History has been taught in a boring way for far too long. A subject as moving and powerful as humanity's past should be inviting, and when it is told well, it is. Susan Wise Bauer succeeds in telling the captivating story of history with her best-selling history series. Parents and young readers have fallen in love with her narrative history, The Story of the World, and its accompanying Activity Book. Now teachers and home educators can take advantage of a new and valuable learning tool. These easy-to-use tests and answer keys, successfully used by hundreds of parents and teachers, provide an objective method for measuring retention of key facts, figures, and events from history. A combination of sequencing, matching, short-answer, and essay-style questions gives students a chance to show what they've learned. Used with the Activity Book and The Story of the World, the tests give educators a complete history curriculum for their elementary school students.

Homosexuality in Ancient Athens is a brief, yet comprehensive and thoroughly documented history of the life style of men and women during the Classical period of the fifth and fourth

centuries BCE in Athens, Greece. The references to ancient literary and iconographic sources and to modern literature are collected by chapters as follows: Definitions, Mythical Origin of Man, Men's Sexual Life Style, Homosexuality, Pederasty, Effeminacy, Lesbianism, Men's Friendship and Sexual Reality. A select Bibliography and Index follow the 173 pages of text, illustrated by two maps and eight reproductions of ancient paintings on vases. This book is an offshoot of Women of Ancient Athens published recently by the same author. Homosexuality in Ancient Athens is dedicated to all readers who desire to know more about the homosexual life style of the ancient Athenian men and women. Their history is unique in many ways, always intriguing and fascinating. This scholarly book is perfectly suited for libraries for adults and for academic reference centers as well as leading bookstores carrying English titles. Its Print-on-Demand access contributes to a wider distribution at a lower price. A quiz, for no grade or credit, just for fun!

The second edition of the Impact Evaluation in Practice handbook is a

comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

The #1 bestselling chapter book series of all time celebrates 25 years with new covers and a to-use numbering system! No girls allowed at the Olympic Games! That's the rule when the Magic Tree House whisks Jack and Annie back to ancient Greece. But when Annie tells Jack to go to the games without her, he knows she's up to something. Will Annie find a way to see the games? Or will she get herself—and Jack—into Olympic-size trouble? Find out in *Hour of the Olympics*. Did you know there's a Magic Tree House book for every kid? Magic Tree House: Adventures with Jack and Annie is perfect for readers who are just beginning chapter books. Merlin Missions: More challenging adventures for the experienced reader. Super Edition: A longer and more dangerous adventure. Fact Tracker: Nonfiction companions to your favorite Magic Tree House adventures.

-- Alice Lovejoy is located in Minneapolis, MN -- Mari Pajala is located in Turku, Finland -- Alice Lovejoy's first IUP book was named co-winner of the Modern Language Association's 2018 Alice Lovejoy Prize. Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures, was awarded an honor mention for the 2016 University of Southern California Book Prize in Literary and Cultural Studies, the 2017 Czechoslovak Studies Association Book Prize, and was longlisted for the 2016 Krasznai Csaba Moving Image Book Award. Lovejoy is an expert film, media, and cultural historian who focuses on governmental and institutional media cultures in transnational perspectives. Mari Pajala is editor of four volumes in Finnish and German. Pajala was previously Government of Finland/David and Lucie Spier Visiting Professor in Finnish Studies at the University of Minnesota and visiting researcher at Utrecht University. Pajala currently teaches modules including Media History and Archives and Media and Popular Culture. -- This book makes an important contribution to scholarship on the history of the Cold War through media studies that reveal that East European media engaged in multiple ways with spaces beyond the Iron Curtain. -- This book fits squarely in our film and Russian and Eastern European Studies lists. It contributes to our established collection on documentary and non-fiction film, which is well-respected and still receiving a steady stream of new works. The audience includes scholars and graduate students in film and media and Russian and Eastern European Studies. The appeal is academic, but broad because the volume has a wide geographical approach and is interdisciplinary.

If your child is struggling with social science, then this book is for you; the short book includes quiz style questions. This subject comes from the book "Sixth Grade Social Science (For Homeschool or Extra Practice)"; it more thoroughly covers more Sixth grade topics to help your child get a better understanding of Sixth grade social science. If you purchased that book, or plan to purchase it, do not purchase this, as the problems are the same.

Have you wanted to learn the Pauline Epistles in depth, or even memorize them? Now is your chance to get started with this fully illustrated study guide for the first half of Galatians. By using a memory technique that has been proven to be effective as far back as ancient Greece, you can easily memorize Galatians 1-3 while enjoying the sights of St. Louis, Missouri, USA. Perfect for personal study, or as part of getting ready for quiz teams, or even learning Greek, this comprehensive study guide includes: Suggestions for team organization if you want to prepare for six-membered quiz teams like the Pathfinder Bible Experience (PBE) Complete instructions in the memorization method One picture for each verse Suggestions for places to look on the picture for each phrase of each verse Large maps and paths as a visual outline Chapter index to the pictures with the corresponding verses Questions and answers for testing comprehension These study helps in the following languages and Bible translations are included: English with New King James Version (NKJV) Spanish with Reina-Valera 1995 (RVR95) French with Louis Segond (LSG) Society of Biblical Literature Greek New

Testament (SBLGNT) - Bible translation only. Great as a stand-alone book, or use with our other study guides to form an indexing system to learn and keep separate in your mind six similar Pauline Epistles. This memorization approach will work for you. Have you ever gone down a road that you infrequently travel and recalled the conversations and thoughts that you had last time you traveled it? Many people have, even when the sites along the road had nothing to do with the conversation. Our minds naturally trigger memories from the places we were and the things we were seeing. With this guide, you will learn how to leverage this ability to store God's word in your heart more easily than ever before! Once you have memorized a passage in English, you can use the same approach to memorize it in Greek as well. Doing this will give you a sense of the Greek language structure and the meaning of each phrase. This will greatly enhance your use of traditional Greek language curriculum. From ReadyAnswers you can freely download the following Bible memorization guides in several languages: Verses supporting general Biblical doctrines from a Seventh-day Adventist view The Ten Commandments Excerpts from Jesus' Sermon on the Mount Prophecies and Fulfillments Showing Jesus the Messiah Nebuchadnezzar's Dream and God's Deliverance Portions of Proverbs God's Law of Liberty Jesus in the Sinai Covenant The Seven Churches (Revelation 2-3) The complete book of Exodus Galatians Ephesians Philippians Colossians 1 Timothy 2 Timothy

Mechikoff's A History and Philosophy of Sport and Physical Education offers an engaging and informative overview of the philosophy of sport from Egypt to Ancient Greece and on to the present time. From Mesoamerica and Ancient Greece to the Olympic Games, the book touches on religion, politics, social movements, and individuals as they contributed

to the development of sport and physical education. An extensive array of pedagogical tools--including timelines, comprehensive lists of chapter objectives, suggested websites, and discussion questions--aid the learning experience. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found here:
