary." The book also has an index of first lines, an index of titles, and a note by the author.

In this short discussion of the Irish modernist writer, the author establishes a link between the mind of James Joyce and medieval theology. He shows how Joyce's fiction was suffused by his reading of St. Thomas Aquinas, Giordano Bruno and Nicola da Cusa and the book creates a dialogue between the saint, the novelist and the critic.

Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

City of Bones

The Russian novelist and moral philosopher Leo Tolstoy (1828-1910) ranks as one of the world's great writers, and his 'War and Peace' has been called the greatest novel ever written. But during his long lifetime, Tolstoy also wrote enough shorter works to fill many volumes. The message in all his stories is presented with such humour that the reader hardly realises that it is strongly didactic. These stories give a snapshot of Russia and its people in the late nineteenth century.

So often, it's the simplest acts of courage that touch the lives of others. Sudha Murty-through the exceptional work of the Infosys Foundation as well as through her own youth, family life and travels-encounters many such stories . . . and she tells them here in her characteristically clear-eyed, warm-hearted way. She talks candidly about the meaningful impact of her work in the devadasi community, her trials and tribulations as the only female student in

her engineering college and the unexpected and inspiring consequences of her father's kindness. From the quiet joy of discovering the reach of Indian cinema and the origins of Indian vegetables to the shallowness of judging others based on appearances, these are everyday struggles and victories, large and small. Unmasking both the beauty and ugliness of human nature, each of the real-life stories in this collection is reflective of a life lived with grace.

Who's Who, Indian Personages

The classical tradition in Telugu, the mellifluous language of Andhra Pradesh in southern India, is one of the richest yet least explored of all South Asian literatures. In this volume, Velcheru Narayana Rao and David Shulman have brought together mythological, religious, and secular texts by twenty major poets who wrote between the eleventh and nineteenth centuries, providing an authoritative volume overview of one of the world's most creative poetic traditions. An informative, engaging introduction fleshes out the history of Telugu literature, situating its poets in relation to significant literary themes and historical developments and discussing the relationship between Telugu and the classical literature and poetry of Sanskrit.

Featuring roughly sixty specially commissioned essays by an international cast of leading rhetoric experts from North America, Europe, and Great Britain, the Handbook will offer readers a comprehensive topical and historical survey of the theory and practice of rhetoric from ancient Greece and Rome through the Middle Ages and Enlightenment up to the present day.

“Magisterial” (Pankaj Mishra, The New York Review of Books) and “to Urdu fiction what One Hundred Years of Solitude is to Hispanic literature” (TLS) The most important novel of twentieth-century Urdu fiction, Qurratulain Hyder’s River of Fire encompasses the fates of four recurring characters over two and a half millennia. These characters become crisscrossed and strangely inseparable over different eras, forming and reforming their relationships in romance

and war, in possession and dispossession. River of Fire interweaves parables, legends, dreams, diaries, and letters, forming a rich tapestry of history and human emotions and redefining Indian identity. But above all, it's a unique pleasure to read Hyder's singular prose style: "Lyrical and witty, occasionally idiosyncratic, it is always alluring and allusive: Flora Annie Steel and E. M. Forster encounter classical Urdu poets; Eliot and Virginia Woolf meet Faiz Ahmed Faiz" (The Times Literary Supplement).

GETTING RICH IS NOT JUST ABOUT LUCK; HAPPINESS IS NOT JUST A TRAIT WE ARE BORN WITH. These aspirations may seem out of reach, but building wealth and being happy are skills we can learn. So what are these skills, and how do we learn them? What are the principles that should guide our efforts? What does progress really look like? Naval Ravikant is an entrepreneur, philosopher, and investor who has captivated the world with his principles for building wealth and creating long-term happiness. The Almanack of Naval Ravikant is a collection of Naval's wisdom and experience from the last ten years, shared as a curation of his most insightful interviews and poignant reflections. This isn't a how-to book, or a step-by-step gimmick. Instead, through Naval's own words, you will learn how to walk your own unique path toward a happier, wealthier life.

Welcome to the mysterious world of equity market, which is not so mysterious after all! Most investors get it wrong when it comes to understanding the nuances of the equity market. It is not because they are ignorant or lack the requisite skills to understand the factors affecting this market, but mainly because they get misleading information from market players and financial intermediaries. Consequently, these entities thrive and flourish, leaving the investor wringing his hands, wondering where all the money has gone. No more lies! This book is your window to the equity market from a completely different perspective and earn your fair share of stock market return. Shiva has accepted his destiny, but it has brought him to despair. Can he heal himself and the people who look to him as a god? Today, Shiva is a god. But four thousand years ago, he was just a man - until he brought his people to Meluha, a near-perfect empire founded by the great king Lord Ram. There he realised he was the Neelkanth, a barbarian long prophesied to be Meluha's saviour. But in his hour of victory fighting the Chandravanshis - Meluha's enemy - he discovered they had their own prophecy. Now he must fight to uncover the

treachery within his inner circle, and unmask those who are about to destroy all that he has fought for. Shiva is about to learn that good and evil are two sides of the same coin . . .
