Welcome to Cyrene, a city where energy is currency and music is the lifeblood of its young citizens. Everyone lives on the grid, and the residents of the world's largest playground are encouraged to pursue every physical and emotional pleasure imaginable. Vee is the lead singer of the Sugar Skulls, an all-girl band that is Corporate's newest pet project. Micah haunts the city like a ghost after an overdose of a deadly illegal street drug knocks him off the grid. When Micah and Vee forge an immediate, undeniable connection, their troubled worlds collide. Trading concert stages for Cyrene's rooftops and back alleys, they have to evade vicious thugs and Vee's possessive manager as they unravel the mysteries connected to their dark pasts. And before the curtain falls, Micah and Vee will bring the city to its knees in their desperate bid for love, home, and a future together.

'A beautifully crafted tale of how small loves can grow into the big ones, often quite unexpectedly.' The Irish Times A prize-winning author's magical realist fable about greed and corruption in Venezuela, **Black Sugar** gives a fascinating view of the country's social and economic development throughout the twentieth century through the story of a family of sugarcane growers. It tells of buried treasure and the legendary privateer Henry Morgan. On the edge of the Latin American rainforest, the Oteros family farm sugar cane in their remote corner of the earth. Cut off entirely from the modern world, life is peaceful, uneventful. Until, that is, a succession of ships arrive in search of Henry Morgan's legendary lost treasure, said to be buried deep beneath the forest floor. Soon, the isolated villagers are exposed to all the trappings of modernity, while the travellers' search for booty unearths more than anybody could have anticipated... And so it was that the treasure lay buried amid scraps of sail and a pirate's corpse, preserved within the belly of the Caribbean... Reviews 'Gallic Books have a lovely knack for publishing quirky and engaging novels, often compact and always accessible. Miguel Bonnefoy continues that tradition with his intriguing second novel, **Black Sugar**. With a pitch-perfect translation by Emily Boyce, this is a beautifully crafted tale of how small loves can grow into the big ones, often quite unexpectedly.' The Irish Times 'Its lyricism and vivid descriptions of a tropical landscape make it worth stopping by for.' The Big Issue 'An astonishing novel about the rise and fall of a family over time... **Black Sugar** is not to be missed.' Portland Review of Books 'Simply written, Miguel Bonnefoy's story almost reads like a fable, weaving themes of greed and corruption into a pirate drama.' World Literature Today 'Bonnefoy's French and South American heritage infuse the novel, it combines the best of the European tradition and magical realism. It's a mix of folklore and exotic storytelling. Rich in description, lyrical, elegant and fantastical.' Nudge Magazine 'Entirely satisfying (...) **Black Sugar** holds its own in the Latin American magical-realism tradition.' Foreword Reviews 'Black Sugar comes out at a time when Venezuela is in the news for violence and turmoil. But Bonnefoy's prose bursts with pride for the region and its people, particularly the farms and farmers. At the same time, he acknowledges the colonizing forces that fomented unrest, whose influence is felt today as the country destabilizes. It's an important book to read right now, for even though it's fantastical fiction, it gives the reader context for the next headline.' Necessary Fiction 'Black Sugar is a beautiful generational saga akin to *One Hundred Years of Solitude* or *The House of the Spirits* ... Bonnefoy never loses his own voice and continues to write with strokes of brilliant colours and sounds.' The Book Bag 'Rich in sensuous imagery and wonderful descriptions.' Trip Fiction 'Black Sugar stands out as one of the beautiful surprises of this autumn ... Here, everything is lived to the full, love passion and desire for power, fidelity and ambition.' L'Express

ABC for Me: ABC Let's Celebrate You & Me

When a young girl helps tend to her grandmother's garden, she begins to notice things that make her curious. Why does her grandmother have long, braided hair and beautifully coloured clothing? Why does she speak another language and spend so much time with her family? As she asks her grandmother about these things, she is told about life in a residential school a long time ago, where all of these things were taken away. *When We Were Alone* is a story about a difficult time in history, and, ultimately, one of empowerment and strength. Also

available in a bilingual Swampy Cree/English edition. When We Were Alone won the 2017 Governor General's Literary Award in the Young People's Literature (Illustrated Books) category, and was nominated for the TD Canadian's Children's Literature Award.

Pig and Mouse are hard at work baking the best birthday cake EVER for Cow. But it would be a lot easier if Duck weren't hanging around, yammering on about turnips or some nonsense. (Sheesh!) With all this silliness going on, how will they manage to throw Cow a spectacular birthday party? Well, as it turns out, crazy Duck just might have had the right idea all along! This second picture book from Jan Thomas features wacky humor that toddlers will adore, rowdy repetitions, irreverent dialogue--and a hilarious twist at the end.

The first book in the powerfully erotic Filthy Beautiful series 18+

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

DOOM DOOM DOOM: the Art of Invader Zim

Clean Cakes is the ultimate cookbook for anyone who enjoys baking as well as experimenting with new and alternative ingredients. It provides a wealth of ideas for cooking everything from spectacular cakes, energy-boosting muffins and wholesome loaves to stunning raw desserts and scrumptious tarts and pies, with distinctive flavour combinations and original twists on established classics. It will prove invaluable for anyone who for health or lifestyle reasons wants to eliminate gluten, dairy or refined sugar from their diet but who still wants to satisfy their sweet tooth and create their own nutritious guilt-free masterpieces. Henrietta Inman embraces nutritious whole food ingredients that are unprocessed, unrefined, natural, seasonal and local wherever possible. The first section shows how to stock your Clean Cakes larder, as well as including foundation recipes such as cashew cream, nut butters and homemade jams. Next come over 75 beautifully photographed recipes, from rich chocolate brownies, a show-stopping courgette, basil, lime and pistachio layer cake and raw desserts to five grain omega mix granola bars, spectacular fruit pies and enticing savoury tarts. These recipes are for everyone and show that cooking healthily doesn't have to mean compromising on flavour.

Learn the secrets of sugar floristry with Petalsweet Cakes founder Jacqueline Butler. In her exquisite and long-awaited debut book, you'll learn in step-by-step detail how to create modern and sophisticated, stylized sugar flowers, and how to use them to create beautiful arrangements on wedding and celebration cakes. Inside you'll find instructions and step-by-step photographs for 20 stunning sugar flowers in various stages of bloom, as well as flower buds and leaves, using a clean and contemporary color palette. Through six diverse projects you'll then learn how to use these foundation flowers in combination with filler flowers to create elegant cake designs, including working directly on single-tier cakes and multi-tiered cakes, as well as making styrofoam cake toppers. As well as being the most contemporary take on the subject ever produced, this book will also remain an essential reference for years to come!

ABC Let's Celebrate You & Me presents a whole alphabet full of positive qualities kids can celebrate about themselves, including both physical and character attributes.

Claire is homesick visiting her great aunt in Cheticamp, Cape Breton Island. But then she sees her Tante Marie hooking one of the beautiful wool rugs for which Cheticamp is famous. Claire starts her own rug and, stitch by stitch, she lets Tante Marie and all of Cheticamp into her heart, and a little bit of her heart into her work. Claire's Gift combines lyrical storytelling with stunning illustrations to bring to life a community and its most cherished art form.

This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

This joyous and loving celebration of family is the first-ever picture book to highlight Black nighttime hair traditions--and is perfect for every little girl who knows what it's like to lose her bonnet just before bedtime. In my family, when the sun goes down, it goes up! My brother slips a durag over his locs. Sis swirls her hair in a wrap around her head. Daddy covers his black waves with a cap. Mama gathers her corkscrew curls in a scarf. I always wear a bonnet over my braids, but tonight I can't find it anywhere. Bedtime Bonnet gives readers a heartwarming peek into quintessential Black nighttime hair traditions and celebrates the love between all the members of this close-knit, multi-generational family. Perfect for readers of Hair Love and Crown- An Ode to Fresh Cut!

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an

international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analysis of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

ABC What Can She Be? presents a world of possibilities—from astronaut to zoologist and everything in between—for all little girls with big dreams. Not even the sky is the limit with this fun approach to learning the alphabet! In this book from Walter Foster, ABC What Can She Be? encourages young girls by presenting a colorful variety of choices for their future careers. Talented illustrator Jessie Ford artfully pairs the letters of the alphabet with vibrant, eye-catching illustrations that paint an inspiring picture for budding trailblazers everywhere. Representing all kinds of girls, ABC What Can She Be? depicts girls with different colors, sizes, shapes, and abilities in both traditional and nontraditional occupations. ABC What Can She Be? explores 26 different career paths, including engineer, writer, neurosurgeon, software engineer, and pilot. Each page introduces a letter of the alphabet with bright artwork and highlights a career that is fun, challenging, and makes a big impact in its own way. These 26 careers are some of the things she can be! A boldly illustrated, fun family read, ABC What Can She Be? is a great way for parents to introduce their small children to the bright futures before them. Girls can dream big and do anything! With endearing illustrations and new concepts, the ABC for Me series pairs each letter of the alphabet with words that promote big dreams and healthy living. Other books in this series include: ABC What Can He Be? (2019) ABC What Can I Be? (2020) ABC Let's Celebrate You & Me (2021) ABC Everyday Heroes Like Me (2021)

The Art of Wreck-It Ralph

With eloquence and wit, Wayne Hoffman explores the unlikely camaraderie between a young Jewish man and an Orthodox rabbi, in this rich, insightful novel about love, honesty, faith, and belonging. In Yiddish, there is a word for it: bashert—the person you are fated to meet. Twentysomething Benji Steiner views the concept with skepticism. But the elderly rabbi who stumbles into Benji's office one day has no such doubts. Jacob Zuckerman's late wife, Sophie, was his bashert. And now that she's gone, Rabbi Zuckerman grapples with overwhelming grief and loneliness. Touched by the rabbi's plight, Benji becomes his helper—driving him home after work, sitting in his living room listening to stories. Their friendship baffles everyone, especially Benji's sharp-tongued, modestly observant mother. But Benji is rediscovering something he didn't know he'd lost. Yet the test of friendship, and of both men's faith, lies in the difficult truths they come to share. With each revelation, Benji learns what it means not just to be Jewish, but to be fully human—imperfect, striving, and searching for the pieces of ourselves that come only through another's acceptance. "A story that is beautifully told, profound and funny." --Jonathan Rosen, author of Joy Comes In The Morning "A stirring story about the face of love on many different levels." --Carolyn Hessel "An unforeseen tale of friendship and faith." --Dave King, author of The Ha-Ha Wayne Hoffman is a writer and editor whose cultural reporting has appeared in the Washington Post, Village Voice, The Forward, The Advocate, and elsewhere. Wayne is currently deputy editor of Nextbook Press. He lives in New York City and the Catskills. Be inspired by the enchanting, and often humorous, imagery of the 'Day of the Dead' festival. Artist Maddy Brook's macabre skeleton art and traditional Mexican iconography make compelling drawing subjects, which are perfect for budding artists. There are 16 projects to choose from, including traditional sugar skull designs, dancing mariachi skeleton bands, elaborate shrines, famous characters from Mexican folklore, gravestones and tombs, and other hauntingly beautiful scenes. With clear information on materials, tutorials for techniques, and step-by-step guides for all the projects, you have everything you need to get started.

An empowering picture book for all kids that demonstrates to children that they can be real-life superheroes and that all kids have what it takes to be brave. Superheroes seek adventure, never give up, and stay calm when others are afraid. Superheroes are brave. But they aren't the only ones. Kids are brave every day. When they are told they are too little, but accomplish something big. When they check for monsters under the bed, just in case. When they face something uncertain, whether a thunderstorm or a hospital visit. When they stand up for what's right, even when it means facing consequences. Like superheroes, brave kids can save the world, just by being brave. Thoughtful text from Stacy McAnulty paired with vibrant illustrations from Joanne Lew-Vriethoff encourage kids to be brave in all the ways they can: trying new things, speaking their mind, confronting bullies, and more. This book will inspire kids to follow their hearts and to have courage, no matter the situation.

For Claire Boucher, life is all about skating on the frozen cow pond and in the annual Maple Show right before the big pancake breakfast on her family's farm. But all that changes when Russian skating coach Andrei Grosheva offers Claire a scholarship to train with the elite in Lake Placid. Tossed into a world of mean girls on ice, where competition is everything, Claire realizes that her sweet dream come true has sharper edges than she could have imagined. Can she find the strength to stand up to the people who want to see her fail and the courage to decide which dream she wants to follow?

When We Were Alone

Take 2: 16 Make-At-Home Celebration Cakes from a World-Famous Sugar Artist

A haunting, epic Caribbean love story, reminiscent of Garc í a M á rquez's Love in the Time of Cholera. WINNER of the

2020 Hurston/Wright Legacy Award for Fiction! "A Tall History of Sugar is a gift for grown-up fans of fairy tales and those who love fiction that metes out hard and surprising truths. Forbes's writing combines the gale-force imagination of Margaret Atwood with the lyrical pointillism of Toni Morrison." --New York Times Book Review, Editors' Choice "A mesmerizing love story that takes place over 50 years in Jamaica." --Tayari Jones in O, the Oprah Magazine "Curdella Forbes's A Tall History of Sugar is the most recent in an impressive new wave of novels by Jamaican writers--from Marlon James's Booker Prize-winning A Brief History of Seven Killings to Kei Miller's Augustown, Marcia Douglas's The Marvelous Equations of the Dread, and Nicole Dennis-Benn's Patsy, among others. Forbes provides an eclectic, feverish vision of Jamaican 'history' from the 1950s to the present glimpsed through the experiences of an abandoned mystic-child named Moshe, whose translucent skin and mismatched eyes defy racial category. Who he is and who he becomes--like the country itself--is a riddle that unfolds in episodic bursts and linguistic flourishes." --Vanity Fair, one of the Best Books of 2019 "Jamaican patois is just part of what animates A Tall History of Sugar by Howard University professor Curdella Forbes, who centers her memorable novel around a folktale of soul mates Moshe Fisher and Arrienne Christie. An adult Arrienne narrates the mysterious Caribbean fantasy." --Essence, an October Book Pick A Tall History of Sugar tells the story of Moshe Fisher, a man who was "born without skin," so that no one is able to tell what race he belongs to; and Arrienne Christie, his quixotic soul mate who makes it her duty in life to protect Moshe from the social and emotional consequences of his strange appearance. The narrative begins with Moshe's birth in the late 1950s, four years before Jamaica's independence from colonial rule, and ends in the era of what Forbes calls "the fall of empire," the era of Brexit and Donald Trump. The historical trajectory layers but never overwhelms the scintillating love story as the pair fight to establish their own view of loving, against the moral force of the colonial "plantation" and its legacies that continue to affect their lives and the lives of those around them. Written in lyrical, luminous prose that spans the range of Jamaican Englishes, this remarkable story follows the couple's mysterious love affair from childhood to adulthood, from the haunted environs of rural Jamaica to the city of Kingston, and then to England--another haunted locale in Forbes's rendition. Following on the footsteps of Marlon James's debut novel, John Crow's Devil, which Akashic Books published in 2005, we are delighted to introduce another lion of Jamaican literature with the publication of A Tall History of Sugar. Trust Joanne Chang—beloved author of the bestselling Flour and a Harvard math major to boot—to come up with this winning formula: minus the sugar = plus the flavor. The 60-plus recipes here are an eye-opener for anyone who loves to bake and wants to cut back on the sugar. Joanne warmly shares her secrets for playing up delicious ingredients and using natural sweeteners, such as honey, maple syrup, and fruit juice. In addition to entirely new go-to recipes, she's also revisited classics from Flour and her lines-out-the-door bakeries to feature minimal refined sugar. More than 40 mouthwatering photographs beautifully illustrate these revolutionary recipes, making this a must-have book for bakers of all skill levels.

Created by indie comics artist Jhonen Vasquez, Invader Zim tells the story of extraterrestrial outcast Zim, from the planet Irk. With the assistance of his malfunctioning robot GIR, Zim repeatedly tries (and fails) to execute his dastardly plan to conquer Earth, all while masquerading as an average elementary school student. DOOM DOOM DOOM: The Art of Invader Zim is the definitive history of both the fan-favorite series and the upcoming Invader Zim television movie Enter the Florpus, airing in spring 2019. A fully authorized, all-access compendium of never-before-published production art, storyboards, behind-the-scenes photos, and ephemera, the book will feature exclusive, interviews with Vasquez and other key crewmembers that reveal the origins, art, and imagination behind one of Nickelodeon's most beloved turn-of-the-millennium series.

When Becky Randle's mother dies, Becky is whisked from her trailer park home to New York. There she meets Tom Kelly, the world's top designer, who presents Becky with an impossible offer: He'll design three dresses to transform the very average Becky into the most beautiful woman who ever lived. Soon Becky is remade as Rebecca - pure five-alarm hotness to the outside world and an awkward mess of cankles and split ends when she's alone. With Rebecca's remarkable beauty as her passport, soon Becky's life resembles a fairy tale. She stars in a movie, VOGUE calls, and she starts to date Prince Gregory, heir to the English throne. That's when everything crumbles. Because Rebecca aside, Becky loves him. But the idea of a prince looking past Rebecca's blinding beauty to see the real girl inside? There's not enough magic in the world. Defiant, naughty, and impossibly fun, GORGEOUS answers a question that bewilders us all: Just who the hell IS that in the mirror?

The official sequel to the bestselling Steven Universe: Art & Origins Steven Universe: End of an Era is the eagerly anticipated follow-up to the bestselling behind-the-scenes companion book Steven Universe: Art & Origins. Showcasing new concept art, storyboards, background paintings, and exclusive interviews, End of an Era will update the history of the Emmy Award-winning series to cover season four through to the critically acclaimed finale, "Change Your Mind," and beyond. Fans can expect a special focus on creator and showrunner Rebecca Sugar's elaborate process for creating the lore for the series, as she and the crew reveal how they discovered and developed the complete story arc for each character, as well as how they were able to design a show that so refreshingly captures and celebrates the experience of childhood. Steven Universe: End of an Era is a heartfelt send-off to one of the most progressive, imaginative, and beloved animated series of our time.

This oversized book is the comprehensive companion to the art and making of the The Venture Bros. and includes a foreword by Patton Oswalt! Ken Plume sits down with series creators Jackson Publick and Doc Hammer to have a conversation about the creation of every

single episode through season six and much more. From the earliest sketches of Hank and Dean scribbled in a notebook, pitching the series to Cartoon Network's Adult Swim, learning the ins and outs of animation, character designs for each season, storyboards, painted backgrounds, behind-the-scenes recollections of how the show came together, it's all here. Features behind-the-scenes info and art covering every episode of all six seasons. Written by Venture Bros. creators Jackson Publik and Doc Hammer, with intro by Patton Oswalt. An all-encompassing look at the characters, art, history and influences of the beloved series. Never before seen Venture Bros. artwork!

Hieu Minh Nguyen's bruising collection of poems, *This Way to the Sugar*, puts a blade and a microscope to nostalgia, tradition, race, apology, and sexuality, in order to find beauty in a flawed world. His work has been described as "an astounding testament to the power and necessity of confession." This powerful book asks whether it might be better "to leave the blade inside the body," whether "forgiveness will bleed you thin."

"A heady admixture of explosive plot and taut, burnished prose . . . Mesha Maren writes like a force of nature." –Lauren Groff, author of Florida In 1989, Jodi McCarty is seventeen years old when she's sentenced to life in prison. When she's released eighteen years later, she finds herself at a Greyhound bus stop, reeling from the shock of unexpected freedom but determined to chart a better course for herself. Not yet able to return to her lost home in the Appalachian Mountains, she heads south in search of someone she left behind, as a way of finally making amends. There, she meets and falls in love with Miranda, a troubled young mother living in a motel room with her children. Together they head toward what they hope will be a fresh start. But what do you do with your past—and with a town and a family that refuses to forget, or to change? Set within the charged insularity of rural West Virginia, Mesha Maren's Sugar Run is a searing and gritty debut about making a break for another life, the use and treachery of makeshift families, and how, no matter the distance we think we've traveled from the mistakes we've made, too often we find ourselves standing in precisely the place we began.

******A new adult STANDALONE from the author of Full Tilt and The Butterfly***

ProjectNikolai Alexei Young was born with a special gift...one he'd do anything to lose. The heart and soul of every person he comes into contact with is an open book to his heightened senses. Colorful emotions, whispers of thoughts, the sour tastes of old memories...He feels them all. The sci-fi books would call him an empath. For Nikolai, his ability has made him an exile. He roams the U.S. alone, avoiding the glut of life in big cities, and using his innate talents to win money in underground poker games. Just enough to keep going, one town to the next. He has no hope that his life can be anything else, until he meets her...At nineteen, Fiona Starling was trapped in an ugly, desperate situation until she freed herself the only way she knew how. Now three years later, living outside Savannah, Georgia, she is rebuilding her life on her own terms; seizing every moment and saving every penny so that she might fulfill her dream of moving to the raw wilderness of Costa Rica. But behind her carefree smile beats the heart of a lonely young woman haunted by her past, until a chance encounter with a tattooed stranger changes everything... Fiona takes Nikolai under her roof for three sultry nights, waiting out the rain of a summer storm. She grows more and more fascinated by this brooding stranger with whom she shares an intense physical connection—a connection so strong, she wonders if there is something between them beyond lust and passion. Nikolai is shocked to discover that Fiona calms the raging turmoil in his heart. She alone silences the din of other people's lives, and envelops him in the sweet beauty of her inner self. Every moment he's with her—every touch of her skin—brings him closer to the peace that's been eluding him his entire life. But Fiona harbors secrets that she is too terrified to reveal. After Nikolai confesses his unique ability, she is caught between wanting to believe him and fearing he'll eventually unearth her own dark past. When the unthinkable happens, Fiona's plans come crashing down, and Nikolai discovers his hated ability might be the only thing that can save the woman he loves. Sugar & Gold is a new adult romance with shades of the paranormal and is the second book in the Dreamcatcher novels, a series***

of interconnected STANDALONES. It is NOT necessary to have read How to Save a Life (Dreamcatcher #1) first in order to follow the story, but characters will appear across all novels. Intended for readers 18 and up

In Wreck-It Ralph, Disney's expert team of concept, visual development and story artists explore the hidden world of video games from classic 8-bit arcade games to the most modern and inventive offerings of the digital age. At the center of this hilarious and wildly original video-game-hopping adventure is Wreck-It Ralph, an arcade game bad guy who breaks all the rules when he sets off on a mission to prove he can be good. The Art of Wreck-It Ralph captures the fresh artistic vision of the film and the aesthetic journey of the filmmakers through interviews with the film's many artists, including a foreword by director Rich Moore and a preface by John Lasseter. Illustrated with character sketches, storyboards, visual development paintings, colorscripts, and more, this behind-the-scenes look at Disney's latest 3-D animated epic is a treat for video game and animation lovers alike.

A Novel

Plugged in

Sugar Run

Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, Everyone Knows Your Mother Is a Witch is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

If you're celebrating with friends and family, there's no better gift for someone truly special than a hand-crafted cake made just for them. Now you can watch your very own cakes come to life as you learn to model with talented sugar artist, Carlos Lischetti.

A stand-alone fantasy tale from Seanan McGuire's Alex-award winning Wayward Children series, which began in the Alex, Hugo, Nebula, and Locus Award-winning, World Fantasy Award finalist, Tiptree Honor List Every Heart a Doorway Beneath the Sugar Sky, the third book in McGuire's Wayward Children series, returns to Eleanor West's Home for Wayward Children in a standalone contemporary fantasy for fans of all ages. At this magical boarding school, children who have experienced fantasy adventures are reintroduced to the "real" world. When Rini lands with a literal splash in the pond behind Eleanor West's Home for Wayward Children, the last thing she expects to find is that her mother, Sumi, died years before Rini was even conceived. But Rini can't let Reality get in the way of her quest – not when she has an entire world to save! (Much more common than one would suppose.) If she can't find a way to restore her mother, Rini will have more than a world to save: she will never have been born in the first place. And in a world without magic, she doesn't have long before Reality notices her existence and washes her away. Good thing the student body is well-acquainted with quests... A tale of friendship, baking, and derring-do. Warning: May contain nuts. The Wayward Children Series Book 1: Every Heart a Doorway Book 2: Down Among the Sticks and Bones Book 3: Beneath the Sugar Sky Book 4: In an Absent Dream At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From the author of the bestselling Ruthless People series, a contemporary story about the transcendent power of love... When twenty-four-year-old Felicity Harper is dragged to a sugar party, an event where wealthy men and women seek "companionship," she never expects this one simple decision to drastically change her whole life. Her past is nothing but broken dreams and heartache. Her present is detached and dull. And her future? Well, before meeting Theodore Darcy, the famed film director, writer, producer and CEO of Darcy Entertainment, she would have expected more of the same. Love is just a fantasy and she wants no part of it—even if she can't deny the magnetic attraction between the two of them. So their arrangement is simple: sex with no strings attached. But as their intimacy becomes more powerful, so do Felicity's demons. Can Theo really shoulder her past and his own? And could Felicity even let him?

Claire's Gift

A Celebration of All the Things that Make Us Unique and Special, from A to Z!

Sugar and Ice

Celebrate the heart connection between adopted children and the forever families who welcome them with kindness, care, and unconditional love in this powerful picture book from the author of Honey Baby Sugar Child. Carol Olivia Clementine lives with Mama Rose. Mama Rose is everything—tender and sweet. She is also as stern and demanding as any good parent should be. In the midst of their happy home, Carol misses her mother and father. She longs to be with them. But until that time comes around, she learns to surrender to the love that is present. Mama Rose becomes her "home." And Carol Olivia Clementine concludes that she loves Miss Rose, "just like a mama." This sweet read-aloud is, on the surface, all about the everyday home life a caregiver creates for a young child: she teaches Clementine how to ride a bike, clean her room, tell time. A deeper look reveals the patience, intention, and care little ones receives in the arms of a mother whose blood is not her blood, but whose bond is so deep—and so unconditional—that it creates the most perfect condition for a child to feel safe, successful, and deeply loved.
