I haven't met a character in this series that I haven't liked yet!" –Nice and Nau Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

*"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. *"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis Vegas, Viscous Exes, and Ventilators. My life felt like a fast ride on a too short highway. Coming home should be roses and rainbows, but nothing that comes out of the desert blooms free. I was most certainly not free. I'd missed my payment to Blaine, owed the last client a hundred grand I didn't have, and my father was on his deathbed. To make matters worse, Wes was missing in action. As in, no one had seen or heard from him in three weeks. Devastation didn't begin to explain where my mental state was at. Like anything life had thrown my way, I pulled on my big girl panties, not the sexy lacy ones I enjoyed teasing my guy with, but the kind that said, "This ass means business." I had no choice but to make the decision I made. My ex, the man that ruined the concept of love for me, put my father in the hospital, was about to get everything he ever wanted...at least that's what I led him to believe. *** In the ninth book of the Calendar Girl serial, Mia rushes back home to Las Vegas, Nevada. Things have taken a turn for her father, putting her into debt up to her eyeballs. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.*

The Trinity Series is filled to the brim with action, suspense, romance, grief, sacrifice, and love all rolled into one adventure that will stay with you long after reading. Romance and sisterhood play heavily for four women who have become family by choice. The first three novels Body, Mind, and Soul, are suspenseful, erotic tales focused on billionaire Chase Davis and his fiery company fundraiser Gillian Callahan. The relationship between the two is rife with past demons coming to the forefront, causing life or death situations neither of them expected. Books four and five, Life and Fate, focus on two soul sisters who haven't yet found their happily ever after and round out the series.

*"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.*
