Pocket Fun: Animal Activity Book

Explore the world of ABCs with these charming flash cards by artist Lisa DeJohn. Printed on sturdy board and featuring an engaging collection of animals including dragonflies, sea horses, and warthogs these cards are perfect for little fingers and inquisitive minds.

How do animals live? What do they eat? Is a human being an animal? Children have all sorts of questions about animals, and in My Animal Book those questions are answered. A little girl named Koko helps children think about animals and make comparisons with their own lives. There are also three intrepid explorers who go on adventures to a variety of places to find out about different species. Young readers investigate each topic by playing and learning. The book is energetic and bold in its illustration, with contributions from a variety of illustrators. It has a sense of humor, and its large format makes it feel friendly and approachable for children ages five and up.

Color and learn awesome facts about the 25 most amazing wild animals--plus bonus trading cards! Meet 25 awesome wild animals from all over the world! This learn-through-coloring book provides kids with hours of coloring fun and teaches them exciting facts about these astonishing creatures at the same time. Did you know that crocodiles sometimes swallow stones to help digest their meals? That cheetahs can turn in midair while running? Or that dolphins name each other? Here's what these animals look like, where they live--even what groups of them are called! Children will have fun coloring the wild animals, learning about them and their habitats, and becoming well-versed in the animal world. Wild Animal Book for Kids features: - 50 age-appropriate illustrations, perfect for little hands. - Learning while having coloring fun! Kids will discover amazing facts about each wild animal that they can share with family and friends. - Classification, habitat, and group name for each animal. - Bonus trading cards for kids to color and collect.

A bold, fun counting book in an eye-catching, animated style of illustration. Includes an amusing fact or anecdote per animal.

"M is for Meerkat: Meerkats sunbathe in the morning to warm up" Filled with beautiful illustrations, interesting facts and bonus activities, ABC Animal Facts is the perfect picture book to help young children learn the alphabet and simple words. A is for armadillo, B is for badger, C is for camel... each page has a new and interesting animal fact and illustration. The added bonus activities at the end of the book are guaranteed to keep children entertained - they won't even realize they are learning! This book is perfect for young children. They will want to read it again and again, which makes ABC Animal Facts ideal for bedtime stories, group reading, or one-on-one with loving parents, grandparents and guardians. Page Up and Order Now

Children love word games. This delightful book uses bright pictures of kooky animals to introduce children to the power of the alphabet and the fun of alliteration. Absolute Animal Alliteration takes every single letter of the alphabet (yes, even X!) and applies an animal subject, a verb, and descriptive words (adjectives and adverbs) to create phrases of authentic alliteration. Both entertaining and educational, this book is sure to be a favorite for children as young as three and parents and grandparents of all ages. It's also a great tool for teachers to instruct elementary school age children to creatively develop their writing skills.
