**Vocabulary in Use Intermediate** is a reference and practice book for students of North American English at the intermediate level. Each unit is on two pages. The left-hand page teaches an important selection of vocabulary that is related by grammar or topic. The right-hand page provides practice exercises. **Vocabulary in Use Intermediate** can be used as a classroom text or for self-study. [www.cambridge.org/vinu](http://www.cambridge.org/vinu) Additional activities for extra vocabulary and listening practice are available on the companion Web site.

The world's best-selling grammar series for learners of English. **Grammar in Use Intermediate**, authored by Raymond Murphy, is the first choice for intermediate (B1-B2) learners of American English and covers all the grammar required at this level. It is a self-study book with simple explanations and lots of practice exercises, and has helped millions of people around the world to communicate in English. This version does not include an answer key for the exercises and can be used as a supplementary text in classrooms.

**Academic Encounters Level 2 Student's Book Listening and Speaking with DVD**

**Teacher's Guide, Answer Key to Student's Activity Book, Answer Key to Tests for Discovering American History**

**Academic Encounters Level 2 Student's Book Reading and Writing**

The Study Books are designed to be used in conjunction with the core books of the Cambridge Latin Course. Student's Study Book II: Answer Key provides informative and comprehensive answers to the exercises in Student Study Book II. The Key will be of use to teachers, students and independent learners. Clearly structured answers are given for material which includes a rich variety of comprehension and translation exercises; activities to practise the language and grammar; vocabulary checklists; investigations into Roman civilisation and revision sessions.

The world's best-selling grammar series for learners of English. **Basic Grammar in Use Fourth Edition** is an American English self-study reference and practice book for beginner level learners (A1-B1). With simple explanations, clear examples, and easy to understand exercises, it is perfect for students who are learning on their own, but can also be used in the classroom. It comes with an easy to use answer key in the back of the book.

"Texts must be interesting enough for students to want to read them in their own language.

Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

*Grammar in Use Intermediate Student's Book without Answers*

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. The Grammar and Beyond Teacher Support Resource Book with CD-ROM, Level 3, provides suggestions for applying the target grammar to all four major skill areas, helping instructors facilitate dynamic and comprehensive grammar classes; an answer key and audio script for the Student's Book; a CD-ROM containing ready-made, easily scored Unit Tests, as well as 28 PowerPoint® presentations to streamline lesson preparation and encourage lively heads-up interaction.

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous

impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way.” Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

**The Academic Encounters Second edition series uses a sustained content approach to teach skills necessary for taking academic courses in English. There are two books for each content area. Academic Encounters Level 2 Student's Book Reading and Writing: American Studies engages students through academic readings, photos, and charts on stimulating topics from U.S. History and Culture. Topics include the foundations of government, equal rights, and the American Dream. Students develop important skills such as skimming, reading for the main idea, reading for speed, understanding vocabulary in context, summarizing, and note-taking. By completing writing assignments, students build academic writing skills and incorporate what they have learned. The topics correspond with those in Academic Encounters Level 2 Listening and Speaking: American Studies. The books may be used independently or together. CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students, researchers and practitioners in all of the social and language-related sciences carefully selected book-length publications dealing with sociolinguistic theory, methods, findings and applications. It approaches the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical, supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists, political scientists, anthropologists, historians etc. to the development of the sociology of language.**

**American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English.
