The World's Gentlest and Sweetest Tarot Cards After the successful launch of their best-selling Angel Tarot Cards, Doreen Virtue and Radleigh Valentine knew that some people were still wary of tarot. So they created this 78-card deck and accompanying guidebook for highly sensitive people who desire the accurate and detailed answers of tarot cards, along with gentle words and images. Even sweeter than their other decks, the Guardian Angel Tarot Cards provide a comforting and safe way to get clear messages for yourself and others.

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto's work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You'll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

*When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she'd amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, Angel Medicine is a three-part work that relates the exciting story of Doreen's recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you're sure to gain additional faith and understanding from reading Angel Medicine.*

*As you read this fascinating book, you'll find that you can heal yourself and others; rapidly manifest your heart's desires; and commune with angels, goddesses, fairies, and ascended masters! Part II alphabetically lists and describes the attributes of goddesses and angels in an easy-to-use guide that will help you awaken your innate spiritual abilities.*

*"Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. In her best-selling book Healing with the Angels, Doreen included a chapter that briefly explained the meanings behind these number sequences, and many people have commented that they carry the book with them everywhere to help them interpret the numbers they see daily. By popular request from Doreen's audience members, Angel Numbers has been created to serve as a pocket guide containing the angelic meanings of numbers from 0 to 999. Designed to fit into a purse or pocket for easy transport, Angel Numbers provides an interpretation of more complex number sequences than was previously available in Healing with the Angels. This new book focuses on numbers such as 123, 337, 885, and so on. Whether you're seeing these numbers on license plates, telephone numbers, the clock, or other locations, they're very real messages from the angels. Angel Numbers will help you instantly understand the meaning of these signs!*

As with each of Doreen's oracle-card decks, the messages for each card are positive, accurate, and life-affirming.*

**Guide to Working and Healing with Divinities and Deities.** Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."

Crystal Children reflect the new generation that has come to the Earth plane after the Indigo Children. They are approximately ages 0 through 5, although some members of the first wave of Crystal Children are as old as 7. These children are like Indigos—highly psychic and sensitive—but without the dark edge and the anger energy. The term Crystal Children is already taking hold worldwide, and people everywhere are talking about these special kids. Since Doreen is the only researcher who is publicly giving speeches on the subject, her audiences have been asking her for a book on the topic. It's a natural sequel to her book The Care and Feeding of Indigo Children. As babies, Crystal Children may take longer than normal to begin talking. They are highly telepathic, and their tuned-in mothers communicate with them nonverbally. Because they're so sensitive, the Crystal Children babies may fuss and cry a lot in crowded places. They're also very fond of nature. Doreen once watched one Crystal Child walk from tree to tree, giving each one a big hug. Crystal Children are beautiful inside and out, like magnificent little high-priests and priestesses. One look in their eyes, and you'll recognize Divine love and wisdom. Their auras are bright, radiant, and opalescent—they seem to glow from the inside! They talk about past lives, distant galaxies, and profound insights concerning peace and love. Most Crystal Children's parents are aware that their kids are special, and they're thrilled to be parenting such delightful children. The book includes many interviews with Crystal Children, their parents, and teachers. It discusses parenting and teaching methods that are essential to keeping these children happy and healthy, and how to avoid pitfalls that could spoil their special gifts.
