The magnificent new novel from the million-selling Booker Prize-winning author of *The White Tiger*: one of the most eagerly anticipated literary novels of 2011--"a kaleidoscopic portrait of a changing Mumbai." — Guardian (Best Books of 2011) Ask any Bombaywallah about Vishram Society--Tower A of the Vishram Co-operative Housing Society--and you will be told that it is unimpeachably pucca. Despite its location close to the airport, under the flight path of 747s and bordered by slums, it has been pucca for some fifty years. But Bombay has changed in half a century--not least its name--and the world in which Tower A was first built is giving way to a new city; a Mumbai of development and new money; of wealthy Indians returning with fortunes made abroad. When real estate developer Dharmen Shah offers to buy out the residents of Vishram Society, planning to use the site to build a luxury apartment complex, his offer is more than generous. Initially, though, not everyone wants to leave; many of the residents have lived in Vishram for years, and many of them are no longer young. But none can benefit from the offer unless all agree to sell. As tensions rise among the once civil neighbours, one by one those who oppose the offer give way to the majority, until only one man stands

in Shah's way: Masterji, a retired schoolteacher, once the most respected man in the building. Shah is a dangerous man to refuse, but as the demolition deadline looms, Masterji's neighbours--friends who have become enemies, acquaintances turned co-conspirators--may stop at nothing to score their payday. A suspense-filled story of money and power, luxury and deprivation, and a rich tapestry peopled by unforgettable characters, not least of which is Bombay itself, *Last Man in Tower* opens up the hearts and minds of the inhabitants of a great city--ordinary people pushed to their limits in a place that knows none. This eBook edition includes a Reading Group Guide.

Bangkok 8

Gilgamesh

A thriller with attitude to spare, Bangkok 8 is a sexy, razor-edged, often darkly hilarious novel set in one of the world's most exotic cities. Witnessed by a throng of gaping spectators, a charismatic Marine sergeant is murdered under a Bangkok bridge inside a bolted-shut Mercedes Benz. Among the witnesses are the only two cops in the city not on the take, but within moments one is murdered and his partner, Sonchai Jitpleecheep—a devout Buddhist

and the son of a Thai bar girl and a long-gone Vietnam War G.I.—is hell-bent on wreaking revenge. On a vigilante mission to capture his partner’s murderer, Sonchai is begrudgingly paired with a beautiful FBI agent named Jones and captures her heart in the process. In a city fueled by illicit drugs and infinite corruption, prostitution and priceless art, Sonchai’s quest for vengeance takes him into a world much more sinister than he could have ever imagined.

The “courageous and clarion” Booker Prize-winner “continues her analysis and documentation of the disastrous consequences of unchecked global capitalism” (Booklist). From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country’s one hundred richest people own assets equivalent to one-fourth of India’s gross domestic product. Capitalism: A Ghost Story examines the dark side of democracy in contemporary India and shows how the demands of globalized capitalism have subjugated billions of people to the highest and most intense forms of racism and exploitation. “A highly

“Precisely detailed and delicately suggestive: the best work of Gao’s yet to appear in English translation.”—Kirkus Reviews A collection of six exquisite short stories from Gao Xingjian, the first Chinese writer to win the Nobel Prize in Literature. These beautifully translated stories take as their themes the fragility of love and life, and the haunting power of memory. In “The Temple,” the narrator’s acute and mysterious anxiety overshadows the delirious happiness of an outing with his new wife on their honeymoon. In “The Cramp” a man narrowly escapes drowning in the sea, only to find that no one even noticed his absence. In the title story the narrator attempts to relieve his homesickness only to find that he is lost in a labyrinth of childhood memories. Everywhere in this collection are powerful psychological portraits of characters whose unarticulated hopes and

fears betray the never-ending presence of the past in their present lives.

—Anthony Marra, New York Times—bestselling author Winner of the 2019 JCB Prize for Literature Gorgeously tactile and sweeping in historical and socio-political scope, Pushcart Prize—winner Madhuri Vijay’s *The Far Field* follows a complicated flaneuse across the Indian subcontinent as she reckons with her past, her desires, and the tumultuous present. In the wake of her mother’s death, Shalini, a privileged and restless young woman from Bangalore, sets out for a remote Himalayan village in the troubled northern region of Kashmir. Certain that the loss of her mother is somehow connected to the decade-old disappearance

of Bashir Ahmed, a charming Kashmiri salesman who frequented her childhood home, she is determined to confront him. But upon her arrival, Shalini is brought face to face with Kashmir's politics, as well as the tangled history of the local family that takes her in. And when life in the village turns volatile and old hatreds threaten to erupt into violence, Shalini finds herself forced to make a series of choices that could hold dangerous repercussions for the very people she has come to love. With rare acumen and evocative prose, in *The Far Field* Madhuri Vijay masterfully examines Indian politics, class prejudice, and sexuality through the lens of an outsider, offering a profound meditation on grief, guilt, and the limits of compassion. "A chance to glimpse the lives of distant people captured in prose gorgeous enough to make them indelible—and honest enough to make them real." —The Washington Post "A singular story of mother and daughter." —Entertainment Weekly

Shifting the postcolonial focus away from the city and towards the village, this book examines the rural as a trope in twentieth-century South Asian literatures to propose a new literary history based on notions of utopia, dystopia, and

heterotopia and how these ideas have circulated in the literary and the cultural imaginaries of the subcontinent.

A Spare and Unsparing Look at Affliction and Recovery that Heralds a Stunning New Voice The events that began in 1995 might keep happening to me as long as things can happen to me. Think of deep space, through which heavenly bodies fly forever. They fly until they change into new forms, simpler forms, with ever fewer qualities and increasingly beautiful names. There are names for things in spacetime that are nothing, for things that are less than nothing. White dwarfs, red giants, black holes, singularities. But even then, in their less-than-nothing state, they keep happening. At twenty-one, just starting to comprehend the puzzles of adulthood, Sarah Manguso was faced with another: a wildly unpredictable disease that appeared suddenly and tore through her twenties, vanishing and then returning, paralyzing her for weeks at a time, programming her first to expect nothing from life and then, furiously, to expect everything. In this captivating story, Manguso recalls her nine-year struggle: arduous blood cleansings, collapsed veins, multiple chest catheters, the deaths of friends and strangers, addiction,

depression, and, worst of all for a writer, the trite metaphors that accompany prolonged illness. A book of tremendous grace and self-awareness, *The Two Kinds of Decay* transcends the very notion of what an illness story can and should be.

University of Kassel (Anglistik/Amerikanistik Literaturwissenschaft), course: Visions of India, language: English, abstract: The guiding question of this paper is how Balram justifies his criminal acts and on which moral concept he bases his decisions. In the course of this paper, I will attempt to show that the protagonist is a gritty anti-hero who does not act in accordance to dharma and reinvents his own concept of morality. The first chapter will give a brief explanation of dharma, one of the four purushartas, a significant concept in Indian philosophy, especially in Hinduism when talking about morality. "Dharma is inextricably linked with the ethos of India and the entire personal, social, ecological, and spiritual life is guided by it for ultimate liberation" (Mathew, 2015:131). In the following chapter, the criminal acts committed by the protagonist and the circumstances and reasons leading to it will be analyzed in terms of morality, taking the concept of dharma into consideration. This chapter underlies the difficulty of how to cope with the paradox issue of the protagonist being a murderer and a victim at the same time. Subsequently, the strategies employed by the protagonist to justify his immoral acts will be discussed in detail, attempting to find out how Balram distinguishes between right and wrong. Firstly, the depiction of other humans in the novel will be examined since the narrator strategically portrays them as being immoral and corrupt in order to comparatively put himself on a higher level. Secondly, his heroic self-image will be analyzed, considering his name 'the white tiger'. The third subchapter will focus on how the protagonist employs the metaphor of the rooster coop as a justification for the murder, taking the consequences of the murder into account and discussing Balram's ultimate aims.

*Winner of the Booker Prize. An insightful and thrilling novel about the British Empire in India during the Great Mutiny of 1857, as seen through the eyes of a young, love-struck idealist. India, 1857—the year of the Great Mutiny, when Muslim soldiers turned in bloody rebellion on their British overlords. This time of convulsion is the subject of J. G. Farrell's *The Siege of Krishnapur*, widely considered one of the finest British novels of the last fifty years. Farrell's story is set in an isolated Victorian outpost on the subcontinent. Rumors of strife filter in from afar, and yet the members of the colonial community remain confident of their military and, above all, moral superiority. But when they find themselves under actual siege, the true character of their dominion—at once brutal, blundering, and wistful—is soon revealed. *The Siege of Krishnapur* is a companion to *Troubles*, about the Easter 1916 rebellion in Ireland, and *The Singapore Grip*, which takes place just before World War II, as the sun begins to set upon the British Empire. Together these three novels offer an unequalled picture of the follies of empire. *The White Tiger* Is A Compelling First Novel About The New India That Is Growing Roots All Around Us, In Unexpected And Often Ominous Ways. An “urgent and significant book [that] speaks to our times” (The New York Times Book Review) from the bestselling, Man Booker Prize-winning author of *The White Tiger* and *Selection Day* about a young illegal immigrant who must decide whether to report crucial information about a murder—and thereby risk deportation. Danny—formerly Dhananjaya Rajaratnam—is an illegal immigrant in Sydney, Australia, denied refugee status after he fled from Sri Lanka. Working as a cleaner, living out of a grocery storeroom, for three years he’s been trying to create a new identity for himself. And now, with his beloved vegan girlfriend, Sonja, with his hidden accent and highlights in his hair, he is as close as he has ever come to living a normal life. But then one morning, Danny learns a female client of his has been murdered. The deed was done with a knife, at a creek he’d been to with her before; and a jacket was left at the scene, which he believes belongs to another of his clients—a doctor with whom Danny knows the woman was having an affair. Suddenly Danny is confronted with a choice: Come forward with his knowledge about the crime and risk being deported? Or say nothing, and let justice go undone? Over the course of this day, evaluating the weight of his past, his dreams for the future, and the unpredictable, often absurd reality of living invisibly and undocumented, he must wrestle with his conscience and decide if a person without rights still has responsibilities. “Searing and inventive,” *Amnesty* is a timeless and universal story that succeeds at “illuminating the courage of displaced peoples and the cruelties of those who conspire against them” (Star Tribune, Minneapolis).

A Symposium of Critical Response

The White Tiger - Hindi

As it enters its sixtieth year of independence, India stands on the threshold of superpower status. Yet India is strikingly different from all other global colossi. While it is the world's most populous democracy and enjoys the benefits of its internationally competitive high-tech and software industries, India also contends with extremes of poverty, inequality, and political and religious violence. This accessible and vividly written book presents a new interpretation of India's history, focusing particular attention on the impact of British imperialism on Independent India. Maria Misra begins with the rebellion against the British in 1857 and tracks the country's advance to the present day. India's extremes persist, the author argues, because its politics rest upon a peculiar foundation in which traditional ideas of hierarchy, difference, and privilege coexist to a remarkable degree with modern notions of equality and democracy. The challenge of India's leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial legacy, and modern

experience.

‘ I don ’ t like killing, but I ’ m good at it. Murder isn ’ t so bad from a distance, just shapes popping up in my scope. Close-up work though - a garrotte around a target ’ s neck or a knife in their heart - it ’ s not for me. Too much empathy, that ’ s my problem. Usually. But not today. Today is different . . . ‘ The year is 1955 and something is very wrong with the world. It is fourteen years since Churchill died and the Second World War ended. In occupied Europe, Britain fights a cold war against a nuclear-armed Nazi Germany. In Berlin the Gestapo is on the trail of a beautiful young resistance fighter, and the head of the SS is plotting to dispose of an ailing Adolf Hitler and restart the war against Britain and her empire.

Meanwhile, in a secret bunker hidden deep beneath the German countryside, scientists are experimenting with a force far beyond their understanding. Into this arena steps a nameless British assassin, on the run from a sinister cabal within his own government, and planning a private war against the Nazis. And now the fate of the world rests on a single kill in the morning . . .

Welcome to Kittur, India. It's on India's southwestern coast, bounded by the Arabian Sea to the west and the Kaliaamma River to the south and east. It's blessed with rich soil and scenic beauty, and it's been around for centuries. Of its 193,432 residents, only 89 declare themselves to be without religion or caste.

And if the characters in *Between the Assassinations* are any indication, Kittur is an extraordinary crossroads of the brightest minds and the poorest morals, the up-and-coming and the downtrodden, and the poets and the prophets of an India that modern literature has rarely addressed. A twelve-year-old boy named Ziauddin, a gofer at a tea shop near the railway station, is enticed into wrongdoing because a fair-skinned stranger treats him with dignity and warmth. George D'Souza, a mosquito-repellent sprayer, elevates himself to gardener and then chauffeur to the lovely, young Mrs. Gomes, and then loses it all when he attempts to be something more. A little girl's first act of love for her father is to beg on the street for money to support his drug habit. A factory owner is forced to choose between buying into underworld economics and blinding his staff or closing up shop. A privileged schoolboy, using his own ties to the Kittur underworld, sets off an explosive in a Jesuit-school classroom in protest against casteism. A childless couple takes refuge in a rapidly diminishing forest on the outskirts of town, feeding a group of "intimates" who visit only to mock them. And the loneliest member of the Marxist-Maoist Party of India falls in love with the one young woman, in the poorest part of town, whom he cannot afford to wed. *Between the Assassinations* showcases the most beloved aspects of Adiga's writing to brilliant effect: the class struggle rendered personal; the fury of the

underdog and the fire of the iconoclast; and the prodigiously ambitious narrative talent that has earned Adiga acclaim around the world and comparisons to Gogol, Ellison, Kipling, and Palahniuk. In the words of The Guardian (London), "Between the Assassinations shows that Adiga...is one of the most important voices to emerge from India in recent years." A blinding, brilliant, and brave mosaic of Indian life as it is lived in a place called Kittur, Between the Assassinations, with all the humor, sympathy, and unflinching candor of The White Tiger, enlarges our understanding of the world we live in today.

“ The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish. ” —#1 New York Times bestselling author Patricia Briggs It ’ s the end of the nineteenth century in San Francisco ’ s Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer ’ s ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is

It is intended to prompt questions about each word, to probe globalization, political economy, and the role of literary and cultural studies. As asserted in this major work, it signals a radical rewriting of academic debates, a rigorous analysis of the World Bank and the International Monetary Fund (IMF), and a consideration of literature that deals with new global realities.
