Jung on Astrology brings together C. G. Jung's thoughts on astrology in a single volume for the first time, significantly adding to our understanding of Jung's work. Jung's Collected Works, seminars, and letters contain numerous discussions of this ancient divinatory system, and Jung himself used astrological horoscopes as a diagnostic tool in his analytic practice. Understood in terms of his own psychology as a symbolic representation of the archetypes of the collective unconscious, Jung found in astrology a wealth of spiritual and psychological meaning and suggested it represents the "sum of all the psychological knowledge of antiquity." The selections and editorial introductions by Safron Rossi and Keiron Le Grice address topics that were of critical importance to Jung—such as the archetypal symbolism in astrology, the precession of the equinoxes and astrological ages, astrology as a form of synchronicity and acausal correspondence, the qualitative nature of time, and the experience of astrological fate—allowing readers to assess astrology's place within the larger corpus of Jung's work and its value as a source of symbolic meaning for our time. The book will be of great interest to analytical psychologists, Jungian psychotherapists and academics and students of depth psychology, Jungian and post-Jungian studies, as well as to astrologers and therapists of other orientations, especially transpersonal.

The Magician's Companion by Bill Whitcomb is the most complete collection of practical information on magical systems from around the world you can add to your magical techniques. It begins with a complete introduction to magic, from definitions to a program of study so you can use the many systems described in the book. There are 91 systems described, including: ·The four worlds of the Hopi ·The Hindu Tattwas ·The Chinese Five Elements ·The Chakras ·The eight Chinese trigrams ·The Qabalistic Tree of Life ·Astrology ·The meridians of acupuncture ·Geomantic symbols ·The druid tree alphabet ·The Enochian system ·The Runes ·The color scales ·The hexagrams of the I Ching ·The 72 names of God There is so much more in this book. You'll also learn the techniques of working with: ·Alchemy ·Magical Alphabets ·Deities from numerous pantheons ·Telematic images ·Magic squares and sigils ·Attributions for gems and minerals This just scratches the surface of what has been acclaimed as one of the greatest research tools ever for magicians of all type. The magical knowledge of our ancestors comprises an intricate and elegant technology of the mind and imagination. The Magician's Companion makes the ancient systems accessible, understandable, and useful to modern magicians by categorizing and cross-referencing the major magical symbol systems. In fact, as a cross-reference, it is simply beyond compare. The Magician's Companion is the single source with the most complete information on Eastern and Western magical systems ever published. Students of mysticism, mythology, symbolic art, literature, and even cryptography will find The Magician's Companion of infinite value. This book is a must.

Well known and respected internationally for her ground breaking work in Archetypes of the Zodiac, Kathleen Burt now offers us a phenomenal distillation of her life work in: Beyond the Mask: The Rising Sign - Part I: Aries - Virgo. It illustrates how midlife urgings bring forth cycles of death and rebirth. Antiquated identities and roles must die, old 'masks' must be peeled away before we can discover a new path in life.

Kathleen Burt addresses specifically how the Aries - Virgo rising sign patterns guide us into new life and fresh experiences. With the keen eye of an astrologer examining the biography of creative writers and

inspired people, Kathleen Burt brings a depth of understanding to the **Rising Sign: Aries - Virgo**. This unique volume of wisdom offers decades of scholarly study and practical experience in esoteric astrology, psychology, mythology, and biography and examines the underlying archetypal patterns inherent in our lives.

Tap into the mythic power of the Celtic goddesses, gods, heroes, and heroines to aid your spiritual quests and magickal goals. Human and divine energies complement each other; when joined, they become a potent catalyst for true magick and change. **Celtic Myth & Magick** describes the energies of over 300 cross-referenced Celtic deities and heroic figures so you can quickly determine which one can best help you in attaining specific goals through magick—such as greater prosperity (Cernunnos), glowing health (Airmid), or a soul partner (Aengus MacOg). This guidebook explains how to use creative Pagan ritual and pathworking to align yourself with the energy of these powerful archetypes. Undertake three magickal quests to the inner plane—where you'll join forces with Cuchulain, Queen Maeve, and Merlin the Magician to bring their energies directly into your life. This inspiring, well-researched book is written especially for solitary Pagans who seek to expand the boundaries of their practice to form working partnerships with the divine.

Planets in Play is the first foundational book that lets the reader reimagine his or her inner life through the self-exploratory language of astrology. Author Laurence Hillman—a widely respected astrologer with a loyal following and a formidable online presence—reconnects the planets with the character traits given them by the ancients. Whether one accepts astrology as being "real," its language and concepts can go a long way toward helping us see the archetypes that play on our lives. In observing the strengths, weaknesses, and character traits of each planet and zodiac sign, readers will receive a toolbox filled with instruments with which to newly understand their lives. The reader will then be able to make more conscious choices about how he or she is living out these different aspects. To that end, Hillman provides specific tactics and highly practical ideas of how to expressly nourish or minimize these tendencies through choice of behavior, lifestyle, and personal surroundings. Case examples, stories, and anecdotes run throughout the book to demonstrate and ease this process. In its appendices, **Planets in Play** provides a guide in how to get a quality astrological reading, with an emphasis on one's dominant archetypes. In addition, Hillman offers a basic grounding in astrology for those readers, therapists, or counselors who wish to learn how the ancient art works at a psychological level without necessarily committing themselves to its study.

Enter a new dimension of spiritual self-discovery when you probe the mythic archetypes represented in your astrological birth chart. **Myth** has always been closely linked with astrology. Experience these myths and gain a deeper perspective on your eternal self. Learn how the characteristics of the gods developed into the meanings associated with particular planets and signs. Look deeply into your own personal myths, and enjoy a living connection to the world of the deities within you. When you finally stand in the presence of an important archetype (through the techniques of dreamwork, symbolic amplification, or active imagination described in the book), the god or goddess will have something to tell you.

The scientific, historic, and popular basis behind the ancient art of astrology is explored in this comprehensive reference. The guide also includes a table of astrological glyphs and abbreviations, a section on casting a chart, and a chapter that explains and interprets every planet in every house and sign.

In the beginning everything is fresh and new. Learning how to cast a circle, work magick, compile a Book of Shadows, and honor the God and Goddess on esbats and sabbats can be exhilarating. But once you've mastered the basics of Witchcraft comes the real challenge of living your faith every moment of every day. Living as a Witch is knowing that you are the magick. Advanced Witchcraft doesn't contain any "Wicca 101" information—it assumes that you're already familiar with the nuts and bolts of the Craft. Instead, this book challenges you to think critically about your beliefs and practices, what they mean to you, how they've changed, and where you're going. Along the way you'll also learn many techniques for intermediate and advanced Witches, including: —Meeting your shadow —Advanced warding and psychic self-defense —Power animals, familiars, and shapeshifters —Working the labyrinth and the maze —Advanced tree spirituality —Advanced augury and divination —Magick and ritual using the fine arts of storytelling, dance, music, art, and drama —The art of Wishcraft —Spirits and lost souls —Banishing and closing portals —The healing arts

Dreams have an intelligence and purpose of their own, allowing your soul to reveal itself. By listening to the wisdom of your dreams, you can increase the satisfaction and success you experience in your waking life, make positive changes for a better future, and find a profound connection to your Higher Self. Llewellyn's Complete Dictionary of Dreams presents more than 1,000 cross-referenced dream symbols and their universal meanings to assist you in analyzing your unconscious mind. Join Dr. Michael Lennox as he explores the basics of interpretation and shows you how to integrate the subtle messages that arise while you sleep. The insights related to the specific symbols in this extensive guide are the keys to creativity, growth, and understanding.

We've all heard the term "born on the cusp"—but what does it mean, exactly? Those born on the edge of two astrological signs often possess traits of both. Or, they may feel out of sync with their "official" sun sign. If your birthday (or the birthday of someone you care about) falls on the cusp, this book is for you! Engaging and easy to use, this the only modern book available on the topic of cusp astrology. This entertaining guide presents information that readers can use to gain deeper insight into their personality and motivations, and identify strengths, gifts, and challenges, even if they've only read their horoscope in the paper.

OVER HALF A MILLION COPIES SOLD! This is the classic guide to astrological history, legend, and practice! Readers will enjoy simple, computer-accurate planetary tables that allow anyone born between 1900 and 2100 to pinpoint quickly their sun and moon signs, discover their ascendants, and map out the exact positions of the planets at the time of their birth. In addition to revealing the planets' influence on romance, health, and career, *The Only Astrology Book You'll Ever Need* takes a closer look at the inner life of each sign. Celebrated astrologer Joanna Martine Woolfolk offers abundant insights on the personal relationships and emotional needs that motivate an individual, on how others perceive astrological types, and on dealing with the negative aspects of signs. Readers will also welcome the inclusion of new discoveries in astronomy. Lavishly illustrated and with an updated design, this new edition is an indispensable sourcebook for unlocking the mysteries of the cosmos through the twenty-first century and beyond.

You Can Predict the Future Throughout the centuries the future has been seen in dreams, in visions, and by seers. But you don't have to be a prophet or a visionary to predict what the future holds. This book explains how to understand and use the future-predicting ability that lies within. He identifies the different ways the future is revealed: Spontaneous forewarnings during dreams Spontaneous alerts Forewarnings and alerts communally experienced by numbers of people while sleeping or while awake Consciously controlled future-seeing achieved by seers Ingo Swann also presents fascinating prophecies that came true, ranging from those that foresaw the sinking of the Titanic to his own prediction of the fall of the Berlin Wall. Your Nostradamus Factor explains how you can develop your future by: • Overcoming blocks to future-seeing • Tracking a particular subject and testing your predictions • Using astrology to help see the future, and • Paying close attention to your dreams. Around the corner, Swann also offers startling predictions for the future of the environment, the economy, science, and society. (originally published in 1993)

Discover the Guiding Goddesses in Your Birth Chart and Ignite Your Authenticity, Passion, and Purpose Did you know that astrology and magick are woven from the same threads? The more you know about yourself, you'll intuitively understand about the other. This inspiring, hands-on guide shows you how to connect with the twelve faces of the Goddess through astrology, story, ritual, and pathworking. Explore the archetypes associated with each goddess, delve into astrology from a groundbreaking feminine perspective, and discover the personality, archetype, and correspondences of each zodiac sign to unlock a deeper understanding of yourself as the heroine of your story. Work with the specific guiding goddesses in your birth chart, learn how astrology is connected to the seasonal turning points on the Wheel of the Year, and much more. The Goddess is a reminder that connecting with the sacred feminine is an empowering and radical act that can guide you on your journey. Praise: "Join [Danielle Blackwood] at that moonlit crossroads where the sacred feminine intersect with astrology...Let The Twelve Faces of the Goddess be a lantern for you."—Steven Forrest, author of *The Inner Sky* "This beautiful perspective on the stars and our relationship to them is uplifting and inspiring, enlightening and intriguing."—Spirituality Today, 5-star review "An inspiring exploration of the archetypal interconnections between astrology, ritual, and the divine feminine."—Danielle Blackwood, bestselling author of *The Book of Goddesses* and creator of *The Goddess Tarot* "Danielle has beautifully woven a book that everyone can use to enhance their journey into the feminine and the magical. Though it is about the goddesses and the feminine found in the archetypes of astrology, mythology, ritual and the magical, it is not a book for women only. It is a book for all on the seeking path into their inner space; all the types are familiar to us, but now we have the language."—Erin Sullivan, author, astrologer, and teacher "A refreshing look at astrology from the perspective of the divine feminine. It is often intimidating to learn, but Blackwood presents information about the signs and how to use the magick and power of the goddesses connected to them in an easy-to-understand and relatable way."—Stephanie Woodfield, author of *Dark Goddess Craft* "This beautifully written book is a thoroughly uplifting, as well as informative, read and now has a place at the top of my list of favorite books."—Tenzin-Dolma, author of *The Planetary Myths and Take Control with Astrology* "Looking for a book that seamlessly weaves Goddess spirituality, archetypal psychology, and astrology together into a cohesive and (surprise!) real-world wisdom? The Twelve Faces of the Goddess by Danielle Blackwood is the book you are looking for."—Anne Newkirk Niven, editor of *SageWoman*

The Zurich Congress marked a return to the origins of Analytical Psychology: here it was that C.G. Jung lived for the first six decades of this century and developed the school of psychology he came to be known for. Here, too, is where many of today's Jungian analysts from all over the world received their training, and their initiation into the profession. As this collection of the complete proceedings attests, the theme of open questions drew a bountiful array of intriguing responses, and this to the largest gathering of Jungian analysts ever: more than 800 in all.

"Mapping Your Birthchart" removes the mystery from astrology so readers can look at any chart and get a basic understanding of the person behind it. Learn the importance of the planets, the different signs of the zodiac, and how they relate to everyday life.

Astrology and magick are woven from the same threads. The more you learn about one, the more you will intuitively understand about the other. Astrology is a symbolic language of energy, and when we come to see how its inherent patterns are so artfully aligned with the turning of the seasons and the rhythms of the earth itself, it becomes a richly evocative language that can empower us to find our own sacred connection to the immanent divinity in nature and ourselves. In this book, you will learn how to personally connect with the twelve faces of the Goddess through astrology, story, ritual, and guided meditation. As you read about the myths associated with each goddess, you may notice parallels in your own life, which will lead to a deeper and more profound understanding of the archetypal motifs unfolding on your path. In recognizing the mythological themes in your story, you will be inspired to new levels of self awareness and personal empowerment, as well as gaining a renewed sense of realization that your life is a sacred journey, with you as the protagonist.

Take a deeper look at astrology as it relates to Jungian Archetypes. By understanding myths and archetypes, you can attain the potential of your birth chart—your life map—and gain conscious control of the instincts that rule you. You can change the instinctual patterns that seem to have you locked in, and become healthier and more productive. Archetypes of the Zodiac explains the archetypal journeys of each sign: Aries' search for a separate identity, Taurus' quest for value and meaning, Gemini's search for variety. The technique in this book is based on the integration of the esoteric rules of the signs with their opposites. This technique helps you understand your instinctual behavior, enhance your creativity, and modify the negative energies in your horoscope. Anyone studying astrology and archetypes—counselors, professional

astrologers and even novices—can benefit from this information. You can bring out the higher octave of your sign and manifest it in your life—and learn to help others do the same.

In this wickedly funny guide, professional astrologer Hazel Dixon-Cooper casts off sugar-coated astrology in favor of exploring the maladjusted side of the universe. If you want the inside scoop, the real deal, the lowdown on each sun sign, then look no further. It's time to forget those traditional astrology books where Sagittarians are gregarious, Capricorns are ambitious, and Pisceans are dreamers. Instead, enter a world where Archers are loud-mouthed bores, Goats are pompous social climbers, and Fish are chronically helpless. Dixon-Cooper debunks the myths, reveals the flaws, and examines the dubious virtues of each sun sign. Discover how to use your own inner brat to outwit bullies, outmaneuver manipulators, and win those endless games that lovers play. Learn how to deal with those dysfunctional people you encounter every day, including how to: contain a Ram's oversized ego calm a raging Bull keep a fickle Twin faithful Irreverent, biting, and laugh-out-loud funny, Born on a Rotten Day exaggerates the bad, exorcises the good, and puts a new spin on the age-old question -- what's your sign?

Astrology is almost as old as mankind, and has helped countless people throughout the ages. And although knowing astrological basics can

tell you a lot, a more in-depth look into this ancient art can reveal so much more. In PLANETS AND POSSIBILITIES, certified astrologer Susan Miller shows you how astrology can help you envision new possibilities for your future, ones you may never have considered. You will learn about the myths the Greeks and Romans attached to the twelve zodiac signs to explain their characteristics. As you read these stories, Susan Miller shows you how their interpretations can help you fully understand your sign and perhaps see yourself in a whole new way! She also shows you how every Sun sign has a guardian planet that strongly influences the personality of each person born under that sign. For example, Sagittarius is ruled by Jupiter, the planet of prosperity and good fortune, and contributes to the happy-go-lucky Sagittarian approach to life. What will your ruling planet say about you? In addition, PLANETS AND POSSIBILITIES helps you learn which careers may be luckiest, most profitable, and fun for you. Discover the best ways to handle your cash flow and the ideal way for you to get rich. Be more fit by following the natural tendencies of both your personality and your body, find out more about your romantic side and how to attract the person right for you.
