

Angels And Fallen Angels

"Did rebel angels take on human bodies to fulfill their lust for the " daughters of men " ? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews, and Christians but later condemned by both rabbis and Church Fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch ’ s forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Fallen Angels and the Origins of Evil takes you back to the primordial drama of Good and Evil, when the first hint of corruption entered a pristine world—earth. Contains Richard Laurence ’ s translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels."

During the French Revolution, lovely young Englishwoman Lady Campion Lazender finds herself endangered because of her French ancestry and her valuable estate, coveted by a ruthless secret society.

The strange and enigmatic title "son of man" has intrigued biblical scholars for millennia. What does it mean and how does it describe Jesus in his role as the Christian messiah? Robin Jarrell surveys the mythological roots of the phrase in the ancient Mesopotamian Epic of Gilgamesh and traces its development from the mythology of the Egyptian queen Hatshepsut's birth narrative, to the Baal Cycle in Ugaritic literature, to the story of Pandora, and finally to the story of creation found in the book of Genesis. The key to unlocking the mystery of the phrase "son of man" is embedded in the story of the first "son of man"--Noah--with the reference to "the sons of God" who found wives among the "daughters of men" and whose offspring brought devastation to the earth and the reason for the flood. In the hands of the Christian gospel writers, the parallel "son of man" figure found in the Dead Sea Scrolls reemerges in the identity of the last "son of man"--Jesus of Nazareth.

The problem of evil has challenged mankind ever since the dawn of intelligence. Why is there evil in the world and why do pain and suffering come upon those who do not seem to deserve it? Written in a simple, popular style, Bamberger's book, first published in 1952, will appeal to anyone who, no matter what his own answer to the question may be, is curious to learn how it has been answered in the past or is being answered by others in our own age. The author traces the history of the belief in fallen angels in Judaism, Christianity and Islam, and assembles a variety of tales and superstitions -- some grotesque, others quaint and humorous. His presentation also reveals a basic divergence between Judaism and Christianity in their respective attitudes toward the devil. The concluding chapter of the work deals with the return of the devil to prominence in contemporary religious thought and shows how Judaism seeks its own solution to the problem of evil. The book contains an extensive bibliography, notes, and index.

Falling Angels

City of Fallen Angels

The Nephilim Chronicles

The streets of Paris run bloodred—while in England, the noble Lazenders hide from history's violent storm behind the walls of their opulent "little kingdom." But Toby Lazender, the family's heir, is hunting the brutal murderers of the woman he loved in revolution-torn France, leaving Lazen Castle vulnerable to secret cabal of assassins conspiring to bring the chaos across the channel. There is an obstacle, however, to the Fallen Angels' dark plan: Toby's sister, Lady Campion Lazender. Drawn by a mysterious horseman into a realm of fascination and desire, she sees treachery everywhere—and her heart could be leading her to destruction . . . by the hand of the only man she dares to trust.

Dutch Reformed pastor Balthasar Bekker (1634-1698) has long been recognized as a key figure in the end of the witchcraft persecutions in early modern Europe. With the publication of his monumental four-volume work The World Bewitched Bekker argued against the temporal activity of the devil and evil spirits as well as against the reality of witchcraft, sorcery, and spirit possession. Yet Bekker's ideas drew opposition from Dutch Reformed clergymen who charged that his use of Cartesian philosophy to reject the temporal activity of spirits threatened much of traditional religious faith. This book argues that it wa Bekker's exegesis of biblical passages in which spirits and spirit activity were mentioned that was a far greater threat than his Cartesian metaphysics to the literal interpretation of the Bible which was the intellectual cornerstone of Dutch reformed confessionalism, dominant in the church since the Synod of Dordrecht (1618-1619). With an examination of the ideas of Bekker, his opponents and supporters, this book places the controversy around The World Bewitched within the context of the Cartesian debates of the seventeenth century and the growth of confessionalism within the Dutch Reformed church.

A New York Times bestseller From the author of the international bestseller Girl With A Pearl Earring and At the Edge of the Orchard, Tracy Chevalier once again paints a distant age with a rich and provocative palette of characters. Falling Angels follows the fortunes of two families in the emerging years of the twentieth century in England, while the Queen's death reverberates through a changing nation. Told through a variety of shifting perspectives—wives and husbands, friends and lovers, masters and their servants, and a gravedigger's son—Falling Angels is graced with the luminous imagery that distinguished Girl With a Pearl Earring. Falling Angels is another dazzling tour de force from this "master of voices" (The New York Times Book Review).

Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Pery learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels "reaches deep into the minds of soldiers" and makes "readers feel they are there, deep in the heart of war." Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association's list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars.

Angels: A Very Short Introduction

The Mother of the Son of Man

Angel Tears (Fallen Angels - Book 4)

Fallen Angels in the Theology of St Augustine

The City of Falling Angels

Discovering that she has become a ghost trapped between worlds, young attorney and mother Brek Cuttler is selected to join an elite group of Final Judgment lawyers who prosecute and defend souls, a calling that leads to revelations about her death. Original. 100,000 first printing. As mysterious murders threaten the new peace between Shadowhunters and Downworlders, only Simon, the Daylighter vampire, can help bring both groups together.

A #1 New York Times Bestseller! "Funny, insightful, illuminating . . ." —The Boston Globe Twelve years ago, Midnight in the Garden of Good and Evil exploded into a monumental success, residing a record-breaking four years on the New York Times bestseller list (longer than any work of fiction or nonfiction had before) and turning John Berendt into a household name. The City of Falling Angels is Berendt's first book since Midnight, and it immediately reminds one what all the fuss was about. Turning to the magic, mystery, and decadence of Venice, Berendt gradually reveals the truth behind a sensational fire that in 1996 destroyed the historic Fenice opera house.

Encountering a rich cast of characters, Berendt tells a tale full of atmosphere and surprise as the stories build, one after the other, ultimately coming together to portray a world as finely drawn as a still-life painting.

An investigation of the evidence in Talmudic, gnostic, apocalyptic, partristic, and legendary texts concerning immortal, winged beings.

Dictionary of Angels

A Novel

The Reception of Enochic Literature

Did a race of giant humans once roam the Biblical lands, Europe and North America? Over 300 historical accounts of giant human skeletons are presented for the first time. Massive human skeletal remains, burial mound types, symbolism, etymology, numerology and ceremonial centers are compared in the Biblical Levant, the British Isles and the Ohio Valley with stunning similarities. Genesis 6:4, "There were giants in the earth in those days; and also after that, when the sons of God came into the daughters of men, and they bare children to them, the same became mighty men which were of old men of renown." The giant offspring of this union between the sons of God and the daughters of men were called the Nephilim. This book takes the leap from mythology to science to discover that the Nephilim were the last vestiges of primitive species; who were known for their gigantic height. They spread from the Biblical Lands to the British Isles and the Ohio Valley. Their open-air earthen and stone temples and burial mounds, containing the remains of giants have stood the testament of time; leaving an indelible mark upon our soil. Herein are the historical accounts of the giant skeletons that have been discovered within burial mounds and subsurface tombs in the Biblical Lands, the British Isles and Europe and North America. Discover for the first time. Who Built Stonehenge. The Numerology Codex of Gematria that dictates 666 as the Sun Father and 1080 as the Lunar or Earth Mother and how these numbers are present in the Bible, Stonehenge and the Earthworks in the Ohio Valley. Discover a giant race called the Dinaric whose remains have been found in Jerusalem, in burial mounds at Stonehenge and the Ohio Valley. Discover the ancient Amorite Babylonian symbols that are evident at Stonehenge and the many henges in the Ohio Valley. Discover the evidence of advanced mathematics discovered by the Amorites and how it is evident at Stonehenge and within the earthworks in the Ohio Valley. This is a must read for anyone who wants an affirmation of one of the most mysterious chapters in the Bible.

The devil goes by many names, and his tribe is legion. Throughout human history, we have been obsessed with the dark opposites of God and angels, light, and mercy. Whether it is our religious and sacred texts, folklore and myths of old, legends, fairy tales, novels, or the movies and television shows of today, the dark entities enthrall us, terrify us, and remind us of the dualities of life. But where did they originate? Are they real? Does every religion or region of the world include them? Exploring over two dozen religious traditions, myths, folkloric and spiritual traditions, the world of the supernatural, and the demons, the Devil, and fallen angels in today's pop culture, Demons, the Devil, and Fallen Angels is a comprehensive resource of the many faces of the devil, his minions, ominous deities, and the darker side of nature and ourselves. From ancient demon worship to modern Satanism, the bloody era of the Inquisitions and later witch burnings to the Satanic Panic of the late-twentieth century, and secret occult societies to Hitler's involvement with demonology, this book covers it all. Readers will learn about the key figures in history associated with demons and the Devil, the worshiping of the dark forces, and the lives of Aleister Crowley, John Dee, and Anton LaVey, as well as well-known figures who were alleged Satanists, some of whom may surprise you! Also featured are dozens of examples of links between demons/fallen angels and aliens, cryptids, apparitions and poltergeists, and IDEs (interdimensional entities). Were the demons of the Bible possibly ancient alien visitors? Are alien abductions and poltergeists really demons in disguise? Is Slender Man a modern day demonic entity ... or totally fake? This fascinating look at Satan, evil spirits, and their 10,000-year history has 120 photographs, drawings, and illustrations to bring the portraits of over 200 demons and fallen angels to shivering life. Demons, the Devil, and Fallen Angels also includes a helpful bibliography and an extensive index, adding to its usefulness. It is a comprehensive, clear, and objective look at a subject that fills most people with fear and dread. Yet the presence of dark angels continues to remain a part of our human experience, our popular culture, and our spiritual understandings. Come and explore the shadowy side of existence and its integral part of our nature.

In Demons, Nephilim, and Angels, Etienne explains how Satan, his demons, fallen angels, aliens, and the giant Nephilim originated and have infiltrated the original earth, the chaotic earth, the restored earth, and the world that we live in. The original earth was a spiritual world that included Lucifer, the angels, cherubs, seraphim, and other created beings and heaven. God created Lucifer and the angels to serve Him. Lucifer was determined to exercise his will to sit on God's throne. He wanted to be God and not a servant of God. Lucifer was a hybrid being, half-man and half-angel. He was the cause of the chaotic earth. In the chaotic earth, God was angry with Lucifer for trying to take His place and tampering with the genes/DNA of the other creatures that lived on the earth and the planets at that time. God destroyed the earth and Rahab, where Lucifer was king, with a flood and turned it upside down and in darkness. Lucifer was kicked out of heaven and demoted to the prince of the power of the air. After God restored the earth and recreated it, He made mankind in His image. Lucifer detests mankind and wants to alter our DNA.

Fallen Angels in the Ohio Valley

Gateway of the Gods

This book considers the early history of Jewish-Christian relations focussing on the fallen angels.

This book ventures to describe Augustine of Hippo's understanding of demons, including the theology, angelology, and anthropology that contextualize it. Demons are, for Augustine as for the Psalmist (95:5 LXX) and the Apostle (1 Cor 10:20), the "gods of the nations." This means that Augustine's demons are best understood neither when they are "spiritualized" as personifications of psychological struggles, nor in terms of materialist contagions that undergird a superstitious moralism. Rather, because the gods of the nations are the paradigm of demonic power and influence over humanity, Augustine sees the Christian's moral struggle against them within broader questions of social bonds, cultural form, popular opinion, philosophical investigation, liturgical movement, and so forth. In a word, Augustine's demons have a religious significance, particularly in its Augustinian sense of bonds and duties between persons, and between persons and that which is divine. Demons are a highly integrated component of his broader theology, rooted in his conception of angels as the ministers of all creation under God, and informed by the doctrine of evil as privation and his understanding of the fall, his thoughts on human embodiment, desire, visions, and the limits of human knowledge, as well as his theology of religious incorporation and sacraments. As false mediators, demons are mediated by false religion, the body of the devil, which Augustine opposes with an appeal to the true mediator, Christ, and the true religion of his body, the church.

My name is Serena Rogers. After escaping from a juvenile detention center, all I wanted was to get as far away from home as I could and never look back. Everything changed when I uncovered the dark secret that's been haunting my family since before I was born. I am not who I thought I was. When I encounter an army of revolutionaries, I am faced with an impossible choice: fight them and risk the lives of everyone I love, or join them and lose my soul. Fallen Angels Book 1 - Angel Fire Book 2 - Angel's Breath Book 3 - Earth Angel Book 4 - Angel Tears Book 5 - Angel of Darkness The Complete Book of Fallen Angels

Humans have long been fascinated by angels. What do they look like; are there any female angels? What are their powers and their role; can they appear and disappear at will? When were they created and how many angels are there? Do angels have their own language? Do they eat or sleep? What of the fallen angels? The current understanding many have of Satan's fall comes from medieval theology. But was there really a rebellion of angels before Eden (Genesis 3) recorded in the Bible, as many still teach? Or is it true that the only account of a past mass rebellion by angels occurs just before the Flood (Genesis 6) - in an event where Satan is not even mentioned as being involved?We will discover that the answers to these and many other questions about the spirit world are clearly laid out in Scripture.

Responding to the Ancient Alien Theorists

Written by two recognized authorities on nontraditional religious movements, this resource is one of the most comprehensive books on angels and related topics currently available. More than 300 entries are included and drawn from multiple religions, such as Christianity, Islam, and Hindu traditions, as well as from pop culture. A variety of angel topics are discussed, including celebrity angels, classifications of angels, obscure angels still waiting for their big break, guardian angels, fallen angels, Anaheim angels, biblical figures associated with angels, angels in art and architecture, and angels in the media and literature. Angels are also discussed in terms of the occult and metaphysics, with entries on UFOs, fairies, and witches. A comprehensive resource section lists movies, books, magazines, and organizations related to angels.

What are angels? Where were they first encountered? Can we distinguish angels from gods, fairies, ghosts, and aliens? And why do they remain so popular? This Very Short Introduction investigates stories and speculations about angels in religions old and new, in art, literature, film, and the popular imagination.

The complete Angels and Demons Trilogy Get all three books of the Trilogy in one. What would you do if a world that has given you nothing but pain and condemnation suddenly needs your help? What would you do if your life is turned upside down in the blink if an eye? What would you do if you're the only one able to change fate? Would you close your eyes and deaden your senses to block out the plea for help, or would you stand up, forgive those who wronged you, and be the hero you were meant to be!? Readers recommendations on Goodreads: "J.C. Seal manages to make her series stand out. Through a masterful blend of religion and mythology with a little touch of Science Fiction, she offers readers a unique and gripping tale that is both striking and startling. And also full of feeling!" "A unique and downright addictive story. Original, fast-paced, gripping, fascinating." "Packed with lore, mythology, demons, angels, and a burning love - this book will keep you entertained from the first page to the very last!" "Fantastic take on angels and demons, this story is one to make you keep reading and not want to put it down because you'll want to know what happens next!" "This book offers the reader a page-turning, fast-paced, heart-wrenching, exciting story!" 1. FALLEN Angels Bela, son of a Fallen Angel and a mortal woman, has lived for centuries. For one misstep in his youth, he was cursed and powers he had not yet learned to use were ripped away by a Guardian Angel. As a cursed half Demon, he lives as an outcast outside of today's society, withdrawn to a safe oasis created for himself and others like him. After centuries, he finds his first human friend, his closed heart gradually opening to accept friendship and love in his life. When an old nemesis rises again to threaten today's way of life, the future of the world is on razor's edge. Bela is forced to suddenly embrace a new and terrifying role. Will there be enough time to embrace newfound abilities and forgive those that wronged him in the past? Will it be enough to tip the scales in favor of the unsuspecting human world? 2. Angels DESCENDANTS Meet Jason Tim, a young man who has denied his heritage all his life, calling his father a nutcase, running away from home. Until one day, something happens that turns his whole life upside down. He suddenly finds himself on The Chariot, the ancient vessel of the Gods, a place only known from history books. Realizing that his father told the truth all along, he must return to Earth to find him. Finally back, he is hunted by unknown foes, needs to come to terms with the changes in his life, and unravel the mystery of his own heritage. Learning that his girlfriend had been blackmailed to spy on him, he needs to unravel her heritage as well to keep her safe from abilities she cannot control, while struggling to accept his new role within the Angel community. 3. Angels NEMESIS For a great part of his life, Kreon has lived in fear of his inherited abilities, blocking their use on purpose. His father Lucifer is hiding, waiting for a new chance to attack the Angel community The same community Kreon only recently became part of after meeting his soul-partner Lia and being turned into a True Angel. When Archangel

Gabriel vanishes, he is forced to embrace his abilities to free Gabriel from Lucifer's grasp. Doing so, he gets gets shackled by an Archangel's command to kill his father. Will he be forced to comply, or is there another way? An ancient prophecy pushes Kreon to his limits as he tries to change fate, risking the extinction of the entire Angel community in a battle that will change the Angel world forever.

Set in early 20th century London, Chevalier follows two girl as the changes in the century emerge.

Fallen Angels, the Watchers, and the Origins of Evil

Fallen Angels

Fallen Angels in Jewish, Christian, and Mohammedan Literature

What You Need to Know

Fallen Angels and the Origins of Evil

The Spirit World

This ground-breaking and provocative book presents new and astonishing interpretations of ancient history, mythology and world religions that will call many established beliefs into question. In Gateway of the Gods, author Craig Hines invites readers to reconsider preconceived notions concerning Biblical theology in light of recent scientific discoveries and inquiries concerning the nature of the universe. This fascinating exploration reveals a number of ideas that have been suppressed and obscured behind layers of symbolism and misguided propaganda for thousands of years... until now. Why is it that so many world cultures share details of an event when fallen angels descended upon the earth and fathered hybrid offspring called the Nephilim? Is it possible that these beings used "gateway" technology housed within pyramids and holy temples to travel between the heavenly and earthly realms? Do the latest advances in theoretical physics lend credibility to the idea that otherworldly beings might reside in dimensions parallel to our own? Do the recorded voices of the "dead," known as Electronic Voice Phenomena (EVP), indicate that we may be able to communicate with these other realms? Was a secret message embedded within ancient texts that could only be revealed after we have attained the knowledge and technology necessary to understand it? Does this message offer a solution to the approaching environmental disaster that scientists warn will be more devastating to human civilization than any others in recorded history? Drawing from a variety of historical sources and years of meticulous research, the author weaves together a compelling argument involving a range of seemingly disparate topics that when considered together, formulate a radically new narrative concerning the history and destiny of the human race.

This sequel to "Fallen Angels and the Origins of Evil" introduces Saint Germain and other great masters of East and West who deliver their prophecies for Aquarius revealing the role of fallen angels in economic upheaval, international terrorism, and more. "Fallen Angels Among Us" offers tremendous hope and a way to transmute and transcend the prophecies before us. Religion is as complicated as the people who follow it. Taking on even a small section of theology is a massive undertaking, and honestly, it's just a mess of different versions of all kinds of stories and beliefs. So that being said, let's talk about some of the bad boys of several religions: fallen angels. Everyone knows what angels are - wings, halos, all kinds of bright light and grace. Fallen angels started out not-so-different at all, and there's a lesson to be learned there. The first - and often, the only - fallen angel most people think of is the Christian version of Lucifer, who took on God, fell from heaven, and went on to run a nightclub and consult with the LAPD. In this 200 Fallen Angels Enoch book, you will discover the story, for the first time in modern history, of the original two hundred visitors to planet Earth. Get your copy today!

Vita Daphna Arbel investigates depictions of the emblematic Eve that are embedded in one of the most influential accounts of Adam and Eve after the Hebrew Bible, namely the apocryphal Greek Life of Adam and Eve (GLAE) from late antiquity.

200 First Fallen Angels On Earth And What Did They Do

The Fallen Angels Book Club has only two requirements: the members must love books and have a white-collar criminal record. Hollis Morgan fits the bill. Left holding the bag in an insurance fraud scheme concocted by her now ex-husband, she served her time and is trying to rebuild her life. All she wants is for the court to pardon her conviction so she can return to law school. After one of her fellow members is murdered in a scenario straight out of a club selection, Hollis is once again the subject of police scrutiny. Refusing to get stuck with another bad rap, she sets out to investigate her fellow club members. Is one of them really blackmailing the others? As a second member dies in yet another book-inspired murder, Hollis realizes that time is running out. Everything rides on her finding the killer--not just her career aspirations. She must identify the killer before she herself becomes the next victim. Everyone is convinced she knows more than she lets on. But what is it, exactly, that is she supposed to know? The Fallen Angels Book Club is the first book in an exciting new mystery series featuring amateur sleuth Hollis Morgan.

IT ALL HAPPENED SO FAST One minute the two space Hab astronauts were scoop-diving the atmosphere, the next they'd been shot down over the North Dakota Glacier and were the object of a massive manhunt by the United States government. That government, dedicated to saving the environment from the evils of technology, had been voted into power because everybody knew that the Green House Effect had to be controlled, whatever the cost. But who would have thought that the cost of ending pollution would include not only total government control of day-to-day life, but the onset of a new Ice Age Stranded in the anti-technological heartland of America, paralyzed by Earth's gravity, the "Angels" had no way back to the Space Habs, the last bastions of high technology and intellectual freedom on or over the Earth. But help was on its way, help from the most unlikely sources Join # 1 national bestsellers Larry Niven and Jerry Pournelle and Michael Flynn in a world where civilization is on the ropes, and the environmentalists have created their own worst nightmare: A world of Fallen Angels At the publisher's request, this title is sold without DRM (Digital Rights Management).

Seventeen-year-old Richie Perry, just out of his Harlem high school, enlists in the Army in the summer of 1967 and spends a devastating year on active duty in Vietnam.

The second realm of Earth is under the control of the Dark Lord. While the Earth awaits its fate, Laurali, who was living alone in her grandpaas old house, is evicted by the IRS. A friend by the name of Chiro Gabrielle takes her in and she learns his secret: he is a fallen angel. As the Chosen One, Laurali, with the Sabre of Life in her hands, must fight as the war for Heaven and Earth begins. Follow Laurali on her quest to save the world as we know it. Cheer her onward as she learns her own innermost thoughts and secrets. Watch her grow as she encounters demons and vixens sent to halt her fulfillment of the prophecy. Join the side of good and fight against the evil.

Using only the Bible, Dead Sea Scrolls, the writings of the ancient rabbis, and the writings of the ancient church fathers, this book puts together the history of the creation of the angelic beings, the fall of Lucifer and his angels, the fall of Azazel, and the fall of Samyaza and his angels. Learn the history of the Nephilim (giants) both pre-flood and post-flood. Find details of many angels, demon nephilim in the dictionary at the back of the book. Even find out the exact location on earth of the fallen angel Azazel. Brought to you from Biblefacts Ministries, biblefacts.org

This little book is about the creation of man on the sixth day in chapter 1 of Genesis in the Bible. It's about the fall of Lucifer and his angels and how they were thrown to earth by the angels in heaven. While they were here, they destroyed human life and opened their kingdoms on earth that were full of deceit and terror! They changed our DNA according to chapter 6 in Genesis and present multiple gods for all of mankind to worship and make sacrifices to. This is a very unconventional outlook, but think outside the box. All the evidence we need is in the Bible.

From the #1 New York Times bestselling author of the Black Dagger Brotherhood series comes the second Novel of the Fallen Angels, and a deadly new mission for the reluctant savior enlisted to protect the future of humanity... Seven deadly sins. Seven souls that must be saved. One more no-holds battle between a fallen angel with a hardened heart and demon with everything to lose. Isaac, a black ops soldier with a dark past and a grim future. The target of an assassin, he finds himself behind bars, his fate in the hands of his gorgeous public defender, Grier Child. His hot attraction to her is a totally wrong place/wrong time kind of thing—and that's before Jim Heron tells him his soul is in danger. Caught up in a wicked game with the demon who shadows Jim, Isaac must decide the soldier in him can believe that true love is the ultimate weapon against evil...

Ancient Paganism explores the false religion of the ancient pre-flood world and its spread after Noah's Flood into the Gentile nations. Quotes from the ancient church fathers, rabbis, and the Talmud detail the activities and beliefs of both Canaanite and New Testament era sorcery. This book explores how, according to biblical prophecy, this same sorcery will return before the Second Coming of Jesus Christ to earth. These religious beliefs and practices will invade the end time church and become the basis for the religion of the Antichrist. Wicca, Druidism, Halloween, Yule, meditation, and occultic tools are discussed at length. This book is brought to you by Biblefacts Ministries, Biblefacts.org

Angels and Fallen Angels

The Trial of Fallen Angels

Fallen Angels: Watchers and the Witches Sabbat

“My name is Legion: for we are many.” —Mark 5:9 They have been with us since the beginning of time. Walking the centuries in our myths, our art, our literature . . . and in our dreams. Victims of temptation and sin, they are spirits who fell from heaven’s grace, emerging anew as servants of darkness. Here, in one spellbinding volume, are the most infamous denizens of the Underworld—from Lucifer, the first angel who challenged God’s will, to the fathomless legions of demons and fiends who haunt us to this day. Explore their world, hear their stories, unravel their secrets, and discover for yourself that even angels can have a dark side . . . Evil walked the earth when angels fell. Evil stalks us now in disembodied spirits; immortal wraiths once clothed in flesh when angel and women bred; spirits released from their fleshly prisons when their bodies were destroyed for drinking the blood of men. Evil also lives inside of the common man; set free when pride kills reason and eats integrity whole. There is evil that entraps us and evil that tugs from within. But neither have control until we choose to relent. Evil is a choice of action, of thoughts entertained too long, of arrogance pushing aside the last vestiges of compassion. Evil resides within the problem of choice. What is evil? Could it be as simple as pernicious selfishness? Could it be the drive for immediate gratification without regard for others? Man's life is limited; one hundred years or less. But, the souls of angel and watcher are eternal. Consider how much evil can be wrought through the millennia of immediate gratification on an eternal scale. By contrasting and comparing ancient texts such as Enoch, Jasher, Jubilees, the Bible, and various others containing stories of the creation of angels, demons, and man, a full and panoramic history of evil is produced. In this history the startling revelation of the descent of man and angels, and the evolution of evil on earth is clearly revealed.
