AP U.S. History Crash Course Achieve a Higher AP Score in Less Time REA's Crash Course is perfect for the time-crunched student, last-minute studier, or anyone who wants a refresher on the subject! Are you crunched for time? Have you started studying for your AP U.S. History exam yet? How will you memorize all that history before the test? Do you wish there was a fast and easy way to study for the exam AND boost your score? If this sounds like you, don't panic. REA's AP U.S. History Crash Course is just what you need. Our Crash Course gives you: Targeted, Focused Review – Study Only What You Need to Know The Crash Course is based on an in-depth analysis of the AP U.S. History course description outline and actual AP test questions. It covers only the information tested on the exam, so you can make the most of your valuable study time. Broken down into major topics and themes, REA gives you two ways to study the material – chronologically or thematically. Expert Test-taking Strategies Written by an AP teacher who has studied the AP U.S. History Exam for 20 years, the author shares his detailed, question-level strategies and explains the best way to answer the multiple-choice and essay questions. By following his expert advice, you can boost your overall point score! Key Terms You Must Know Mastering AP vocabulary terms is an easy way to boost your score. Our AP expert gives you the key terms all AP U.S. History students must know before test day. Take REA's FREE Practice Exam After studying the material in the Crash Course, go online and test what you've learned. Our full-length practice exam features timed testing, detailed explanations of answers, and automatic scoring. The exam is balanced to include every topic and type of question found on the actual AP exam, so you know you're studying the smart way! When it's crucial crunch time and your AP U.S. History exam is just around the corner, you need REA's AP U.S. History Crash Course!

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

REA's Crash Course for the AP® U.S. History Exam - Gets You a Higher Advanced Placement® Score in Less Time Completely Revised for the 2015 Exam! The Impending Crisis of the South

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Featuring never-before-published essays by former Panther members and Panther scholars, a collection of articles examines the black revolutionaries' organizational dynamics, treatment of women, and controversial legacy. Tour. IP.

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

A History of the American People

"The Impending Crisis of the South" by Hinton Rowan Helper. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the, workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new after, word by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

Zora and Langston: A Story of Friendship and Betrayal

Bundle of Compromises

An exciting new series of study guides that lets each student design a course of study pitched to his or her individual needs and learning style. Each year, more than one million U.S. high school students take one or more advanced placement (AP) exams, and, according to official projections, that number will continue to rise in the years ahead. That is because AP exams confer important benefits on those who do well on them. High AP scores are indispensable to gaining admission to most elite colleges. They provide students with a competitive edge when competing for grants and scholarships. And they allow students to bypass required university survey courses, saving on skyrocketing tuition fees. Designed to coincide perfectly with the most current AP exams, Five Steps to a 5 on the Advanced Placement Examinations guides contain several advanced features that set them above all competitors. Each guide is structured around an ingenious Five-Step Plan. The first step is to develop a study plan, the second builds knowledge, the third and fourth hone test-taking skills and strategies, and the fifth fosters the confidence students need to ace the tests. This flexible study tool is also tailored to three types of students. For the more structured student there is a "Month-by-Month" approach that follows the school year and a "Calendar Countdown" approach that begins with the new year. For students who leave studying to the last minute "Basic Training" covers the basics in just four weeks. Other outstanding features include: Sample tests that closely simulate real exams Review material based on the contents of the most recent tests Icons highlighting important facts, vocabulary, and frequently-asked questions Boxed quotes offering advice from students who have aced the exams and from AP teachers and college professors Websites and links to valuable online test resources, along with author e-mail addresses for students with follow-up questions Authors who are either AP course instructors or exam developers

Slave Religion remains the preeminent synthesis of the religious life of slaves in the United States. This new edition will consider the developments in the study of slavery, the religious encounter, religious culture, and reactions to the books over the past twenty five years, as well as the ways the author would write it differently today.

Mary Wollstonecraft's visionary treatise, originally published in 1792, was the first book to present women's rights as an issue of universal human rights. Ideal for coursework and classroom study, this comprehensive edition of Wollstonecraft's heartfelt feminist argument includes illuminating essays by leading scholars that highlight the author's significant contributions to modern political philosophy, making a powerful case for her as one of the most substantive political thinkers of the Enlightenment era. No other scholarly work to date has examined as closely both the ideological moorings and the enduring legacy of Wollstonecraft's groundbreaking and courageous discourse.

Together with Certain Preceding Speeches of Each at Chicago, Springfield, Etc

A masterpiece of modern literature that mirrors Maugham's own career. Of Human Bondage is the first and most autobiographical of Maugham's novels. It is the story of Philip Carey, an orphan eager for life, love and adventure. After a few months studying in Heidelberg, and a brief spell in Paris as a would-be artist, Philip settles in London to train as a doctor. And that is where he meets Mildred, the loud but irresistible waitress with whom he plunges into a formative, tortured and masochistic affair which very nearly ruins him.

A Finalist for the 2019 Los Angeles Times Book Prize in Biography "A complete pleasure to read."—Lisa Page, Washington Post Novelist Zora Neale Hurston and poet Langston Hughes, two of America's greatest writers, first met in New York City in 1925. Drawn to each other, they helped launch a radical journal, Fire!! Later, meeting by accident in Alabama, they became close as they traveled together—Hurston interviewing African Americans for folk stories, Hughes getting his first taste of the deep South. By illuminating their lives, work, competitiveness, and ambitions, Yuval Taylor savvily details how their friendship and literary collaborations dead-ended in acrimonious accusations.

This book condemns slavery, by appealed to whites' rational self-interest, rather than any altruism towards blacks. Helper claimed that slavery hurt the Southern economy by preventing economic development and industrialization, and that it was the main reason why the South had progressed so much less than the North since the late 18th century.

Twelve Years a Slave

Compendium of the Impending Crisis of the South

The American Yawp

How to Meet It

A Vindication of the Rights of Woman

A biography of the controversial abolitionist who played a role in the northward movement of runaway slaves and led the raid on Harper's Ferry

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung

something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

AP Us Hist 2016

The Crime Against Kansas

1492-Present

Two Treatises of Government

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.
