CD-ROM provides over 200 extra exercises to help you practice the grammar presented.

This book includes an overview of pertinent teacher information and all the necessary answer keys for Grammar, Usage, and Mechanics Student Book Level 1.

Grammar by Diagram, second edition is a book designed for anyone who wishes to improve grammatical understanding and skill. Using traditional sentence diagramming as a visual tool, the book explains how to expand simple sentences into compound, complex, and compound-complex sentences, and how to employ verbals (infinitives, gerunds, and participles) and other structures for additional variety. The text addresses the most frequent usage errors by explaining how to distinguish between adjectives and adverbs; how to avoid problems of pronoun case, agreement, and consistency; how to ensure that verbs will agree with their subjects and will be appropriate in terms of tense, aspect, voice, and mood; and how to phrase sentences to avoid errors in parallelism or placement of modifiers. Six appendices incorporate further exercises, a summary of key basics from the text, and supplemental material not included in the body of the text but useful for quick reference. This new edition includes additional exercises and has been revised and updated throughout.

"If you are reading *The Elements of Style* for an academic course or to improve your writing, this companion workbook can help you to memorize and self-test your knowledge of basic English grammar rules." This workbook is designed for readers of the three most popular versions of William Strunk's grammar classic, *The Elements of Style*. It can be used by readers of Strunk's original work, now in the public domain; the "Strunk and White" editions by E.B. White; and *The Elements of Style: 2018 Classic Edition*. In addition, readers of other grammar books, and ESL/EFL learners, may find this workbook useful for learning the core rules of English grammar. Learning grammar may seem like a boring task, but it is a must for students who wish to do well in their courses and for writers who want to improve their grammar and style. This workbook presents a series of 27 quizzes with 626 questions, multiple-choice answers, and a convenient scoring key. Some quizzes drill on grammar rules covered in all versions of *The Elements of Style*, and others are keyed to a specific edition.

To derive maximum benefit from this workbook, it is suggested that you complete a few quizzes each day. Take note of your correct and incorrect answers to reinforce the underlying grammar rules. Be sure that you have a firm grasp of each rule before going on to the next quiz. You will know that you are ready to proceed when you have answered all the questions on a quiz correctly.

Used in classrooms across America and around the world, *The Elements of Style* has helped generations of students and writers learn to write grammatically correct prose. Whether you are taking a course for which Strunk's book is required reading, or you are a writer looking to polish your style, this workbook can help you to learn English grammar rules and use that knowledge to make all your writing exemplary.
