Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities. It starts in the desert. John the prophet lowers Jesus under the Jordan's muddy waters and pulls him up, just as a bird swoops down to skim the river's surface. It spreads next to Galilee, where some welcome Jesus as a disciple of John and others grow wary of his rising influence-fishermen are leaving their nets, tax collectors their offices, and students their masters to listen to this new saint. After abandoning his nets, Andrew ties knots in the threads of his shirt to remember Jesus' teachings. After escaping his slum, Judas waits for Jesus to call down the legions of angels who can end a broken world. But just as Jesus' movement in the north is gaining strength, he turns south toward the Temple and a fate his followers will struggle to understand. The Five Books of Jesus, James Goldberg's lyrical novelization of Jesus' ministry, tells the story of the gospels as Jesus' followers might have experienced it: without knowing what would happen next or how to make sense of events as they unfold. There is no end in sight for the American obsession with the End Times. But Dr. Robert Price does put an end to many of the most absurd claims made by Christian writers who peddle their apocalyptic nightmares to unwary buyers....Dr. Price threads his way expertly through both popular and scholarly media in order to explain the depth of the failure of biblical prophecy. HECTOR AVALOS Associate Professor of Religious Studies, Iowa State University Author of The End of Biblical Studies and Fighting Words The great popularity of The Left Behind novels by Tim LaHaye and Jerry Jenkins attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities. As biblical scholar Robert M. Price reveals in this history and critique of Christian end-time beliefs, LaHaye and Jenkins's famous novels are just the latest examples of a long tradition of popular fundamentalist eschatology. Price traces the origin and scriptural basis, which is sometimes astonishingly skimpy, for such beliefs as the Rapture, the Second Coming, the Antichrist, and Messianic prophecy. He emphasizes that the writers of the New Testament consistently set a first-century deadline for the return of Jesus Christ, and yet the stubborn fact that the Second Coming obviously did not occur has not deterred fundamentalist Christians from blindly predicting the event throughout the centuries up to the present day. Price then critiques the

raft of previous apocalyptic novels before turning to the Left Behind series. He offers both literary and theological criticism, while explaining the psychological appeal of the books. Finally, he offers a parody chapter on the Left Behind series called Waistin' Away in Millenniumville. With its approachable, engaging style, The Paperback Apocalypse makes complex scholarly research accessible to the interested lay reader. Seminarians, religion scholars, interested observers of the American religious scene, and even fans of the Left Behind series will learn much from Price's in-depth scholarship. Robert M. Price, Ph.D. (Selma, NC), professor of scriptural studies at the Johnnie Colemon Theological Seminary, is the editor (with Jeffery Jay Lowder) of The Empty Tomb: Jesus Beyond the Grave and the Journal of Higher Criticism. He is also the author of Top Secret: The Truth Behind Today's Pop Mysticisms; The Paperback Apocalypse: How the Christian Church Was Left Behind; The Reason-Driven Life: What Am I Here on Earth For?; The Incredible Shrinking Son of Man; and Deconstructing Jesus; among other works.

Volume 2: The Sign and the Self

The Option for the Poor in Christian Theology

Third Edition

Gnosis

The Four Horsemen are sent to bring Judgment!!!

Drawing on the thoughts of leading international scholars, this text explores how the Christian tradition can help us understand the theological foundations for the option of the poor. The focus of the book revolves around the question: How can one live a Christian life in a world of destitution? This is an investigation into the science of spirituality and the phenomenon at its foundation, sound vibrations. It details how the phenomenon of acoustic figures known as Chladni patterns are at the root of what some call Sacred Geometry and how this phenomenon relates directly to the idea of chakras in the body. The book also shows how not only Hindu and Buddhist traditions are based upon this phenomenon, but Jewish, Christian, and Moslem, as well. The culmination of its assertion is that key religious figures whose births are claimed to be special or from a virgin, were actually a product of ancient artificial insemination rituals that were mystically based upon this phenomenon.

When the Earth becomes a maelstrom of storms and rising sea levels due to catastrophic climate change, some want to give up and call it a day for humanity. Yet there are also those heroic few who are determined to take action and do something about the impending apocalypse. These are the geo-engineers—men and women of creativity, knowledge and drive—who will do whatever it takes to save the planet. They will take on the challenge of bringing the planet back into balance. They will fiercely protect their work from the belligerent navies of two large nations— even if this means risking life and limb in a major sea battle. And with a new dawn of artificial intelligence on the horizon, these valiant few may make the difference between a future of human and A.I. enlightenment or a dark age of never-ending terror. At the publisher's request, this title is sold without DRM (Digital Rights Management). "Frederick Turner reveals the poetic soul of science fiction"—David Brin "A science fiction epic poem has at its command that great property of science fiction, evoking a sense of wonder in a reader. Science fiction delivers the intellectual and emotional charge of telling stories about what might happen and what people might do about it. It's just fun to read about stuff like that. Fred Turner's epic poem Apocalypse is all those things: cool, as memorable as your favorite song in many spots, and, most of all, entertaining. Fun."—from the introduction

Apocalyptic Anointing

Left Behind in Evangelical America

**The Omega Watchers series continues with its third installment, by acclaimed author Jane E. Woodlee Hedrick. Don't miss out on the exciting return of Gabriella in 'The Daughter of Zebulon'! Rev. 7:4 - Then I heard the number of those who were sealed: 144,000 from all the tribes of Israel. The end of days has begun. Gabriella is sealed and anointed as a Chosen One from the Tribe of Zebulon. She now exists in the supernatural realm no longer bound by the dimensions of time and space. In the midst of Gabriella's interdimensional travels, the boundaries of reality are blurred. As she moves between time and untime, she does not know where she will find herself. Her human desire is to awaken before the rapture...to return to the man she loves. Her spiritual desire is to fulfill her chosen mission, wherever that takes her. When Gabriella moves into the supernatural dimension of untime, the evil Arcturus continues to shadow every step of her mission - his ultimate goal is the destruction of her soul. In the dimension of the natural realm, the satanic cabal has a bounty on her life - she knows too much about the coming New World Order. The battle rages no matter where she is transported. Through Gabriella's supernatural travels, The Spirit of God guides her with divine protection performing miracles for a sign to unbelievers. The Chosen One will expose Satan's great deception bringing salvation to her people Zebulon, a Lost Tribe of Israel. In the "twinkling of an eye" Jesus secretly returns to earth and gathers to him all believers. As they are taken to heaven, the world they leave behind is plunged into chaos. Cars and airplanes crash and people search in vain for loved ones. Plagues, famine, and suffering follow. The antichrist emerges to rule the world and to destroy those who oppose him. Finally, Christ comes again in glory, defeats the antichrist and reigns over the earth. This apocalyptic scenario is anticipated by millions of Americans. These millions have made the Left Behind series--novels that depict the rapture and apocalypse--perennial bestsellers, with over 40 million copies now in print. In Rapture Culture, Amy Johnson Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. What is the secret behind the remarkable popularity of the apocalyptic genre? One answer, she argues, is that the books provide a sense of identification and communal belonging that counters the "social atomization" that**

**characterizes modern life. This also helps explain why they appeal to female readers, despite the deeply patriarchal worldview they promote. Tracing the evolution of the genre of rapture fiction, Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views. Now, however, evangelicalism's renewed popular appeal has rendered such themes obsolete. Left Behind evinces a new embrace of technology and consumer goods as tools for God's work, while retaining a protest against modernity's transformation of traditional family life. Drawing on extensive interviews with readers of the novels, Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose.**

This eBook includes the full text of the book plus an additional chapter on Europe from Dr. Jeremiah's book *What in the World Is Going On?* not included in the print book! According to the headlines, the world is falling apart! Where's God in all of the change, conflict, and chaos? Pastor David Jeremiah offers culturally relevant and biblically accurate insights on terrorism, radicalized Islam, the new Russia, the debt crisis, and more to reveal how God's hand is at work in his unfolding plan for humanity. Never have headlines been this jarring, cultural changes this rapid, or moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?" Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new normal, Jeremiah says, and understand how God's hand is still at work on His eternal plan for mankind. Split into two sections, the book covers timely topics surrounding two important questions: Is this the end of America? and Is this the end of the world? including detailed chapters on: Terrorism in the world today ISIS and radicalized Islam The New Russia and its global impact The bleeding of America's borders and the immigration crisis Polarization and divisiveness politically and in our communities The "anything goes" society The coming of Christ and the end of the world No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the power of Christ in all believers, this book directs us on a clear path forward.

Translated by R. McL. Wilson A full-scale study based on the documents of the Coptic Gnostic library found at Nag Hammadi providing a comprehensive survey of the nature, the teachings, the history and the influence of this religion.

*Civilization has now reached a crucial tipping point. Mountains of easy money, leveraged into the stratosphere by*

unscrupulous dealers in inscrutable financial derivatives, have ensnared entire nations in a web of debt. The nations and financiers are locked in a pushing match. The only unsettled question at this particular juncture is whether the nations will decisively act in the interests of their people and shut down the financial system that is looting the world or whether they will allow the banks to foreclose upon them, thereby effectively ending the era of sovereign nation states and ushering in a banker's global dictatorship. Bible prophecy supplies the answer. *Jehovah Himself Has Become King* offers a fresh and unique understanding of prophecy from the standpoint of the vital role that Jehovah's Witnesses have played upon the world stage in recent times. But contrary to the Watchtower's prophetic exegesis focused on an invisible parousia for the past nearly 100 years, this work points forward to the visible manifestation of Christ to the chosen ones during the three and one-half year period outlined in the Scriptures as the time of the end. *The Historical Jesus in Context* is a landmark collection that places the gospel narratives in their full literary, social, and archaeological context. More than twenty-five internationally recognized experts offer new translations and descriptions of a broad range of texts that shed new light on the Jesus of history, including pagan prayers and private inscriptions, miracle tales and martyrdoms, parables and fables, divorce decrees and imperial propaganda. The translated materials--from Christian, Coptic, and Jewish as well as Greek, Roman, and Egyptian texts--extend beyond single phrases to encompass the full context, thus allowing readers to locate Jesus in a broader cultural setting than is usually made available. This book demonstrates that only by knowing the world in which Jesus lived and taught can we fully understand him, his message, and the spread of the Gospel. Gathering in one place material that was previously available only in disparate sources, this formidable book provides innovative insight into matters no less grand than first-century Jewish and Gentile life, the composition of the Gospels, and Jesus himself.

Why do so many evangelicals follow leaders with dubious credentials when they have other options in their own faith? Exploring intellectual authority within evangelicalism, the authors reveal how the concept of anointing—being chosen by God to speak for him—established a conservative evangelical leadership isolated from secular arts and sciences. Bestselling author Anne Graham Lotz will teach you how to pray effectively for your nation, for your families, and for yourself. Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. *The Daniel Prayer* is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. "Have you ever felt lost? Have you ever felt like there was a distance between you and God? That you didn't know his will? Do you have free will?" When I was about to start writing this book, the Holy Spirit said, "Write a book of wisdom," and I said, "Wisdom? I don't know much about wisdom in order for me to write a book." And the Holy Spirit said, "Go to the beginning where everything started." And so he took me to Genesis 1:1-5 and it said: In the beginning God created heavens and the earth. Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters. and God said, "let there be light," and there was light. God saw that light was good and he separated the light from the darkness. God called the light "day" and the darkness he called "night." And there was evening and there was morning- the first day." *What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.*

**Welcome to my book, The Nazarene. May Yahuah give us all eyes to see the Truth, the ears to hear what the stars proclaim day after day, night after night, and the mind to overcome 2,000 years of the Lying Pen of the Scribes. Today we are faced with the traditions/doctrines passed down generation after generation that are "nothing but lies, false gods, and things of no profit". In this book, I am going to overcome these lies. I am going to show the proper meaning and intent of Scripture by correcting the mistranslations and demonstrate the meaning in context. I will portray The Nazarene in proper context of The Heavenly Scroll, within the proper relationship to his Father, and lay out his life as a human being. I will show that Yahusha came to show us The Way whereby we all can achieve the Fullness of Deity in our bodies, Fulfill The Law, and defeat death. That "Way" is Mikveh, Circumcision, and Offering on Passover. While these Hebrew Roots teachers claim to have 'come out of Babylon' they remain knee deep in it. These "teachers" are self-appointed and remain Hellenized... They all have denied The Creator's Witness of Yahusha written in the stars at creation called The Heavenly Scroll. Instead of teaching the Truth, that Yahusha was given Glory with Yahuah at Creation, written in The Heavenly Scroll, where The Branch is foretold as a "Lamb that would be slaughtered"; they teach us that Yahusha pre-existed and was co-creator. These men who claim to understand the Scriptures, have denied the very source of inspiration of all the Prophets, as they all to a man, were Witnessing the coming of the Branch, Orion, in The Heavenly Scroll. We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi-god in the image of all pagan religions. Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations. We have adopted "the way of the pagans" in the most fundamental pagan doctrine of all! Incarnation. Yahusha the Nazarene was rejected 2,000 years ago, betrayed by everyone he knew, beaten to the edge of death, and then nailed to a tree. He has suffered no less over the past 2,000 years, as we have falsely accused Yahusha the Nazarene of being "God in the flesh" and used his image to idolize a 'man who died' as God in our hearts! In Yahusha's name we are taught to blaspheme our Creator, deny the Set Apart Ruach, and commit the unpardonable sin! We have created in our own minds, an image of a demi-god we say was 'Yahuah in the flesh' making Yahuah out to be a liar, forcing the Creator to be conformed to our own human image (instead being conformed to His Divine Image), and we deny The Creator's (Yahuah's) immortality teaching that He came to Earth as a man and died (that is a pagan myth originating in Babylon). Scripture openly declares that Yahusha is NOT 'Yahuah, who came in the flesh'. I will explain exactly what "according to the flesh" means in this book and prove Yahuah would not, could not, ever "come in the flesh". Instead of Yahusha, we are taught "Yahuah came in the flesh" which is The Spirit of the False Messiah. We have twisted the Scriptures to serve our own blasphemous purposes to tickle the ears of the people who want a demi-god in the image of all pagan religions. Much like when the Israelites rejected Yahuah as their King and demanded a human King like all the pagan nations. We have adopted "the way of the pagans" in the most fundamental pagan doctrine of all! Incarnation. Our translators cater to the whims of the people and continue to force feed humanity false translations knowingly! Scholars have proven these translations to be in error, proven the Name of Yahuah was removed, proven the name of the Messiah has been replaced by the name of the False Messiah. Textual Critics The Nazarene 3 have known for hundreds of years that the Greeks twisted the Scriptures and where they are in error. Scholars now openly admit that the Apostle Sha'ul's writings were twisted even further by the "Reformers" into what we call The Pauline Doctrine. The Pauline Doctrine is a mistranslated, Greek appropriate, sound bite driven implied LIE! It is 100% contrary to what Sha'ul taught as a "Leader of the Nazarenes". Yet today, these self-appointed teachers do not have the anointing to correct Sha'ul's work even going so far as to commit false witness against Sha'ul, blaming him for what the 'Greeks' have done, as if Sha'ul is the author of The Pauline Doctrine. In doing so, they have taken one of the most inspired, anointed, and qualified teachers of the Nazarenes from us! I will show us what it means to be**

Nazarene, what they believed and what Yahchanan, Yahusha, Yaakov and Sha'ul taught that continued to be believed for 500 years before the Nazarenes were driven underground by Christians and Hellenized Jews. I will prove that not one of them accepted The Virgin Birth, they rejected Incarnation, they taught Yahusha was Adopted upon his Mikveh (just like we are), they kept the 'intent' of The Law, not the letter, they followed the ancient Enochian Path; and they knew that Yahusha Fulfilled The Law through Mikveh (he was NOT a "Living Torah"). Yahusha was the Fulfillment of the Debar (Predestined 'Plan' written in The Heavenly Scroll) not the Logos (Word made flesh). These issues are at the very foundation of The Yahushaic Covenant. The teachers in the Hebrew Roots movement show a total disconnect from who The Nazarenes were, what they taught, and what the Nazarene's believed! Overall these teachers today in the Hebrew Roots and Messianic Movements show very little Spiritual anointing to even teach. Yet, they "appear" as worthy teachers to the masses, unless you truly understand what they teach.

**The Bible contains many stories of prostitution. Feminist and liberation readings of these biblical narratives have often made sex workers invisible. 'Sex Working and the Bible' examines stories of biblical prostitution through the experiences and understanding of sex workers today. The Bible narratives - ranging across Rahab in the Book of Joshua, the story of Solomon and the two prostitutes, the anointing women traditions, and the apocalyptic vision of the whore of Babylon in Revelation - are set within both a practical and theoretical framework. This radical book offers a new, more inclusive way of approaching issues of gender, sexuality and prostitution in the Bible.**

*The Seven Angels of the Apocalypse This is the third edition of The Seven Angels of the Apocalypse, sub-titled Fullness of Time. The main character, Michael Barone is shot in the chest with a 12 gauge deer slug at point blank range and is placed in a coma. While he is in the coma, the story rolls back 3,000 years to the life of one of his ancestors, Eli, the Judge of Israel. The story follows Eli's priesthood line through the kingdoms of Saul, David and the anointing of Solomon. The story further continues with vignettes about the temple regalities, such as the Ark of the Covenant, the Breastplate and the Urim and Thummin. Israel falls in and out of favor with God and finally is taken captive by the Babylonians. Later, Rome conquers Jerusalem and Pompey sends 30,000 Jews to populate his newly annexed Sicily. This is when Michael Barone's bloodline moved from Israel to Sicily. 2,000 years later, the Seventh seal is unsealed, and the Barones heroically migrate to America, and grow as a family. Michael wakes from his coma in time to guide his family through the end times, into the days when the seven angels who are identified by the author come to blow their trumpets. Each angel's trumpet brings a catastrophe in fulfillment of St. John's Revelation. In fact, St. John is one of the angels. This book is a realistic view of what happens during the end times. This is not just a good read. This is a wakeup call!*

*Every significant layer of the New Testament features the distinctive concerns of apocalyptic literature, including the expectation of a messiah, hope for a resurrection, expectation of a final judgment, and a spiritual world that includes angels and demons. Yet many contemporary readers shy away from things apocalyptic, especially the book of Revelation. This introduction considers the influence of apocalyptic literature throughout the Gospels and Acts, Paul's letters, and Revelation. It argues that early Christian authors drew upon apocalyptic topics to address an impressive array of situations and concerns, and it demonstrates—example after example—how apocalyptic discourse contributed to their ongoing work of contextual theology.*

*Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In Agents of the Apocalypse, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?*

*Considered by many to be 'the last important product of the Apocalyptic movement', The Apocalypse of Abraham is an apocryphon, a work that belongs to a body of prophetic Abrahamic literature flourishing about the time of Christ. The text details the Destruction of the Temple and thus was written after 70 AD. It is considered part of the Apocalyptic literature but not regarded as authoritative scripture.*
