Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not wavered. For the new edition, colorful photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can rely on. The product description or the product text may not be available in the ebook version.

Since 1938, the Milady Standard Cosmetology has been the premier textbook for Cosmetology education. Each subsequent edition has evolved with the changing styles of the era while maintaining a firm foundation in the basic procedures and applications of beauty culture that have endured for generations. Building upon the strong pedagogical features of previous editions, the Milady Standard Cosmetology 2012 is vibrant and colorful to capture the visual learner's interest and focus their attention on the subject matter which is the cornerstone of their education. The new edition relaying information, stimulating thought, aiding comprehension, and enhancing retention. This new edition contains a completely revised section on infection control principles and practices, new procedures, and revised and updated chapters written by industry experts, as well as step-by-step procedures demonstrated specifically for left-handed individuals. Educators and students have access to over twenty instructor tools and student supplements which greatly increase the chances for student success and make lesson planning simple. Each supplement has been designed to enhance the student's learning experience. Milady Standard Cosmetology 2012 is the basis for your students' success during their education and will continue to be a valuable resource as they progress through their careers.
