

Arcanum Unbounded The Cosmere Collection

In 2005, Brandon Sanderson debuted with Elantris, an epic fantasy unlike any other then on the market. To celebrate its tenth anniversary, Tor is reissuing Elantris in a special edition, a fresh chance to introduce it to the myriad readers who have since become Sanderson fans. This new edition begins with a preface by author Dan Wells, the first person to read the completed novel, and a new afterword by Sanderson explaining how he came to write the book and its place in the Cosmere, the unified universe of all his Tor novels. Also included is an expanded version of the “Ars Arcanum” appendix, with more of the technical details of the book’s magic that fans can never get enough of. Elantris was truly a milestone both for Sanderson and for the genre of epic fantasy. It deserves this special treatment, something Tor has done only once before, with Orson Scott Card’s Ender’s Game. Sanderson fans old and new will be excited to discover it.

WINNER, 2013 Hugo Award for Best Novella! From #1 New York Times bestselling author Brandon Sanderson, The Emperor’s Soul showcases a fascinating magic system as the clock ticks down for a condemned criminal. When Shai is caught replacing the Moon Scepter with her nearly flawless forgery, she must bargain for her life. An assassin has left the Emperor Ashravan without consciousness, a circumstance concealed only by the death of his wife. If the emperor does not emerge after his hundred-day mourning period, the rule of the Heritage Faction will be forfeit and the empire will fall into chaos. Shai is given an impossible task: to create—to Forge—a new soul for the emperor in less than one hundred days. But her soul-Forgery is considered an abomination by her captors. She is confined to a tiny, dirty chamber, guarded by a man who hates her, spied upon by politicians, and trapped behind a door sealed in her own blood. Shai’s only possible ally is the emperor’s most loyal councillor, Gaotona, who struggles to understand her true talent. Time is running out for Shai. Forging, while deducing the motivations of her captors, she needs a perfect plan to escape... ----- “Sanderson proves to be an exceptionally talented writer in the pages of this book. Complex as some of the background is, he never gets bogged down filling in details for the reader. Instead we learn everything we need seamlessly as the story unfolds. His prose is lyrical without ever getting in its own way ... His characters are fascinating and fully realized. ... The Emperor’s Soul is one of those rare high fantasies that feels fresh and is filled with a sense of wonder.” —Charles de Lint, Fantasy & Science Fiction ----- A note from the publisher: Brandon will send a free copy of this ebook to anyone who purchased the Tachyon Publications trade paperback. See the title page in the ebook preview for details. The internationally bestselling author of the Mistborn and Stormlight Archive series presents two very different novellas that nevertheless showcase his remarkable gift for gripping narrative, world-building and empathetic characters. Available for the first time in one volume, a publishing event for all his many fans. LEGION Stephen Leeds, AKA ‘Legion,’ is a man whose unique mental condition allows him to generate a multitude of personae: hallucinatory entities with a wide variety of personal characteristics and a vast array of highly specialized skills. As the story begins, Leeds and his ‘aspects’ are drawn into the search for the missing Balubal Razon, inventor of a camera whose astonishing properties could alter our understanding of human history and change the very structure of society. The action ranges from the familiar environs of America to the ancient, divided city of Jerusalem. Along the way, Sanderson touches on a formidable assortment of complex questions: the nature of time, the mysteries of the human mind, the potential uses of technology, and the volatile connection between politics and faith. From #1 New York Times Bestselling, Hugo Award-winning author, Brandon Sanderson, comes DARK ONE. Paul Tanasin is haunted by visions of a dark, fantastic world. A world called Mirandus. A world he must shatter. SOME WORLD’S ARE MADE TO BE BROKEN. From #1 New York Times Bestselling, Hugo Award-winning author, Brandon Sanderson (THE MISTBORN TRILOGY, THE STORMLIGHT ARCHIVE series), along with Nathan Gooden, Jackson Lanzing, and Collin Kelly, comes DARK ONE, the first book in a series of original graphic novels from Vault Comics. Paul Tanasin is a young man haunted by visions of a dark and fantastic world—visions he initially believes are hallucinations. But when he discovers they are prophecies from Mirandus, a world in which he’s destined to become a fearsome destroyer, he’ll have to embrace the fear, rise up as the Dark One, and shatter everything. DARK ONE examines the dual roles we often take on in life—the ability to be a savior as well as a destroyer.

Warbreaker

A brand new saga of magic and adventure by #1 New York Times best-selling author Brandon Sanderson. On the planet of Taldain, the legendary Sand Masters harness arcane powers to manipulate sand in spectacular ways. But when they are slaughtered in a sinister conspiracy, the weakest of their number, Kenton, believes himself to be the only survivor. With enemies closing in on all sides, Kenton forges an unlikely partnership with Khriiss -- a mysterious Darksider who hides secrets of her own. White Sand brings to life a crucial, unpublished part of Brandon Sanderson’s sprawling Cosmere universe. The story has been adapted by Rik Hoskin (Mercy Thompson), with art by Julius Gopez and colors by Ross Campbell. Employing powerful imagery and Sanderson’s celebrated approach to magical systems, White Sand is a spectacular new saga for lovers of fantasy and adventure.

Owen Deathstalker, last of the infamous warrior Clan, always considered himself more of a writer than a fighter, preferring his history books to making any actual history with a sword. But books won’t protect him from Her Imperial Majesty Lionstone XIV, who just Outlawed and condemned Owen to death, without any explanation, reason, or warning. No wonder she’s called the Iron Bitch. Now, on the run from Imperial starcruisers, shady mercenaries, and just about everyone else in the Empire, Owen’s options are limited. Though the name Deathstalker still commands respect in certain quarters, out on the Rim, Owen is lucky he can cobble together a makeshift team of castoffs, including an ex-pirate, a cyborg, and a bounty hunter. But allies won’t be enough to save him. If he’s to live, Owen can either run forever...or take down the corrupt Empire. To do that, he’ll need the fabled Darkvoid Device—an artifact dating back to the first Deathstalker and perhaps the only weapon powerful enough to help this ragtag rebellion win. The time has come for Owen to finally embrace his Deathstalker heritage...and all the blood and death that go along with it. Deathstalker is the first book in New York Times bestselling author Simon R. Green’s beloved space opera series.

The Way of Kings

Following the loss of most of his colleagues in a violent ambush, Kenton has become Lord Mastrell of the few remaining Sand Masters, magicians who can manipulate sand to do their bidding. With the ruling council poised against him, the hot-headed Kenton must become a diplomat to have any hope of preventing the eradication of his people forever. However, there ’ s another complication: assassins are coming for him from all directions, and Kenton ’ s only true ally is Khriiss, a visitor from the other side of the planet who has an agenda of her own to pursue. White Sand Volume 2 continues the New York Times bestselling series of graphic novels, bringing a crucial chapter of Brandon Sanderson ’ s Cosmere to life exclusively in a visual format.

Note: This novella is included in Arcanum Unbounded: The Cosmere Collection, now available in print, ebook, and audiobook from Tor (US/Canada) and Gollancz (UK/Commonwealth). Mistborn: Secret History is a companion story to the original Mistborn Trilogy. As such, it contains huge spoilers for the books Mistborn (The Final Empire), The Well of Ascension, and The Hero of Ages. It also contains very minor spoilers for the book The Bands of Mourning. Mistborn: Secret History builds upon the characterization, events, and worldbuilding of the original trilogy. Reading it without that background will be a confusing process at best. In short, this isn ’ t the place to start your journey into Mistborn. (Though if you have read the trilogy—but it has been a while—you should be just fine, so long as you remember the characters and the general plot of the books.) Saying anything more here risks revealing too much. Even knowledge of this story ’ s existence is, in a way, a spoiler. There ’ s always another secret.

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

A novella from #1 New York Times bestselling author Brandon Sanderson, Legion is a fast-paced, witty, and supremely fun thriller with a psychological bent. Stephen Leeds is perfectly sane. It’s his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems...for a price. His brain is getting a little crowded, however, and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. ----- A note from the publisher: Brandon will send a free copy of this ebook to anyone who purchased the Subterranean Press hardcover. This discounted ebundle includes: Alcatraz vs. The Evil Librarians, The Scrivener’s Bones, The Knights of Crystallia, The Shattered Lens, The Dark Talent An action-packed fantasy adventure series by the #1 New York Times bestselling author Brandon Sanderson. Alcatraz Smedry and his family and friends must battle a cult of evil Librarians bent on taking over the world through misinformation and suppressing the truth. Alcatraz vs. the Evil Librarians — On his thirteenth birthday, foster child Alcatraz Smedry gets a bag of sand in the mail-his only inheritance from his father and mother. It is quickly stolen by the cult of Evil Librarians. Alcatraz must stop them, using the only weapon he has: an incredible talent for breaking things. The Scriveners Bones — In his second skirmish against the Evil Librarians who rule the world, Alcatraz and his ragtag crew of freedom fighters track Grandpa Smedry to the ancient and mysterious Library of Alexandria. Can Alcatraz and his friends rescue Grandpa Smedry and make it out of there alive? The Knights of Crystallia — Alcatraz Smedry has made it to the Free Kingdoms at last. Unfortunately, so have the Evil Librarians—including his mother! Now Alcatraz has to find a traitor among the Knights of Crystallia, make up with his estranged father, and save one of the last bastions of the Free Kingdoms from the Evil Librarians. The Shattered Lens — Alcatraz Smedry is up against a whole army of Evil Librarians with only his friend Bastille, a few pairs of glasses, and an unlimited supply of exploding teddy bears to help him. This time, even Alcatraz’s extraordinary talent for breaking things may not be enough to defeat the army of Evil Librarians and their giant librarian robots. The Dark Talent — Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. Originally appearing in the Dangerous Women anthology and now available as a solo ebook, Shadows for Silence in the Forests of Hell is a chilling novella of the Cosmere, the universe shared by Brandon Sanderson’s Mistborn series and the #1 New York Times bestselling Stormlight Archive. When the familiar and seemingly safe turns lethal, therein danger lies. Amid a forest where the shades of the dead linger all around, every homesteader knows to follow the Simple Rules: “Don’t kindle flame, don’t shed the blood of another, don’t run at night. These things draw shades.” Silence Montane has broken all three rules on more than one occasion. And to protect her family from a murderous gang with high bounties on their heads, Silnce will break every rule again, at the risk of becoming a shade herself.

From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin’s master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. After 20 years in the Roughs, Waxillium Ladrian—a rare Twinborn who can Push on metals with his Allomancy—is forced by family tragedy to return to Elendel, where he learns the hard way that the mansions and elegant tree-lined streets of the city can be more dangerous than the dusty plains of the Roughs.

There is a sickness in the land. Prophets tell of the fall of empires, the rise of champions. Great beasts stir in vaults beneath the hills, beneath the waves. Armies mass. Gods walk. The world will be torn asunder. Epic fantasy is storytelling at its biggest and best. From the creation myths and quest sagas of ancient times to the mega-popular fantasy novels of today, these are the stories that express our greatest hopes and fears, that create worlds so rich we long to return to them again and again, and that inspire us with their timeless values of courage and friendship in the face of ultimate evil—tales that transport us to the most ancient realms and show us the most noble sacrifices, the most astonishing wonders. Now acclaimed editor John Joseph Adams (Wastelands, The Living Dead) brings you seventeen tales by today’s leading authors of epic fantasy, including George R. R. Martin (A Song of Ice and Fire), Ursula K. Le Guin (Earthsea), Robin Hobb (Realms of Elderlings), Kate Elliott (Crown of Stars), Tad Williams (Of Memory, Sorrow & Thorn), Patrick Rothfuss (The Kingkiller Chronicle), and more. Return again to lands you’ve loved or visit magical new worlds. Victory against the coming darkness is never certain, but one thing’s for sure—your adventure will be epic.

The Dark Talent is the fifth action-packed fantasy adventure in the Alcatraz vs. the Evil Librarians series for young readers by the #1 New York Times bestselling author Brandon Sanderson. This never-before-published, fast-paced, and funny novel is now available in a deluxe hardcover edition, illustrated by Hayley Lazo. Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. To revive her, Alcatraz must infiltrate the Highbrary--known as The Library of Congress to Hushlanders--the seat of Evil Librarian power. Without his Talent to draw upon, can Alcatraz figure out a way to save Bastille and defeat the Evil Librarians once and for all? “Like Lemony Snicket and superhero comics rolled into one.” —Publishers Weekly, starred review At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

With his infectious love of storytelling in all its forms, his rich characterization and his unrivaled grasp of thrillingly bizarre cutting-edge science, Hannu Rajaniemi swiftly set a new benchmark for Science Fiction in the 21st century. Now, with his third novel, he completes the tale of the many lives, and minds, of gentleman rogue Jean de Flambeur. Influenced as much by the fin de siècle novels of Maurice leBlanc as he is by the greats of SF, Rajaniemi weaves intricate, warm capers through dazzling science, extraordinary visions of a wild future, and deep conjectures on the nature of reality and story. In The Causal Angel we will discover the ultimate fates of Jean, his employer Miele, the independently minded ship Perhonnen, and the rest of a fractured and diverse humanity flung throughout the solar system. A fascinating new novella in Brandon Sanderson’s Cosmere, the universe shared by his Mistborn series and the #1 New York Times bestselling Stormlight Archive. Sixth of the Dusk, set in a never-before-seen world, showcases a society on the brink of technological change. On the deadly island of Patji, where birds grant people magical talents and predators can sense the thoughts of their prey, a solitary trapper discovers that the island is not the only thing out to kill him. When he begins to see his own corpse at every turn, does this spell danger for his entire culture? ----- A note from the publisher: For a detailed behind-the-scenes look at the creation of this novella, including brainstorming and workshoping session transcripts, the first draft, line-by-line edits, and an essay by Brandon, please see Shadows Beneath: The Writing Excuses Anthology.

From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier "snapped" and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot. But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails? From #1 New York Times bestselling author Brandon Sanderson, Stephen Leeds is back in a new, double-length novella that Library Journal says has "the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis." It's not his own genius that Stephen Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it's getting a bit crowded in there. Now Stephen and his internal team of "aspects" have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

From #1 New York Times bestselling author Brandon Sanderson, Warbreaker is the story of two sisters, who happen to be princesses, the God King one of them has to marry, the lesser god who doesn't like his job, and the immortal who's still trying to undo the mistakes he made hundreds of years ago. Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city and where a power known as BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. It will take considerable quantities of each to resolve all the challenges facing Vivenna and Siri, princesses of Idris; Susebron the God King; Lightsong, reluctant god of bravery, and mysterious Vasher, the Warbreaker. Book One of the Stormlight Archive

Dragons are trained to fight to the death, and two determined teens help free them in this spellbinding saga. Training a dragon to be a fighting champion is the only way to freedom for fifteen-year-old Jakkin.

This Stormlight Archive discounted ebundle includes: The Way of Kings, Words of Radiance, Oathbringer The #1 New York Times bestselling epic fantasy series by Brandon Sanderson! The Stormlight Archive is the wildly imaginative epic fantasy from New York Times bestselling author Brandon Sanderson: welcome to the remarkable world of Roshar, a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Roshar is shared by humans and the enigmatic, humanoid Parshendi, with whom they are at war. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them, but in the war against the Parshendi, the ancient weapons and armor may not be enough. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. --- Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive The Way of Kings Words of Radiance Edgedancer (Novella) Oathbringer The Mistborn trilogy Mistborn: The Final Empire The Well of Ascension The Hero of Ages Mistborn: The Wax and Wayne series Alloy of Law Shadows of Self Bands of Mourning Collection Arcanum Unbounded Other Cosmere novels Elantris Warbreaker The Alcatraz vs. the Evil Librarians series Alcatraz vs. the Evil Librarians The Scrivener's Bones The Knights of Crystallia The Shattered Lens The Dark Talent The Rithmatist series The Rithmatist Other books by Brandon Sanderson The Reckoners Steelheart Firefight Calamity At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

An all-new 120-page Stormlight Archive novella, "Edgedancer," will be the crown jewel of Arcanum Unbounded: The Cosmere Collection, the first book of short fiction by #1 New York Times bestselling author Brandon Sanderson. The collection will include nine works in all. The first eight are: "The Hope of Elantris" (Elantris) "The Eleventh Metal" (Mistborn) "The Emperor's Soul" (Elantris) "Allomancer Jak and the Pits of Ełtania, Episodes 28 through 30" (Mistborn) "White Sand" (excerpt; Taldain) "Shadows for Silence in the Forests of Hell" (Threnody) "Sixth of Dusk" (First of the Sun) "Mistborn: Secret History" (Mistborn) These wonderful works, originally published on Tor.com and elsewhere individually, convey the expanse of the Cosmere and tell exciting tales of adventure Sanderson fans have come to expect, including the Hugo Award-winning novella, "The Emperor's Soul" and an excerpt from the graphic novel "White Sand." Arcanum Unbounded will also contain the 120-page Stormlight Archive novella "Edgedancer," which will appear in this book for the first time anywhere. It is a story of Lift, taking place between Words of Radiance and the forthcoming Oathbringer. Finally, this collection includes essays and illustrations for the various planetary systems in which the stories are set. From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies - one of them composed of ferocious giants - now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. Let the Dragon ride again on the winds of time. In the Prologue to Towers of Midnight, book thirteen of The Wheel of Time, Lan Mandragoran rides on toward death; Perrin Aybara, Lord Goldeneyes, has a disturbing dream; Galad leads the Whitecloaks into harm's way; one who has left humanity behind creeps through the Blight; and the Blight border faces invasion. As with the previous four titles in The Wheel of Time series, this prologue from Robert Jordan's Towers of Midnight, completed by Brandon Sanderson, is available for sale before the book's official release date (November 2, 2010). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"The good thing is, no one will ever die again. The bad thing is, everyone will want to." A physicist receives a mysterious paper. The ideas in it are far, far ahead of current thinking and quite, quite terrifying. In a city of "fast ones," shadow players, and jinni, two sisters contemplate a revolution. And on the edges of reality a thief, helped by a sardonic ship, is trying to break into a Schrödinger box for his patron. In the box is his freedom. Or not. Jean de Flambeur is back. And he's running out of time. In Hannu Rajaniemi's sparkling follow-up to the critically acclaimed international sensation The Quantum Thief, he returns to his awe-inspiring vision of the universe...and we discover what the future held for Earth. The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. In the Prologue to The Gathering Storm, the first volume of the last trilogy of Robert Jordan's Wheel of Time epic, Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward---wishing he could form at least a temporary truce with the invaders---his allies watch in terror the shadow that is growing within the heart of the Dragon Reborn himself. As with the previous three titles in the Wheel of Time series, this prologue from Robert Jordan's The Gathering Storm, completed by Brandon Sanderson, is available for sale before the book's official release date (October 27, 2009). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Of the son of a High Duke of the interstellar Empire, much glory is expected. And expected. And still expected, despite endless proof that young Dennison Crestmar has no talent whatsoever for war. But the life Dennison is forced to live will have its surprising lessons to impart... Brandon Sanderson's novels include Elantris, the Mistborn series (Mistborn, The Well of Ascension, and The Hero of Ages), Warbreaker, and the several volumes of

the Stormlight Archive beginning with 2010's *The Way of Kings*. Following the death of Robert Jordan in 2007, Jordan's wife and editor Harriet McDougal recruited Sanderson to finish Jordan's multi-volume fantasy series *The Wheel of Time* from Jordan's extensive drafts and notes. Published in 2009, *The Gathering Storm*, by Jordan and Sanderson, is the first of the three volumes that will conclude Jordan's epic.
