The text establishes the bias of the opposition to Levin and places the issue in the context of the wider cultural struggle of the 1950s. Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront

Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler

In *Het Achterhuis*, Anne Frank describes this man, who was her roommate in hiding for almost two years, as a narrow minded, irritating and gloomy figure. This material, including Pfeffer's last letter to Kaletta, his lover, dated 15 November 1942, came into the hands of the well-known Dutch historian Nanda van der Zee. With the help of Pfeffer's son, who gave her a wealth of unpublished photographs, as well as friends and acquaintances of Kaletta and Pfeffer from Germany, Holland, Belgium and South Africa and the Pfeffer archives of the Anne Frank Foundation, she re-created the story of his life.
