

## *Anglican Hymns Old New Viscount Church*

***Translation has played a vital part in the history of literature throughout the English-speaking world. Offering for the first time a comprehensive view of this phenomenon, this pioneering five-volume work casts a vivid new light on the history of English literature. Incorporating critical discussion of translations, it explores the changing nature and function of translation and the social and intellectual milieu of the translators.***

***The Oxford History of Literary Translation in English:***

This is a compelling case study of a distinctive theological theme - the eschatological interpretation of the historical Jesus in Edwardian England - as an attempt to add greater precision to the history of theology in a neglected period. Looking at the impact of Adolf Harnack, Alfred Loisy, Albert Schweitzer and Johannes Weiss on biblical studies and theology before the First World War, Chapman argues that the future course of theology, in which eschatology played such a crucial role, was already mapped at this time. Assessing the work of William Sanday F.C. Burkitt and George Tyrrell, Chapman looks at the theological diplomacy between Britain, France and Germany and uncovers a cultural crisis that made eschatology such an appealing idea.

New Outlook

David Lloyd George left a profound political legacy, despite being described by the wife of his successor, Herbert Asquith, as a 'gambler without foresight'. He is, of course, best known as the Prime Minister who led Britain to victory in World War I, but his contribution to domestic politics was similarly impressive. As Chancellor of the Exchequer he introduced pensions and national insurance against sickness and unemployment, while as Prime Minister he extended democracy by giving votes to women. Yet Lloyd George was compromised by his flaws as a human being. Vain, cruel, capricious and dishonest, at times his notoriously corrupt nature threatened to damage the British political system. Providing a unique new perspective on one of the most phenomenally-talented - but also one of the most phenomenally-flawed - of British Prime Ministers, this book will be essential reading for anyone interested in modern British politics and history.

Women and the Roman Catholic Church in Britain and Europe, 1200-1900

This timely collection of essays on British and European Catholic spiritualities explores how ideas of the sacred have influenced female relationships with piety and religious vocations over time. Each of the studies focuses on specific persons or groups within the varied contexts of England, France, Italy, the Netherlands and Spain, together spanning the medieval period through to the nineteenth century. Examining the interplay between women's religious roles and patriarchal norms, the volume highlights the relevance of gender and spirituality through a wide geographical and chronological spectrum. It is an essential resource for students of Gender History, Women's Studies and Religious Studies, introducing a wealth of new research and providing an approachable guide to current debates and methodologies. Contributions by: Nancy Jiwon Cho, Frances E. Dolan, Rina Lahav, Jenna Lay, Laurence Lux-Sterritt, Carmen M. Mangion, Querciolo Mazzonis, Marit Monteiro, Elizabeth Rhodes, Kate Stogdon, Anna Welch

The Outlook

A Literary and Political Journal

The Dublin University Magazine

More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.
