English, 1999-2000 Edition, you will learn to think like the test makers and:

- \*Eliminate answer choices that look right but are planted to fool you
- \*Ace the writing test by mastering the most important grammar rules
- \*Earn more points by learning to quickly identify sentence errors
- \*Write better essays by knowing in advance what the graders want to see
- \*Score higher on the literature test by more effectively analyzing prose, poetry, and drama

Practice your skills on the five full-length sample tests inside (three writing and two literature). The questions are just like the ones you'll see on the actual SAT II: English exam, and we fully explain every solution.
